St. Charles Street Bridge to Close Temporarily for Improvements

For Immediate Release

Terrebonne Parish President Michel Claudet would like to remind residents that the St. Charles Street Bridge over Bayou Terrebonne will close for approximately six months beginning on November 15, 2010. During this time, crews will install a new bridge at the same location, which connects Main Street and Park Avenue.

While traffic delays are expected to be minimal, all are requested to allow for more time for their commutes in and around this area.
