OFFERED BY: Mr. D. Henry.
SECONDED: Unanimously.

ORDINANCE NO. 6730

AN ORDINANCE TO AMEND TERREBONNE PARISH CODE, CHAPTER 20, ARTICLE V-HISTORIC DISTRICT (CITY), SECTION 20-96 THROUGH SECTION 20-123 IN ORDER TO CHANGE THE STATUS OF THE COMMISSION FROM ADVISORY TO REGULATORY, TO CREATE REGULATIONS, TO PROVIDE FOR THE EXPANSION OF THE BOUNDARIES OF THE LOCAL HISTORIC DISTRICT, AND TO ADDRESS OTHER MATTERS RELATIVE THERETO.

SECTION I

BE IT ORDAINED by the Terrebonne Parish Council, in regular session convened, and on behalf of the Terrebonne Parish Consolidated Government, that Chapter 20, Article V – Historic District (City), Section 20-96 through Section 20-123 of the Terrebonne Parish Code be amended as follows:

ARTICLE V. HISTORIC DISTRICT (CITY)*

DIVISION I. GENERALLY

Sec. 20-96. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Accessory structure means a detached subordinate building located on the same building site with the main building, the use of which is incidental to that of the main building.

Bona fide business shall mean that business holding a current occupational license, other current required permits and the necessary utilities to operate upon the specific premises in question.

Building means any covered structure intended for shelter, housing, enclosure, or economic activities related to persons, animals, or chattels. The term “building” shall be construed to include the term “structure.”

Commission means the Houma Historic District Advisory Commission.

Economic return means the capacity of a building to generate revenue in the form of fair market rents. When the fair market rents less expenses for a building equal zero, the building shall be considered incapable of generating any net economic return on its value.

Exterior Architectural Features shall include but need not be limited to the color, architectural style, general design and general arrangement of the exterior of a structure, including the kind and texture of the building material, the type and style of all roofs, window, doors, light fixtures, signs and other appurtenant fixtures.

Historic refers to a building at least fifty (50) years old which is of significant local, regional, or national historic, architectural and/or cultural value.
Sign shall mean any letter, word, model, banner, pennant, insignia, trade flag, structure, device or other representation, whether or not attached to a building, whether or not permanent or temporary, which is used to advertise and communicate, announce or direct. For the purposes of this Chapter, the definition shall exclude public traffic or directional signs, information required by law or ordinance to be place on structures, political signs and temporary signs informing the public of money-raising campaigns for charitable purposes, and seasonal signs.

Sec. 20-9998—20-115. Reserved.

DIVISION 2. COMMISSION

Sec. 20-116. Established.

There is hereby created a commission to be known as the Houma Historic District advisory Commission.

Sec. 20-117. Purpose; Powers; Certificate of Appropriateness.

(1) Purpose: The purpose of the commission shall be to endorse plans as presented or, when deemed necessary, to make recommendations for changes to property owners upon promote the educational, cultural, economic, and general welfare of the public through the preservation and protection of all such buildings, sites, monuments, and structures of historic interest or importance through their protection, maintenance, and to review and issue certificates of appropriateness for all proposed alterations, relocations, and new construction within the boundaries of the historic district and any other actions necessary to implement the intent of this article. Commission recommendation shall not be binding. However, the commission shall make itself available to assist owners of properties on which alteration, relocation, or new construction is contemplated in complying with recommendations. The commission shall also assist property owners interested in pursuing investment tax credits for historic rehabilitation to meet the requirements for that program.

(2) Certificate of Appropriateness: No building, structure, or edifice, including fences, boundary walls, signs, light fixtures, steps and paving or other appurtenant fixtures shall be erected, altered, restored, moved or demolished within the Local Houma Historic District until after an application for a certificate of appropriateness as to exterior architectural features has been submitted to and approved by the commission, except as otherwise provided by the parish governing body in the ordinance establishing such commission or as provided by rules, regulations, policies, procedures and standards adopted by the commission. The style, scale, material, size and location of outdoor advertising signs and bill posters within the Local Houma Historic District shall also be under the control of the commission.

Sec. 20-118. Recommendation and Appointment of members.

