The Authorized Officers are each hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions of this Bond Ordinance, to execute and deliver the Loan Agreement, and to cause the Bonds to be prepared and/or printed, to issue, execute and seal the Bonds and to effect delivery thereof as hereinafter provided. If facsimile signatures are used on the Bonds, then such signatures shall be registered with the Louisiana Secretary of State in the manner required by La. R.S. 39:244.

In connection with the issuance and sale of the Bonds, the Authorized Officers are each authorized, empowered and directed to execute on behalf of the Parish such additional documents, certificates and instruments as they may deem necessary, upon the advice of counsel, to effect the transactions contemplated by this Bond Ordinance, including a Commitment Agreement with the Department. The signatures of said officers on such documents, certificates and instruments shall be conclusive evidence of the due exercise of the authority granted hereunder.

Registration. The Parish shall cause the Bond Register to be kept at the principal office of the Paying Agent in which registration of the Bonds and transfers of the Bonds shall be made as provided herein. The Bonds may be transferred, registered and assigned only on the Bond Register, and such registration shall be at the expense of the Parish. The Bonds may be assigned by the execution of an assignment form on the Bonds or by other instruments of transfer and assignment acceptable to the Paying Agent. A new Bond will be delivered by the Paying Agent

to the last assignee (the new Owner) in exchange for such transferred and assigned Bond after receipt of the Bond to be transferred in proper form.

Effect of Registration. The Parish, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Bond is registered as the Owner of such Bond for the purpose of receiving payment of the principal (and redemption price) of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law, neither the Parish, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

Recital of Regularity. This Governing Authority, having investigated the regularity of the proceedings had in connection with this issue of Bonds, and having determined the same to be regular, the Bonds shall contain the following recital, to wit:

"It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of this State."

Deposit of Bond Proceeds. The proceeds derived from the sale of the Bonds shall constitute a trust fund to be used exclusively for the purposes for which the Bonds are herein authorized to be issued, but the purchaser of the Bonds shall not be obliged to see to the application thereof. All of the proceeds derived from the sale of the Bonds, which shall be paid in installments by the Department in the manner set forth in the Loan Agreement, shall be deposited by the Parish in a Construction Fund (the "Construction Fund"). The funds in the Construction Fund shall be used solely for the purpose of paying costs of the Project, in the manner set forth in the Loan Agreement, and costs of issuance.

Davis-Bacon Wage Rate Requirements. The Parish agrees that all laborers and mechanics employed by contractors and subcontractors on the portion of the project that is funded in whole or in part with the Bonds purchased by the Department shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality of the Parish as determined by the Clerk of the United States Department of Labor ("DOL") in accordance with Subchapter IV of Chapter 31 of Title 40, United States Code. DOL provides all pertinent information related to compliance with the foregoing requirements, including prevailing wage rates and instructions for reporting. The Parish will ensure that all construction contracts relating to the portion of the Project that is funded in whole or in part with Bonds purchased by the Department will require that the contractor comply with the aforesaid wage and reporting requirements. This section shall not apply to situations where the Parish may perform construction work using its own employees rather than any contractor or subcontractor.

Sinking Fund. (a) For the payment of the principal of and the interest on the Bonds and any additional parity bonds, there has been created a special fund known as "Taxable Limited Tax Bonds (2016) Sinking Fund" (the "Sinking Fund"), said Sinking Fund to be established and maintained with the regularly designated fiscal agent bank of the Issuer. The Issuer shall deposit in the Sinking Fund the first revenues received from each year's levy of the Tax, and shall continue to deposit all revenues of the Tax into the Sinking Fund until such time as the Sinking Fund contains sufficient funds to pay all principal and interest payments due on the Bonds and any additional parity bonds in the calendar year immediately following the applicable tax roll

year (for example, 2016 taxes will be accumulated and used to pay debt service due in calendar year 2017). Said fiscal agent bank or banks shall make available from the Sinking Fund to the Paying Agent at least one (1) day in advance of each Interest Payment Date funds fully sufficient to pay promptly the principal and/or interest falling due on such date.

(b) It shall be specifically understood and agreed, however, and this provision shall be a part of this contract, that after funds have actually been set aside out of the revenues of the Tax for each tax roll year sufficient to pay the principal and interest on the Bonds for the ensuing calendar year, and all required amounts have been deposited in the aforesaid Sinking Fund established by this Ordinance, then any excess of annual revenues of the Tax remaining for that tax roll year shall be free for expenditure by the Issuer for the purposes for which the Tax was authorized by the voters.

(c) All moneys deposited with the regularly designated fiscal agent bank or banks of the Issuer or the Paying Agent under the terms of this Ordinance shall constitute sacred funds for the benefit of the Owner of the Bonds, and shall be secured by said fiduciaries at all times to the full extent thereof in the manner required by law for the securing of deposits of public funds.

(d) All or any part of the moneys in the Sinking Fund shall, at the written request of the Issuer, be invested in accordance with the provisions of the laws of the State of Louisiana, and any interest earnings on the Sinking Fund shall be credited to the Sinking Fund.

Notification of Deficiencies. As required by La. R.S. 39:1410.62 the Parish will notify the State Bond Commission, in writing, whenever (i) transfers to any fund required to be established by this Bond Ordinance or any resolution or ordinance authorizing the issuance of indebtedness of the Parish have not been made timely or (ii) principal, interest, premiums, or other payments due on the Bonds or any other outstanding indebtedness of the Parish have not been made timely.

Investments. All or any part of the moneys in the Construction Fund and the Sinking Fund shall at the written request of the Governing Authority be invested in Qualified Investments, in which event all income derived from such investments shall be added to the respective fund, and such investments shall, to the extent at any time necessary, be liquidated and the proceeds thereof applied to the purposes for which the respective fund has been created.

Issuance of Refunding and Additional Parity Bonds. All of the Bonds issued hereunder shall enjoy complete parity of lien on the Net Revenues and moneys in the Debt Service Fund, despite the fact that any of the Bonds may be delivered at an earlier date than any other of the Bonds. The Parish, acting through its governing authority, hereby covenants that it will issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the Net Revenues or moneys in the Debt Service Fund or any account in the Reserve Fund having priority over or parity with the Bonds, except that Additional Parity Bonds may hereafter be issued on a parity with the Bonds under the following conditions:

(a) The Bonds, or any part thereof, including interest, may be refunded, and the refunding bonds so issued shall enjoy complete equality of lien with the portion of

the Bonds which is not refunded, if there be any, and the refunding bonds shall continue to enjoy whatever priority of lien over subsequent issues may have been enjoyed by the Bonds refunded; provided, however, that if only a portion of the Bonds outstanding is so refunded and the refunding bonds require total principal and interest payments during any Bond Year in excess of the principal and interest which would have been required in such year to pay the Bonds refunded thereby, then such Bonds may not be refunded without the consent of the owners of t/he unrefunded portion of the Bonds.

- (b) Additional Parity Bonds may also be issued on a parity with the Outstanding Parity Bonds and the Bonds if all of the following conditions are met:
- (i) The anticipated avails or proceeds of the Tax in the calendar year in which the additional bonds are to be issued, as reflected in the budget adopted by the Issuer in effect as of January 1 of such calendar year, must be at least two (2) times the combined principal and interest requirements for any calendar year on the Bonds and the Additional Parity Bonds.
 - (ii) There must be no delinquencies in the payments required to be made into the Sinking Fund established in Section 0 hereof.
 - (iii) The existence of the facts required by paragraphs (i) and (ii) above must be determined and certified to by the Parish President and the chief financial officer of the Parish, or by an independent firm of certified public accountants.
 - (iv) The proceeds of the Additional Parity Bonds must be used solely for the making of one or more of the capital improvements permitted by the proposition(s) authorizing the levy and collection of the Tax, or for refunding prior bonds issued for such purposes.
 - (vi) No Additional Parity Bonds may be issued should any event of default under this Ordinance shall have occurred and be continuing.
 - (vii) The Additional Parity Bonds shall be payable annually as to principal on the same Principal Payment Date as the Bonds and payable as to interest semi-annually on the same Interest Payment Dates as the Bonds, or shall be payable in monthly installments of both principal and interest.

