SECTION I: Scope of Work

The Vendor selected will provide Terrebonne Parish Consolidated Government (TPCG) Department of Public Works (DPW) Drainage Division with temporary pumping equipment or system inclusive of, but not limited to the following functions:

- The Vendor shall provide on a rental basis an interim electric or hydraulic powered submersible or submersed axial flow pumping system for pump station D-4 which the temporary location is located at the end of Oleander St. in Chauvin, LA.
- The four pumps shall each be a minimum 24" diameter and/or shall be capable of a total minimum discharge rate of approximately 56,000 gallons per minute taking into account the actual distance and elevation (head pressures) dimensions of the area.
- The pumping system shall be set up level on the bank of the levee in the areas specified with intake piping set in the canal and the discharge piping running across the levee approximately 120 feet discharging in the area specified. The estimated vertical elevation is 10 feet. The canal depth is 5 feet.
- Piping shall be of sufficient rigid material and secured down and the discharge shall be open ended and set on a wood mat or something similar to break up the flow prior to hitting the ground.
- Suction intake shall be designed and constructed to eliminate suction of vegetation or other debris that may be present in the supply water.
- Provide enough fuel, either on skid or with the use of additional fuel tank(s) that will sustain a minimum total run period for 36 hours per pump at the maximum anticipated load.
- Pumps shall be set up to be automated based on the level of the water in the intake canal (actual level will be determined during the installation phase).
- The Vendor shall furnish, install, function test, and commission this interim system and shall include all equipment and labor to perform the abovementioned tasks.
- The Vendor shall educate and train TPCG personnel in the proper operation and maintenance checks and will provide an emergency point of contact that is available on a 24-hour basis or an on-call basis.
- The Vendor shall be responsible for all equipment, services, details, devices, accessories, appurtenances, and special construction necessary to properly deliver, offload/onload, install, adjust, place into satisfactory operation, and maintain all mechanical systems associated with the interim pumping system.
- Pumping systems shall be setup so that each pump can be removed and replaced with a replacement pump or power source should there be a mechanical malfunction with either the pump or the power source.
- Any part of the pumping system that contains a hydrocarbon product shall be set in a secondary containment.
- All work shall be performed in accordance with this request, any required Vendor's drawings, and all applicable codes and authorities having jurisdiction. All delivery, installation, and maintenance work on the site will be subject to TPCG and the State of Louisiana laws and permits, including but not limited noise and environmental permits.

Request for Proposals – Temporary Rental Pumps – Lashbrooke Pump Station D-4

Due Date: **June 1, 2022, at 2 PM**

Instructions to Contractors

Respondents are to submit one (1) original complete submittal with signatures in blue ink, and three (3) copies and one (1) electronic form of the complete submittal package that can be reproduced.

At due date and time, all submittals received by the due date will be opened for the sole purpose of recording the names of the individuals or contractors submitting written responses.

If the submittal is mailed, sufficient time must be allowed to ensure TPCG's proper receipt of the package by the time specified above. Allow an additional 24 hours for TPCG's internal mail process. It is the responsibility of the contractors to ensure that the properly marked and sealed submittal arrives at **Terrebonne Parish Consolidated Government, Sharon Ellis, Purchasing Manager, 301 Plant Road, Houma, La 70363**. Submittals received after the due date and time will be returned to Respondent unopened.

Any submittal not prepared and received in accordance with provisions stated herein will be considered an informal response and any/or all of the submittal may be rejected.

Withdrawal of submittal will be accepted until the submission due date and time above. No submittal may be withdrawn after the deadline.

Each contractor will pay all costs associated with the preparation of the submittal, and, if applicable, subsequent oral presentations if requested by TPCG.

Submittal Content

The following information should include but not be limited to, the submittal packet:

1. Signed Proposal Cover Sheet.
2. Company profile including but not limited to:
 - State of Louisiana License
 - General Reputation and Performance Capabilities: Describe the general reputation and performance capabilities of the company along with any other certificates and/or licenses that are relevant to the service.
 - Years in business under current name.
 - Partner companies name and company information
3. Description of equipment proposed along with specification sheets, pump curves, showing flow rates at the existing site conditions and any techniques used or schedules that may set apart your company from others.
4. RFP Signature Page
5. Three (3) references for similar projects completed within the last five years:
 - Services and equipment provided, project cost, and benefits to the owner.
 - Client Name
 - Contact Name, Title
6. Contact Person: Phone/Fax Number/Email Address

If the Respondent fails to supply all required information, the submission may be deemed non-responsive at the discretion of the TPCG.

Submittal Format

Submittal shall be prepared simply and economically, providing a straightforward, concise description of the Respondent's ability to meet the requirements of this RFP. Emphasis shall be on the quality, completeness, clarity of content, responsiveness to the requirements and an understanding of TPCG needs.

