Craftin' Cajuns Indoor Craft Show & Marketplace Canceled

After consulting with Parish President Gordon Dove, along with Director of Terrebonne Parish Homeland Security Earl Eues, and Director of Public Safety Steve Ponville, the decision has been made to cancel the Craftin' Cajuns Indoor Craft Show and Marketplace scheduled for March 21, 2020 at the Houma-Terrebonne Civic Center. The action is being taken in an abundance of caution in the interest of the safety and well-being of vendors, attendees and event staff. This is a difficult decision because it impacts a large number of people and small businesses.

Vendors are being contacted through email with the opportunity to receive a refund or show credit.

Updates about future shows will be published at Houmaciviccenter.com and through the venue social media accounts. Thank you for your support and understanding through this evolving situation.
