INTRODUCTION

ABOUT THE REFERENCES CITED IN THE ADMINISTRATIVE PLAN

Chapter 1

OVERVIEW OF THE PROGRAM AND PLAN

INTRODUCTION

PART I: THE PHA

1-1

I.A. Overview

I.B. Organization and Structure of the PHA

I.C. PHA Mission

I.D. The PHA’s Programs

I.E. The PHA’s Commitment to Ethics and Service

PART II: THE HOUSING CHOICE VOUCHER (HCV) PROGRAM

1-3

II.A. Overview and History of the Program

II.B. HCV Program Basics

II.C. The HCV Partnerships

II.D. Applicable Regulations

PART III: THE HCV ADMINISTRATIVE PLAN

1-9

III.A. Overview and Purpose of the Plan

III.B. Contents of the Plan (24CFR 982.54)

III.C. Organization of the Plan

III.D. Updating and Revising the Plan
Chapter 2
FAIR HOUSING AND EQUAL OPPORTUNITY

INTRODUCTION

PART I: NONDISCRIMINATION

2-I.A. Overview

2-I.B. Nondiscrimination

Providing Information to Families and Owners

Discrimination Complaints

PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES

2-II.A. Overview

2-II.B. Definition of Reasonable Accommodation

Types of Reasonable Accommodations

2-II.C. Request for an Accommodation

2-II.D. Verification of Disability

2-II.E. Approval/Denial of a Requested Accommodation

[Joint Statement of the Departments of HUD and Justice:
Reasonable Accommodations under the Fair Housing Act,
Notice PIH 2010-26]

2-II.F. Program Accessibility for Persons with Hearing
or Vision Impairments

2-II.G. Physical Accessibility

2-II.H. Denial or Termination of Assistance

PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED
ENGLISH PROFICIENCY (LEP)

2-III.A. Overview

2-III.B. Oral Interpretation

2-III.C. Written Translation

2-III.D. Implementation Plan

Exhibit 2-1: Definition of a Person with a Disability Under
Federal Civil Rights Laws [24 CFR Parts 8.3, and 100.201]
Chapter 3
ELIGIBILITY

INTRODUCTION

PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS

3-I.A. Overview ................................................................. 3-1

   Family ........................................................................ 3-2
   Household .................................................................... 3-2

3-I.C. Family Breakup and Remaining Member of Tenant Family .......... 3-2
   Family Breakup [24 CFR 982.315] ..................................... 3-2
   Remaining Member of a Tenant Family [24 CFR 5.403] .......... 3-3

3-I.D. Head of Household [24 CFR 5.504(b)] .................................... 3-3

3-I.E. Spouse, Cohead, and Other Adult ......................................... 3-3

APPLICATIONS, WAITING LIST AND TENANT SELECTION

INTRODUCTION 4-1

PART I: THE APPLICATION PROCESS ........................................................................... 4-2
4-I.A. Overview ........................................................................................................ 4-2
4-I.B. Applying for Assistance [HCV GB, pp. 4-11 - 4-16, Notice PIH 2009-36] .... 4-2
4-I.C. Accessibility of the Application Process ......................................................... 4-2
    Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 - 4-13] .... 4-2
    Limited English Proficiency ............................................................................. 4-3
4-I.D. Placement on the Waiting List ......................................................................... 4-3
    Ineligible for Placement on the Waiting List .................................................. 4-3
    Eligible for Placement on the Waiting List ...................................................... 4-3

PART II: MANAGING THE WAITING LIST ................................................................. 4-4
4-II.A. Overview ....................................................................................................... 4-4
4-II.B. Organization of the Waiting List [24 CFR 982.204 and 205] ..................... 4-4
4-II.C. Opening and Closing the Waiting List [24 CFR 982.206] ......................... 4-5
    Closing the Waiting List .................................................................................. 4-5
    Reopening the Waiting List ............................................................................ 4-5
4-II.D. Family Outreach [HCV GB, pp. 4-2 to 4-4] ................................................. 4-6
4-II.E. Reporting Changes in Family Circumstances .............................................. 4-6
4-II.F. Updating the Waiting List [24 CFR 982.204] .............................................. 4-6
    Purging the Waiting List .................................................................................. 4-7
    Removal from the Waiting List ...................................................................... 4-7

PART III: SELECTION FOR HCV ASSISTANCE ...................................................... 4-8
4-III.A. Overview ..................................................................................................... 4-8
4-III.B. Selection and HCV Funding Sources .......................................................... 4-8
    Special Admissions [24 CFR 982.203] .......................................................... 4-8
    Targeted Funding [24 CFR 982.204(e)] ......................................................... 4-8
    Regular HCV Funding .................................................................................... 4-8
4-III.C. Selection Method ........................................................................................ 4-8
    Local Preferences [24 CFR 982.207; HCV p. 4-16] ....................................... 4-9
    Income Targeting Requirement [24 CFR 982.201(b)(2)] ............................... 4-9
    Order of Selection .......................................................................................... 4-9
4-III.D. Notification of Selection .............................................................................. 4-10
4-III.E. The Application Interview .......................................................................... 4-10
4-III.F. Completing the Application Process .......................................................... 4-11
Chapter 5
BRIEFINGS AND VOUCHER ISSUANCE

INTRODUCTION

PART I:  BRIEFINGS AND FAMILY OBLIGATIONS

5-I.A.  Overview

5-I.B.  Briefing [24 CFR 982.301]
- Notification and Attendance
- Oral Briefing [24 CFR 982.301(a)]
- Briefing Packet [24 CFR 982.301(b)]
- Additional Items to be Included in the Briefing Packet

5-I.C.  Family Obligations
- Time Frames for Reporting Changes Required by Family Obligations
- Family Obligations [24 CFR 982.551]

PART II:  SUBSIDY STANDARDS AND VOUCHER ISSUANCE

5-II.A.  Overview

5-II.B.  Determining Family Unit (Voucher) Size [24 CFR 982.402]

5-II.C.  Exceptions to Subsidy Standards

5-II.D.  Voucher Issuance [24 CFR 982.302]

5-II.E.  Voucher Term, Extensions, and Suspensions
- Voucher Term [24 CFR 982.303]
- Extensions of Voucher Term [24 CFR 982.303(b)]
- Suspensions of Voucher Term [24 CFR 982.303(c)]
- Expiration of Voucher Term
Chapter 6

INCOME AND SUBSIDY DETERMINATIONS
[24 CFR Part 5, Subparts E and F; 24 CFR 982]

INTRODUCTION 6-1

PART I: ANNUAL INCOME.......................................................... 6-1
  6-I.A. Overview................................................................. 6-1
  6-I.B. Household Composition and Income.............................. 6-2
    Summary of Income Included and Excluded by Person.......... 6-2
    Temporarily Absent Family Members.............................. 6-2
    Family Members Permanently Confined for Medical Reasons... 6-3
    Joint Custody of Dependents........................................ 6-4
    Caretakers for a Child............................................... 6-4
  6-I.C. Anticipating Annual Income .................................... 6-5
    Basis of Annual Income Projection.................................. 6-5
    Projecting Income..................................................... 6-6
  6-I.D. Earned Income...................................................... 6-6
    Types of Earned Income Included in Annual Income........... 6-6
    Types of Earned Income Not Counted in Annual Income....... 6-7
  6-I.E. Earned IncomeDisallowance for Persons with Disabilities
    [24 CFR 5.617].......................................................... 6-9
    Eligibility...................................................................... 6-9
    Calculation of the Disallowance................................... 6-9
  6-I.F. Business Income [24 CFR 5.609(b)(2)]......................... 6-10
    Business Expenses........................................................ 6-10

    Overview...................................................................... 6-12
    General Policies.......................................................... 6-12
    Types of Assets............................................................ 6-12
  6-I.H. Periodic Payments.................................................... 6-18
    Periodic Payments Included in Annual Income................. 6-18
    Lump-Sum Payments for the Delayed Start of a
    Periodic Payment.......................................................... 6-18
    Treatment of Overpayment Deductions from
    Social Security Benefits................................................. 6-18
    Periodic Payments Excluded from Annual Income............... 6-18
  6-I.I. Payments In Lieu of Earnings.................................... 6-19
  6-I.J. Welfare Assistance.................................................. 6-19
    Overview.................................................................... 6-19
    Sanctions Resulting in the Reduction of Welfare Benefits
    [24 CFR 5.615].............................................................. 6-19
PART II: ADJUSTED INCOME
6-II.A. Introduction
6-II.B. Dependent Deduction
6-II.C. Elderly or Disabled Family Deduction
6-II.D. Medical Expenses Deduction [24 CFR 5.611(a)(3)(i)]
  Definition of Medical Expenses
  Summary of Allowable Medical Expenses from IRS
  Publication 502
  Families That Qualify for Both Medical and Disability
  Assistance Expenses
6-II.E. Disability Assistance Expenses Deduction [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]
  Earned Income Limit on the Disability Assistance
  Expense Deduction
  Eligible Disability Expenses
  Necessary and Reasonable Expenses
  Families That Qualify for Both Medical and Disability
  Assistance Expenses
6-II.F. Child Care Expense Deduction
  Clarifying the Meaning of Child for This Deduction
  Qualifying for the Deduction
  Earned Income Limit on Child Care Expense Deduction
  Eligible Child Care Expenses
PART III: CALCULATING FAMILY SHARE AND PHA SUBSIDY

6-III.A. Overview of Rent and Subsidy Calculations
TTP Formula [24 CFR 5.628] ............................................. 6-31
Family Share [24 CFR 982.305(a)(5)] ............................... 6-31
PHA Subsidy [24 CFR 982.505(b)] .................................... 6-31
Utility Reimbursement [24 CFR 982.514(b)] ......................... 6-31

6-III.B. Financial Hardships Affecting Minimum Rent [24 CFR 5.630]
Overview ........................................................................ 6-32
HUD-Defined Financial Hardship ........................................ 6-32
Implementation of Hardship Exemption ............................. 6-33

6-III.C. Applying Payment Standards [24 CFR 982.505]
Overview ........................................................................ 6-34
Changes in Payment Standards ........................................ 6-35
Reasonable Accommodation ............................................ 6-36

6-III.D. Applying Utility Allowances [24 CFR 982.517]
Overview ........................................................................ 6-36
Reasonable Accommodation ............................................ 6-36
Utility Allowance Revisions .............................................. 6-36

6-III.E. Prorated Assistance for Mixed Families [24 CFR 5.520]

Exhibit 6-1: Annual Income Inclusions ........................................ 6-37
HHS Definition of "Assistance" ............................................. 6-38
Exhibit 6-2: Annual Income Exclusions .................................... 6-40
Exhibit 6-3: Treatment of Family Assets .................................. 6-43
Exhibit 6-4: Earned Income Disallowance for Persons with Disabilities 6-44
Exhibit 6-5: The Effect of Welfare Benefit Reduction ...................... 6-46
Chapter 7
VERIFICATION