Submittals should be printed on letter size paper (8 1/2" x 11") and bound with a spiral type binding or metal 3-ring hard cover binder.

Include a Table of Contents page for the entire submittal and give sequential page numbers for each part of the submittal including attachments. Arrange the submittal in the order listed in the SUBMITTAL CONTENT section of this RFP. Additional optional attachments that are listed in the SUBMITTAL CONTENT section may be included at the end of the submittal packet.

Separate each part of the submittal packet by use of a divider sheet with a tab for ready reference. Tab references shall correspond with the Table of Contents page.

Each complete submittal will contain a maximum of thirty (20) pages. Brevity is a plus.

At the discretion of the respondent, a maximum of five (5) additional proposal related or marketing informational pages can be included in the submittal.

Detailed staff resumes including A list of industry certifications may be included as a second attachment to the submittal packet. These additional pages will not be counted against the thirty (20) pages of the main content or the five (5) additional pages of information.

Proposers are not allowed to include any qualifying statements or conditions to their bid. Providing any qualifying statement or conditions to the bid will result in grounds of forfeiture of the bid.

Interpretation or Correction

TPCG is not liable for interpretations/misinterpretations or other errors or omissions made by the Respondent in responding to this Request. Any required addendum to the RFP and all clarifications, answers to questions, or changes to this RFP shall be provided through a PARISH-issued Addendum, which shall be posted to TPCG's website. Any clarifications, answers, or changes provided in any manner other than a formally issued addendum, are to be considered "unofficial" and shall not bind the Parish to any requirements, terms or conditions not stated herein.

The Parish shall make every possible, good faith effort to issue any and all addenda(s) no later than seven (7) days prior to the due date for proposals. Any addendum issued after this date, shall be for material, necessary clarifications to the Request for Proposals.

Any person, contractor or corporation submitting a response is deemed to have read, understood and agreed to all terms, conditions and requirements set forth in this RFP, and also has visited the site and familiar with the site conditions. Respondent agrees to conform in general to the terms of this RFP, details of which will be set forth in a signed agreement mutually acceptable to and executed by TPCG and the Respondent.

From the date of issuance until TPCG takes final agency action, the Respondent **must not** discuss their submittal or any part thereof with any employee, agent, or representative of TPCG except as expressly requested by TPCG in writing. Violation of this restriction will result in rejection of the Respondent's response.

No negotiations, decisions, or actions shall be initiated or executed by the Respondent as a result of any discussions with any TPCG employee. All inquiries, requests for clarification, change of condition or requirement, specification omissions, doubt as to meaning, or requests for additional information must be submitted, in writing, or via email to Jason Broussard jbroussard@royalengineering.net. In the written request, the Respondent must identify him/herself and provide the page number, section, and paragraph of the conditions or requirements in question. The Respondent must also recommend specific written changes to the specified condition(s) or requirement(s).

All written inquiries or requests for changes or information must be received by Jason Broussard, Royal Engineers and Consultants no later than the scheduled date shown in the Calendar of Events outlined in this document. All Respondent inquiries or requests, the TPCG responses to these inquiries or requests, and other needs as may apply will be provided to all prospective Respondents by addendum. All addenda issued by TPCG shall become a part of the RFP.

Inquiries concerning Request for Proposals should be addressed as follows:

It is understood that TPCG reserves the right to the following:

1. Reject any and/or all Proposal submittals.
2. Accept any submittal or portion thereof most advantageous to TPCG.
3. Revise the RFP and/or issue addenda to the RFP, in the event it becomes necessary to revise any or part of the RFP. Addenda will be provided to all those who received the RFP.
4. Cancel or re-issue the Request for Proposals, in whole or in part, prior to execution of a contract.
5. Negotiate with the Respondent.
6. Award contract based on the overall best business decision for the TPCG including contractor location or services/equipment offered.
7. Waive any informalities or regularities.
8. Award to single or multiple contractors.
9. Request additional information or require a meeting with the Respondent for clarification.
10. Request presentations from Respondents following submission of the Proposals submittal.
11. Modify timelines, as issued in the form of an addendum.

SECTION III: Contract Term, Phases, and Pricing Conditions

Terms/Pricing Conditions:

The contract shall be for a 6 (six) month period beginning at the execution of the contract and ending 180 (one hundred eighty days) thereafter, with an option to renew in monthly increments upon written mutual agreement between TPCG and the company, for up to two (2) years.

Vendor shall be able to mobilize, install, and commission the pumping system within 10 days of the contract.

An additional price to come out and perform general maintenance at the agreed upon hourly run time that will be inclusive of time, material, travel, and any other expenses.

Phases:

Assessment/Survey Phase – Given the known or expected presence of these materials within the work site, an assessment or survey may be completed prior to bidding and the performance of services.

Bidding Phase – The contractor will have access to the work site/location in order to effectively bid out the job in accordance with any assessment, survey, or known information prior to starting the work.

Planning and Scheduling Phase – The contractor, if awarded the job, will plan and schedule the project, and that plan shall include an estimated schedule.

Performance of Work – The contractor will be given a notice to proceed and will perform the work in accordance with the submitted schedule as agreed to by both the contractor and TPCG. The contractor will make available all compliance documentation required throughout the project as the times in accordance with local, state, and federal rules and regulations.

Replacements/Swap-Outs:

Any replacements or swap-outs of pumps, power source, or other items due to mechanical malfunction not by the fault of TPCG will be at the expense and responsibility of the vendor/contractor awarded the work.

SECTION IV: General Terms and Conditions

TPCG reserves the right to reject any and all submittals and to waive any irregularities or technical defects in the response and reserves the right to select the best total program. TPCG is not liable for any expense incurred by the professional services contractor in the preparation and presentation of proposals.

Acceptable Sealed Submittals

Any submittal not prepared and received in accordance with provisions stated herein, will be considered an informal response and any/or all of the submittal may be rejected.

It is the responsibility of the contractor to ensure that the properly marked and sealed submittal package arrives at TPCG by the due date and time.

Governing Law and Venue

This RFP and resulting contract, if any, and any disputes there under will be governed by the laws of the State of Louisiana and the Terrebonne Parish Consolidated Government.

Appropriated Funds

The purchase of any service, which arises from this solicitation, is contingent upon the availability of appropriated funds. If funds are withdrawn or do not become available, TPCG can cancel the service contract by giving the contractor written notice of its intention to cancel not less than ninety (90) days prior to the end of the term without penalty. Upon cancellation of the contract, TPCG shall not be responsible for any payment of any services received that occur after the end of the current contract period.

Sales and Use Tax

TPCG as a public entity is exempt from state and local sales taxes.

Invoices

Payment terms on services that have been received and accepted by TPCG will be net forty-five (45) days.

Observance of TPCG Rules and Regulations

Contractor agrees that at all times its employees will observe and comply with all policies and procedures of TPCG, including but not limited to smoking, parking and security directives. The contractor will be required to follow TPCG policies in dealing with improper conduct and discrimination and shall report all incidents or injuries to the TPCG.

Non-Exclusive Contract

This is not an exclusive contract and will not restrict in any way TPCG's rights to contract with other contractors for services and/or commodities similar to those specified within this RFP.

Limitations of Remedies and Indemnification

Any contractor awarded the RFP accepts full responsibility for acts or conduct of its employees or agents, or services rendered, and agrees to indemnify, defend and hold harmless the TPCG and its officers, council members, agents and employees from any and all claims, demands, damages, actions and costs or expenses in connection therewith that may relate to any subsequent agreement, or acts of the contractor's employees or agents. TPCG will not be liable for any damage or injury to the contractor's employees or its properties. TPCG does not agree to indemnify the vendor.

The contractor will obtain all insurance required under this agreement before commencing work and shall furnish the TPCG with a certificate of insurance as proof of coverage. Companies writing insurance under this article must be licensed to do business in the State of Louisiana. All costs for insurance will be borne by the contractor.

The contractor may not assign, transfer, convey or otherwise dispose of this agreement or any right, title or interest herein without the prior written consent of TPCG. Any contract resulting from this RFP may only be amended in writing and signed by the contractor and TPCG using the same degree of formality evidenced in the contract resulting from this RFP.

The contractor shall not name Terrebonne Parish Consolidated Government (TPCG) in its external advertising, marketing programs or other promotional efforts, any data, pictures or other representation of TPCG except on the specific, written authorization in advance by TPCG's Parish President or his designee.

The agreement between the contractor and TPCG may be cancelled by mutual written agreement of both parties upon ninety (90) days' notice. TPCG may cancel the agreement effective thirty (30) days after a written notice from TPCG is provided to the contractor if the contractor does not provide satisfactory service or fails to follow a reasonable schedule of agreed upon services, or otherwise fails to operate in a professional manner.

The contractor is subject to and must comply with provisions of TPCG's policies and applicable state and federal anti-discrimination laws.

Insurance

Prior to beginning work, successful bidder shall deliver certificates of insurance as evidence of the coverage indicated below; such evidence shall include documentation of thirty (30) day prior written notice to the TPCG of cancellation, non-renewal or material change in coverage.