Rights of Bondholders; Appointment of Receiver in Event of Default. The Owners from time to time shall be entitled to exercise all rights and powers for which provision is made in the laws of the State of Louisiana. Any Owners or any trustee acting for such Owners in the manner hereinafter provided, may, either at law or in equity, by suit, action, mandamus or other proceeding in any court of competent jurisdiction, protect and enforce any and all rights under the laws of the State of Louisiana, or granted and contained in this Bond Ordinance, and may enforce and compel the performance of all duties required by this Bond Ordinance, or by any

applicable statutes to be performed by the Parish or by any agency, board or officer thereof, and in general to take any action necessary to most effectively protect the right of the Owners.

Audit Requirements. The Parish will establish and maintain adequate financial records as required by the laws of the State governing financial record-keeping by political subdivisions and in accordance with generally accepted accounting principles ("GAAP") and will make these and the following records and reports available to the Owners or their authorized representatives upon request.

The Parish will cause an audit of its financial statements to be made by an independent firm of certified public accountants in accordance with the requirements of Chapter 8 of Title 24 of the Louisiana Revised Statutes of 1950, as amended, and for so long as the Department owns the Bonds, or any part thereof, in accordance with the requirements of Circular A-133 of the U.S. Office of Management and Budget, and Section 66.458 of the Catalog of Federal Domestic Assistance (CFDA #66.458 - Capitalization Grants for State Revolving Funds), if applicable. Upon completion, but in no event later than six (6) months after the close of the applicable fiscal year, the Parish shall file a copy of such audited financial statements with any Owner requesting same.

and other obligations of the Parish to the Owners shall thereupon cease, terminate, and become void and be discharged and satisfied. Fidelity Bonds for Officers and Employees. So long as any of the Bonds are outstanding and unpaid, the Parish shall require all of its officers and employees who may be in a position of authority or in possession of money derived from the collection of the Tax, to obtain or b/e covered by a blanket fidelity or faithful performance bond, or independent fidelity bonds written by a responsible indemnity company in amounts adequate to protect the Parish from loss.

Discharge of Bond Ordinance. If the Parish shall pay or cause to be paid, or there shall be paid to the Owners, the principal (and redemption price) of and interest on the Bonds, at the times and in the manner stipulated in this Bond Ordinance are paid in full for all amounts due and owing, then the pledge of the Net Revenues or any other money, securities, and funds pledged under this Bond Ordinance and all covenants, agreements.

Defeasance. Bonds or interest installments for the payment or redemption of which money shall have been set aside and shall be held in trust (through deposit by the Parish of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section, if they have been defeased pursuant to Chapter 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended, or any successor provisions thereto.

Cancellation of Bonds. All Bonds paid or prepaid either at or before maturity, together with all bonds purchased by the Parish, shall thereupon be promptly cancelled by the Paying Agent. The Paying Agent shall thereupon promptly furnish to the Chief Financial Officer of the Parish an appropriate certificate of cancellation.

Lost, Destroyed or Improperly Cancelled Bonds. Lost, destroyed or improperly cancelled Bonds may be replaced in the manner set forth in Part XI, Chapter 4, Subtitle II, Title 39 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 39:971 *et seq.*). In case any such lost, destroyed or improperly cancelled Bond has become or is about to become due and payable, the Parish in its discretion may, instead of issuing a new Bond, pay such Bond.

Upon the issuance of any replacement Bond under this Section, the Parish may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Bond issued pursuant to this section *in lieu* of any lost, destroyed or improperly cancelled bond shall constitute a replacement of the prior obligation of the Parish, whether or not the lost, destroyed or improperly cancelled bond shall be at any time enforceable by anyone. The obligation of the Parish on any replacement bonds shall be identical as its obligation upon the original bonds, and the rights of the holder shall be the same as those conferred by the original bonds.

Successor Paying Agent; Paying Agent Agreement. The Parish will at all times maintain a Paying Agent for the performance of the duties hereunder for the Bonds. The designation of the initial Paying Agent in this Bond Ordinance is hereby confirmed and approved. The Parish reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of a resolution of ordinance giving notice of the termination and appointing a successor and (b) causing notice to be given to each Owner. Every successor Paying Agent appointed hereunder shall at all times be an officer of the Parish or a bank or trust company organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, and subject to supervision or examination by Federal or State authority. The Authorized Officers are hereby authorized and directed to execute an appropriate agreement with the Paying Agent for and on behalf of the Parish in such form as may be satisfactory to said officers, the signatures of said officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder. No resignation or removal of the Paying Agent shall become effective until a successor has been appointed and has accepted the duties of Paying Agent.

Notices to Owners. Wherever this Bond Ordinance provides for notice to Owners of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first class postage prepaid, to each Owner of such Bonds, at the address of such Owner as it appears in the Bond Register. In any case where notice to Owners is given by mail, neither the failure to mail such notice to any particular Owner, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Bond Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Publication; Peremption. This Bond Ordinance shall be published one time in the official journal of the Parish, or if there is none, in a newspaper having general circulation in the Parish.

It shall not be necessary to publish the exhibits to this Bond Ordinance but such exhibits shall be made available for public inspection at the offices of the Governing Authority at reasonable times and such fact must be stated in the publication within the official journal. For a period of thirty days after the date of such publication any persons in interest may contest the legality of this Bond Ordinance and any provisions herein made for the security and payment of the Bonds. After such thirty day period no one shall have any cause or right of action to contest the regularity, formality, legality, or effectiveness of this Bond Ordinance and the provisions hereof or of the Bonds authorized hereby for any cause whatsoever. If no suit, action, or proceeding is begun contesting the validity of the Bonds authorized pursuant to this Bond Ordinance within the thirty days herein prescribed, the authority to issue the Bonds or to provide for the payment thereof, and the legality thereof, and all of the provisions of this Bond Ordinance and such Bonds shall be conclusively presumed, and no court shall have authority or jurisdiction to inquire into any such matter.

Disclosure Under SEC Rule 15c2-12. The Parish is not required at this time to comply with the continuing disclosure requirements described in the Rule 15c2-12(b) of the Securities and Exchange Commission [17 CFR '240.15c2-12(b)], because:

- (a) the Bonds are not being purchased by a broker, dealer or municipal securities dealer acting as an underwriter in a primary offering of municipal securities; and
- (b) the Bonds are in denominations of One Hundred Thousand Dollars (\$100,000) or more and are being sold to no more than one financial institution or sophisticated investor which (i) have such knowledge and experience in financial and business matters that they are capable of evaluating the merits and risks of the prospective investment in the Bonds and (ii) are not purchasing said Bonds for more than one account or with a view to distributing same.

Severability. In case any one or more of the provisions of this Bond Ordinance or of the Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Bond Ordinance or of the Bonds, but this Bond Ordinance and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provision enacted after the date of this Bond Ordinance which validates or makes legal any provision of this Bond Ordinance or the Bonds which would not otherwise be valid or legal shall be deemed to apply to this Bond Ordinance and to the Bonds.

Section Headings. The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.

Effective Date. In accordance with Section 2-12(C) of the Parish's Home Rule Charter, this Bond Ordinance shall become effective immediately upon approval by the Parish President, or, in the event of veto, upon re-adoption by the Governing Authority.