INTRODUCTION

PART I: GENERAL VERIFICATION REQUIREMENTS ................................................................. 7-1
   Consent Forms ......................................................................................................................... 7-1
   Penalties for Failing to Consent [24 CFR 5.232] ................................................................. 7-2
7-I.B. Overview of Verification Requirements ............................................................................. 7-2
   HUD’s Verification Hierarchy [Notice PIH 2010-19] ............................................................. 7-2
   Requirements for Acceptable Documents ............................................................................. 7-2
   File Documentation .................................................................................................................. 7-3
7-I.C. Enterprise Income Verification (EIV) .................................................................................. 7-3
   Using HUD’s (EIV) System (Mandatory) ............................................................................. 7-3
   Upfront Income Verification Using Non-HUD Systems (Optional) ......................................... 7-5
7-I.D. Third-Party Written and Oral Verification ......................................................................... 7-5
   Written Third-Party Verification [Notice PIH 2010-19] ........................................................ 7-5
   Written Third-Party Verification Form ..................................................................................... 7-6
   Oral Third-Party Verification [Notice PIH 2010-19] ............................................................... 7-6
   When Third-Party Verification is Not Required [Notice PIH 2010-19] .................................... 7-7
7-I.E. Self-Certification ................................................................................................................. 7-7

PART II: VERIFYING FAMILY INFORMATION ........................................................................... 7-8
7-II.A. Verification of Legal Identity ........................................................................................... 7-8
7-II.B. Social Security Numbers [24 CFR 5.216 and Notice PIH 2010-19] ...... 7-9

REEXAMINATIONS

INTRODUCTION

PART I: ANNUAL REEXAMINATIONS [24 CFR 982.516]................................. 11-1
11-I.A. Overview.................................................................................... 11-1
11-I.B. Scheduling Annual Reexaminations........................................ 11-1
  Notification of and Participation in the Annual
  Reexamination Process.................................................................. 11-2
11-I.C. Conducting Annual Reexaminations........................................ 11-3
11-I.D. Determining Ongoing Eligibility of Certain Students
  [24 CFR 982.552(b)(5)]................................................................. 11-3
11-I.E. Effective Dates........................................................................... 11-4

PART II: INTERIM REEXAMINATIONS [24 CFR 982.516]........................ 11-5
11-II.A. Overview................................................................................. 11-5
11-II.B. Changes In Family and Household Composition.................... 11-5
  New Family Members Not Requiring Approval.............................. 11-6
  New Family and Household Members Requiring Approval............. 11-6
  Departure of a Family or Household Member................................ 11-7
11-II.C. Changes Affecting Income or Expenses................................. 11-7
  PHA-Initiated Interim Reexaminations......................................... 11-7
  Family-Initiated Interim Reexaminations..................................... 11-8
11-II.D. Processing the Interim Reexamination................................... 11-9
  Method of Reporting................................................................. 11-9
  Effective Dates.............................................................................. 11-9

PART III: RECALCULATING FAMILY SHARE AND SUBSIDY AMOUNT ....... 11-10
11-III.A. Overview............................................................................. 11-10
11-III.B. Changes In Payment Standards and Utility Allowances......... 11-10
  Payment Standards [24 CFR 982.505]......................................... 11-10
  Subsidy Standards [24 CFR 982.505(c)(4)]................................. 11-11
  Utility Allowances [24 CFR 982.517(d)].................................... 11-11
11-III.C. Notification of New Family Share and HAP Amount............. 11-11
11-III.D. Discrepancies....................................................................... 11-12
Chapter 12
TERMINATION OF ASSISTANCE AND TENANCY

INTRODUCTION ................................................. 12-1

PART I: GROUNDS FOR TERMINATION OF ASSISTANCE .............................................. 12-1
  12-I.A. Overview ............................................. 12-1
  12-I.C. Family Chooses to Terminate Assistance ...................................................... 12-2
  12-I.D. Mandatory Termination of Assistance ......................................................... 12-2
          - Failure to Provide Consent [24 CFR 982.552(b)(3)] .................................... 12-2
          - Failure to Document Citizenship [24 CFR 982.552(b)(4)] and 24 CFR 5.514(c) .......................... 12-3
          - Failure to Disclose and Document Social Security Numbers [24 CFR 5.218(c), Notice PIH 2010-3] .................. 12-3
          - Methamphetamine Manufacture or Production [24 CFR 983.553(b)(1)(ii)] .................... 12-3
          - Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR 982.552(b)(5) and FR 4/10/06] .... 12-3
          - Death of the Sole Family Member [24 CFR 982.311(d) and Notice PIH 2010-3] ............ 12-4
  12-I.E. Mandatory Policies and Other Authorized Terminations .............................. 12-4
          - Mandatory Policies [24 CFR 982.553(b) and 982.551(l)] .............................. 12-4
          - One Strike Policy ......................................................................................... 12-5
          - Other Authorized Reasons for Termination of Assistance [24 CFR 982.552(c), 24 CFR 5.2005(c)] .................... 12-6
          - Family Absence from the Unit [24 CFR 982.312] ...................................... 12-7
          - Insufficient Funding [24 CFR 982.454] ...................................................... 12-7

PART II: APPROACH TO TERMINATION OF ASSISTANCE .............................................. 12-8
  12-II.A. Overview ......................................................................................... 12-8
  12-II.B. Method of Termination [24 CFR 982.552(a)(3)] ...................................... 12-8
  12-II.C. Alternatives to Termination of Assistance .............................................. 12-8
          - Change in Household Composition .................................................................. 12-8
          - Repayment of Family Debts ......................................................................... 12-8
  12-II.D. Criteria for Deciding to Terminate Assistance ......................................... 12-8
          - Evidence ...................................................................................................... 12-8
          - Consideration of Circumstances [24 CFR 982.552(c)(2)(i)] ............................ 12-9
          - Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)] ............................. 12-9
  12-II.E. Terminations Related to Domestic Violence, Dating Violence, or Stalking .................................................................................................................. 12-10
          - VAWA Protections against Terminations ..................................................... 12-10
          - Limitations on VAWA Protections [24 CFR 5.2005(d) and (e)] .................... 12-11
          - Documentation of Abuse [24 CFR 5.2007] .................................................. 12-12
          - Terminating the Assistance of a Domestic Violence Perpetrator ..................... 12-12
PHA Confidentiality Requirements
[24 CFR 5.2007(a)(1)(v)] ................................................................. 12-13
12-II.F. Termination Notice ................................................................. 12-13
12-II.G. How Termination of Assistance Affects the HAP Contract & Lease 12-14
12-II.H. VAWA Emergency Transfer Plan ........................................... 12-14

PART III: TERMINATION OF TENANCY BY THE OWNER ....................... 12-15
12-III.A. Overview .............................................................................. 12-15
12-III.B. Grounds for Owner Termination of Tenancy
[24 CFR 982.310, 24 CFR 5.2005(c), and Form HUD-52641-A, Tenancy Addendum] ......................... 12-15
Serious or Repeated Lease Violations .............................................. 12-15
Violation of Federal, State, or Local Law ....................................... 12-15
Criminal Activity or Alcohol Abuse ............................................... 12-16
Other Good Cause ........................................................................... 12-17

12-III.C. Eviction [24 CFR 982.310(e) and (f) and Form HUD-52641-A, Tenancy Addendum] ................................................................. 12-17

12-III.D. Deciding Whether to Terminate Tenancy
[24 CFR 982.310(h), 24 CFR 982.310(h)(4)] ......................................... 12-17

12-III.E. Effect of Tenancy Termination on the Family’s Assistance .... 12-18

F. Other Charges by Owner .....................................................19-34
Introduction

ABOUT THE REFERENCES CITED IN THE ADMINISTRATIVE PLAN

AUTHORITIES IN THE ADMINISTRATIVE PLAN

Authority for PHA policies is derived from many sources. Primary among these sources are regulations and guidance issued by HUD. State law also directs PHA policy. State law must be followed where such law exists and does not conflict with federal regulations. In the absence of legal requirements or HUD guidance, industry practice may lead to PHA policy.

HUD

HUD provides the primary source of PHA policy through federal regulations, HUD Notices and handbooks. Compliance with federal regulations, current HUD Notices and HUD handbooks is mandatory.

HUD provides non-mandatory guidance to PHAs through HUD published guidebooks. Expired HUD Notices and handbooks also provide guidance for PHA policy. Following HUD guidance is optional, as long as PHA policies comply with federal law, federal regulations and mandatory policy. Because HUD has already determined that the guidance it provides is consistent with mandatory policies, PHA reliance on HUD guidance provides the PHA with a “safe harbor.”

Content contained on the HUD website can provide further clarification of HUD policies. For example, FAQs on the HUD website can provide direction on the application of federal regulations to a specific pattern.

STATE LAW

Where there is no mandatory federal guidance, PHAs must comply with state law, if it exists. Where state law is more restrictive than federal law, but does not conflict with it, the PHA should follow the state law.

INDUSTRY PRACTICE

Where no law or HUD authority exists on a particular subject, industry practice may support PHA policy. An industry practice is a way of doing things that is followed by most housing authorities.

RESOURCES CITED IN THE ADMINISTRATIVE PLAN

The administrative plan cites several documents. Where a document or resource is cited frequently, it may be abbreviated. Where it is cited only once or twice, the administrative plan may contain the entire name of the document or resource. Following is a key to abbreviations used for various sources that are frequently cited in the administrative plan and a list of references and document locations that are referenced in the administrative plan or that may be helpful.
Abbreviations

Throughout the model administrative plan, abbreviations are used to designate certain documents in citations. The following is a table of abbreviations of documents cited in the model administrative plan.

Terrebonne Parish Housing Choice Voucher Program

Administrative Plan

Chapter 1

OVERVIEW OF THE PROGRAM AND PLAN

INTRODUCTION

The PHA receives its funding for the Housing Choice Voucher (HCV) program from the Department of Housing and Urban Development. The PHA is not a federal department or agency. A public housing agency (PHA) is a governmental or public body, created and authorized by state law to develop and operate housing and housing programs for low-income families. The PHA enters into an Annual Contributions Contract with HUD to administer the program requirements on behalf of HUD. The PHA must ensure compliance with federal laws, regulations and notices and must establish policy and procedures to clarify federal requirements and to ensure consistency in program operation.

This chapter contains information about the PHA and its programs with emphasis on the HCV program. It also contains information about the purpose, intent and use of the plan and guide.

There are three parts to this chapter:

Part I: The Public Housing Agency (PHA). This part includes a description of the PHA, its jurisdiction, its programs, and its mission and intent.

Part II: The HCV Program. This part contains information about the Housing Choice Voucher program operation, roles and responsibilities, and partnerships.

Part III: The HCV Administrative Plan. This part discusses the purpose and organization of the plan and its revision requirements.

PART I: THE PHA

1-I.A. OVERVIEW

This part explains the origin of the PHA’s creation and authorization, the general structure of the organization, and the relationship between the PHA Board and staff.

1-I.B. ORGANIZATION AND STRUCTURE OF THE PHA

The Section 8 tenant-based Housing Choice Voucher (HCVP) assistance program is funded by the federal government and administered by the Terrebonne Parish Consolidated Government, Housing and Human Services Department, Parish of Terrebonne, Louisiana.

Formal actions of the PHA are taken through written resolutions, adopted by the Parish Council and entered into the official records of the PHA.

The principal staff member of the PHA is the executive director (ED). The executive director is directly responsible for carrying out the policies and is delegated the responsibility for hiring, training and supervising the remainder of the PHA’s staff in order to manage the day-to-day
operation of the PHA to ensure compliance with federal and state laws and directives for the program managed. In addition, the executive director’s duties include budgeting and financial planning for the agency.