The downtown revitalization commission shall serve as the Houma historic district advisory commission. Commission membership shall be composed of two (2) members of the Houma Downtown Development Corporation, one (1) member of the Downtown Business Association, one (1) Louisiana licensed architect or engineer, and one (1) member at-large. Applicant of the necessity of obtaining a certificate of appropriateness from the historic commission. The applicant shall file with the commission staff an application for a certificate of appropriateness on a form as specified by the commission. The permit department will distribute the completed application to the commission.

(2) The commission shall hold a public hearing upon each application for all new certificates of appropriateness affecting property under its control except in those instances where the commission has determined that the application for a certificate of appropriateness is not a substantive change and further that the commission has determined the certificate complies with standards adopted by the commission. Notice of the time and place of said hearing shall be given by publication in the form of a legal advertisement appearing in the official journal of the governmental at least seven days before such hearing, and by the posting of such notice on or near the main entrance of any hall or room where the commission usually meets.

(3) Within not more than forty-five calendar days after the filing of an application the commission shall pass upon it, giving consideration to the factors set forth in the chapter and shall give written notice of its decision to the applicant setting forth the reasons there for. Evidence of approval shall be by certificate of appropriateness issued by the commission, and whatever its decision, notice in writing shall be given to the applicant. The commission shall keep a record of all applications for certificates of appropriateness and of all its doings under this chapter.

(4) No building permit shall be authorized by the governing body that affects a site or structure in the Local Houma Historic District without a certificate of appropriateness except as otherwise permitted by the parish.
(5) The commission shall have the right to make such recommendations for changes and modifications it may deem to be necessary in order to enable the applicant to meet with its requirements.

Sec. 20-123. Criteria to be used in making recommendations decisions.

The criteria to be used by the commission in making recommendations are as follows:

(1) The commission shall not consider interior arrangement or use but shall consider the relationship of the exterior of the building concerned with all others in the historic preservation district as to avoid incongruity and promote harmony therewith.

(2) The commission shall adhere to and seek compatibility of structures in the historic district in terms of size, color texture, scale and site plan and said commission shall set forth and define guidelines.

(3) Nothing herein shall be construed to prevent ordinary maintenance or repairs which do not involve a change of design, material or of the outward appearance, thereof; not to prevent the construction, reconstruction, alteration or demolition of any such feature which is required by the public safety of an unsafe or dangerous condition.

(4) To the extent feasible with economic realities, efforts should be encouraged to provide compatible uses for buildings requiring minimal building, building site, and environmental alteration.

(5) Removal, destruction, or alteration of original characteristics or unique architectural features of buildings should be is discouraged-prohibited.

(6) Surface cleaning of structures by the gentlest means possible should—be—encouraged is required. Sandblasting and abrasive chemical cleaning methods that will damage historic building materials should must be avoided where other alternatives are available.

(7) In a rehabilitation project, use of materials matching or compatible with those already used in the building as to composition, design, color, texture, and other visual qualities should be encouraged is required.

(8) Contemporary design and alterations and additions to existing buildings should are not be discouraged forbidden when such alterations and additions do not destroy significant historical, architectural, or cultural material and such design is compatible in size, scale, material, and character to the property, neighborhood, and environment.

(9) In the case of new construction, compatibility with surrounding buildings in scale, size, and materials should must be—encouraged adhered to and sought.

(10) Federal Guidelines that apply to the Local Houma Historic District.

Sec. 20-124. Demolition of historic buildings.

No permit to demolish any building classified as historic and located in the Local Houma Historic District delineated in section 20-97 shall be issued until the Building Official receives a certificate of appropriateness from the commission. In reviewing such an application for demolition the commission shall consider evidence as provided by the owner that the building is
insecure of earning any economic return on its value, as appraised by a qualified real estate appraiser, or that new construction is demonstrated by the property owner to be the highest and best use of the building site.

1. The owner shall apply to the Local Houma Historic District Commission for a certificate of appropriateness to demolish said building.

2. Upon receipt of a completed application for demolition the commission shall cause notice of the proposed demolition shall be given three (3) times during a period of thirty (30) days to be published in accordance with Section 20-122 to afford the parish, interested persons, historic societies, or organizations the opportunity to acquire or to arrange for the preservation of such buildings. The notice shall provide the location at and the times during which the application can be reviewed. The applicant shall pay for publication of the notice in the official Parish journal and provide the commission an affidavit of publication from the official journal.