FOR VALUE RECEIVED, the Parish of Terrebonne, State of Louisiana (the "Parish"), hereby promises to pay (but only from the sources hereinafter described) to:

REGISTERED OWNER: Department of Environmental Quality
Attn: Financial Services Division, Accounts Receivable
P. O. Box 4311
Baton Rouge, Louisiana 70821-4311

or registered assigns noted on the registration record attached hereto, the Principal Amount set forth above (unless a lower Principal Amount applies, as set forth below), together with interest thereon from the Bond Date set forth above or the most recent interest payment date to which

interest has been paid or duly provided for, unless this Bond shall have been previously called for prepayment and payment shall have been duly made or provided for.

This Bond shall bear interest, payable semi-annually on March 1 and September 1 of each year, commencing September 1, 2016 (each, an "Interest Payment Date"), at the Interest Rate shown above, said interest to be calculated on the basis of a 360-day year consisting of twelve 30-day months. Interest on this Bond on any Interest Payment Date shall be payable only on the aggregate outstanding amount of the purchase price which shall have been paid theretofore, as noted on Schedule A hereto, and shall accrue with respect to each purchase price installment only from the date of payment of such installment.

If the Department is the registered owner of this Bond, the Parish will additionally pay an Administrative Fee to the Department at the annual rate of one-half of one percent (0.50%) on the outstanding principal amount of the Bond, payable on each Interest Payment Date. In the event (i) the Department owns this Bond or the Department has pledged or assigned this Bond in connection with its Clean Water State Revolving Fund Program and (ii) the Administrative Fee payable to the Department is declared illegal or unenforceable by a court or an administrative body of competent jurisdiction, then the "Interest Rate" shown above and borne by this Bond shall be increased by one-half of one percent (0.5%) per annum, effective as of the date declared to be the date from which the Administrative Fee is no longer owed because of such illegality or unenforceability.

This Bond shall mature in thirteen (13) installments of principal, payable annually on each March 1, beginning on March 1, 2018, or the first March 1 following the Completion Date, whichever is earlier, and each annual installment shall be the applicable percentage shown in the following table, rounded to the nearest One Thousand Dollars (\$1,000), of the principal amount of the Bonds outstanding on the day before the applicable Principal Payment Date:

2023	12.090	2030	100.000
2024	13.884		

The principal and interest on this Bond shall be payable by check mailed to the registered owner of this Bond (determined as of the Interest Payment Date) at the address shown on the registration books kept by the Paying Agent (hereinafter defined) for such purpose, provided that payment of the final installment of principal on this Bond shall be made only upon presentation and surrender of this Bond to the Paying Agent.

The principal installments of this Bond are subject to prepayment at the option of the Parish at any time, in whole or in part, at a prepayment price of par plus accrued interest and accrued

Administrative Fee, if any, to the prepayment date. In such case, the remaining principal shall continue to mature in annual installments calculated using the percentages shown above.

In the event a portion of this Bond is to be prepaid, this Bond shall be surrendered to the Chief Financial Officer of the Parish, as initial Paying Agent for the Bonds (the "Paying Agent"), who shall note the amount of such prepayment in the space provided therefor on the schedule attached to this Bond. Official notice of such call of this Bond for prepayment shall be given by means of first class mail, postage prepaid by notice deposited in the United States Mail not less than thirty (30) days prior to the prepayment date addressed to the registered owner of this Bond to be prepaid at his address as shown on the registration books of the Paying Agent, which notice may be waived by any registered owner. The Parish shall cause to be kept at the office of the Paying Agent a register in which registration of this Bond and of transfer of this Bond shall be made as provided herein and in the Bond Ordinance (hereinafter defined). This Bond may be transferred, registered and assigned only on such registration records of the Paying Agent, and such registration shall be at the expense of the Parish.

This Bond represents the entire issue of bonds of the Parish designated "Taxable Limited Tax Bond, Series 2016" aggregating in principal the sum of Eight Million Dollars (\$8,000,000) (the "Bonds"), having been issued by the Parish pursuant to an ordinance adopted by its governing authority on March 23, 2016 (the "Bond Ordinance"), for the purpose of financing the acquisition and construction of additions, extensions and improvements to the Parish's liquid waste collection and disposal system (the "Project"), and for paying costs of issuance, under the authority conferred by Section 2304, Title 30 of the Louisiana Revised Statutes of 1950, as amended, and other constitutional and statutory authority supplemental thereto, pursuant to all requirements therein specified.

This Bond is secured by and payable from a pledge and dedication of the avails or proceeds of the Parish's special (a) eleven and twenty-one hundredths (11.21) mills tax authorized at an election held on November 7, 2006 (such rate being subject to adjustment from time to time due to reassessment), which the Parish has been authorized to impose and collect in the years 2015, 2016 and 2017; and (b) an eleven and twenty-one hundredths (11.21) mills tax authorized at an election held on November 14, 2009 (such rate being subject to adjustment from time to time due to reassessment), which the Issuer is authorized to impose and collect in the years 2018 through 2029, inclusive (collectively, the "Tax"). In the Bond Ordinance the Governing Authority has obligated and does hereby obligate itself and its successors in office to continue to impose and collect the Tax annually in each of the years 2016 through 2029, inclusive, and does hereby irrevocably and irrevocably dedicate, appropriate and pledge the revenues from the 2015 assessment, levy and collection of the Tax and the annual revenues to be derived from the assessment, levy and collection of the Tax for each of the years 2016 through 2029, inclusive, to the payment of this Bond.

For a complete statement of the provisions for payment of this Bond and the general covenants and provisions governing the issuance of this Bond, reference is hereby made to the Bond Ordinance.

It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana. It is further certified, recited and declared that all acts, conditions and things required to exist, to happen and to be performed precedent to and in the issuance of this Bond necessary to constitute the same a legal, binding and valid obligation of the Parish have existed, have happened and have been performed in due time, form and manner as required by law, and that the indebtedness of the Parish, including this Bond, does not exceed any limitation prescribed by the Constitution and statutes of the State of Louisiana, and that this Bond shall not be invalid for any irregularity or defect in the proceedings for the issuance and sale thereof.

IN WITNESS WHEREOF, the Parish Council of the Parish of Terrebonne, State of Louisiana, acting as the governing authority of the Parish, has caused this Bond to be signed by the Parish President and attested by its Clerk of the Terrebonne Parish Council, the corporate seal of the Parish to be hereon impressed and this Bond to be dated as of the Dated Date set forth above.

(g) There are no proceedings pending, or to the knowledge of the Parish threatened, against or affecting the Parish in any court or before any governmental authority or arbitration board or tribunal that have not been disclosed in writing to the Department in the Parish's application for the Loan or otherwise that, if adversely determined, would materially adversely affect the properties, activities, prospects or condition (financial or otherwise) of the Parish or its System or the ability of the Parish to make all Loan repayments and otherwise observe and perform its duties, covenants, obligations and agreements under this Loan Agreement and the Bonds.

(h) To the best of the Parish's knowledge, no event has occurred and no condition exists that, upon authorization, execution and delivery of this Loan Agreement and the Bonds or receipt of the amount of the Loan, or upon the happening of any such event and the giving of notice and/or the passage of time, would constitute an Event of Default hereunder or under the Authorizing Ordinance. The Parish is not in violation of and has not received notice of any claimed violation of any term of any agreement or other instrument to which it is a party or by which it or the System or its properties may be bound, which violation would materially adversely affect the properties, activities, prospects or condition (financial or otherwise) of the Parish or its System or the ability of the Parish to make all Loan repayments or otherwise observe and perform its duties, covenants, obligations and agreements under this Loan Agreement, the Authorizing Ordinance and the Bonds.

