I. Introduction

Introduction

This document constitutes the Family Self Sufficiency (FSS) Program Action Plan for the FSS program operated by Terrebonne Parish Consolidated Government (TPCG). It was submitted to HUD on September 23, 2022.

The purpose of the FSS Program is to promote the development of local strategies to coordinate the use of HUD assistance with public and private resources in order to enable eligible families to make progress toward economic security.

The purpose of the FSS Action Plan is to establish policies and procedures for carrying out the FSS program in a manner consistent with HUD requirements and local objectives.

This FSS Action Plan describes the Terrebonne Parish Consolidated Government’s local polices for operation of the FSS program in the context of federal laws and regulations. The FSS program will be operated in accordance with applicable laws, regulations, notices and HUD handbooks. III. C. – Estimate of Participating Families

Estimate of Participating Families

Over time, Terrebonne Parish Consolidated Government hopes to serve all families who are interested in participating in the FSS Program. The number of spaces available in the program at any given time, however, will be limited by the program’s resources, including the number of FSS coordinators funded to work with FSS participants. New families will be admitted to the FSS program as space permits.

In recent years, the TPCG FSS Program has been funded for ONE full-time coordinator. The minimum number of participants required to be served based on this funding is 25.

Historically, TPCG’S FSS program has enrolled an average of 9 new families into the FSS program each year. Accordingly, Terrebonne Parish Consolidated Government expects to be able to provide FSS Services to 202 families over a five-year period.
III. D – Other Self-Sufficiency Programs

**Other Self-Sufficiency programs**

No families from other self-sufficiency programs are expected to enroll in the FSS program.

IV. Family Selection Procedures

**Family Selection Procedures**

**A. Waiting List**

A waiting list will be maintained for families whose applications cannot be accepted at the time of initial application due to program capacity limits. The waiting list will include the name and contact information for the head of household of the applicant family and the date of their application.

**B. Admissions Preferences**

The FSS program has not adopted any admissions preferences. Families will be selected based on the following selection method:

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

**C. Screening for motivation.**

The *Terrebonne Parish Consolidated Government* will not use any motivational screening factors to measure a family’s interest and motivation to participate in the FSS program.

**D. Compliance with nondiscrimination policies**

It is the policy of *Terrebonne Parish Consolidated Government* to comply with all Federal, State, and local nondiscrimination laws and regulations, including but not limited to the Fair Housing Act, the Americans with Disabilities Act, and Section 504 of the Rehabilitation Act of 1973. No person shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under the FSS program on the grounds of race, color, sex, religion, national or ethnic origin, family status, source of income, disability or perceived gender identity and sexual orientation. In addition, *TPCG’s FSS* staff will, upon request, provide reasonable accommodation to persons with disabilities to ensure they are able to take advantage of the services provided by the FSS program (see Requests for Reasonable Accommodations).

The FSS program staff has the primary responsibility to make sure that participants are not discriminated against in the selection process. For families or individuals whose potential enrollment is in question, the FSS coordinators will review the file in the staff review meeting to ensure that non-selection is not based
on discriminatory factors before the final decision is made. Applicants will be notified in writing of the reason(s) they were not selected for participation and will have the opportunity to appeal the decision (see Hearing Procedures). At all times, TPCG will select families for participation in the FSS program in accordance with FSS Regulations and HUD guidelines.

E. Re-enrollment of prior FSS participants

The following previous FSS families will be allowed to re-enroll in Terrebonne Parish Consolidated Government FSS program:

☒ FSS program graduates. Only allowed if family received less than $5,000.00 in escrow disbursement.
☒ FSS participants who have withdrawn voluntarily [No less than one year after withdrawal]
☒ Families terminated with escrow disbursement [No less than one year after termination]
☒ Families involuntarily terminated [No less than one year after termination]
☐ Family members who were not Heads of FSS Family previously
☐ No member of previously enrolled families may re-enroll

The following conditions apply to re-enrollment:

Families requesting to re-enroll must show a desire to actively participate by establishing reachable goals to be completed within the allotted timeframe agreed upon between the FSS Coordinator and the FSS participant. A family will only be allowed to re-enroll once. In the case of families being voluntarily or involuntarily withdrawn from FSS, enrollment will only be considered if there is a major change in household circumstances (ie. Change in employment or student status).