3. Within 45 days of receipt of the notice, the Commission shall hold a public hearing and make a written determination to approve, deny or modify said application. A copy of the report shall be forwarded to the Parish Building Official and the applicant. Reasons for denial or modification shall be provided in the written report.

4. In determining whether or not to issue the certificate of appropriateness, the commission shall find that issuance of a permit to demolish the building is necessary in the public interest, or that failure to issue a permit will result in unreasonable economic hardship to the owner.

5. Information to be submitted to the commission in order to consider a claim of unreasonable economic hardship by the owner shall at a minimum include the following:
   a. Amount paid for the property, date of purchase and the seller;
   b. Assessed value of the land and improvements thereon for the three most recent assessments;
   c. Real estate taxes paid for the previous 3 years;
   d. Any appraisal obtained within the previous two years by the owner;
   e. Any listing of the property for sale, or rent, price asked and offers received, if any;
   f. Any consideration by the owner as to profitable adaptive uses for the property;
   g. Annual debt service, if any;
   h. Past two years of annual gross income from the property if applicable;
   i. Itemized operating and maintenance expenses;
   j. Annual cash flow of property only if any for the previous two years;
   k. Other information deemed necessary on a case by case depending upon the nature of the structure.

Sec. 20-125. Alterations

1. No permit to alter the exterior or site of an historic building located in the Local Houma Historic District, as defined herein, shall be issued until the Building Official receives a certificate of appropriateness from the Local Houma Historic District Commission.
   a. Upon receipt of a completed application to alter the building exterior or site, the commission shall give notice in accordance with Section 20-122.
   b. The Commission shall review the full plans and specifications of the application so far as they relate to the proposed appearance, color, texture or materials and architectural design of the exterior, including the front, side, rear and roof of such building, alteration, addition and any outbuilding, party wall, courtyard, fence or other dependency thereof.
   c. Within 45 days of receipt of application, the Commission shall determine whether a public hearing is necessary and if so shall hold a public hearing and make a recommendation as to approval, denial or alteration of the application.

2. In reviewing the application the Commission shall utilize the following standards to determine whether the proposal meets the requirements of the Local Houma Historic District.
a. Repavement of sidewalks shall include the introduction of various paving materials, handicap access ramps, and increased width to accommodate planting and outdoor street furnishings.
b. Signage shall conform to that specified herein for the Local Houma Historic District.
c. The Commission shall review and approve any planting programs.
d. Alterations or additions to building fronts should be designed to fit within the opening originally intended for it and not extend beyond it.
e. Dumpsters shall be screened from view. Materials used for screening should be a color that blends in with those of the rear of the building. Vegetation may be used as an alternative.
f. Material used in the addition or alteration to a façade should match the original material and detail.
g. When work is to be performed on a portion of a building that has previously been altered, the Commission encourages the owner to do work that will return the building to its original appearance.
h. Where no illustrations exist to show the appearance of the building prior to its remodeling the Commission encourages use of buildings of similar age, type, style and material as references to examples for possible appearance.
i. The Commission requires the use of colors typical to the period and style of the building.

Sec. 20-126 New Construction

1. No permit for new construction within the Local Houma Historic District, as defined herein, shall be issued until the Building Official receives a certificate of appropriateness from the Local Houma Historic District Commission.
   a. Upon receipt of a completed application for new construction within the district, the commission shall give notice in accordance with Section 20-122.
   b. Within 45 days of receipt of application, the Commission shall determine if a public hearing is necessary and if so shall hold a public hearing and make a recommendation as to approval, denial or alteration of the application.