(i) The Parish has obtained all permits and approvals required to date by any governmental body or officer (and reasonably expects to receive all permits required in the future by any governmental agency) for the making, observance and performance by the Parish of its duties, covenants, obligations and agreements under this Loan Agreement and the Bonds or for the undertaking or completion of the Project and the financing or refinancing thereof and the Parish has complied with all applicable provisions of law requiring any notification, declaration, filing or registration with any governmental body or officer in connection with the making, observance and performance by the Parish of its duties, covenants, obligations and agreements under this Loan Agreement and the Bonds or with the undertaking or completion of the Project and the financing or refinancing thereof. No consent, approval or authorization of, or filing, registration or qualification with any governmental body or officer that has not been obtained is required on the part of the Parish as a condition to the authorization, execution and delivery of this Loan Agreement and the Bonds, the undertaking or completion of the Project or the consummation of any transaction herein contemplated.

(j) The Parish is in compliance with all laws, resolutions, ordinances, governmental rules and regulations to which it is subject, the failure to comply with which would materially adversely affect the ability of the Parish to conduct its activities or undertake or complete the Project, or the condition (financial or otherwise) of the Parish or its System; and the Parish has

obtained or will obtain all licenses, permits, franchises or other governmental authorizations presently necessary for the ownership of its property or for the conduct of its activities which, if not obtained, would materially adversely affect the ability of the Parish to conduct its activities or undertake or complete the Project or the condition (financial or otherwise) of the Parish or its System.

With the approval of the State Revolving Fund Engineering Manager, the Parish and the Department may mutually agree to change the allocation and categories shown in said Exhibit C without the necessity of amending the Loan Agreement.

(b) The Parish will promptly notify the Department of any material adverse change in the activities, prospects or condition (financial or otherwise) of the Parish relating to the System or to the ability of the Parish to make all or any Loan repayments, provide for the payment of Administrative Fees and otherwise observe and perform its duties, covenants, obligations and agreements under this Loan Agreement and the Bonds.

SECTION 2.04. Tax-Exempt Status of Department Bonds. In the event any tax-exempt debt obligations are issued by or on behalf of the Department, the proceeds of which (or any portion of the proceeds of which) are loaned to the Parish for the purpose of funding the Loan (the "Leveraging Bonds"), then the Parish will not take any action or fail to take any action that could cause the Leveraging Bonds to be "arbitrage bonds" or "private activity bonds" under the Code. The Department shall notify the Parish in writing prior to the use of any Leveraging Bond proceeds to fund any portion of the Loan.

The Parish shall not purchase, pursuant to any arrangement, formal or informal, any debt obligations issued by or on behalf of the Department in an amount related to the amount of the Loan.

The Parish will apply the proceeds of the Loan to finance the Costs of the Project, and where applicable, to reimburse the Parish or any lender for such portion of the Costs of the Project that was paid or incurred by the Parish or for payment of the cost of which sums were borrowed on an interim basis in anticipation of reimbursement by the Department.

The Parish's obligation to pay the Administrative Fee shall be terminated upon the sale or other disposition of the Bonds by the Department, other than a pledge or assignment of the Bonds or this Loan Agreement pursuant to Section 0, or upon full payment by the Parish of the Bonds and all amounts owed the Department under this Loan Agreement. In the event that the Administrative Fee is declared illegal or unenforceable by a court or administrative body of competent jurisdiction, the interest rate borne by the Bonds shall be increased by one half of one percent (0.50%) *per annum*, effective as of the date declared to be the date from which the Administrative Fee is no longer owed because of such illegality or unenforceability.

SECTION 3.07. Manner of Repayment. Payment of the principal, interest and Administrative Fee, shall be made by immediately available funds or mailed and/or made available to the Department no later than the applicable payment date at the following address:

Department of Environmental Quality
Attn: Financial Services Division, Accounts Receivable
P. O. Box 4311
Baton Rouge, Louisiana 70821-4311

or such other address as may be designated by the Department, without presentation or surrender of the Bonds, except upon final payment. If acceptable to the Department, the Parish may make arrangements to make such payments by wire transfer of immediately available funds.

Payments with respect to the Bonds shall be applied first to the interest due to the date of payment, next to principal and thereafter to the Administrative Fees and other amounts payable on the Loan and the payment of principal and interest shall be recorded on a payment record to be kept and maintained by the Department.

SECTION 3.08. Disclaimer of Warranties and Indemnification. The Parish acknowledges and agrees that:

(a) the Department and the State make no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for any use of the System, the Project or any portions thereof or the Plans and Specifications or any other warranty or representation with respect thereto;

(c) to the extent authorized by law, the Parish hereby indemnifies, saves and holds harmless the Department and the State against any and all claims, damages, liability and court awards, including costs, expenses and attorney fees, incurred as a result of any act or omission by the Parish, or its employees, agents or subcontractors pursuant to the terms of this Loan Agreement, including but not limited to failure of the Department to note any defect in materials or workmanship or of physical conditions or failure to comply with any plans, specifications, drawings, ordinances, statutes or other requirements of a governmental authority, or to call to the attention of any person whatsoever, or take any action, or to demand that any action be taken, with regard to any such defect or failure or lack of compliance.

SECTION 3.09. Registration. The Parish agrees to initially prepare, keep, and maintain books and records reflecting the authorization, issuance, transfer and assignment of the Bonds and has appointed the Paying Agent in the Authorizing Ordinance to do so. A successor paying agent may be appointed in the manner set forth in the Authorizing Ordinance, provided, however, that in no event shall the Department be liable for the payment of any fees of such Paying Agent.

SECTION 3.10. Lost, Destroyed or Improperly Cancelled Bonds. In case any of the Bonds shall become lost, destroyed or improperly cancelled, such Bonds may be replaced pursuant to any applicable terms of the Authorizing Ordinance, or in the absence of any such terms, in the manner set forth in R.S. 39:971, *et seq.*, or other applicable laws.

ARTICLE IV

PAYMENT OF BONDS; DEFEASANCE

SECTION 4.01. Pledge of Tax. The Bonds shall be secured by and payable from a pledge and dedication of the avails or proceeds of the Tax. In the Bond Ordinance and by virtue of this Loan Agreement, the Parish has levied for the 2015 and obligates itself to continue to impose and collect the Tax annually in each of the years 2016 through 2029, inclusive, and does hereby irrevocably and irrepealably dedicate, appropriate and pledge the annual revenues derived from the 2015 levy and to be derived from the assessment, levy and collection of the Tax for each of the years 2016 through 2029, inclusive, to the payment of the Bonds.

SECTION 4.02. Defeasance. Notwithstanding any defeasance procedures set forth in the Authorizing Ordinance, so long as the Bonds are owned by the Department or pledged as security for any indebtedness issued by or on behalf of the Department, the Bonds may be defeased and may be deemed to be paid and shall no longer be considered Outstanding under the Authorizing Ordinance and under this Loan Agreement, only in the event that the Parish has complied with the requirements of Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended (La. FUNDS AND ACCOUNTS

SECTION 5.01. Funds and Accounts. For the purpose of receiving purchase price payments of the Bonds and paying Costs of the Project, the Parish has established and agrees to maintain the Construction Fund to be administered in the manner set forth herein and in the Authorizing Ordinance. Additionally, for the payment of and further security for the principal, interest and Administrative Fee on the Bonds, the Parish has established and agrees to maintain the Sinking Fund established in the Authorizing Ordinance, as provided therein.

If at any time the Department deems, in its sole discretion, that the depository for any of the aforesaid funds and accounts to be unsatisfactory for whatever reason, then the Parish agrees that it will transfer any or all of said funds to such depository as may be designated by the Department.