F. Head of FSS Family

The head of the FSS family is designated by the participating family. The TPCG FSS Coordinator may make itself available to consult with families on this decision, but it is the assisted household that chooses the head of FSS family that is most suitable for their individual household circumstances. The designation or any changes by the household to the Head of FSS Family must be submitted to the Terrebonne Parish Consolidated Government in:

☒ Writing
☐ A form developed by the Terrebonne Parish Consolidated Government

In conducting outreach, TPCG will account for the needs of person with disabilities, including persons with impaired vision, hearing or mobility, and provide effective communications to ensure that all eligible who wish to participate are able to do so.
VI. FSS Escrow Account and Other Incentives for Participants

FSS Escrow Account and Other Incentives for Participants

FSS participants will be eligible to build savings from the FSS escrow account. Key policies and procedures applicable to the FSS escrow account, as well as any additional incentives offered by the TPCG, are described below.

A. Additional Incentives

While the Terrebonne Parish Consolidated Government’s FSS program does not provide any other financial incentives for FSS participants, it does provide coaching services, as well as referrals to other service providers, that can be very valuable for FSS program participants.

B. Interim Disbursements

The TPCG FSS Program will allow for interim disbursements on a case by case basis: Families may request an interim disbursement from the escrow account once the FSS family has fulfilled at least one interim goal, in order to pay for specific goods or services that will help the family make progress toward achieving the goals in its Individual Training and Services Plan (ITSP). Requests must be made in writing. Requests may be made through the term of the Contract of Participation. Examples of potentially eligible activities include, but are not limited to, payments for post-secondary education, job training, credit repair, small business start-up costs, job start-up expenses, and transportation to/from a place of employment. A determination of whether the family qualifies for the requested interim disbursement will be made on a case-by-case basis by the FSS Coordinator and an administrative staff representative of the TPCG Section 8 Program. The FSS coordinator will first explore options for services and in-kind donations from partners, which must be exhausted before a request for an interim disbursement will be approved.

C. Uses of forfeited escrow funds.

Treatment of forfeited FSS escrow account funds. TPCG FSS Program will use forfeited escrow accounts for support and other costs for FSS participants in good standing when funds requested are needed to complete an interim goal or task in the ITSP and are not ongoing expenses or if the family can demonstrate that the need for one-time payment of otherwise ongoing expenses such as rent, utilities, telephone, cell phone, car payments, car maintenance, insurance, or childcare is needed to complete an interim goal, a final goal, or a task related to such goals in the ITSP.

Upon written request from a family, the FSS Coordinator and an administrative staff representative of the TPCG Section 8 Program will consider the available funds and make a determination. TPCG will prioritize requests for funds from forfeited escrow accounts initially on a first come first served basis based on the date and time of the request.

TPCG will use forfeited escrow accounts for training provided to FSS Coordinator.

Terrebonne Parish Consolidated Government may also initiate a request for the use of forfeited escrow funds.
At the discretion of the FSS coordinator, forfeited escrow funds may be considered in lieu of an interim escrow disbursement.

Forfeited FSS escrow funds may be deployed:

- ☒ Any time during the term of a household’s CoP
- ☐ Within [###] days of CoP execution
- ☐ No more than [###] days prior to the scheduled expiration of CoP

Use of forfeited escrow funds for eligible uses (described below) may be requested by:

- ☒ Terrebonne Parish Consolidated Government
- ☒ Head of the FSS family
- ☐ Non-head FSS family members

VII. Family Activities and Supportive Services

Family Activities and Supportive Services
As described in the next section, all families participating in the FSS program will benefit from coaching that helps them identify and achieve goals that the family selects. Drawing on partners on the program coordinating committee and relationships with other service providers, the coaches will provide referrals as needed to help FSS participants access appropriate services to help them achieve their goals:

VIII. Method of Identifying Family Support Needs and Delivering Appropriate Support Services

Method of Identifying Family Support Needs and Delivering Appropriate Support Services

A. Identifying Family Support Needs

To help determine the supportive services needs of each family, the FSS coordinator will work with the family to complete an initial informal needs assessment for that family before completion of the initial Individual Training Service Plan (ITSP) and signing of the contract of participation. After enrollment in the FSS program, the FSS coordinator may make referrals to partner agencies for completion of one or more formal needs assessments. These assessments may focus on such issues as: employment readiness and employment training needs, educational needs related to secondary and post-secondary education, financial health, and other topics, depending on the needs and interests of the family.

