for submittal. The BAFO negotiation may be used to assist the TPCG in clarifying the scope of work or to obtain the most cost effective pricing available from the Proposers.

The written invitation will not obligate the TPCG to a commitment to enter into a contract.

2.29 Notice of Intent to Award

Upon review and approval of the evaluation committee’s and agency’s recommendation for award, TPCG will issue a “Notice of Intent to Award” letter to the apparent successful Proposer. The “Notice of Intent to Award” letter is the notification of the award of the contract. However, the “Notice of Intent to Award” is contingent upon successful negotiation of a final contract. A contract shall be completed and signed by all parties concerned on or before the date indicated in the “Schedule of Events.” If this date is not met, through no fault of the TPCG, the TPCG may elect to cancel the “Notice of Intent to Award” letter and make the award to the next most advantageous responsible Proposer.

TPCG will also notify all unsuccessful Proposers as to the outcome of the evaluation process. The proposals received (except for that information appropriately designated as confidential in accordance with La. R.S. 44.1 et. seq.) along with the evaluation factors, points, evaluation committee member names, and the completed evaluation summary and recommendation report are public record and shall be made available, upon request, to all interested parties after the “Notice of Intent to Award” letter has been issued.

If for any reason, after final evaluation and issuance of the Intent to Award letter, the responsible Proposer whose proposal is most responsive to the TPCG's needs, price and other evaluation factors set forth in the RFP considered, does not agree to a contract, that proposal shall be rejected and the TPCG may negotiate with the next most advantageous responsible Proposer.

Negotiation may include revision of any non-mandatory terms or conditions, and clarification of the scope of work and/or implementation of the most cost effective pricing available from the Proposers. Parish President and Parish Council must approve the final contract form and issue a purchase order, if applicable, to complete the process.

2.31 Contract Award and Execution

The TPCG reserves the right to enter into a contract without further discussion of the proposal submitted based on the initial offers received. The RFP, including any addenda and the proposal of the selected Contractor will become part of any contract initiated by the TPCG.

Proposers are discouraged from submitting their own standard terms and conditions with their proposals. Proposers should address the specific language in the sample contract attached hereto this RFP and submit any exceptions or deviations the Proposer wishes to negotiate. The proposed terms will be negotiated before a final contract is entered. Mandatory terms and conditions are not negotiable.

If the contract negotiation period exceeds thirty (30) days or if the selected Proposer fails to sign the contract within ten (10) calendar days of delivery of it, the TPCG may elect to cancel the award and award the contract to the next most advantageous responsible Proposer.
In such event, said contractor and his Proposal surety shall be liable to the Owner for the difference between the amount specified in his Proposal and the amount for which the Owner may otherwise procure the services as specified herein. In the event, the Proposal security shall be forfeited to the benefit of the Owner, the Proposers shall remain liable for and pay to the Owner for any amount in excess of the Proposal security resulting from the difference between the amount of his Proposal and the amount for which the Contract is subsequently executed.

INSURANCE

A. INSURANCE: The CONTRACTOR, prior to commencing work, shall provide at his own expense proof of the following insurance coverage required by the contract to TPCG in insurance companies authorized in the State of Louisiana. Insurance is to be placed with insurers with an A.M. Best’s rating of no less than A:VI. This requirement will be waived for workers’ compensation coverage only for those contractors whose workers’ compensation coverage is placed with companies who participate in the State of Louisiana Workers’ compensation Assigned Risk Pool or the Louisiana Workers’ Compensation Corporation.

a. All notices will name the CONTRACTOR and identify the contract. Insurance coverage specified is to be provided by the CONTRACTOR, and following minimum limits:

i. Workers’ Compensation and Employer’s Liability coverage shall be in compliance with the Compensation Law of the State of Louisiana. TPCG and the CONTRACTOR mutually agree that it is their intention to recognize TPCG as the statutory employer of the CONTRACTOR’s employees (whether direct employees or statutory employees of the CONTRACTOR) when any of the CONTRACTOR’s employees are doing work and/or providing service under this agreement.

ii. Commercial General Liability Insurance shall be provided with a combined single limit per occurrence for bodily injury and property damage. This insurance shall include coverage for bodily injury and property damage, and indicate on the Certificate of Insurance which of the seven (7) coverage requirements below are not included in the policy, if any:

iii. Business Automobile Liability Insurance with a combined single limit per occurrence for bodily injury and property damage, unless otherwise indicated. This insurance shall include for bodily injury and property damage the following coverage:

iv. An Umbrella Policy may be used to meet minimum requirements.

v. All property losses shall be made payable to and adjusted with TPCG.

vi. All policies of insurance shall be approved by TPCG prior to the inception of any work.
vii. If, at any time any of the said policies shall be or become unsatisfactory to TPCG, as to form or substance, or is a company issuing any such policy shall be or become unsatisfactory to TPCG, the CONTRACTOR shall promptly obtain a new policy, submit the same to TPCG for approval and submit a certificate thereof as herein above provided. Upon failure of the CONTRACTOR to furnish, deliver and maintain such insurance as above provided, this contract, at the election of TPCG, may be forthwith declared suspended, discontinued or terminated. Failure of the CONTRACTOR to take out and/or to maintain or the taking out and/or maintenance of any required insurance shall not relieve the CONTRACTOR from any liability under the contract, nor shall the insurance requirements be construed to conflict with obligations of the CONTRACTOR concerning indemnification.

b. Thirty days prior notice of cancellation shall be given to TPCG by registered mail, return receipt requested, on all of the required coverage provided to TPCG. All notices will name the CONTRACTOR and identify the contract number.