SECTION 5.02. Investments. All moneys in any of the Funds and Accounts shall be invested in investment securities permitted by State law and the Authorizing Ordinance. All income derived from such investments shall be added to the amounts in the respective funds, if required, or to the Revenue Fund or to such funds as may be designated in the Authorizing Ordinance, and such investments shall be liquidated to the extent at any time necessary to apply the proceeds thereof to the purpose for which the respective funds have been created. ARTICLE VI

CONSTRUCTION AND COMPLETION OF THE PROJECT

SECTION 6.01. Plans and Specifications; Construction Contracts. The Plans and Specifications must be submitted to the Department for approval in writing, prior to formal request for bids on a construction contract or contracts. The Plans and Specifications shall comply with all laws, regulations and ordinances including, in particular, all zoning, fire, safety and environmental laws, regulations and ordinances. Contracts for the acquisition, construction and installation of the Project shall be entered into in compliance with Chapter 10 of Title 38 of the Louisiana Revised Statutes of 1950, as amended.

As a condition of the Loan, the Parish will demonstrate to the satisfaction of the Department before issuing an initial work order for construction, that the Parish has or will have an ownership or such other real interest in the site(s) of the Project, including necessary servitudes and rights-of-way as the Department finds sufficient to assure undisturbed use and possession for the purpose of construction and operation of the Project for the estimated life of the Project. The Parish agrees to provide the Department with a Site Certificate in substantially the form attached to the Commitment Agreement prior to disbursement by the Department of any Loan proceeds for construction.

The Parish will exercise its best efforts to initiate construction of the Project within six (6) months after the Delivery Date and in accordance with prudent public utility practice to complete the Project and to so accomplish such completion on or before the Scheduled Completion Date, and to provide from its own financial resources all moneys required to complete the Project in excess of the Loan Amount available hereunder.

SECTION 6.02. Engineer. Prior to signing a construction contract or contracts, the Parish shall name the Engineer. If so required by the Department, the Engineer shall issue prior to each disbursement request a progress report detailing construction status to date and stating whether construction is within the Project budget. Requisitions for funds during construction, in the form attached hereto as Exhibit D will be executed by the Parish and certified by the Engineer.

SECTION 6.03. Compliance with Law. If requested by the Department, the Parish will furnish the Department with evidence that the property and equipment constituting the System, and the proposed and actual use thereof, comply with all laws, ordinances, rules and regulations of all governmental authorities having jurisdiction over the same, including the Regulations, and that there is no action or proceeding before any court, quasi-judicial body or administrative agency at the time of any disbursement by the Department relating to the System. The Parish will obtain all necessary approvals from any and all governmental agencies requisite to the completion of the Project in compliance with all federal, State and local laws, ordinances and regulations applicable thereto. Upon completion of the Project the Parish shall obtain all required permits and authorizations from appropriate authorities as required for operation and use of the Project as contemplated by this Loan Agreement.

In the event that archeological artifacts or historical resources are unearthed during construction excavation of the Project, the Parish shall stop or cause to be stopped construction activities and will notify the Department of such fact.

The Parish will immediately halt construction of the Project and notify the Department if any endangered species are encountered during construction so that mitigating measures can be taken in accordance with the Endangered Species Act of 1973, as amended.

The Parish will take and institute such proceedings as will be necessary to cause and require all contractors and materials suppliers to complete their contracts diligently and in accordance with the terms of the contracts, including without limitation, correcting any defective work.

SECTION 6.04. Davis-Bacon Wage Rate Requirements. The Parish agrees that all laborers and mechanics employed by contractors and subcontractors on the Project shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality of the Parish as determined by the Secretary of the United States Department of Labor ("DOL") in accordance with Subchapter IV of Chapter 31 of Title 40, United States Code. DOL provides all pertinent information related to compliance with the foregoing requirements, including prevailing wage rates and instructions for reporting. The Parish will ensure that all construction contracts relating to the Project will require that the contractor comply with the aforesaid wage and reporting requirements.

SECTION 6.05. Use of American Iron and Steel Products. In order to comply with Title IV, Division G of the Consolidated Appropriations Act, 2014 (P.L. 113-76) the Parish agrees that all of the iron and steel products used in the portion of the Project that is funded in whole or in part with the Bonds shall be produced in the United States unless the Administrator of the United States Department of Environmental Quality ("EPA") finds that:

- (a) applying the foregoing requirement would be inconsistent with the public interest;
- (b) iron and steel products are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality; or
- (c) inclusion of iron and steel products produced in the United States will increase the cost of the overall Project by more than 25 percent.

The requirements of this section shall not apply to any project if the engineering plans and specifications for the Project (or applicable portion of the Project) were approved by the Department prior to January 17, 2014.

The Parish agrees that the Project Engineer(s) will in good faith design the Project and solicit bids for construction with American-made iron and steel products, and that it will include the applicable terms relating to the user of American-made iron and steel products in any request for proposal or solicitations for bids and in all contracts related to the Project. Language similar to that attached hereto as Exhibit E may be used for this purpose.

If the Parish determines that it cannot comply with the requirements of this section, it will request a waiver in accordance with procedures set forth by EPA, and shall notify the Department that it is requesting such a waiver from EPA. If the Administrator of EPA determines that it is necessary to waive the application of this section based on a finding under subsection (b), the head of EPA shall publish in the Federal Register a detailed written justification as to why the provision is being waived. For purposes of this Section:

"Iron and Steel Products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal casings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials.

"Steel" means an alloy that includes at least 50% iron, between 0.02% and 2% carbon, and may include other elements. Production in the United States of the iron or steel used in the Project requires that all manufacturing processes must take place in the United States, except metallurgical processes involving refinement of steel additives. The requirements of this Section do not apply to iron or steel used as components or subcomponents of manufactured goods used in the Project.

"Manufactured Good" means a good brought to the construction site of the Project for incorporation into the Project that has been (a) processed into a specific form and shape or (b) combined with other raw material to create a material that has different properties than the properties of the individual raw materials. There is no requirement with regard to the origin of components or subcomponents in manufactured goods, as long as the manufacture of the goods occurs in the United States.

"Reasonably available quantity" means that the quantity of iron or steel is available or will be available at the time needed and place needed and in the proper form or specification as specified in the Project plans and designs.

"Satisfactory quality" means the quality of iron or steel as specified in the project plans and designs.

SECTION 6.06. Payment of Additional Costs of the Project. In the event that Loan proceeds are not sufficient to pay the Costs of the Project in full, the Parish shall nonetheless complete the Project and pay that portion of the Costs of the Project as may be in excess of available Loan proceeds and shall not be entitled to any reimbursement therefor from the Department, except for the proceeds of any additional financing which may (subject to availability) be provided by the Department pursuant to application by the Parish.

SECTION 6.07. Completion Certificate. The Project will be considered complete when the provisions of Section 0 have been met for all construction contracts included in the Project, or upon the disbursement of the final installment of the purchase price of the Bonds, whichever occurs first, and such date will be the Completion Date for purposes of this Loan Agreement. On or as soon as practicable after the Completion Date, the Parish shall submit the

Certificate of Substantial Completion required by Section 0 and shall certify to the Department when it has initiated or is capable of initiating operation of the Project. The Parish shall also ratify and confirm in writing the final principal amount of the Loan and the final principal amortization schedule for the Loan.