The formal assessments may lead to adjustments to the Individual Training Service Plan, if requested by the family.

B. Delivering Appropriate Support Services

Coaching. All families who participate in the FSS program will be assigned an FSS coordinator who will provide coaching services to help each participating family to:

- Understand the benefits of participating in the FSS program and how the program can help the family achieve its goals.
- Identify achievable, but challenging interim and final goals for participation in the FSS program, break down the goals into achievable steps and accompany the family through the process.
- Identify existing family strengths and skills.
- Understand the needs that the family has for services and supports that may help the family make progress toward their goals.
- Access services available in the community through referral to appropriate service providers.
- Overcome obstacles in the way of achieving a family’s goals.

C. Transitional supportive service assistance.

Families that have completed their CoP and remain in assisted housing may request assistance with referrals to service providers in order to continue their progress toward economic security. Subject to limitations on staff capacity, TPCG FSS Program will try to help these families with appropriate referrals. The time spent on these referrals will not be covered by funds designated by HUD to support the FSS program.
IX. Contract of Participation

Contract of Participation

All families enrolled in the FSS program will be required to sign a Contract of Participation (CoP) that includes an Individual Training and Services Plan (ITSP). This section describes the contents of the CoP and TPCG FSS Program’s policies and practices regarding the CoP.

A. Form and content of contract

The CoP, which will incorporate one ITSP for each participating member of the family, sets forth the principal terms and conditions governing participation in the FSS program. These include the rights and responsibilities of the FSS family and of the TPCG FSS Program, the services to be provided to, and the activities to be completed by, each adult member of the FSS family who elects to participate in the program.

B. ITSP goals

Each individual’s ITSP will establish specific interim and final goals by which the TPCG FSS Program and the family will measure the family’s progress towards fulfilling its obligations under the CoP. For any FSS family that is a recipient of welfare assistance at the outset of the CoP or that receives welfare assistance while in the FSS program, the TPCG FSS Program will establish as a final goal that every member of the family become independent from welfare assistance before the expiration of the CoP. The ITSP of the head of FSS family will also include as a final goal that they seek and maintain suitable employment. The FSS coordinator will work with each participating individual to identify additional ITSP goals that are relevant, feasible and desirable. Any such additional goals will be realistic and individualized.

C. Determination of suitable employment

As defined in the FSS regulations (24 CFR 984.303(4)(iii)), a determination of what constitutes “suitable employment” for each family member with a goal of seeking and maintaining it will be made by the TPCG FSS Program, with the agreement of the affected participant, based on the skills, education, job training and receipt of other benefits of the family member and based on the available job opportunities within the community.

D. Contract of Participation term and extensions

The CoP will go into effect on the first day of the month following the execution of the CoP. The initial term of the CoP will run the effective date through the five-year anniversary of the first reexamination of income that follows the execution date. Families may request up to two one-year extensions and are required to submit a written request that documents the need for the extension. TPCG FSS Program will grant the extension if it finds that good cause exists to do so. In this context, good cause means:

(i) Circumstances beyond the control of the FSS family, as determined by the TPCG FSS Program, such as a serious illness or involuntary loss of employment;

(ii) Active pursuit of a current or additional goal that will result in furtherance of self-sufficiency during the period of the extension (e.g. completion of a college degree during which the participant is unemployed or under-employed, credit repair towards being homeownership ready, etc.) as determined by the TPCG FSS Program or
(iii) Any other circumstances that the **TPCG FSS Program** determines warrants an extension, including extenuating circumstances (ie. Global pandemic, natural disaster).

**E. Completion of the contract**

The CoP is completed, and a family’s participation in the FSS program is concluded when the FSS family has fulfilled all its obligations under the CoP, including all family members’ ITSPs, on or before the expiration of the contract term. The family must provide appropriate documentation that each of the ITSP goals has been completed. The **TPCG FSS Program** will accept the following form of verification for completion of the ITSP goals:

The TPCG will require a combination of self-certification and third-party verification to document completion of ITSP goals.

**F. Modification**

The **TPCG FSS Program** and the FSS family may mutually agree to modify the CoP with respect to the ITSP and/or the contract term, and/or designation of the head of FSS household. All modifications must be in writing and signed by the **TPCG FSS Program** as well as the Head of FSS Family.

