

## ***Emergency Notifications on Your Mobile Phones and Email***

Emergency notifications are now available from the Terrebonne Parish Consolidated Government on your mobile phones or by email in the event of a major disaster or evacuation notice in your area. To sign up, click on the web page link at the bottom of this notice and you will be transferred to FirstCall Network's registration web page for Terrebonne Parish. Place your cell phone number, including the area code, in either the primary or secondary phone area of the form. If you do not have a home phone, but use a cell phone, please place your home address on the form, so that you will be notified of incidents near your home. The FirstCall Network website is a secure website and all information submitted to FirstCall Network will never be used for solicitation purposes or sold to any third party.