ARTICLE VII

DISBURSEMENTS

SECTION 7.01. Disbursement of Loan Proceeds. Prior to any disbursement of Loan proceeds, the Parish will prepare a budget and construction disbursement schedule which shall be updated from time to time as required by the progress of construction. Installments of the Loan, representing purchase price installments of the Bonds, shall be paid by the Department to the Parish under the terms of this Loan Agreement, upon receipt of a properly completed requisition in the form attached hereto as Exhibit D, subject to and conditioned upon the availability of sums on deposit in the State Revolving Fund. The Parish will deposit such proceeds in the Construction Fund and will utilize and expend such proceeds in a timely and expeditious manner and, in particular, will:

- (a) pay promptly all approved Costs of the Project;
- (b) proceed expeditiously with and complete the Project in accordance with Plans and Specifications, with construction reasonably expected to begin within six (6) months after the Delivery Date;
- (c) provide and maintain competent and adequate supervision and inspection of the Project;
- (d) disburse all installments of the purchase price of the Loan to pay Costs of the Project no more than twenty (20) calendar days after receipt of such installment of the purchase price;
- (e) return promptly upon written request of the Department any and all unused funds, including all costs or amounts found not eligible or disallowed by the Department or any portion of any installment of the purchase price that is not disbursed to pay Costs of the Project within twenty (20) calendar days after receipt of such installment by the Parish; and
- (f) complete the Project within two years of the Delivery Date unless the Department gives its written approval to an extended construction period.

SECTION 7.02. Disbursement Procedure. Purchase price installments of the Bonds for the payment of Costs of the Project shall be made by the Department to the Parish from time to time as the construction of the Project progresses, subject to the satisfaction of the following conditions:

- (a) in connection with each disbursement, the Parish shall submit a requisition in the form attached hereto as Exhibit D, which requisition shall include:
 - (i) an updated copy of the disbursement schedule (if applicable);
 - (ii) the report of the Engineer, which report shall be in the form and substance satisfactory to the Department and shall state that the Project, to the best of the

Engineer's knowledge, as completed as of the date of such report, has been constructed in accordance with the Plans and Specifications and that the undisbursed portion of the Loan Amount is sufficient to complete the Project in accordance with the Plans and Specifications and the disbursement schedule;

- (iii) if required by the Department, evidence satisfactory to the Department that the insurance required by Section 3 of this Loan Agreement remains in full force and effect;
- (iv) if required by the Department, evidence and/or certifications satisfactory to the Department that the "Buy American" requirements of Title IV, Division G of the Consolidated Appropriations Act, 2014, have been complied with;
- (v) such other instruments, documents, certificates, endorsements, invoices and opinions as the Department may reasonably require to substantiate the Costs of the Project for which payment is requested; and
- (vi) if the requisition is the final requisition, the Completion Certificate required by Section 0 and Section 0;

(b) disbursements shall be made by the Department not more frequently than twice per calendar month, and each disbursement request must be for a minimum of \$5,000, except for the final request, which may be for a lesser amount;

(c) each disbursement shall be subject to the review and approval of the Department; and

(d) the amount of each disbursement shall be computed so that five percent (5%), or such larger percentage as may be requested by the Parish, of such disbursement constituting eligible costs and one hundred percent (100%) of non-eligible costs will be deducted from the total amount payable as retainage or as non-eligible costs with respect to each contract for construction of the Project or any portion thereof. The total amount of retainage withheld from the disbursements during the construction of the Project with respect to each contract shall be disbursed pursuant to the provisions of Section 0.

SECTION 7.03. Modified Disbursement Procedure. The Department reserves the right to modify the procedures set forth in Section 0 in order to make disbursements directly to any contractor or to subcontractors and suppliers when it is necessary to prevent a default under any construction contract or to insure that all subcontractors, suppliers and laborers who have performed services or provided materials to the Project are paid.

SECTION 7.04. Reimbursement of Certain Costs. The Parish will promptly reimburse the Department for any portion of the Loan which is determined by the Department to have been expended for a cost which is not eligible for funding from the State Revolving Fund, which reimbursement will be made not more than 180 days after the discovery thereof by either the Parish or the Department. Such reimbursement shall be promptly paid to the Department

upon written request of the Department with interest on the amount reimbursed at the rate borne by the Bonds from the later of the date of the disbursement from which any such non-eligible item was paid or the last Interest Payment Date on which the Parish paid interest with respect to said amounts, and shall be applied in inverse order of maturity against the outstanding principal amount of the Bonds.

SECTION 7.05. Inspections; Possession of Project. Upon the occurrence of an Event of Default, the Parish does hereby agree and authorize the Department, EPA, the Engineer, or any agent, officer, employee or representative of the Department or EPA to enter upon the Project to make inspections of the materials, plans, shop drawings, workmanship and construction of the Project or to enter into possession of the Project and perform any work necessary or desirable to complete the Project and to take all other action in connection therewith, in order that the Department and/or EPA may:

(a) verify that each disbursement is appropriate and in conformity with the requirements of this Article and any applicable laws or regulations;

(b) verify that all work covered by a proposed disbursement is in accordance with the Plans and Specifications;

(c) determine whether there has been or may be any default of the obligations of the Parish under this Loan Agreement or the Authorizing Ordinance; and

(d) take any necessary or appropriate action to insure that the Project will be completed in a timely manner and in accordance with the Plans and Specifications and the disbursement schedule.

None of the aforesaid actions by the Department or by any agent, officer, employee or representative of the Department shall be or may be construed in such a manner as to impose any duty or obligation whatsoever on the Department, the Engineer, or any agent, officer, employee or representative of the Department to protect or represent any owner, borrower, contractor, surety, or any other person whatsoever and shall not be considered or construed as having made any warranty whatsoever, whether express or implied, as to the adequacy, quality of fitness or purpose of any physical conditions, materials, workmanship, plans, specifications, drawings or other requirements pertaining to the Project, or whether any such physical conditions, materials or workmanship comply with any plans, specification, drawings, ordinances, statutes, or other governmental requirements pertaining to the Project.

SECTION 7.06. Conditions Precedent. It is specifically understood and agreed that the obligation of the Department to fund any disbursements for payments to contractors or suppliers (other than engineering expenses and costs of issuance of the Bonds) shall be subject to the receipt by the Department of the following items with respect to each construction contract that is entered into with respect to the Project:

(a) a true and correct copy of all applicable construction contracts pertaining to the Project (including all amendments, addenda, supplements, modifications and related documents),

which contracts shall be for a guaranteed maximum contract price satisfactory to the Department or on such terms and conditions as shall be satisfactory to the Department;

(f) a copy of any policy or policies of builder's all-risk insurance issued by an insurance company or companies acceptable to the Department, insuring the Project for its full replacement costs (or on a progressively full insured basis) with extended coverage, and said policy shall insure against such loss or damages as the Department may require, or the Parish shall provide proof of self-insurance;

(g) a copy of a policy of comprehensive general liability insurance, which policy shall be satisfactory to the Department in form, substance, limits and coverage, or the Parish shall provide proof of self-insurance;

(h) a copy of a policy of worker's compensation insurance issued in accordance with applicable law, or the Parish shall provide proof of self-insurance;

(i) a copy of a payment and a performance bond from a surety company acceptable to the Department; and

(j) a final site certificate.

SECTION 7.07. Conditions to all Disbursements. In addition to the requirements of Section 0 with respect to the initial disbursement for each construction contract that is entered into with respect to the Project, the obligation of the Department to fund the initial and all subsequent disbursements of the purchase price of the Bonds is subject to the satisfaction of the following further conditions:

(a) that as of the date of such disbursement, there has occurred no Default and no condition which, with the giving of notice or lapse of time or both, would become an Event of

Default with respect to the Bonds, any other bonds or indebtedness of the Parish or this Loan Agreement;

(d) that as of the date of the request for disbursement there have been no changes made to the Plans and Specifications nor any change orders executed which have not been approved by the Department; and

(e) that as of the date of the request for disbursement all fees and expenses of counsel to the Department in connection with the Loan have been paid or will be paid from the proceeds of such disbursement.