The insurance certificates should be delivered to:

The Contractor shall provide certification of such insurance and a copy of the policy upon request.

SECTION V: Compliance with FEMA Procurement and Certain other Federal Requirements

1 EQUAL OPPORTUNITY PROVISIONS

During the performance of this Agreement, Contractor agrees to comply with Equal Opportunity laws as modified. Specifically:

- a. Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. Contractor will take affirmative action to ensure the applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not to be limited to the following: Employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training; including apprenticeship. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this Equal Opportunity Clause.
- b. Contractor will, in all solicitations or advertisements for employees placed by or on behalf of Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
- c. Contractor will allow reasonable access to its books, records and accounts of the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with applicable rules, regulations and orders.
- d. In the event of Contractor's noncompliance with the Equal Opportunity Clause of this Agreement or with any of the said rules, regulations or orders, this Agreement may be cancelled, terminated, or suspended in whole or in part and Contractor may be declared ineligible for further Government contracts federally-assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in the said Executive Order or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.
- e. Contractor will include this Equal Opportunity Clause in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event Contractor becomes involved in, or is threatened with litigation with a subcontractor or vendor as a result of such direction by the administering agency, Contractor may request the United States to enter into such litigation to protect the interests of the United States.
- f. Certificate of Non-segregated Facilities. Contractor certifies that it does not maintain or provide for its employees any segregated facilities at any of its establishments, Contractor agrees that a breach of this certification is a violation of the Equal Opportunity Clause in this Agreement.

2 EXTENSIONS TO SUCCESSORS AND ASSIGNS

Contractor must certify that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352.

8 PROCUREMENT OF RECOVERED MATERIALS

Contractor must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act.

9 CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

Contractor must comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous.

10 DHS SEAL, LOGOS, AND FLAGS

Contractors or subcontractors shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval.

11 NO OBLIGATION BY FEDERAL GOVERNMENT

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

12 PROGRAM FRAUD, FALSE OR FRAUDULENT STATEMENTS, RELATED ACTS

The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this contract.

13 ACCESS TO RECORDS

The following access to records requirements apply to this Agreement:

- a. The Contractor and Subcontractors agree to provide the FEMA Administrator, the Comptroller General of the

United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor or Subcontractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

- b. The Contractor and Subcontractors agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
- c. The Contractor and Subcontractors agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract.

In compliance with the Disaster Recovery Act of 2018, the (the non-federal entity), Contractor and Subcontractors acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

14 CHANGES

To be eligible for FEMA assistance under the non-Federal entity's FEMA grant or cooperative agreement and/or this Agreement, the cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or Agreement, and reasonable for the completion of project scope. All changes will be approved in writing by Cooperative prior to occurring or Contractor may not be paid for work performed.

15 COMPLIANCE WITH FEDERAL LAW, REGULATIONS, AND EXECUTIVE ORDERS

This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the Agreement. Contractor will comply with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.

16 CONFLICT OR INCONSISTENCY

In the event of any conflict or inconsistency between the terms and provisions of this Exhibit and the terms and provisions of the Agreement between Contractor and Owner the terms and provisions of this Exhibit shall control.

17 CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS.

The Owner desires to strengthen its local community engagement by proactively seeking eligible business enterprises that represent the communities that it serves. The Owner does not discriminate based on social and economic disadvantage, race, color, sex, gender, age, disability or national origin. All small and minority-owned firms and women's business enterprises are encouraged to submit proposals statements. Contractor must take reasonable affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. These steps are required for the hiring of any subcontractors under this contract. Affirmative steps may include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

18 DAVIS BACON LABOR STANDARDS

The Contractor shall abide by laws set forth in the Davis-Bacon Act of 1931 which states that all laborers and mechanics employed by recipients, the recipient's contractors, or subcontractors on this project shall be paid wages at rates no less than those prevailing on projects of a character similar in the locality as determined by the

Secretary of Labor in accordance with Subchapter IV of Chapter 31 of Title 40 United States Code. Additionally, with respect to the labor standards specified in this section, the Secretary of Labor shall have the authority and functions set forth in Reorganization Plan Number 14 of 1950 (64 Stat. 1267; 5 U.S.C. App.) and The Copeland Act of Title 40 (40 U.S.C. § 3145). Prevailing Wage Determination Schedules, as determined by the United States Department of Labor, are provided in the Appendix. Prevailing Wage Determination Schedules are subject to modification by the United States Department of Labor. The Contractor is responsible for utilizing the most current Prevailing Wage Determination Schedule. These documents can be downloaded from the following link: <http://www.wdol.gov/dba.aspx#3>. Modifications to Prevailing Wage Determination Schedules shall be effective if received (or posted) no less than 10 days prior to bid opening.