1-I.C. PHA MISSION

PHA Policy

The PHA’s mission is to provide safe, decent and sanitary housing conditions for very low-income families and to manage resources efficiently. The PHA is to promote personal, economic and social upward mobility to provide families the opportunity to make the transition from subsidized to non-subsidized housing.

1-I.D. THE PHA’S PROGRAMS

The following programs are included under this administrative plan:

The PHA’s administrative plan is applicable to the operation of the Housing Choice Voucher Program.

1-I.E. THE PHA’S COMMITMENT TO ETHICS AND SERVICE

As a public service agency, the PHA is committed to providing excellent service to HCV program participants – families and owners – in the community. The PHA’s standards include:

- Administer applicable federal and state laws and regulations to achieve high ratings in compliance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.

- Provide decent, safe, and sanitary housing – in compliance with program housing quality standards – for very low income families while ensuring that family rents are fair, reasonable, and affordable.

- Encourage self sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational and other human services needs.

- Promote fair housing and the opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.

- Promote a housing program which maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.

- Promote a market-driven housing program that will help qualified low-income families be successful in obtaining affordable housing and increase the supply of housing choices for such families.

- Create positive public awareness and expand the level of family, owner, and community support in accomplishing the PHA’s mission.
• Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.

• Administer an efficient, high-performing agency through continuous improvement of the PHA’s support systems and commitment to our employees and their development.

• The PHA will make every effort to keep program participants informed of HCV program rules and regulations, and to advise participants of how the program rules affect them.

PART II: THE HOUSING CHOICE VOUCHER PROGRAM (HCVP)

1-II.A. OVERVIEW AND HISTORY OF THE PROGRAM

The intent of this section is to provide the public and staff with information related to the overall operation of the program. There have been many changes to the program since its inception in 1974 and a brief history of the program will assist the audience in understanding the program.

The United States Housing Act of 1937 (the “Act”) is responsible for the birth of federal housing program initiatives. The Act was intended to provide financial assistance to states and cities for public works projects, slum clearance and the development of affordable housing developments for low-income residents.

The Housing and Community Development (HCD) Act of 1974 created a new federally assisted housing program—the Section 8 Existing program (also known as the Section 8 Certificate program). The HCD Act represented a significant shift in federal housing strategy from locally owned public housing to privately owned rental housing.

Under the Certificate program, federal housing assistance payments were made directly to private owners of rental housing, where this housing was made available to lower-income families. Eligible families were able to select housing in the private rental market. Assuming that the housing met certain basic physical standards of quality (“housing quality standards”) and was within certain HUD-established rent limitations (“fair market rents”), the family would be able to receive rental assistance in the housing unit. Family contribution to rent was generally set at 30 percent of the family’s adjusted income, with the remainder of the rent paid by the program.

Another unique feature of the Certificate program was that the rental assistance remained with the eligible family, if the family chose to move to another privately-owned rental unit that met program requirements (in contrast to the public housing program where the rental assistance remains with the unit, should the family decide to move). Consequently, the Certificate program was characterized as tenant-based assistance, rather than unit-based assistance.

The Housing and Community Development (HCD) Act of 1987 authorized a new version of tenant-based assistance—the Section 8 Voucher program. The Voucher program was very similar to the Certificate program in that eligible families were able to select housing in the private rental market and receive assistance in that housing unit.
However, the Voucher program permitted families more options in housing selection. Rental housing still had to meet the basic housing quality standards, but there was no fair market rent limitation on rent. In addition, family contribution to rent was not set at a limit of 30 percent of adjusted income. Consequently, depending on the actual rental cost of the unit selected, a family might pay more or less than 30 percent of their adjusted income for rent.

From 1987 through 1999, public housing agencies managed both the Certificate and Voucher tenant-based assistance programs, with separate rules and requirements for each. From 1994 through 1998, HUD published a series of new rules, known as “conforming” rules, to more closely combine and align the two similar housing programs, to the extent permitted by the law.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) – also known as the Public Housing Reform Act – was signed into law. QHWRA eliminated all statutory differences between the Certificate and Voucher tenant-based programs and required that the two programs be merged into a single tenant-based assistance program, now known as the Housing Choice Voucher (HCV) program.

The HCV program was modeled closely on the pre-merger Voucher program. However, unlike the pre-merger Voucher program, the HCV program requires an assisted family to pay at least 30 percent of adjusted income for rent.

The transition of assistance from the Certificate and Voucher programs to the new HCV program began in October 1999. By October 2001, all families receiving tenant-based assistance were converted to the HCV program.

1-II.B. HCV PROGRAM BASICS

The purpose of the HCV program is to provide rental assistance to eligible families. The rules and regulations of the HCV program are determined by the U.S. Department of Housing and Urban Development. The PHA is afforded choices in the operation of the program which are included in the PHA’s administrative plan, a document approved by the board of commissioners of the PHA.

The HCV program offers mobility to eligible families because they may search for suitable housing anywhere in the PHA’s jurisdiction and may also be eligible to move under portability to other PHAs’ jurisdictions.

When a family is determined to be eligible for the program and funding is available, the PHA issues the family a housing voucher. When the family finds a suitable housing unit and funding is available, the PHA will enter into a contract with the owner and the family will enter into a lease with the owner. Each party makes their respective payment to the owner so that the owner receives full rent.

Even though the family is determined to be eligible for the program, the owner has the responsibility of approving the family as a suitable renter. The PHA continues to make payments to the owner as long as the family is eligible and the housing unit continues to qualify under the program.
1-II.C. THE HCV PARTNERSHIPS

To administer the HCV program, the PHA enters into a contractual relationship with HUD. The PHA also enters into contractual relationships with the assisted family and the owner or landlord of the housing unit.

For the HCV program to work and be successful, all parties involved – HUD, the PHA, the owner, and the family – have important roles to play. The roles and responsibilities of all parties are defined in federal regulations and in legal documents that parties execute to participate in the program.

The chart on the following page illustrates key aspects of these relationships.
The HCV Relationships:

- Congress Appropriates Funding
  - HUD Provides Funding To PHA
    - Program Regulations and ACC specifies PHA Obligations and Voucher Funding
  - PHA Administers Program
    - Voucher specifies Family Obligations
    - Housing Assistance Payments (HAP) Contract specifies Owner and PHA Obligations
    - Lease specifies Tenant and Landlord Obligations

- Family (Program Participant)
- Owner / Landlord
What does HUD do?

HUD has the following major responsibilities:

- Develop regulations, requirements, handbooks, notices and other guidance to implement HCV housing program legislation passed by Congress;
- Allocate HCV program funds to PHAs;
- Provide technical assistance to PHAs on interpreting and applying HCV program requirements;
- Monitor PHA compliance with HCV program requirements and PHA performance in program administration.

What does the PHA do?

The PHA administers the HCV program under contract with HUD and has the following major responsibilities:

- Establish local policies;
- Review applications from interested applicant families to determine whether applicants are eligible for the program;
- Maintain waiting list and select families for admission;
- Issue voucher to selected family and, if necessary, assist the family in finding a place to live;
- Conduct outreach to owners, with special attention to owners outside areas of poverty or minority concentration;
- Approve the rental unit (including assuring compliance with housing quality standards and rent reasonableness), the owner, and the tenancy;
- Make housing assistance payments to the owner in a timely manner;
- Ensure that families and their rental units continue to qualify under the program;
- Ensure that owners and families comply with program rules;
- Provide families and owners with prompt, professional service;
- Comply with all fair housing and equal opportunity requirements, HUD regulations and requirements, the Annual Contributions Contract, HUD-approved applications for funding, the PHA’s administrative plan, and other applicable federal, state and local laws.
What does the Owner do?

The owner has the following major responsibilities:

- Screen families who apply for tenancy, to determine if they will be good renters.
  - The PHA can provide some information to the owner, but the primary responsibility for tenant screening rests with the owner.
  - The owner should consider family background factors such as rent and bill-paying history, history of caring for property, respecting the rights of others to peaceful enjoyment of the property, compliance with essential conditions of tenancy, whether the family is engaging in drug-related criminal activity or other criminal activity that might threaten others.
- Comply with the terms of the Housing Assistance Payments contract, executed with the PHA;
- Comply with all applicable fair housing laws and discriminate against no one;
- Maintain the housing unit by making necessary repairs in a timely manner;
- Collect rent due from the assisted family and otherwise comply with and enforce provisions of the dwelling lease.

What does the Family do?

The family has the following responsibilities:

- Provide the PHA with complete and accurate information, determined by the PHA to be necessary for administration of the program;
- Make their best and most timely efforts to find a place to live that is suitable for them and that qualifies for the program;
- Attend all appointments scheduled by the PHA;
- Allow the PHA to inspect the unit at reasonable times and after reasonable notice;
- Take responsibility for care of the housing unit, including any violations of housing quality standards caused by the family;
- Comply with the terms of the lease with the owner;
- Comply with the family obligations of the voucher;
- Not commit serious or repeated violations of the lease;
- Not engage in drug-related or violent criminal activity;
- Notify the PHA and the owner before moving or terminating the lease;
• Use the assisted unit only for residence and as the sole residence of the family. Not sublet the unit, assign the lease, or have any interest in the unit;

• Promptly notify the PHA of any changes in family composition;

• Not commit fraud, bribery, or any other corrupt or criminal act in connection with any housing programs.

If all parties fulfill their obligations in a professional and timely manner, the program responsibilities will be fulfilled effectively.

1-II.D. APPLICABLE REGULATIONS

Applicable regulations include:

• 24 CFR Part 5: General Program Requirements
• 24 CFR Part 8: Nondiscrimination
• 24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program

PART III: THE HCV ADMINISTRATIVE PLAN

1-III.A. OVERVIEW AND PURPOSE OF THE PLAN

The administrative plan is required by HUD. The purpose of the administrative plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives contained in the PHA’s agency plan. This administrative plan is a supporting document to the PHA agency plan, and is available for public review as required by CFR 24 Part 903.

This administrative plan is set forth to define the PHA’s local policies for operation of the housing programs in the context of federal laws and regulations. All issues related to Section 8 not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices and other applicable law. The policies in this administrative plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

The PHA is responsible for complying with all changes in HUD regulations pertaining to the HCV program. If such changes conflict with this plan, HUD regulations will have precedence.

Administration of the HCV program and the functions and responsibilities of PHA staff shall be in compliance with the PHA’s personnel policy and HUD’s Section 8 regulations as well as all federal, state and local fair housing laws and regulations.