SECTION 7.08. Conditions to Disbursement of Retainage. The disbursement by the Department of the retainage withheld pursuant to Section 0 shall be subject to the satisfaction of the following conditions:

(a) receipt by the Department of a certificate signed by the Parish and the Engineer stating that to their best knowledge the Project or applicable portion of the Project has been completed in accordance with the Plans and Specifications therefor;

ARTICLE VIII

OPERATION OF THE SYSTEM

SECTION 8.01. Operation of the System. The Parish will maintain the System in good repair and operating condition and will cooperate with the Department in the observance and performance of the respective duties, covenants, obligations and agreements of the Parish and the Department under this Loan Agreement.

The Parish will insure that the Project operates and meets minimum technical and administrative requirements in accordance with the State Sanitary Code, and the Parish will meet all requirements imposed by the EPA and the Department as a condition of receiving the Loan from the State Revolving Fund under the Federal Act, the State Act and any applicable Regulations. The Parish will, in accordance with prudent sewerage utility practice,

- (a) at all times operate the properties of its System and any business in connection therewith in an efficient manner;
- (b) maintain the System in good repair, working order and operating condition; and
- (c) from time to time make all necessary and proper repairs, renewals, replacements, additions, betterments and improvements with respect to the System so that at all times the business carried on in connection therewith shall be properly and advantageously conducted, provided, however, that this covenant shall not be construed as requiring the Parish to expend any funds which are derived from sources other than the operation of its System or other receipts of such System which are not pledged hereunder, and provided further that nothing herein shall be construed as preventing the Parish from doing so.

SECTION 8.02. User Fees. The Parish will enact, maintain and enforce an ordinance or resolution imposing User Fees and will enact, maintain and enforce a utilities use ordinance or resolution or similar proceeding that satisfies the requirements of all applicable regulations. So long as the Bonds are outstanding, the Parish through its Governing Authority obligates itself to fix, establish, maintain, levy and collect such rates, fees, rents or other charges for services and facilities of the System and all parts thereof and to revise the same from time to time whenever necessary to always provide User Fees in each Fiscal Year sufficient to meet all requirements of the Authorizing Ordinance and at least to:

- (a) pay the reasonable and necessary expenses of operating and maintaining the System in such Fiscal Year and to satisfy the requirements of Louisiana Administrative Code 33:IX.2111(L), or any successor provision, that the User Fees generate sufficient revenues to cover the costs of operation, maintenance and replacement;

The Parish will cause an audit of its financial statements to be made by an independent firm of certified public accountants in accordance with the requirements of Chapter 8 of Title 24 of the Louisiana Revised Statutes of 1950, as amended, and in accordance with the requirements of Circular A-133 of the U.S. Office of Management and Budget, and Section 66.458 of the Catalog of Federal Domestic Assistance (CFDA Publication #66.458 - Capitalization Grants for State Revolving Funds) if applicable. The Parish and its auditor have furnished a certification acknowledging the requirements of Circular A-133.

Upon completion, but in no event later than six (6) months after the close of the applicable Fiscal Year, the Parish shall file a copy of such audited financial statements with the Department.

A reasonable portion of the expenses incurred in the preparation of the audit report required by this Section may be regarded and paid as a maintenance and operation expense of the System. The Parish further agrees that the Department shall have the right to ask for and discuss with the accountant making the review and the contents of the review and such additional information as it may reasonably require. The Parish further agrees to furnish to the Department, upon request therefor, a monthly statement itemized to show the income and expenses of the operation of the System and the number of users for the preceding month.

SECTION 8.04. Consulting Engineer. The Parish will submit over the life of the Loan sufficient information as is reasonably requested by the Department to demonstrate that the Parish has legal, institutional, managerial and financial capability to ensure the construction, operation and maintenance of the Project and the System and the repayment of the Loan, interest and administrative fees.

SECTION 8.05. Access to Books. The Department and the EPA or their authorized representative shall have access to the Project and to the Parish's administrative offices, books, records, reports, design documents, contract documents and similar documents at any reasonable time. (b) Failure by the Parish to pay, or cause to be paid, the Administrative Fee or any portion thereof when due;

(c) Failure by the Parish to observe and perform any duty, covenant, obligation or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in subsections (a) or (b) above, which failure shall continue for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to the Parish by the Department, unless the Department shall agree in writing to an extension of such time prior to its expiration; provided, however, that if the failure stated in such notice is correctable but cannot be corrected within the applicable period, the Department may not unreasonably withhold its consent to an extension of such time up to sixty (60) days from the delivery of the written notice referred to above if corrective action is instituted by the Parish within the applicable period and diligently pursued until the Event of Default is corrected;

(d) If any representation made by or on behalf of the Parish contained in this Loan Agreement, or in any instrument furnished in compliance with or with reference to this Loan Agreement or the Loan or in connection with the Bonds, is determined to be false or misleading in any material respect; or

Any telephone notice pursuant to this Section shall be confirmed in writing by the end of the next business day.

SECTION 10.03. Remedies on Default. Until an Event of Default shall have occurred, the Parish shall retain full possession and control of the System with the full right to manage, operate and use the same and every part thereof with rights appertaining thereto, and to collect and receive, and subject to the provisions of this Loan Agreement, to take, use, enjoy and distribute the earnings, income and profits accruing or derived from the System.

However, when an Event of Default shall have occurred and be continuing the Department shall have the right to take any action permitted or required pursuant to this Loan Agreement or the Authorizing Ordinance and to take whatever other action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce the performance and observance of any duty, covenant, obligation or agreement of the Parish hereunder, including, without limitation, obtaining the appointment of a receiver of the System in an appropriate judicial proceeding in a court of competent jurisdiction.

SECTION 10.04. Attorney's Fees and Other Expenses. To the extent allowed by law, the Parish shall, on demand, pay to the Department the reasonable fees and expenses of attorneys and other reasonable expenses (including without limitation the reasonably allocated costs of in-house counsel and legal staff) incurred by the Department in the collection of delinquent Loan repayments or any other sum due hereunder or in the enforcement of performance or observation of any other duties, covenants, obligations or agreements of the Parish hereunder, under the Authorizing Ordinance or under any other agreements relating to the Bonds.

- (a) first to pay interest due and payable on the Loan;
- (b) second, to pay principal due and payable on the Loan;
- (c) third, to pay any fees and expenses owed by the Parish pursuant to Section 0;

ASSIGNMENT

SECTION 11.01. Assignment, Transfer or Sale by the Department. The Parish hereby further approves and consents to any assignment or pledge by the Department of payments due from the Parish pursuant to this Loan Agreement and the Bonds as security or partial security for the payment of principal and interest on such bonds, notes or other debt obligations issued by or on behalf of the Department. SECTION 11.02. Assignment, Transfer or Sale by Parish. While the Bonds are outstanding, neither this Loan Agreement nor the Project may be assigned, transferred or sold by the Parish for any reason, unless the following conditions shall be satisfied:

- (a) the Department shall have approved said assignment, transfer or sale in writing;
- (b) the assignee or transferee shall be a governmental unit within the meaning of Section 141(c) of the Code, unless the Department shall have received the opinion described in (d) below notwithstanding the fact that the assignee or transferee is not a governmental unit, and the assignee shall have expressly assumed in writing the full and faithful observance and performance of the Parish's duties, covenants, agreements and obligations under this Loan Agreement;
- (c) immediately after such assignment, transfer or sale, the assignee or transferee shall not be in default in the performance or observance of any duties, covenants, obligations or agreements of the Parish hereunder or under the Authorizing Ordinance;

- (e) if applicable, the Department shall have received an opinion of its bond counsel to the effect that such assignment, transfer or sale will not adversely affect the exclusion of interest on any bonds, notes, or other debt obligations issued by or on behalf of the Department from gross income for federal income tax purposes under the Code or affect the ability of the Department to repay or cause to be repaid any such bonds, notes or other debt obligations; and
- (f) the Department shall receive an opinion of its counsel to the effect that such assignment, transfer or sale will not violate the provisions of any agreement entered into by the Department with, or condition of any grant received by the Department from, the United States of

America relating to any capitalization grant received by the Department or the State under the Federal Act or the Regulations.