The **TPCG FSS Program** will allow for modifications to the CoP under the following circumstances:

- ☒ When the modifications to the ITSP improve the participant’s ability to complete their obligations in the CoP or progress toward economic self-sufficiency
- ☒ When the designated head of the FSS family ceases to reside with other family members in the assisted unit, and the remaining family members, after consultation with the **TPCG FSS Program**, designate another family member to be the FSS head of family
- ☒ When a relocating family is entering the FSS program of a receiving **PHA** and the start date of the CoP must be changed to reflect the date the new CoP is signed with the receiving **PHA**

- ☐ Other:
  - **The TPCG FSS Program** will allow modifications at any time during the term of the CoP.

**G. Consequences of noncompliance with the contract**

Participant non-compliance with the CoP may result in termination from the FSS program. See policies on Involuntary Termination in Section X(A).
X. Program Termination, Withholding of Services, and Available Grievance Procedures

Program Termination

A. Involuntary Termination

The TPCG FSS Program may involuntarily terminate a family from FSS under the following circumstances:

I. If the participant fails to meet their obligations under the Contract of Participation, the Individual Training and Services Plan and related documentation. Non-compliance includes:
   i. Missing two scheduled meetings, failure to return phone calls, and/or maintain contact after written notification of non-compliance
   ii. Failure to work on activities and/or goals set forth in the Individual Training and Services Plan, including employment activities
   iii. Failure to complete activities and/or goals within the specified time frames; and/or

II. If the participant’s housing assistance has been terminated.

Participants who fail to meet their obligations under paragraph I above, as determined by an FSS coordinator, will be given the opportunity to attend a required meeting with the FSS Coordinator or assigned Terrebonne Parish Consolidated Government representative to review the situation. At this meeting, a review of the Contract of Participation, Individual Training and Services Plan, and all related documentation will be conducted, and amendments will be made as necessary (within HUD guidelines) to allow for changes in circumstances. Failure to contact the FSS Coordinator to schedule this meeting within fourteen (14) days of a written request by the FSS program to set up this a meeting or failure by the FSS Head of Household to attend this meeting without some type of correspondence to clarify the issue(s), may lead to termination from the program. The FSS Coordinator will also attempt to contact the participant via phone, text, in person and/or email prior to the review meeting. Participants who remain out of compliance after this meeting will be subject to termination from the FSS program.

If the initial meeting does not resolve the problem, or if the meeting is not requested by the family within the required period, notification of termination will be made to the family by letter stating:

1. The specific facts and reasons for termination;
2. A statement informing the family of their right to request an informal hearing and the date by which this request must be received (see Grievance Procedures);
3. A statement informing the family that termination from the FSS program for the reasons stated therein will not result in termination of the family’s housing assistance. Failure to request a hearing in writing by the deadline will result in closure of the family’s FSS file and all rights to a hearing will be waived. All escrow money held on the family’s behalf will be forfeited in accordance with HUD regulations. Housing assistance will not be terminated based on non-compliance with the FSS program. The current amount of escrow in the family’s escrow account will be included in the letter.
B. Voluntary Termination

Participants may also be terminated from the FSS program under the following circumstances:

- Mutual consent of both parties; and/or
- The family’s withdrawal from the program.

C. Termination with Escrow Disbursement

In most cases, families whose FSS contracts are terminated will not be entitled to disbursement of their accrued FSS escrowed funds. However, the CoP will be terminated with FSS disbursement when one of the following situations occurs:

(i) Services that the TPCG FSS Program and the FSS family have agreed are integral to the FSS family’s advancement towards self-sufficiency are unavailable.

(ii) The head of the FSS family becomes permanently disabled and unable to work during the period of the contract, unless the TPCG FSS Program and the FSS family determine that it is possible to modify the contract to designate a new head of the FSS family.

(iii) An FSS family in good standing moves outside the jurisdiction of the PHA (in accordance with portability requirements at 24 CFR §982.353) for good cause, as determined by the PHA, and continuation of the CoP after the move, or completion of the CoP prior to the move, is not possible.

D. Grievance Procedures

All requests for an informal hearing must be received by TPCG Family Self-Sufficiency Coordinator within fourteen (14) business days of the date of the FSS termination letter. If a hearing is requested by the FSS family, notification to the family regarding the date, time, and location of the informal hearing will be made by mail.