2. While new construction need not duplicate or copy historic styles and periods of the Local Houma Historic District, proposals must be compatible with the existing structures through the appropriate use of scale, siting, materials, decorative details and architectural elements. Architectural context is of primary concern.
   a. Scale: The relationship of the building and its elements (including doors and windows) to other structures in the district. It is important in considering scale, that a careful study be made of the height, width, and mass of buildings in the immediate neighborhood and district as a whole. This study should serve to confirm or deny the appropriateness of the height, width, and mass of the proposed building. Maximum height of any new structure shall conform to U. S. Department of Interior guidelines for historic districts.

   b. Siting: The positioning of a building on a lot. This process includes determining the setback of a building, the spacing of this building from adjacent buildings and the location of the walls, fences, walks, drives, and landscaping, if any of these are used in the overall design.

   c. Materials: The surface building fabric which contributes to the exterior character and appearance of a building.

   d. Decorative Details: Ornaments or embellishment. These include cornices, lintels, arches, balustrades, chimneys, shutters, columns, and other common
details. When used, details should create a unifying effect on a building and should be compatible with the context of the neighborhood.

e. Architectural Elements: Parts of building that are integral to its composition. These include balconies, roofs, porches, chimney, doors, parapets, and other parts of a building that contribute to its overall shape and silhouette. The choice and arrangement of elements of a proposed building should reflect those of other buildings in the neighborhood. The building should not draw unnecessary attention to itself by failing to relate to neighboring styles. But neither should it necessarily copy these styles. The object is to complement the context of the Local Houma Historic District.

Sec. 20-127 Signs

1. Display of signs includes erect, paint, repaint, place, replace, hand, rehand, repair, maintain, paint directly upon a building or other structure, inlay, embed in or otherwise exhibiting in public view.

2. The display of any unauthorized signs visible from the public streets, highways and alleys within the Local Houma Historic District unless provided otherwise in the Chapter is prohibited.

3. Approval of the display of a sign in the Local Houma Historic District shall be granted by the commission only when such signs and the plans therefor so far as they relate to the appearance, color, size, position, method of attachment, texture of materials and design, conform to the quaint and distinctive character of the Local Houma Historic District and do not injuriously affect it or impair the value to the community of those buildings having architectural or historical worth.

4. All signs must conform at a minimum to the requirements of the Parish building code and the zoning district in which they are to be located and in addition shall meet the following standards.

a. No sign of any character shall be displayed in the Local Houma Historic District unless it advertises a bona fide business conducted in or on the premises and if it does do so not exceeding fifty percent (50%) of the area of such sign may be used to advertise products or commodities actually sold on the premises.

b. No sign shall be displayed from any building, exterior wall, balcony, gallery, canopy, shed, roof, parapet, door or window or placed in any manner whatsoever so as to disfigure or conceal any architectural feature or detail of any building.

c. Signs shall not be located or extended beyond four (4) feet from the building facades. Hooded lamps for such signs may extend six (6) inches beyond the four (4) feet maximum. However, in no circumstance shall a sign be allowed to extend over a parish or state right of way without the express written permission of the Parish Department of Public Works, the Louisiana Department of Transportation and Development or other appropriate authority.

d. No sign with interior illumination can be constructed or erected within the district without the express approval of the commission.

e. Flashing signs are not permitted.

f. In general, one primary sign is allowed to each store, shop, or bona fide place of business, and this sign shall be no larger than the maximum stipulated in the Parish zoning ordinance.

g. Banners permitted for special events shall be removed within seven (7) days of the end of the event.

h. Grand opening signs shall be permitted for a maximum of 14 days from the opening date of a bona fide business without the requirement of obtaining a permit.

i. There shall be no more than one real estate for lease or sale sign for each street face of a property.
j. Sale signs shall comply with all requirements herein.

k. No portable or changeable letter signs may be erected or allowed to remain with the Local Houma Historic District.

5. No permit may be issued for a sign until the owner has received a letter from the commission approving it as to form, location and attachment. Any application for a permit to display signs in the district shall be submitted to the commission for its concurrence. Should the commission deny approval the reasons shall be provided in its report.

6. Any sign which no longer advertises a bona fide business conducted on the premises or which is otherwise not in compliance herewith shall, upon written notification from the commission or its agent (who is hereby specifically authorized to so proceed), be taken down removed or obliterated within five days after such notification. Service of such notice shall be by certified mail.

7. Application to display signs shall be a duplicate of that information submitted to the Building Official and/or Zoning Administrator along with such additional information as may be necessary for the commission to review such application in accordance with the standards specified herein.