1-III.B. CONTENTS OF THE PLAN [24 CFR 982.54]

HUD regulations contain a list of what must be included in the administrative plan. The PHA administrative plan must cover PHA policies on these subjects:
• Selection and admission of applicants from the PHA waiting list, including any PHA admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening the PHA waiting list (Chapter 4);  

• Issuing or denying vouchers, including PHA policy governing the voucher term and any extensions or suspensions of the voucher term. 'Suspension' means stopping the clock on the term of a family's voucher after the family submits a request for approval of the tenancy. If the PHA decides to allow extensions or suspensions of the voucher term, the PHA administrative plan must describe how the PHA determines whether to grant extensions or suspensions, and how the PHA determines the length of any extension or suspension (Chapter 5);  

• Any special rules for use of available funds when HUD provides funding to the PHA for a special purpose (e.g., desegregation), including funding for specified families or a specified category of families (Chapter 4);  

• Occupancy policies, including definition of what group of persons may qualify as a 'family', definition of when a family is considered to be 'continuously assisted'; standards for denying admission or terminating assistance based on criminal activity or alcohol abuse in accordance with 982.553 (Chapters 3 and 12);  

• Encouraging participation by owners of suitable units located outside areas of low income or minority concentration (Chapter 13);  

• Assisting a family that claims that illegal discrimination has prevented the family from leasing a suitable unit (Chapter 2);  

• Providing information about a family to prospective owners (Chapters 3 and 9);  

• Disapproval of owners (Chapter 13);  

• Subsidy standards (Chapter 5);  

• Family absence from the dwelling unit (Chapter 12);  

• How to determine who remains in the program if a family breaks up (Chapter 3);  

• Informal review procedures for applicants (Chapter 16);  

• Informal hearing procedures for participants (Chapter 16);  

• The process for establishing and revising voucher payment standards (Chapter 16);  

• The method of determining that rent to owner is a reasonable rent (initially and during the term of a HAP contract) (Chapter 8);  

• Special policies concerning special housing types in the program (e.g., use of shared housing) (Chapter 15);  

• Policies concerning payment by a family to the PHA of amounts the family owes the PHA (Chapter 16);  

• Interim redeterminations of family income and composition (Chapter 11);  

• Restrictions, if any, on the number of moves by a participant family (Chapter 10);
• Approval by the board of commissioners or other authorized officials to charge the administrative fee reserve (Chapter 16);
• Procedural guidelines and performance standards for conducting required housing quality standards inspections (Chapter 8); and
• PHA screening of applicants for family behavior or suitability for tenancy (Chapter 3).

Mandatory vs. Discretionary Policy
HUD makes a distinction between:
• Mandatory policies: those driven by legislation, regulations, current handbooks, notices, and legal opinions, and
• Optional, non-binding guidance, including guidebooks, notices that have expired and recommendations from individual HUD staff.

HUD expects PHAs to develop policies and procedures that are consistent with mandatory policies and to make clear the optional policies the PHA has adopted. The PHA’s administrative plan is the foundation of those policies and procedures. HUD’s directions require PHAs to make policy choices that provide guidance to staff and consistency to program applicants and participants.

1-III.C. ORGANIZATION OF THE PLAN
The Plan is organized to provide information to users in particular areas of operation.

1-III.D. UPDATING AND REVISING THE PLAN
The PHA will revise this administrative plan as needed to comply with changes in HUD regulations. The original plan and any changes must be approved by the Council of the agency.

PHA Policy
The PHA will review and update the plan to reflect changes in regulation, PHA operations, or when needed to ensure staff consistency in operation.
CHAPTER 2

FAIR HOUSING AND EQUAL OPPORTUNITY

INTRODUCTION

This chapter explains the laws and HUD regulations requiring PHAs to affirmatively further civil rights and fair housing in all federally-assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and processes. The responsibility to further nondiscrimination pertains to all areas of the PHA’s housing choice voucher (HCV) operations.

This chapter describes HUD regulations and PHA policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of the PHA regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the housing choice voucher program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42 U.S.C.) and Section 504 of the Rehabilitation Act of 1973, and incorporate guidance from the Joint Statement of The Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

PART I: NONDISCRIMINATION

2-I.A. OVERVIEW

Federal laws require PHAs to treat all applicants and participants equally, providing the same quality of service, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. The PHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
• Executive Order 11063
• Section 504 of the Rehabilitation Act of 1973
• The Age Discrimination Act of 1975
• Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
• Violence Against Women Reauthorization Act of 2005 (VAWA)
• When more than one civil rights law applies to a situation, the laws will be read and applied together.
• Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted

2-I.B. NONDISCRIMINATION

Federal regulations prohibit discrimination against certain protected classes. State and local requirements, as well as PHA policies, can prohibit discrimination against additional classes of people.

The PHA shall not discriminate because of race, color, sex, religion, familial status, age, disability or national origin (called “protected classes”)

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

PHA Policy

The PHA will not discriminate on the basis of marital status or sexual orientation.

The PHA will not use any of these factors to:

• Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the housing choice voucher program
• Provide housing that is different from that provided to others
• Subject anyone to segregation or disparate treatment
• Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
• Treat a person differently in determining eligibility or other requirements for admission
• Steer an applicant or participant toward or away from a particular area based any of these factors
• Deny anyone access to the same level of services
• Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
• Discriminate in the provision of residential real estate transactions
• Discriminate against someone because they are related to or associated with a member of a protected class

• Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class.

Providing Information to Families and Owners

The PHA must take steps to ensure that families and owners are fully aware of all applicable civil rights laws. As part of the briefing process, the PHA must provide information to HCV applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods [24 CFR 982.301]. The Housing Assistance Payments (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the contract.

Discrimination Complaints

If an applicant or participant believes that any family member has been discriminated against by the PHA or an owner, the family should advise the PHA. HUD requires the PHA to make every reasonable attempt to determine whether the applicant’s or participant’s assertions have merit and take any warranted corrective action. In addition, the PHA is required to provide the applicant or participant with information about how to file a discrimination complaint [24 CFR 982.304].

PHA Policy

Applications or participants who believe that they have been subject to unlawful discrimination may notify the PHA either orally or in writing.

The PHA will attempt to remedy discrimination complaints made against the PHA.

The PHA will provide a copy of a discrimination complaint form to the complainant and provide them with information on how to complete and submit the form to HUD’s Office of Fair Housing and Equal Opportunity (FHEO).

PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES

2-II.A. OVERVIEW

One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

The PHA must ensure that persons with disabilities have full access to the PHA’s programs and services. This responsibility begins with the first inquiry of an interested family and continues through every programmatic area of the HCV program.

PHA Policy
The PHA will ask all applicants and participants if they require any type of accommodations, in writing, on the intake application, reexamination documents, and notices of adverse action by the PHA, by including the following language:

“If you or anyone in your family is a person with disabilities, and you require a specific accommodation in order to fully utilize our programs and services, please contact the housing authority.”

A specific name and phone number will be indicated as the contact for requests for accommodation for persons with disabilities.

2-II.B. DEFINITION OF REASONABLE ACCOMMODATION

A person with a disability may require special accommodations in order to have equal access to the HCV program. The types of reasonable accommodations the PHA can provide include changes, exceptions, or adjustments to a rule, policy, practice, or service.

Federal regulations stipulate that requests for accommodations will be considered reasonable if they do not create an "undue financial and administrative burden" for the PHA, or result in a “fundamental alteration” in the nature of the program or service offered. A fundamental alteration is a modification that alters the essential nature of a provider’s operations.

Types of Reasonable Accommodations

When needed, the PHA must modify normal procedures to accommodate the needs of a person with disabilities. Examples include:

- Permitting applications and reexaminations to be completed by mail
- Conducting home visits
- Providing time extensions for locating a unit when necessary because of lack of availability of accessible units or special challenges of the family in seeking a unit
- Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with PHA staff
- Displaying posters and other housing information in locations throughout the PHA’s office in such a manner as to be easily readable from a wheelchair

2-II.C. REQUEST FOR AN ACCOMMODATION

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that the PHA treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to the PHA’s programs and services.

If the need for the accommodation is not readily apparent or known to the PHA, the family must explain the relationship between the requested accommodation and the disability. There must be
an identifiable relationship, or nexus, between the requested accommodation and the individual’s disability.

**PHA Policy**

*The PHA will encourage the family to make its request in writing using a reasonable accommodation request form. However, the PHA will consider the accommodation anytime the family indicates that an accommodation is needed whether or not a formal written request is submitted.*

2-II.D. VERIFICATION OF DISABILITY

The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of disability which is used for waiting list preferences and income allowances.

Before providing an accommodation, the PHA must determine that the person meets the definition of a person with a disability, and that the accommodation will enhance the family’s access to the PHA’s programs and services.

If a person’s disability is obvious or otherwise known to the PHA, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to the PHA, the PHA must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

When verifying a disability, the PHA will follow the verification policies provided in Chapter 7. All information related to a person’s disability will be treated in accordance with the confidentiality policies provided in Chapter 16. In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual’s disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]

- The PHA must request only information that is necessary to evaluate the disability-related need for the accommodation. The PHA will not inquire about the nature or extent of any disability.

- Medical records will not be accepted or retained in the participant file.

- In the event that the PHA does receive confidential information about a person’s specific diagnosis, treatment, or the nature or severity of the disability, the PHA will dispose of it. In place of the information, the PHA will note in the file that the disability and other requested information have been verified, the date the verification was received, and the name and address of the knowledgeable professional who sent the information [Notice PIH 2010-26].
2-II.E. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act, Notice PIH 2010-26].

The PHA must approve a request for an accommodation if the following three conditions are met:

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on the PHA, or fundamentally alter the nature of the PHA’s HCV operations (including the obligation to comply with HUD requirements and regulations).

Requests for accommodations must be assessed on a case-by-case basis, taking into account factors such as the overall size of the PHA’s program with respect to the number of employees, type of facilities and size of budget, type of operation including composition and structure of workforce, the nature and cost of the requested accommodation, and the availability of alternative accommodations that would effectively meet the family’s disability-related needs.

Before making a determination whether to approve the request, the PHA may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that the PHA may verify the need for the requested accommodation.

**PHA Policy**

*After a request for an accommodation is presented, the PHA will respond, in writing, within 10 calendar days.*

*If the PHA denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden or fundamentally alter the nature of the PHA’s operations), the PHA will discuss with the family whether an alternative accommodation could effectively address the family’s disability-related needs without a fundamental alteration to the HCV program and without imposing an undue financial and administrative burden.*

*If the PHA believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, the PHA will notify the family, in writing, of its determination within 10 calendar days from the date of the most recent discussion or communication with the family.*

2-II.F. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS

HUD regulations require the PHA to ensure that persons with disabilities related to hearing and vision have reasonable access to the PHA's programs and services [24 CFR 8.6].

At the initial point of contact with each applicant, the PHA shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

**PHA Policy**
To meet the needs of persons with hearing impairments, TTD/TTY (text telephone display/teletype) communication will be available.

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with PHA staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are having material explained orally by staff; or having a third party representative (a friend, relative or advocate, named by the applicant) to receive, interpret and explain housing materials and being present at all meetings.

2-II.G. PHYSICAL ACCESSIBILITY

The PHA must comply with a variety of regulations pertaining to physical accessibility, including the following:

- Notice PIH 2010-26
- Section 504 of the Rehabilitation Act of 1973
- The Americans with Disabilities Act of 1990
- The Architectural Barriers Act of 1968
- The Fair Housing Act of 1988

The PHA’s policies concerning physical accessibility must be readily available to applicants and participants. They can be found in three key documents:

- This plan describes the key policies that govern the PHA’s responsibilities with regard to physical accessibility.
- Notice PIH 2010-26 summarizes information about pertinent laws and implementing regulations related to nondiscrimination and accessibility in federally-funded housing programs.
- The PHA Plan provides information about self-evaluation, needs assessment, and transition plans.

The design, construction, or alteration of PHA facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Newly-constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the HCV program.

When issuing a voucher to a family that includes an individual with disabilities, the PHA will include a current list of available accessible units known to the PHA and will assist the family in locating an available accessible unit, if necessary.

In general, owners must permit the family to make reasonable modifications to the unit. However, the owner is not required to pay for the modification and may require that the unit be restored to its original state at the family’s expense when the family moves.
2-II.H. DENIAL OR TERMINATION OF ASSISTANCE

A PHA’s decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 982.552 (2)(iv)].

When applicants with disabilities are denied assistance, the notice of denial must inform them of the PHA’s informal review process and their right to request a hearing. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal hearing process.

When a participant family’s assistance is terminated, the notice of termination must inform them of the PHA’s informal hearing process and their right to request a hearing and reasonable accommodation.

When reviewing reasonable accommodation requests, the PHA must consider whether any mitigating circumstances can be verified to explain and overcome the problem that led to the PHA’s decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, the PHA must make the accommodation.

PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)

2-III.A. OVERVIEW

Language for Limited English Proficiency Persons (LEP) can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates the Final Guidance to Federal Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons, published January 22, 2007, in the Federal Register.

The PHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP is defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak or understand English. For the purposes of this administrative plan, LEP persons are HCV applicants and participants, and parents and family members of applicants and participants.

In order to determine the level of access needed by LEP persons, the PHA will balance the following four factors: (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the Housing Choice Voucher program; (2) the frequency with which LEP persons come into contact with the program; (3) the nature and importance of the program, activity, or service provided by the program to people’s lives; and (4) the resources available to the PHA and costs. Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on the PHA.
2-III.B. ORAL INTERPRETATION

In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, the PHA will generally offer, or ensure that the family is offered through other sources, competent services free of charge to the LEP person.

PHA Policy

*The PHA will analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. “Reasonable steps” may not be reasonable where the costs imposed substantially exceed the benefits.*

Where feasible and possible, the PHA will encourage the use of qualified community volunteers.

*Where LEP persons desire, they will be permitted to use, at their own expense, an interpreter of their own choosing. The interpreter may be a family member or friend.*

2-III.C. WRITTEN TRANSLATION

Translation is the replacement of a written text from one language into an equivalent written text in another language.

PHA Policy

*In order to comply with written-translation obligations, the PHA will take the following steps:*

The PHA will provide written translations of vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. Translation of other documents, if needed, can be provided orally; or

*If there are fewer than 50 persons in a language group that reaches the 5 percent trigger, the PHA does not translate vital written materials, but provides written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.*

2-III.D. IMPLEMENTATION PLAN

After completing the four-factor analysis and deciding what language assistance services are appropriate, the PHA shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the LEP populations it serves.

If the PHA determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to the PHA’s Housing Choice Voucher program and services.

PHA Policy

*If it is determined that the PHA serves very few LEP persons, and the PHA has very limited resources, the PHA will not develop a written LEP plan, but will consider alternative ways to articulate in a reasonable manner a plan for providing meaningful*
Entities having significant contact with LEP persons, such as schools, grassroots and faith-based organizations, community groups, and groups working with new immigrants will be contacted for input into the process.

If the PHA determines it is appropriate to develop a written LEP plan, the following five steps will be taken: (1) Identifying LEP individuals who need language assistance; (2) identifying language assistance measures; (3) training staff; (4) providing notice to LEP persons; and (5) monitoring and updating the LEP plan.

EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3 and 100.201]

A person with a disability, as defined under federal civil rights laws, is any person who:

- Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or
- Has a record of such impairment, or
- Is regarded as having such impairment

The phrase “physical or mental impairment” includes:

- Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive;
• Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

“Major life activities” includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.

“Has a record of such impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

“Is regarded as having an impairment” is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as the PHA) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment.

The definition of a person with disabilities does not include:

• Current illegal drug users

• People whose alcohol use interferes with the rights of others

• Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the HCV program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this disability is not entitled to a reasonable accommodation under federal civil rights and fair housing laws and regulations.

The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the $400 elderly/disabled household deduction, the $480 dependent deduction, the allowance for medical expenses, or the allowance for disability assistance expenses.

The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the HCV program, yet an accommodation is needed to provide equal opportunity.
TERREBONNE PARISH HOUSING CHOICE VOUCHER PROGRAM

ADMINISTRATIVE PLAN

CHAPTER 3

ELIGIBILITY

INTRODUCTION
The PHA is responsible for ensuring that every individual and family admitted to the HCV program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by the PHA to confirm eligibility and determine the level of the family’s assistance.

To be eligible for the HCV program:

• The applicant family must:
  - Qualify as a family as defined by HUD and the PHA.
  - Have income at or below HUD-specified income limits.
  - Qualify on the basis of citizenship or the eligible immigrant status of family members.
  - Provide social security number information for family members as required.
  - Consent to the PHA’s collection and use of family information as provided for in PHA-provided consent forms.

• The PHA must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or the PHA.

This chapter contains three parts:

Part I: Definitions of Family and Household Members. This part contains HUD and PHA definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

Part II: Basic Eligibility Criteria. This part discusses income eligibility, and rules regarding citizenship, social security numbers, and family consent.

Part III: Denial of Assistance. This part covers factors related to an applicant’s past or current conduct (e.g. criminal activity) that can cause the PHA to deny assistance.

PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS

3-I.A. OVERVIEW
Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others
3-I.B. FAMILY AND HOUSEHOLD [24 CFR 982.201(c), HUD-50058 IB, p. 13]

The terms *family* and *household* have different meanings in the HCV program.

**Family**

To be eligible for assistance, an applicant must qualify as a family. A family may be a single person or a group of persons. *Family* as defined by HUD includes a family with a child or children, two or more elderly or disabled persons living together, one or more elderly or disabled persons living with one or more live-in aides, or a single person. A single person family may be an elderly person, a displaced person, a disabled person, or any other single person. Family includes, but is not limited to the following regardless of actual perceived sexual orientation, gender identify, or marital status. The PHA has the discretion to determine if any other group of persons qualifies as a family.

**PHA Policy**

*A family also includes two or more individuals who are not related by blood, marriage, adoption, or other operation of law but who either can demonstrate that they have lived together previously or certify that each individual’s income and other resources will be available to meet the needs of the family.*

*Each family must identify the individuals to be included in the family at the time of application, and must update this information if the family’s composition changes.*

**Household**

*Household* is a broader term that includes additional people who, with the PHA’s permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.

3-I.C. FAMILY BREAKUP AND REMAINING MEMBER OF TENANT FAMILY

**Family Breakup** [24 CFR 982.315]

Except under the following conditions, the PHA has discretion to determine which members of an assisted family continue to receive assistance if the family breaks up:

- If the family breakup results from an occurrence of domestic violence, dating violence, or stalking, the PHA must ensure that the victim retains assistance. (For documentation requirements and policies related to domestic violence, dating violence, and stalking, see section 16-IX.D of this plan.)
- If a court determines the disposition of property between members of the assisted family in a divorce or separation decree, the PHA is bound by the court’s determination of which family members continue to receive assistance.
**PHA Policy**

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may make a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while receiving assistance, only one of the new families will continue to be assisted.

In the absence of a judicial decision or an agreement among the original family members, the PHA will determine which family will retain their placement on the waiting list or continue to receive assistance. In making its determination, the PHA will take into consideration the following factors: (1) the interest of any minor children, including custody arrangements; (2) the interest of any ill, elderly, or disabled family members; (3) the interest of any family member who is the victim of domestic violence, dating violence, or stalking, including a family member who was forced to leave an assisted unit as a result of such actual or threatened abuse; (4) any possible risks to family members as a result of criminal activity; and (5) the recommendations of social service professionals.

**Remaining Member of a Tenant Family [24 CFR 5.403]**

The HUD definition of family includes the *remaining member of a tenant family*, which is a member of an assisted family who remains in the unit when other members of the family have left the unit. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family.

If dependents are the only “remaining members of a tenant family” and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on “Caretakers for a Child.”

**3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]**

*Head of household* means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

**PHA Policy**

The family may designate any qualified family member as the head of household.

The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.

**3-I.E. SPOUSE, COHEAD, AND OTHER ADULT**

A family may have a spouse or cohead, but not both [HUD-50058 IB, p. 13].

*Spouse* means the marriage partner of the head of household.
**PHA Policy**

A marriage partner includes the partner in a "common law" marriage as defined in state law. The term “spouse” does not apply to friends, roommates, or significant others who are not marriage partners. A minor who is emancipated under state law may be designated as a spouse.

A **cohead** is an individual in the household who is equally responsible with the head of household for ensuring that the family fulfills all of its responsibilities under the program, but who is not a spouse. A family can have only one cohead.

**PHA Policy**

Minors who are emancipated under state law may be designated as a cohead.

**Other adult** means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults.

**3-I.F. DEPENDENT [24 CFR 5.603]**

A **dependent** is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults and live-in aides. Identifying each dependent in the family is important because each dependent qualifies the family for a deduction from annual income as described in Chapter 6.

**Joint Custody of Dependents**

**PHA Policy**

Dependants that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 51 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the PHA will make the determination based on available documents such as court orders, or an IRS return showing which family has claimed the child for income tax purposes.

**3-I.G. FULL-TIME STUDENT [24 CFR 5.603; HCV GB, p. 5-29]**

A **full-time student** (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to be full-time is defined by the educational institution.

Identifying each FTS is important because: (1) each family member that is an FTS, other than the head, spouse, or cohead, qualifies the family for a dependent deduction, and (2) the income of such an FTS is treated differently from the income of other family members.
The PHA will verify the member’s full-time student status with the educational institution.

3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY [24 CFR 5.100 and 5.403]

Elderly Persons
An elderly person is a person who is at least 62 years of age.

Near-Elderly Persons
A near-elderly person is a person who is 50-61 years of age.

Elderly Family
An elderly family is one in which the head, spouse, cohead, or sole member is an elderly person. Identifying elderly families is important because these families qualify for special deductions from income as described in Chapter 6.

3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY [24 CFR 5.403]

Persons with Disabilities
Under the HCV program, special rules apply to persons with disabilities and to any family whose head, spouse, or cohead is a person with disabilities. The technical definitions of individual with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end of this chapter. These definitions are used for a number of purposes including ensuring that persons with disabilities are not discriminated against based upon disability.

As discussed in Chapter 2, the PHA must make all aspects of the HCV program accessible to persons with disabilities and consider reasonable accommodations requested based upon a person’s disability.

Disabled Family
A disabled family is one in which the head, spouse, or cohead is a person with disabilities. Identifying disabled families is important because these families qualify for special deductions from income as described in Chapter 6.

Even though persons with drug or alcohol dependencies are considered persons with disabilities for the purpose of non-discrimination, this does not prevent the PHA from denying assistance for reasons related to alcohol and drug abuse following policies found in Part III of this chapter, or from terminating assistance following the policies in Chapter 12.

3-I.J. GUESTS [24 CFR 5.100]

A guest is a person temporarily staying in the unit with the consent of a member of the household who has express or implied authority to so consent.

PHA Policy
A guest can remain in the assisted unit no longer than 30 consecutive days or a total of 45 cumulative calendar days during any 12-month period.

The family must notify the PHA if the guest will be staying longer than 7 days. If a guest is determined to be an unauthorized person living in the unit, the burden of proof that the individual is a visitor rest on the family.