Persons included in the informal hearing shall include, but not be limited to:

- The FSS head of household;
- The FSS Coordinator; and
- Terrebonne Parish Consolidated Government staff members, other than FSS program staff, serving as the Hearing Officer

All participants have the right to obtain legal representation and provide their witnesses.

The family may request to reschedule a hearing for good cause, or if it is needed as reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety, or welfare of the family. Requests to reschedule a hearing must be made in writing within (5) days prior to the hearing date.

Terrebonne Parish Consolidated Government’s PHA Plan details the TPCG’s Grievance Procedures (See page 16-6 through 16-9).

If the family does not appear at the scheduled time and was unable to reschedule the hearing in advance due to the nature of the emergency, the family must contact the TPCG FSS Program within 24 hours of the scheduled hearing date, excluding weekends and holidays. TPCG FSS Program will then reschedule the hearing. The Hearing Officer will issue a written decision to the family within ten (10) business days after the hearing. The decision made by the Hearing Officer will be final. The TPCG FSS
Program reserves the right to overturn the Hearing Officer’s decision only in the event that the decision is contrary to the organization’s written policies.

XI. Assurance of Non-Interference

Participation in the FSS Program is voluntary. A family’s decision on whether to participate in FSS will have no bearing on the Terrebonne Parish Consolidated Government’s decision of whether to admit the family into the Housing Choice Voucher program. The family’s housing assistance will not be terminated based on whether they decide to participate in FSS, their successful completion of the CoP, or on their failure to comply with FSS program requirements.

Terrebonne Parish Consolidated Government will ensure that the voluntary nature of FSS program participation is clearly stated in all FSS outreach and recruitment efforts.

XII. Timetable

Timetable

TPCG implemented its FSS program in 1995 and will continue to implement it per this FSS Action Plan.

Program Begins
The FSS program will commence operation as soon as the TPCG has received notification of HUD’s approval of the Action Plan.

Program Coordinating Committee
Within 90 days after the program begins, a Program Coordinating Committee (PCC) will be formed and will begin meeting. The Committee will continue to meet monthly for the next twelve months. Thereafter, meetings will be quarterly. Additional special meetings will occur as needed.

Outreach
Within 90 days of program launch, outreach efforts will commence, as described above in the Outreach section.

Participant Selection
Candidates who respond to the outreach efforts will be selected in accordance with the selection procedures described above. The first FSS program participants are expected to be enrolled within 120 days of program launch.

Contract Execution
Contracts of Participation will be executed with selected participants on a rolling basis. The first Contracts of Participation are expected to be completed within 6 months of program launch.

Full Enrollment
The FSS program expects to reach full capacity within 12 months of program launch. (See discussion above of the number of participants expected to be served. Note that generally for funded programs, the program is required to be serving the minimum number of participants within one year.)
Program Maintenance
The FSS program expects to operate at full capacity thereafter, subject to normal fluctuations related to families leaving and entering the program.

XIII. Reasonable Accommodations, Effective Communications, and Limited English Proficiency

Reasonable Accommodations, Effective Communications and Limited English Proficiency Requirements

Requests for Reasonable Accommodations
A person with disabilities may request reasonable accommodations to facilitate participation in the FSS program. Requests will be considered on a case-by-case basis.

Requests should be made initially to the FSS coordinator. If a family is not satisfied with the FSS Coordinator’s response, the family may submit a request in writing in accordance with the agency’s reasonable accommodations policy. The policy is available online at www.tpcg.org.

Request for Effective Communications
A person with disabilities may request the use of effective communication strategies in order to facilitate participation in the FSS program. Examples include: appropriate auxiliary aids and services, such as interpreters, computer-assisted real time transcription (CART), captioned videos with audible video description, visual alarm devices, a talking thermostat, accessible electronic communications and websites, documents in alternative formats (e.g., Braille, large print), or assistance in reading or completing a form, etc.

Requests should be made initially to the FSS coordinator. If a family is not satisfied with the FSS Coordinator’s response, the family may submit a request in writing in accordance with the agency’s effective communications policy. The policy is available online at www.tpcg.org.