B. RISKS AND INDEMNIFICATIONS ASSUMED BY THE CONTRACTOR. Neither the acceptance of the completed work nor payment therefore shall release the CONTRACTOR from his obligations from the insurance requirements or indemnification agreement.

a. b. All property losses shall be made payable to and adjusted with TPCG.

c. All policies and certificates of insurance shall be approved by TPCG prior to the initiation of any work.

d. If at any time any of the foregoing policies shall be or become unsatisfactory to TPCG, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to TPCG, the CONTRACTOR shall, upon notice to that effect from TPCG, promptly obtain a new policy, submit the same to TPCG for approval and submit a certificate thereof as herein above provided. Upon failure of the CONTRACTOR to furnish, deliver and maintain such insurance as above provided, this Contract, at the election of TPCG, may be forthwith declared suspended, discontinued or terminated. Failure of the CONTRACTOR to take out and/or maintain or the taking out and/or maintenance of any required insurance, shall not relieve the CONTRACTOR from any liability under the Contract, nor shall the insurance requirements be construed to conflict with or otherwise limit the obligations of the CONTRACTOR concerning indemnification. TPCG reserves the right to require complete, certified copies of all required insurance policies, at any time.

e. SUBCONTRACTORS – CONTRACTOR shall include subcontractors as insured under its policies or shall require that subcontractors furnish and evidence separate insurance conforming to the requirements stated herein.

f. CERTIFICATE OF INSURANCE - CONTRACTOR shall furnish TPCG with certificates of insurance affecting coverage required by this clause. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be received and approved by TPCG before work commences. TPCG reserves the right to require complete, certified copies of all required insurance policies, at any time.

g. INSURANCE REQUIREMENTS FOR CONTRACTORS - CONTRACTOR shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the CONTRACTOR, his agents, representatives, employees, or subcontractors. The cost of such insurance shall be included in CONTRACTOR’s proposal.

C. MINIMUM SCOPE OF INSURANCE: Coverage shall be at least as broad as:
a. COVERAGE:

iii. Workers’ Compensation insurance as required by the Labor Code of the State of Louisiana, including Employers Liability insurance.

b. MINIMUM LIMITS OF INSURANCE: CONTRACTOR shall maintain limits no less than:

i. Commercial General Liability: $1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage (or higher limits depending on size of contract).

At the option of the TPCG, either: The insurer shall reduce or eliminate such deductibles or self-insured retention as respects TPCG, its officers, officials, employees and volunteers; or the CONTRACTOR shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

d. OTHER INSURANCE PROVISIONS: The policies are to contain, or be endorsed to contain, the following provisions:

The coverage shall contain no special limitations on the scope of protection afforded to TPCG, its officers, officials, employees or volunteers. It is understood that the business auto policy under “Who is an insured” automatically provides liability coverage in favor of TPCG.

2. Any failure to comply with reporting provisions of the policy shall not affect coverage provided to TPCG, its officers, officials, employees, boards and commissions or volunteers.

3. The CONTRACTOR’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer’s liability.
ii. Workers’ Compensation and Employer’s Liability Coverage - The insurer shall agree to waive all rights of subrogation against TPCG, its officers, officials, employees and volunteers for losses arising from work performed by the CONTRACTOR for TPCG.

iii. All Coverage - Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, cancelled unless thirty (30) days prior written notice by certified mail, return receipt requested, has been given to TPCG.

e. ACCEPTABILITY OF INSURERS - Insurance is to be placed with insurers with A.M. BEST’S RATING OF NO LESS THAN A:VI. This requirement will be waived for workers’ compensation coverage only for those contractors whose workers’ compensation coverage is placed with companies who participate in the State of Louisiana Workers’ Compensation Corporation Assigned Risk Pool or Louisiana Workers’ Compensation Corporation.

f. VERIFICATION OF COVERAGE - CONTRACTOR shall furnish TPCG with certificates of insurance effecting coverage required. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be approved by TPCG before work commences. TPCG reserves the right to require complete, certified copies of all required insurance policies, at any time.

g. SUBCONTRACTORS - CONTRACTOR shall include all subcontractors as insured under its policies or shall furnish separate certificates for each subcontractor. All coverage for subcontractors shall be subject to all of the requirements stated herein.

D. TPCG and CONTRACTOR intend that any policies in response to paragraph C.a.ii. shall protect all of the parties insured and provide primary coverage for all losses and damages caused by the perils covered thereby. Accordingly, all such policies shall contain provisions to the effect that in the event of payment of any loss or damage the insurer will have no rights of recovery against any of the parties named as insured or additional insured.