Children who are subject to a joint custody arrangement or for whom a family has visitation privileges, that are not included as a family member because they live outside of the assisted household more than 51 percent of the time, are not subject to the time limitations of guests as described above.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure is expected to last 40 consecutive days). An exception will not be made unless the family can identify and provide documentation of the residence to which the guest will return.

3-I.K. FOSTER CHILDREN AND FOSTER ADULTS

Foster adults are usually persons with disabilities, unrelated to the tenant family, who are unable to live alone [24 CFR 5.609].

The term foster child is not specifically defined by the regulations.

Foster children and foster adults that are living with an applicant or assisted family are considered household members but not family members. The income of foster children/adults is not counted in family annual income, and foster children/adults do not qualify for a dependent deduction [24 CFR 5.603; HUD-50058 IB, p. 13].

PHA Policy

A foster child is a child that is in the legal guardianship or custody of a state, county, or private adoption or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.

A foster child or foster adult may be allowed to reside in the unit if their presence would not result in a violation of HQS space standards according to 24 CFR 982.401.

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

3-I.L. ABSENT FAMILY MEMBERS

Individuals may be absent from the family, either temporarily or permanently, for a variety of reasons including educational activities, placement in foster care, employment, illness, incarceration, and court order.

Definitions of Temporarily and Permanently Absent
**PHA Policy**

**Generally an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.**

**Absent Students**

**PHA Policy**

**When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the PHA indicating that the student has established a separate household or the family declares that the student has established a separate household.**

**Absences Due to Placement in Foster Care [24 CFR 5.403]**

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.

**PHA Policy**

**If a child has been placed in foster care, the PHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.**

**Absent Head, Spouse, or Cohead**

**PHA Policy**

**An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.**

**Family Members Permanently Confined for Medical Reasons [HCV GB, p. 5-22]**

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

**PHA Policy**

**The PHA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.**

**Return of Permanently Absent Family Members**

**PHA Policy**
The family must request PHA approval for the return of any adult family members that the PHA has determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.

3-I.M. LIVE-IN AIDE

Live-in aide means a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the persons, (2) is not obligated for the support of the persons, and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

The PHA must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by the family member with disabilities.

A live-in aide is a member of the household, not the family, and the income of the aide is not considered in income calculations [24 CFR 5.609(b)]. Relatives may be approved as live-in aides if they meet all of the criteria defining a live-in aide. However, a relative who serves as a live-in aide is not considered a family member and would not be considered a remaining member of a tenant family.

**PHA Policy**

A family’s request for a live-in aide must be made in writing. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker, that the live-in aide is essential for the care and well-being of the elderly, near-elderly, or disabled family member. For continued approval, the family must submit a new, written request—subject to PHA verification—at each annual reexamination.

In addition, the family and live-in aide will be required to submit a certification stating that the live-in aide is (1) not obligated for the support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services. (3) Was not part of the household prior to receiving program assistance.

- There is no other reason for the aide to reside in the unit (i.e. the individual can demonstrate they have a previous residence they left in good standing).
- The aide and the participant will maintain separate finances.

The PHA will not approve a particular person as a live-in aide, and may withdraw such approval if [24 CFR 982.316(b)]:

- The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The person commits drug-related criminal activity or violent criminal activity; or
- The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

Within 10 calendar days of receiving a request for a live-in aide, including all required documentation related to the request, the PHA will notify the family of its decision in writing.

All live-in aides will be subject to a background check before approval.
PART II: BASIC ELIGIBILITY CRITERIA

3-II.A. INCOME ELIGIBILITY AND TARGETING

Income Limits

HUD is required by law to set income limits that determine the eligibility of applicants for HUD’s assisted housing programs, including the housing choice voucher program. The income limits are published annually and are based on HUD estimates of median family income in a particular area or county, with adjustments for family size.

Types of Low-Income Families [24 CFR 5.603(b)]

*Low-income family.* A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

*Very low-income family.* A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

*Extremely low-income family.* A family whose annual income does not exceed the higher of 30 percent of the median income for the area or the federal poverty level, adjusted for family size.

HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Using Income Limits for Eligibility [24 CFR 982.201]

Income limits are used for eligibility only at admission. Eligibility is established by comparing a family's annual income with HUD’s published income limits. To be income-eligible, a family must be one of the following:

- A *very low-income* family
- A *low-income* family that has been "continuously assisted" under the 1937 Housing Act. A family is considered to be continuously assisted if the family is already receiving assistance under any 1937 Housing Act program at the time the family is admitted to the HCV program [24 CFR 982.4]

**PHA Policy**

The PHA will consider a family to be continuously assisted if the family was leasing a unit under any 1937 Housing Act program at the time they were issued a voucher by the PHA.

- A low-income family that qualifies for voucher assistance as a non-purchasing household living in HOPE 1 (public housing homeownership), HOPE 2 (multifamily housing homeownership) developments, or other HUD-assisted multifamily homeownership programs covered by 24 CFR 248.173
A low-income or moderate-income family that is displaced as a result of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract on eligible low-income housing as defined in 24 CFR 248.101

HUD permits the PHA to establish additional categories of low-income families that may be determined eligible. The additional categories must be consistent with the PHA plan and the consolidated plans for local governments within the PHA’s jurisdiction.

**PHA Policy**

The PHA has not established any additional categories of eligible low-income families.

**Using Income Limits for Targeting [24 CFR 982.201]**

At least 75 percent of the families admitted to the PHA’s program during a PHA fiscal year must be extremely low-income families. HUD may approve exceptions to this requirement if the PHA demonstrates that it has made all required efforts, but has been unable to attract an adequate number of qualified extremely low-income families.

Families continuously assisted under the 1937 Housing Act and families living in eligible low-income housing that are displaced as a result of prepayment of a mortgage or voluntary termination of a mortgage insurance contract are not subject to the 75 percent restriction.

**3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]**

Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), or noncitizens that have eligible immigration status. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with the PHA’s Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

**Declaration [24 CFR 5.508]**

HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals and eligible noncitizens the declaration must be signed personally by the head, spouse, cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults. **U.S. Citizens and Nationals**

In general, citizens and nationals are required to submit only a signed declaration that claims their status. However, HUD regulations permit the PHA to request additional documentation of their status, such as a passport.
Family members who declare citizenship or national status will not be required to provide additional documentation unless the PHA receives information indicating that an individual’s declaration may not be accurate.

Eligible Noncitizens

In addition to providing a signed declaration, those declaring eligible noncitizen status must sign a verification consent form and cooperate with PHA efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, the person’s age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].

Ineligible Noncitizens

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a noncontending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. The PHA is not required to verify a family member’s ineligible status and is not required to report an individual’s unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

Mixed Families

A family is eligible for assistance as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered mixed families. Such families will be given notice that their assistance will be prorated and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are prorated, and Chapter 16 for a discussion of informal hearing procedures.

Ineligible Families [24 CFR 5.514(d), (e), and (f)]

A PHA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by the PHA that the individual or at least one family member is eligible. Verification of eligibility for this purpose occurs when the individual or family members have submitted documentation to the PHA in accordance with program requirements [24 CFR 5.512(a)].

PHA Policy
The PHA will not provide assistance to a family before the verification of at least one family member.

When a PHA determines that an applicant family does not include any citizens, nationals, or eligible noncitizens, following the verification process, the family will be sent a written notice within 10 calendar days of the determination.

The notice will explain the reasons for the denial of assistance, that the family may be eligible for proration of assistance, and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services (USCIS), or to request an informal hearing with the PHA. The informal hearing with the PHA may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the completion of the informal hearing process, but that it may be delayed pending the completion of the informal hearing process.

Informal hearing procedures are contained in Chapter 16.

Timeframe for Determination of Citizenship Status [24 CFR 5.508(g)]

For new occupants joining the assisted family, the PHA must verify status at the first interim or regular reexamination following the person’s occupancy, whichever comes first.

If an individual qualifies for a time extension for the submission of required documents, the PHA must grant such an extension for no more than 30 days [24 CFR 5.508(h)].

Each family member is required to submit evidence of eligible status only one time during continuous occupancy.

**PHA Policy**

The PHA will verify the status of applicants at the time other eligibility factors are determined.

3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218, Notice PIH 2010-3]

The applicant and all members of the applicant’s household must disclose the complete and accurate social security number (SSN) assigned to each household member, and the documentation necessary to verify each SSN. A detailed discussion of acceptable documentation is provided in Chapter 7.

**Note:** These requirements do not apply to noncitizens who do not contend eligible immigration status.

In addition, each participant who has not previously disclosed an SSN, has previously disclosed an SSN that HUD or the SSA determined was invalid, or has been issued a new SSN must submit their complete and accurate SSN and the documentation required to verify the SSN at the time of the next interim or annual reexamination or recertification. Participants age 62 or older as of January 31, 2010, whose determination of eligibility was done before January 31, 2010, are exempt from this requirement and remain exempt even if they move to a new assisted unit.
The PHA must deny assistance to an applicant family if they do not meet the SSN disclosure and documentation requirements contained in 24 CFR 5.216.3-I.I.D.

FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.230, HCV GB, p. 5-13]

HUD requires each adult family member, and the head of household, spouse, or co/head, regardless of age, to sign form HUD-9886, Authorization for the Release of Information/Privacy Act Notice, and other consent forms as needed to collect information relevant to the family’s eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements.

The PHA must deny admission to the program if any member of the applicant family fails to sign and submit the consent forms for obtaining information in accordance with 24 CFR 5, Subparts B and F [24 CFR 982.552(b)(3)].

3-II.E. STUDENTS ENROLLED IN INSTITUTIONS OF HIGHER EDUCATION [24 CFR 5.612 and FR Notice 4/10/06]

Section 327 of Public Law 109-115 and the implementing regulation at 24 CFR 5.612 established new restrictions on the eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student’s eligibility must be examined along with the income eligibility of the student’s parents. In these cases, both the student and the student’s parents must be income eligible for the student to receive HCV assistance. If, however, a student in these circumstances is determined independent from his/her parents in accordance with PHA policy, the income of the student’s parents will not be considered in determining the student’s eligibility.

The new law does not apply to students who reside with parents who are applying to receive HCV assistance. It is limited to students who are seeking assistance on their own, separately from their parents.

Definitions

In determining whether and how the new eligibility restrictions apply to a student, the PHA will rely on the following definitions [FR 4/10/06, p. 18148].

Dependent Child

In the context of the student eligibility restrictions, dependent child means a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of dependent in 24 CFR 5.603, which states that the dependent must be a member of the assisted family, other than the head of household or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student. Foster children and foster adults are not considered dependents.

Independent Student

PHA Policy
The PHA will consider a student “independent” from his or her parents and the parents’ income will not be considered when determining the student’s eligibility if the following four criteria are all met:

The individual is of legal contract age under state law.

The individual has established a household separate from his/her parents for at least one year prior to application for occupancy or the individual meets the U.S. Department of Education’s definition of independent student.

To be considered an independent student according to the Department of Education, a student must meet one or more of the following criteria:

Be at least 24 years old by December 31 of the award year for which aid is sought

Be an orphan or a ward of the court through the age of 18

Be a veteran of the U.S. Armed Forces

Have one or more legal dependents other than a spouse (for example, dependent children or an elderly dependent parent)

Be a graduate or professional student

Be married

The individual was not claimed as a dependent by his/her parents pursuant to IRS regulations, as demonstrated on the parents’ most recent tax forms.

