MEETING REPORT

Project: Bayou Terrebonne Debris Removal

Project No. 032-034-01 (Parish Project No. 22-NRCS-43)

Subject: Contractor Pre-Bid Meeting

Location: Terrebonne Parish Public Works Administration, 220 Government St, Gray, LA 70359

Date: Tuesday, January 10, 2023

Attendees: (All South) Gene Robinson, Stevie Smith, Jay Duplantis (TPCG) David Rome

(Contractors) See Sign-In Sheet Attached

The following items were discussed:

INTRODUCTION:

- All South Gene Robinson, Stevie Smith, Jay Duplantis; TPCG David Rome; Contractors Acknowledged
- Gene proceeded with general greetings and a project overview

CONTRACTOR COMMENTS AND CONCERNS:

- Discussed concerns with the project budget not being made public prior to bidding the project
- Discussed concerns that the project plans were not accessible through Central Bidding (only the specifications)
- Discussed locations along the project that would be used as debris pick-up sites
- Discussed trees leaning over the bank line, when in question who would be making the decision to remove or not (this would be reviewed by Engineering for final determination)
- Discussed possible extra work above and beyond the known obstructions as shown on project plans (debris fallen since the plans were developed), this work would require Engineering approval (to be addressed through change orders if necessary)
- Discussed types of machinery that would be acceptable for use on this project
- Discussed how project progress will be targeted (prioritized by segments)
- Discussed where the debris is to be hauled to (debris to be hauled to a type III landfill)
- Discussed if low bid is over budget the project will end at the budgeted amount for this project (TPCG to decide whether or not to increase the budget to complete this project)

NEXT PROGRESS MEETING:
