

Terrebonne Parish Consolidated Government

Side Scan Sonar Survey of Hurricane Ida Caused Derelict Vessels - Parish-wide

Addendum # 1

Purpose: *Addendum #1*

Subject: *TPCG Hurricane Ida Recovery*

Today's Date: *8/1/23*

Addendum #1	This Addendum forms part of the Bid Documents and modifies and clarifies the original Bidding/Proposal Documents for the project as noted below. Acknowledge receipt of this Addendum in the space provided on the Proposal Form. Failure to do so may subject the Bidder to disqualification. Bidder is responsible to disseminate this Addendum to all subcontractors concerned.
Specification & Contract Document Revisions	General: Please see below questions and answers
Clarifications	N/A
Questions	<p>Question: I have a question about this proposal. There are instructions to complete a cost proposal form. I don't see this form included in the RFP doc. Will this form be provided?</p> <p><i>Answer: No, please see "Cost Proposal" Section in RFP that provides specific details of required information.</i></p> <p>Question: Is there a predetermined budget and/or schedule for this RFP?</p> <p><i>Answer: Estimated budget of \$350k with an expected schedule of 3-4 months</i></p> <p>Question: What are the landward survey limits for each waterway? (i.e. water's edge, top bank, woods line, levee) there is mention of an average width for 3 of the 4 waterways.</p>

A d d e n d u m # 1

Answer: Top Bank

Question: Is the alignment shown in the map for Bayou Dularge correct?

Answer: The map supplied in the RFP is for informational purposes only; exact alignment is determined by the actual existing alignment

Question: Are all survey areas accessible by boat?

Answer: Survey areas may or may not be accessible by boat; there could be a potential vessel that is washed on land due to Hurricane Ida

Question: Do you require the following deliverables for submerged vessels:

- Multiple photos at different angles
- Vessel Name
- Make/ Model
- Propulsion Type
- Hull Material
- Approx. Length of Vessel
- Registration Number
- Hull Registration Number

Answer: Yes

Question: Question – define items (vessels or debris)? As both are referred to in the RFP.

Answer: The intent of this project is for vessels, however, if any debris is noticed during survey operations, we ask that this be documented by GPS location

Question: Does the project require dive operations for submerged targets?

Answer: No, we will not require any man-entry for this project, only side scan survey

Question: What level of effort is expected to get the information required by the RFP list above? Vessel Name, Registration Numbers, and Hull numbers may be inside the

vessel. Retaining this information would likely be too risky for the health and safety of field personnel.

Answer: No, we will not require any man-entry for this project, only side scan survey

Question: As we understand this RFP, it is only to identify and report, not for removal. Is this correct?

Answer: Yes, this RFP is just for the survey phase, not removal

Question: Do you have an estimate of how many vessels are/may be involved?

Answer: At this time, we do not have an estimated number of derelict vessels.

End of Addendum #1
