

Downtown Marina Cleanup Day

PRESS RELEASE

Terrebonne Parish Consolidated Government will be partnering with Comcast on Saturday, May 4, 2019 to cleanup and make repairs to our downtown marina grounds through a program called "Comcast Cares Day 2019." We are looking for volunteers to come surrender their time for a few hours to help make their neighborhood a place for all to visit, picnic, bring the kids to play, or just enjoy the beautiful scenery of Bayou Terrebonne.

Duties will be collecting garbage on the grounds, replacing old garbage liners with new ones. Repair wooden benches as well as painting ten (10) new picnic benches. We will focus on the Main Street side across from TGMC parking lot and the Park Street side where the playground is housed.

For more information, please contact Anne Picou at 985-873-6408.
