8:00am - 12:00 pm Cleanup

11:00 am - 2:00 pm Celebration

The Keep America Beautiful® Great American Cleanup, the nation's largest community improvement program which normally runs during the spring months (March 19-June 20). This year, the program was suspended because of the coronavirus (COVID-19) pandemic as government and public health officials called on the public to avoid large gatherings and events to prevent the spread of the virus.

Keep America Beautiful advises that all cleanups adhere to guidelines from federal, state, and local public health officials so timely and accurate information can lead to safe and appropriate activities in each location. Since the intensity of an outbreak may differ according to geographic location, local health officials should be relied upon to issue guidance specific to their community.

“At Keep America Beautiful, we have always believed that everyone has a right to live in a clean, green, and beautiful community – and this remains true in the face of the coronavirus pandemic,” said Keep America Beautiful President and CEO Helen Lowman. “The Great American Cleanup is a great time to encourage your family, friends, and neighbors to work together to transform Downtown Houma’s public spaces into beautiful places. This year, however, we must do so responsibly and with the utmost care for the health and safety of our volunteers.”

Each year, the Great American Cleanup engages millions of volunteers and participants who take action in their local communities to create positive change and lasting impact. Keep Terrebonne Beautiful, along with other organizations in the Keep America Beautiful national network of more than 650 community-based affiliates, plan volunteer events and education programs that help to renew public parks, trails and recreation areas; clean, enhance and protect shorelines, beaches and waterways; remove litter and debris from roadways, storm drains and public spaces; reduce waste and improve recycling; and plant trees, flowers and community gardens..

In 2020, Keep Terrebonne Beautiful’s Great American Cleanup participants:

- Removed 20,559 pounds of litter and debris for safer, cleaner communities;
- Cleaned 13 miles of streets, highways, trails, waterways, and shorelines;
- Cleaned and renewed 6 acres of parks, public lands, and wetlands;
- Collected more than 40,000 pounds of items for recycling or reusing, including PET plastic bottles, electronics, newspaper and more; and
- Planted 46 trees and 46 flowers and bulbs to strengthen a community’s green infrastructure.

National Sponsors for the 2020 Great American Cleanup include: Altria, Better Natured™, Diageo, Dow, The Glad Products Company, Igloo®, Niagara Bottling, Northrop Grumman Corporation, and Santa Fe Natural Tobacco Company.