The individual provides a certification of the amount of financial assistance that will be provided by his/her parents. This certification must be signed by the individual providing the support and must be submitted even if no assistance is being provided.

The PHA will verify that a student meets the above criteria in accordance with the policies in Section 7-II.E.

Institution of Higher Education

The PHA will use the statutory definition under section 102 of the Higher Education Act of 1965 to determine whether a student is attending an institution of higher education (see Exhibit 3-2).

Parents

PHA Policy

For purposes of student eligibility restrictions, the definition of parents includes biological or adoptive parents, stepparents (as long as they are currently married to the biological or adoptive parent), and guardians (e.g., grandparents, aunt/uncle, godparents, etc).

Person with Disabilities

The PHA will use the statutory definition under section 3(b)(3)(E) of the 1937 Act to determine whether a student is a person with disabilities (see Exhibit 3-1).
Veteran

**PHA Policy**

A veteran is a person who served in the active military, naval, or air service and who was discharged or released from such service under conditions other than dishonorable.

Determining Student Eligibility

If a student is applying for assistance on his/her own, apart from his/her parents, the PHA must determine whether the student is subject to the eligibility restrictions contained in 24 CFR 5.612. If the student is subject to those restrictions, the PHA must ensure that: (1) the student is individually eligible for the program, (2) either the student is independent from his/her parents or the student’s parents are income eligible for the program, and (3) the “family” with which the student is applying is collectively eligible for the program.

**PHA Policy**

For any student who is subject to the 5.612 restrictions, the PHA will:

- Follow its usual policies in determining whether the student individually and the student’s “family” collectively are eligible for the program
- Determine whether the student is independent from his/her parents in accordance with the definition of independent student in this section
- Follow the policies below, if applicable, in determining whether the student’s parents are income eligible for the program

If the PHA determines that the student, the student’s parents (if applicable), or the student’s “family” is not eligible, the PHA will send a notice of denial in accordance with the policies in Section 3-II.F, and the applicant family will have the right to request an informal review in accordance with the policies in Section 16-II.B.

Determining Parental Income Eligibility

**PHA Policy**

For any student who is subject to the 5.612 restrictions and who does not satisfy the definition of independent student in this section, the PHA will determine the income eligibility of the student’s parents as follows:

- If the student’s parents are married and living together, the PHA will obtain a joint income declaration and certification of joint income from the parents.
- If the student’s parent is widowed or single, the PHA will obtain an income declaration and certification of income from that parent.
- If the student’s parents are divorced or separated, the PHA will obtain an income declaration and certification of income from each parent.
- If the student has been living with one of his/her parents and has not had contact with or does not know where to contact his/her other parent, the PHA will require the student to submit a certification under penalty of perjury describing the circumstances and stating that the student does not receive financial assistance.
from the other parent. The PHA will then obtain an income declaration and certification of income from the parent with whom the student has been living or had contact.

In determining the income eligibility of the student’s parents, the PHA will use the income limits for the jurisdiction in which the parents live.

PART III: DENIAL OF ASSISTANCE

3-III.A. OVERVIEW

A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied assistance.

In addition, HUD requires or permits the PHA to deny assistance based on certain types of current or past behaviors of family members.

Forms of Denial [24 CFR 982.552(a)(2); HCV GB, p. 5-35]

Denial of assistance includes any of the following:

- Not placing the family's name on the waiting list
- Denying or withdrawing a voucher
- Not approving a request for tenancy or refusing to enter into a HAP contract
- Refusing to process a request for or to provide assistance under portability procedures

Prohibited Reasons for Denial of Program Assistance [24 CFR 982.202(b), 24 CFR 5.2005(b)]

HUD rules prohibit denial of program assistance to the program based on any of the following criteria:

- Age, disability, race, color, religion, sex, or national origin (See Chapter 2 for additional information about fair housing and equal opportunity requirements.)
- Where a family lives prior to admission to the program
- Where the family will live with assistance under the program. Although eligibility is not affected by where the family will live, there may be restrictions on the family’s ability to move outside the PHA’s jurisdiction under portability. (See Chapter 10.)
- Whether members of the family are unwed parents, recipients of public assistance, or children born out of wedlock
- Whether the family includes children
- Whether a family decides to participate in a family self-sufficiency program
- Whether or not a qualified applicant is or has been a victim of domestic violence, dating violence, or stalking if the applicant is otherwise qualified for assistance (See section 3-III.G.)
3-III.B. MANDATORY DENIAL OF ASSISTANCE [24 CFR 982.553(a)]

HUD requires the PHA to deny assistance in the following cases:

- Any member of the household has been evicted from federally-assisted housing in the last 3 years for drug-related criminal activity from the date of eviction. HUD permits, but does not require, the PHA to admit an otherwise-eligible family if the household member has completed a PHA-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g., the person involved in the criminal activity no longer lives in the household).

  **PHA Policy**
  
  *The PHA will admit an otherwise-eligible family who was evicted from federally-assisted housing within the past 3 years for drug-related criminal activity, if the PHA is able to verify that the household member who engaged in the criminal activity has completed a supervised drug rehabilitation program approved by the PHA, or the person who committed the crime, is no longer living in the household.*

- The PHA determines that any household member is currently engaged in the use of illegal drugs.

  **PHA Policy**
  
  *Currently engaged in is defined as any use of illegal drugs during the previous six months.*

- The PHA has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

  **PHA Policy**
  
  *In determining reasonable cause, the PHA will consider all credible evidence, including but not limited to, any record of convictions, arrests, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. A conviction will be given more weight than an arrest. The PHA will also consider evidence from treatment providers or community-based organizations providing services to household members. Arrest alone will not be used in the determination.*

  *The two listed below will result in being permanently barred and/or denied assistance.*

- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing

- Any household member is subject to a lifetime registration requirement under a state sex offender registration program

3-III.C. OTHER PERMITTED REASONS FOR DENIAL OF ASSISTANCE

HUD permits, but does not require, the PHA to deny assistance for the reasons discussed in this section.
**PHA Policy**

The PHA will not deny assistance to an otherwise eligible family because the family previously failed to meet its obligations under the Family Self-Sufficiency (FSS) program.

The PHA will deny assistance to an applicant family if:

- The family does not provide information that the PHA or HUD determines is necessary in the administration of the program.
- The family does not provide complete and true information to the PHA.
- Has a pattern of criminal activity during the last 5 years.

**Criminal Activity [24 CFR 982.553]**

HUD permits, but does not require, the PHA to deny assistance if the PHA determines that any household member is currently engaged in, or has engaged in during a reasonable time before the family would receive assistance, certain types of criminal activity.

**PHA Policy**

If any household member is currently engaged in, or has engaged in any of the following criminal activities, within the past five years, the family will be denied assistance.

Drug-related criminal activity, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].

Violent criminal activity, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].

Criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or

Criminal activity that may threaten the health or safety of property owners and management staff, and persons performing contract administration functions or other responsibilities on behalf of the PHA (including a PHA employee or a PHA contractor, subcontractor, or agent).

Immediate vicinity means within a three-block radius of the premises.

Evidence of such criminal activity includes, but is not limited to:

- Any conviction for drug-related or violent criminal activity within the past 5 years.
- Any arrests, not by itself, for drug-related or violent criminal activity within the past 5 years. Arrest alone isn’t proof and must be accompanied by additional
evidence to prove that the applicant engaged in this criminal activity such as police reports or witnesses’ testimony.

Any record of eviction from public or privately-owned housing as a result of criminal activity that was determined to be that of the applicant or applicant’s family member(s) through a preponderance of evidence within the past 5 years.

A conviction for drug-related or violent criminal activity will be given more weight than an arrest for such activity. Arrest can’t stand alone.

In making its decision to deny assistance, the PHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, the PHA may, on a case-by-case basis, decide not to deny assistance.

Previous Behavior in Assisted Housing [24 CFR 982.552(c)]

HUD authorizes the PHA to deny assistance based on the family’s previous behavior in assisted housing:

**PHA Policy**

Any family member has been evicted from federally-assisted housing in the last three years.

A PHA has terminated assistance under the program for any member of the family within the last three years.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family owes rent or other amounts to any PHA in connection with the HCV, Certificate, Moderate Rehabilitation or public housing programs, unless the family repays the full amount of the debt prior to being selected from the waiting list.

If the family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease, unless the family repays the full amount of the debt prior to being selected from the waiting list.

The family has breached the terms of a repayment agreement entered into with the PHA, unless the family repays the full amount of the debt covered in the repayment agreement prior to being selected from the waiting list.

The PHA may deny assistance to an applicant family if:

Any PHA has ever terminated assistance under the program for any member of the family.

A family member has engaged in or threatened violent or abusive behavior toward PHA personnel. **Abusive or violent behavior towards PHA personnel** includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.
**Threatening** refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to deny assistance, the PHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, the PHA may, on a case-by-case basis, decide not to deny assistance.

### 3-III.D. SCREENING

#### Screening for Eligibility

PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the HCV program. This authority assists the PHA in complying with HUD requirements and PHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records the PHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

**PHA Policy**

*The PHA will perform a criminal background check through local law enforcement for every adult household member.*

*If the results of the criminal background check indicate that there may be past criminal activity, but the results are inconclusive, the PHA will request a fingerprint card and will request information from the National Crime Information center (NCIC).*

PHAs are required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 982.553(a)(2)(i)].

If the PHA proposes to deny assistance based on a criminal record or on lifetime sex offender registration information, the PHA must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission. [24 CFR 5.903(f) and 5.905(d)].

#### Screening for Suitability as a Tenant [24 CFR 982.307]

The PHA has no liability or responsibility to the owner for the family’s behavior or suitability for tenancy. The PHA may opt to conduct additional screening to determine whether an applicant is likely to be a suitable tenant.

**PHA Policy**

*The PHA will not conduct additional screening to determine an applicant family's suitability for tenancy.*

The owner is responsible for screening and selection of the family to occupy the owner’s unit. The PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner. An owner may consider a family’s history with respect to factors such as: payment of rent
and utilities, caring for a unit and premises, respecting the rights of other residents to the peaceful enjoyment of their housing, criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

HUD requires the PHA to provide prospective owners with the family’s current and prior address (as shown in PHA records) and the name and address (if known) of the owner at the family’s current and prior addresses. HUD permits the PHA to provide owners with additional information, as long as families are notified that the information will be provided, and the same type of information is provided to all owners.

The PHA may not disclose to the owner any confidential information provided in response to a PHA request for documentation of domestic violence, dating violence, or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(a)(4)].