8. Any sign or exterior illumination of walls, exteriors, roofs, or appurtenant structures of buildings displayed after the effective date of this section and contrary to the provisions of this section are prohibited.

Sec. 20-128 Lighting

The commission reserves the right to review for approval lighting schemes. Plans for lighting should illustrate the relationship of the lighting to the existing building and include a drawing or manufacturer’s description of the proposed fixtures. In reviewing such plans the following standards will apply.

1. Private floodlights. The public sidewalks, places and alleys exteriors roofs outer walls and fences of buildings and other constructions and signs visible from any public street, place or position in the Local Houma Historic District shall not be illuminated by privately controlled floodlights or other illumination except by express approval of the commission. Compliance shall be effective within six months after enactment of this ordinance.

2. Exterior lighting fixtures. The type and placement of lighting fixtures should be that original to a building and adapted for contemporary use. If the original fixtures are no longer available or if the building never had any, fixtures for replacement or addition should be compatible in age and style to the building or should be unobtrusive and not suggestive of a particular style or age. Innovative lighting schemes which enhance the architectural character of the building and the general character of the Local Houma Historic District will be considered.

3. Security lighting systems are to be designed and installed in such a way as to minimize visibility of the fixture during daylight hours and to provide a uniform lighting pattern on those portions of the building visible from the street.

4. Placement of lighting fixtures. The lighting fixtures should be mounted and centered on the space between column bays or symmetrically around a door. Lights should be located so that they do not interfere with the operation of a window or door.

6. Flush or recess mounted fixtures for use in porch soffits or ceilings are generally preferred over hanging fixtures.
Sec. 20-129 Overhanging Balconies

New or additional balconies may be erected if they conform to the architecture of the Local Houma Historic District and are at least nine (9) feet above the level of the sidewalk. Balconies that overhang a parish or municipal right of way shall have obtained a letter of no objection from the Terrebonne Parish Department of Public Works and those overhanging a State or federal right of way must document approval by the appropriate authority prior to the issuance of a certificate of appropriateness from the Commission.

Sec. 20-130 Prohibition of Aerials and Antennas

The construction of aerials, antennas or satellite dishes within the Local Houma Historic District are prohibited without the approval of the commission.

Sec. 20-131 Building Interiors

The Commission encourages property owners to identify, retain and preserve those interior individual structural or decorative features that are important in defining the overall historic character of the building. Such features might include post and beam systems, trusses, columns, above grade stone foundation walls, light fixtures, hardware, flooring, fireplaces and mantles, cornices, molding, or other decorative features.

Sec. 20-132 Hardship variances

Where by reason of topographic conditions, irregularly shaped lots, or because of unusual circumstances applicable solely to the particular applicant, strict enforcement of the provisions of this Chapter would result in serious undue hardship particularly affecting said applicant, then the commission, in passing upon his application shall have the power to vary or modify adherence to this Chapter, provided always that its requirements insure harmony with the general purposes hereof, and will not adversely affect the Local Houma Historic District as a whole or any designated landmark.

Sec. 20-133 Enforcement

The commission shall have the power to institute suit in any court of competent jurisdiction to prevent any unlawful action in violation of the provisions of this Chapter or of any of the rules and regulations adopted by the commission in conformity with it.

Any owner, agent, lessee or other person acting for or in conjunction with him, who shall violate this chapter or rules, regulations or decision of the commission shall be fined not less than fifty dollars nor more than one hundred dollars for each violation, except as hereinafter provided. Any owner, agent, lessee or other person acting for or in conjunction with him who shall demolish a structure or edifice without having received an appropriate certificate of appropriateness may be fined a single fine of not less than one thousand dollars nor more than ten thousand dollars. For violations other than demolition without an appropriate certificate of appropriateness each day that a violation continues shall constitute a separate offense.

Sec. 20-134 Appeals

1. Any person or persons aggrieved by any decision, act, or proceeding of the commission shall have a right to apply in writing to the Parish Council for reversal or modification thereof and the Parish President shall have the right to stay all further action until the Council may affirm a decision of the commission by majority vote of all its members. Any such appeal shall be taken in ten days from the date of decision and the Council may consider said appeal at its next general or special meeting, but in any event, not more than forty-five days thereafter.