No assignment, transfer or sale shall relieve the Parish from primary liability for any of its obligations under this Loan Agreement and in the event of such assignment, the Parish shall continue to remain primarily liable for the performance and observance of its obligations to be performed and observed under this Loan Agreement.

Notwithstanding the foregoing, the Parish may dispose of property which in its reasonable judgment is worn out unserviceable, unsuitable, or unnecessary in the operation of the System, when other property of equal value is substituted therefor, or the proceeds derived from the disposal of such property are deposited in a Contingencies Fund or used to prepay or redeem the Bonds.

SAMPLE CONTRACT LANGUAGE
RELATING TO USE OF AMERICAN-MADE IRON AND STEEL PRODUCTS

The Contractor acknowledges to and for the benefit of the Louisiana Department of Environmental Quality (the "Purchaser") and the Clean Water State Revolving Fund (the "SRF") that it understands the goods and services under this Agreement are being funded with monies made available by the SRF and that Title IV, Division G of the Consolidated Appropriations Act, 2014 contains provisions commonly known as "Buy American;" that requires all of the iron and steel products used in the project be produced in the United States ("Buy American Requirements") including iron and steel products provided by the Contractor pursuant to this Agreement. Notwithstanding any other provision of this Agreement, any failure to comply with this paragraph by the Contractor shall permit the Purchaser or SRF to recover as damages against the Contractor any loss, expense or cost (including without limitation attorney's fees) incurred by the Purchaser or SRF resulting from any such failure (including without limitation any impairment or loss of funding, whether in whole or in part, from the SRF or any damages owed to the SRF by the Purchaser). While the Contractor has no direct contractual privity with the SRF, as a lender to the Purchaser for the funding of its project, the Purchaser and the Contractor agree that the SRF is a third-party beneficiary and neither this paragraph (nor any other provision of this Agreement necessary to give this paragraph force or effect) shall be amended or waived without the prior written consent of the SRF.

Chairman Navy stated that item II (General Fund-Folse Productions, \$60,000) has been removed from the aforementioned ordinance.

Ms. Lucretia McBride stated that she has compared the first contract and final contract submitted by Folse Productions and that, in her opinion, the contract is misleading. Ms. McBride continued and urged the Council and Administration to put all contracts up for bid to give everyone a fair chance to provide services.

Ms. Shelly Ronquillo, a Houma resident, expressed that \$60,000 is a high price for the parish to pay and that there are many other options available. Ms. Ronquillo explained that few people have access to HTV and that there are better ways to reach everyone and not just a few.

RESOLUTION NO. 16-118

TERREBONNE PARISH COUNCIL
STATE OF LOUISIANA
March 23, 2016

**A Resolution Urging Congress to Maintain the OCS Revenue Sharing Arrangements
Passed under the Gulf of Mexico Energy and Security Act of 2006**

WHEREAS, the Gulf of Mexico Energy Security Act of 2006 (“GOMESA” or the “Act”) provides for the sharing of qualified Outer Continental Shelf (“OCS”) revenues to Gulf Coast states and their political subdivisions, such as Terrebonne Parish, Louisiana, that host energy production in order to help mitigate for the demands associated with that production on infrastructure and natural resources; and

WHEREAS, GOMESA stipulates that funds can only be used for the purposes of coastal protection including conservation, restoration, hurricane protection, or infrastructure directly affected by coastal wetland losses, the mitigation of damage to wildlife and natural resources, and the mitigation of effects from Outer Continental Shelf activities through onshore infrastructure projects, and associated administrative costs; and

WHEREAS, in 2006, the people of Louisiana voted overwhelmingly to constitutionally dedicate the revenues received through GOMESA to the Coastal Protection and Restoration Trust Fund for the purposes of coastal wetlands conservation, coastal restoration, hurricane protection, or infrastructure directly impacted by coastal wetland losses; and

WHEREAS, revenues received by Louisiana and its eligible coastal parishes from 2009 to 2015 under phase one of GOMESA provided only \$11.5 million to the state, but phase two is estimated to generate more than ten times as much revenue each year for coastal projects; and

WHEREAS, GOMESA revenues have long been seen as a crucial, reliable, recurring revenue stream to support Louisiana’s coastal protection and restoration work; and

WHEREAS, since 2007 the State of Louisiana has created a framework for its coastal protection and restoration program and set the national standard for utilizing world-class science and engineering and public outreach to meet the challenges of a vanishing coast through its *Comprehensive Master Plan for a Sustainable Coast (“Coastal Master Plan”)*; and

WHEREAS, the 2012 Coastal Master Plan further evolved Louisiana’s approach to coastal protection and restoration with the prioritization of projects in a resource-constrained funding and physical environment; and

WHEREAS, Louisiana’s land loss crisis which is centered in Terrebonne Parish demands a robust, integrated coastal protection and restoration program that operates effectively and urgently for the safety, livelihoods, culture, and enjoyment of its people; and

WHEREAS, the entire United States derives fantastic benefit from the natural assets of coastal Louisiana including its energy resources, the commerce and connections provided by its ports and waterways, its seafood production, and many other invaluable ecosystem services; and

WHEREAS, Louisiana’s coastline has already lost 25% of its 1932 land area and without the implementation of large scale restoration projects could lose an additional 1,750 square miles of land at the end of fifty years; and

WHEREAS, Louisiana has a science-based plan to meet these challenges that include massive public investments in the restoration of America’s largest river delta, structural protection where necessary, and an extensive program to flood-proof, elevate, and voluntarily acquire homes and businesses at greatest risk of flooding; and

WHEREAS, Louisiana aims to pioneer the engineered replication of natural processes such as the construction of sediment diversions from the Mississippi and the Atchafalaya Rivers, and develop other expertise that can be exported around the globe to other cities, states, and countries adapting to climate change; and

WHEREAS, by maintaining GOMESA, Congress can follow through on a promise nearly ten years old, to support the state of Louisiana's efforts to provide for a sustainable coast, help to protect and maintain nationally significant economic and natural resources, and help reduce federal liabilities like insured properties in the National Flood Insurance Program and future hurricane disaster payouts.

THEREFORE, BE IT RESOLVED, that the Terrebonne Parish Council does hereby urge and request that Congress maintain the revenue sharing arrangements established under GOMESA 2006 for the creation of a recurring funding stream in support of Louisiana's coastal program.

The Chairman declared the resolution adopted on this the 21st day of March 2016.

Parish Manager A. Levron stated that in the past, different "sitting" Councils established different policies as it relates to approving co-sponsorships. He explained that no monies were budgeted in the 2016 Budget to allot for co-sponsorships; and noted that since that time, the Council has allowed for funds to be set aside for this process. Mr. Levron further explained that an agreed upon policy needs to be established as it relates to co-sponsorships and added that a letter, as well as an application form, has been prepared for signatures upon approval of this measure with a thirty day advance notice. Co-sponsorships are limited to one event per organization per year and are for in-kind services only (services that the parish provides) and are not to exceed \$600.00; thus stating that all co-sponsorships has to meet the criteria set forth in the Cabala's decision. Forms can be obtained in the Parish President's Office or in the Parish Council's Office.