Limited English Proficiency

The TPCG FSS Program will comply with HUD requirements to conduct oral and written communication related to the FSS program in languages that are understandable to people with Limited English Proficiency. For more information, see the Limited English Proficiency policy available online at www.tpcg.org.
XIV. Coordination of Services

XIV.A  Coordination of Services (PHAs only)

Coordination of Services

A. Certification of Coordination

Development of the services and activities under the FSS program has been coordinated with programs under title I of the Workforce Innovation and Opportunity Act 29 U.S.C. 3111 et seq., and other relevant employment, child care, transportation, training, education, and financial empowerment programs in the area. Implementation will continue to be coordinated, in order to avoid duplication of services and activities.

B. Program Coordinating Committee

The principal vehicle for ensuring ongoing coordination of services is the program coordinating committee (PCC), which has been established in accordance with FSS regulations to assist in securing commitments of public and private resources for the operation of the FSS Program. Among other responsibilities, the PCC will help the FSS program to identify and build strong referral relationships with providers of supportive services that meet the needs of FSS participants. The PCC will also be consulted in developing program policies and procedures.

The PCC will meet quarterly and may conduct business on an as-needed basis via email or telephone conferences. The PCC includes the following representatives:

1. One or more FSS Program Coordinators

2. One or more participants from each HUD rental assistance program served by the FSS program.

3. When available, representatives from a variety of agencies and individuals, which include but are not limited to the following:

   Catholic Charities of Houma
   Ascent Health
   LA Workforce Commission
   TPCG Head Start
   Blue Cliff College
   START Corporation
XV. FSS Portability (Applicable to HCV Only)

Portability

A. Portability in initial 12 months

While TPCG Family Self-Sufficiency Program is not required to allow FSS participants to exercise portability within the initial 12 months after signing a CoP, it is the policy of TPCG FSS Program to allow for portability within this period to the extent feasible.

B. Moves into the PHA’s jurisdiction

If an FSS participant moves into the PHA’s jurisdiction, they will be admitted in good standing into the TPCG’s FSS program unless the TPCG FSS Program is already serving the number of FSS families identified in this FSS Action Plan and determines that it does not have the resources to manage the FSS contract.

Regardless of whether TPCG FSS Program is able to receive an incoming family from another jurisdiction into the FSS program, TPCG FSS Program will agree to allow and support porting families to remain in their initial PHA’s FSS program after porting housing vouchers if the initial PHA requests that the family remain in the initial FSS program and can demonstrate the family is able to fulfill its responsibilities under the initial CoP, the move in jurisdictions notwithstanding.

C. FSS termination with disbursement for porting families

If an FSS family seeks to move to a jurisdiction that does not offer an FSS program, the TPCG FSS Program will closely examine the family’s progress to determine if it would be appropriate to exercise FSS Termination with Disbursement as discussed above in the section on Termination.

Where continued FSS participation is not possible, TPCG FSS Program will discuss the options that may be available to the family, depending on the family's specific circumstances, which may include, but are not limited to, modification of the FSS contract, termination of the FSS contract and forfeiture of escrow, termination with FSS escrow disbursement in accordance with 24 CFR § 984.303(k)(1)(iii), or locating a receiving PHA that has the capacity to enroll the family into its FSS program.

(2) Shall be made available for inspection by HUD, the TPCG FSS Program, and the public, as appropriate; and,

Contract of Participation (CoP) means - a contract, in a form with contents approved by HUD, entered into between an FSS family and Terrebonne Parish Consolidated Government operating an FSS Program that sets forth the terms and conditions governing participation in the FSS Program. The CoP includes all Individual Training and Services Plans (ITSPs) entered into between the TPCG FSS Program and all members of the family who will participate in the FSS Program, and which plans are attached to the CoP as exhibits. For additional detail, see § 984.303.

Effective date of Contract of Participation (CoP) - means the first day of the month following the date in which the FSS family and the PHA entered into the CoP.

Eligible families means current residents of Public Housing (Section 9) and current Section 8 program participants, as defined in this section, including those participating in other local self-sufficiency programs.

Enrollment means the date that the FSS family entered into the CoP with the TPCG FSS Program.

Family Self-Sufficiency (FSS) Program means the program established by a PHA within its jurisdiction or by an owner to promote self-sufficiency among participating families, including the coordination of supportive services to these families, as authorized by section 23 of the 1937 Act.
