Request for Statement of Qualifications

Engineering Services for Pollution Control Ultraviolet Disinfection Project

Engineering Services

The Parish is accepting Statement of Qualifications for engineering services for the design and oversight of the installation of ultraviolet (UV) disinfection systems at Terrebonne Parish Government's North Regional and South Regional Wastewater Treatment Plants. The selected firm will be assigned to this project based on the strengths of the firm's qualifications.

All interested parties must submit: one (1) original (stamped "original") and four (4) copies of Qualifications along with one (1) electronic copy (USB flash drive only) in Portable Document Format (pdf). The flash drive becomes the property of the Parish. Qualifications must be received by July 12, 2022, at 2:00 pm, in order to be considered responsive. Qualifications submitted after this time will not be considered. Qualifications must be submitted in a sealed envelope and clearly marked on the outside of the envelope as " QUALIFICATIONS ENCLOSED FOR POLLUTION CONTROL ULTRAVIOLET DISINFECTION PROJECT ".

Qualifications may be delivered by United States Postal Service registered or certified mail with a return receipt requested or hand delivered to:

Attn: Terrebonne Parish Consolidated Government
Purchasing Department/City of Houma Service Complex
