GARBAGE COLLECTION DAYS SET TO CHANGE FOR PORTIONS OF WEST HOUMA

HOUMA, LA—Beginning Monday October 7, 2013 Progressive Waste Solutions and the Terrebonne Parish Solid Waste Department will implement a new garbage collection schedule for segments of West Houma.

Attached is a map and listing of the streets that will be affected. All other routes will remain on their current day schedule.

This route change will allow for greater accuracy and efficiency in trash collection throughout Terrebonne Parish.

Residents are reminded to place their waste container curbside before 5:00 a.m. on their scheduled day of collection. Collection can occur anytime between 5:00 a.m. and 8:00 p.m.