**PHA Policy**

*The PHA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the initial HQS inspection or before. The PHA will not provide any additional information to the owner, such as tenancy history, criminal history, etc.*

### 3-III.E. CRITERIA FOR DECIDING TO DENY ASSISTANCE

**Evidence [24 CFR 982.553(c)]**

**PHA Policy**

*The PHA will use the concept of the preponderance of the evidence as the standard for making all admission decisions.*

*Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.*

**Consideration of Circumstances [24 CFR 982.552(c)(2)]**

HUD authorizes the PHA to consider all relevant circumstances when deciding whether to deny assistance based on a family’s past history except in the situations for which denial of assistance is mandated (see Section 3-III.B)

**PHA Policy**

*The PHA will consider the following factors prior to making its decision:*

*The seriousness of the case, especially with respect to how it would affect other residents*
The effects that denial of assistance may have on other members of the family who were not involved in the action or failure

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or (as discussed further in section 3-III.G) a victim of domestic violence, dating violence, or stalking

The length of time since the violation occurred, the family’s recent history and the likelihood of favorable conduct in the future

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

The PHA will require the applicant to submit evidence of the household member’s current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

Removal of a Family Member's Name from the Application [24 CFR 982.552(c)(2)(ii)]

HUD permits PHAs to impose as a condition of admission, a requirement that family members who participated in or were culpable for an action or failure to act which results in the denial of assistance, to not reside in the unit.

PHA Policy

As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit or to stay as a guest in the assisted unit.

After admission to the program, the family must present evidence of the former family member’s current address upon PHA request.

Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, the PHA’s decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

PHA Policy

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of assistance, the PHA will determine whether the behavior is related to the disability. If so, upon the family’s request, the PHA will determine whether alternative measures are appropriate as a reasonable accommodation. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of assistance. See Chapter 2 for a discussion of reasonable accommodation.

3-III.F. NOTICE OF ELIGIBILITY OR DENIAL

If the family is eligible for assistance, the PHA will notify the family when it extends the invitation to attend the voucher briefing appointment, as discussed in Chapter 5.
If the PHA determines that a family is not eligible for the program for any reason, the family must be notified promptly. The notice must describe: (1) the reasons for which assistance has been denied, (2) the family’s right to an informal review, and (3) the process for obtaining the informal review [24 CFR 982.554 (a)]. See Chapter 16, for informal review policies and procedures.

PHA Policy

The family will be notified of a decision to deny assistance in writing within 10 calendar days of the determination.

If a PHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before the PHA can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)]. The PHA must give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance with program requirements [24 CFR 982.553(d)].

PHA Policy

If based on a criminal record or sex offender registration information, an applicant family appears to be ineligible the PHA will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 10 calendar days to dispute the accuracy and relevance of the information. If the family does not contact the PHA to dispute the information within that 10-day period, the PHA will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal review process.

Notice requirements related to denying assistance to noncitizens are contained in Section 3-II.B.

Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, or stalking are contained in Section 3-III.G.

3-III.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING

The Violence against Women Act of 2005 (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying an applicant admission to the HCV program “on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking, if the applicant otherwise qualifies for assistance or admission.”

Definitions of key terms used in VAWA are provided in section 16-IX of this plan, where general VAWA requirements and policies pertaining to notification, documentation, and confidentiality are also located.

Notification

PHA Policy

The PHA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history (e.g., a poor credit history, a record of
previous damage to an apartment, a prior arrest record) that would warrant denial under the PHA’s policies. Therefore, if the PHA makes a determination to deny assistance to an applicant family, the PHA will include in its notice of denial the VAWA information described in section 16-IX.C of this plan and will request that an applicant wishing to claim protection under VAWA notify the PHA within 10 calendar days.

Documentation

Victim Documentation [24 CFR 5.2007]

**PHA Policy**

If an applicant claims the protection against denial of assistance that VAWA provides to victims of domestic violence, dating violence, or stalking, the PHA will request in writing that the applicant provide documentation supporting the claim in accordance with section 16-IX.D of this plan.

Perpetrator Removal or Documentation of Rehabilitation

**PHA Policy**

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit

Provide documentation that the perpetrator has successfully completed or is successfully undergoing rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

PHA Confidentiality Requirement

All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared database nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

Person with Disabilities [24 CFR 5.403]

The term **person with disabilities** means a person who has any of the following types of conditions:

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:
Inability to engage in any substantial gainful activity by reason of any medically
determinable physical or mental impairment which can be expected to result in death or
which has lasted or can be expected to last for a continuous period of not less than 12
months; or

In the case of an individual who has attained the age of 55 and is blind (within the meaning
of “blindness” as defined in section 416(i)(1) of this title), inability by reason of such
blindness to engage in substantial gainful activity, requiring skills or ability comparable to
those of any gainful activity in which he has previously engaged with some regularity and
over a substantial period of time.

• Has a developmental disability as defined in the Developmental Disabilities Assistance and
Bill of Rights Act of 2000 [42 U.S.C.15002(8)], which defines developmental disability in
functional terms as follows:

(A) In General

The term “developmental disability” means a severe, chronic disability of an
individual that:

(i) is attributable to a mental or physical impairment or combination of mental and
physical impairments;

(ii) manifested before the individual attains age 22;

(iii) is likely to continue indefinitely;

(iv) resulted in substantial functional limitations in 3 or more of the following areas of
major life activity: (I) Self-care, (II) Receptive and expressive language, (III)
Learning, (IV) Mobility, (V) Self-direction, (VI) Capacity for independent living,
(VII) Economic self-sufficiency; and

(v) reflects the individual’s need for a combination and sequence of special,
interdisciplinary, or generic services, individualized supports, or other forms of
assistance that are of lifelong or extended duration and are individually planned and
coordinated.

(B) Infants and Young Children

An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific
congenital or acquired condition, may be considered to have a developmental disability without
meeting three or more of the criteria described in clauses (i) through (v) of subparagraph (A) if the
individual, without services and supports, has a high probability of meeting those criteria later in
life.

• Has a physical, mental, or emotional impairment that is expected to be of long-continued and
indefinite duration; substantially impedes his or her ability to live independently, and is of such
a nature that the ability to live independently could be improved by more suitable housing
conditions.

People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising from the
etiologic agent for AIDS are not excluded from this definition.
A person whose disability is based solely on any drug or alcohol dependence does not qualify as a person with disabilities for the purposes of this program.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

**Individual with Handicaps [24 CFR 8.3]**

*Individual with handicaps* means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such impairment; or is regarded as having such impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

1. **Physical or mental impairment includes:**
   (a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
   (b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

2. **Major life activities** means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

3. Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

4. **Is regarded as having an impairment** means:
   (a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;
   (b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or
   (c) Has none of the impairments defined in paragraph (1) of this section but is treated by a recipient as having such an impairment.
EXHIBIT 3-2: DEFINITION OF INSTITUTION OF HIGHER EDUCATION [20 U.S.C. 1001 and 1002]

Eligibility of Students for Assisted Housing Under Section 8 of the U.S. Housing Act of 1937; Supplementary Guidance; Notice [Federal Register, April 10, 2006]

Institution of Higher Education shall have the meaning given this term in the Higher Education Act of 1965 in 20 U.S.C. 1001 and 1002.

Definition of “Institution of Higher Education” From 20 U.S.C. 1001

(a) Institution of higher education. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” means an educational institution in any State that

(1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;

(2) Is legally authorized within such State to provide a program of education beyond secondary education;

(3) Provides an educational program for which the institution awards a bachelor’s degree or provides not less than a 2-year program that is acceptable for full credit toward such a degree;

(4) Is a public or other nonprofit institution; and

(5) Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted pre-accreditation status by such an agency or association that has been recognized by the Secretary for the granting of pre-accreditation status, and the Secretary has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.

(b) Additional institutions included. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” also includes—

(1) Any school that provides not less than a 1-year program of training to prepare students for gainful employment in a recognized occupation and that meets the provision of paragraphs (1), (2), (4), and (5) of subsection (a) of this section; and

(2) A public or nonprofit private educational institution in any State that, in lieu of the requirement in subsection (a)(1) of this section, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

(c) List of accrediting agencies. For purposes of this section and section 1002 of this title, the Secretary shall publish a list of nationally recognized accrediting agencies or associations that the Secretary determines, pursuant to subpart 2 of part G of subchapter IV of this chapter, to be reliable authority as to the quality of the education or training offered.
Definition of “Institution of Higher Education” From 20 U.S.C. 1002

(a) Definition of institution of higher education for purposes of student assistance programs

(1) Inclusion of additional institutions. Subject to paragraphs (2) through (4) of this subsection, the term “institution of higher education” for purposes of subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 includes, in addition to the institutions covered by the definition in section 1001 of this title—

(A) A proprietary institution of higher education (as defined in subsection (b) of this section);

(B) A postsecondary vocational institution (as defined in subsection (c) of this section); and

(C) Only for the purposes of part B of subchapter IV of this chapter, an institution outside the United States that is comparable to an institution of higher education as defined in section 1001 of this title and that has been approved by the Secretary for the purpose of part B of subchapter IV of this chapter.

(2) Institutions outside the United States

(A) In general. For the purpose of qualifying as an institution under paragraph (1)(C), the Secretary shall establish criteria by regulation for the approval of institutions outside the United States and for the determination that such institutions are comparable to an institution of higher education as defined in section 1001 of this title (except that a graduate medical school, or a veterinary school, located outside the United States shall not be required to meet the requirements of section 1001 (a)(4) of this title). Such criteria shall include a requirement that a student attending such school outside the United States is ineligible for loans made, insured, or guaranteed under part B of subchapter IV of this chapter unless—

(i) In the case of a graduate medical school located outside the United States—

(I) (aa) At least 60 percent of those enrolled in, and at least 60 percent of the graduates of, the graduate medical school outside the United States were not persons described in section 1091(a)(5) of this title in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; and

(bb) At least 60 percent of the individuals who were students or graduates of the graduate medical school outside the United States or Canada (both nationals of the United States and others) taking the examinations administered by the Educational Commission for Foreign Medical Graduates received a passing score in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; or

(II) The institution has a clinical training program that was approved by a State as of January 1, 1992; or
(ii) In the case of a veterinary school located outside the United States that does not meet the requirements of section 1001(a)(4) of this title, the institution’s students complete their clinical training at an approved veterinary school located in the United States.

(B) Advisory panel

(i) In general. For the purpose of qualifying as an institution under paragraph (1)(C) of this subsection, the Secretary shall establish an advisory panel of medical experts that shall—

(I) Evaluate the standards of accreditation applied to applicant foreign medical schools; and

(II) Determine the comparability of those standards to standards for accreditation applied to United States medical schools.

(ii) Special rule if the accreditation standards described in clause (i) are determined not to be comparable, the foreign medical school shall be required to meet the requirements of section 1001 of this title.

(C) Failure to release information. The failure of an institution outside the United States to provide, release, or authorize release to the Secretary of such information as may be required by subparagraph (A) shall render such institution ineligible for the purpose of part B of subchapter IV of this chapter.

(D) Special rule. If, pursuant to this paragraph, an institution loses eligibility to participate in the programs under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, then a student enrolled at such institution may, notwithstanding such loss of eligibility, continue to be eligible to receive a loan under part B while attending such institution for the academic year succeeding the academic year in which such loss of eligibility occurred.

(3) Limitations based on course of study or enrollment. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution—

(A) Offers more than 50 percent of such institution’s courses by correspondence, unless the institution is an institution that meets the definition in section 2471 (4)(C) of this title;

(B) Enrolls 50 percent or more of the institution’s students in correspondence courses, unless the institution is an institution that meets the definition in such section, except that the Secretary, at the request of such institution, may waive the applicability of this subparagraph to such institution for good cause, as determined by the Secretary in the case of an institution of higher education that provides a 2-or 4-year program of instruction (or both) for which the institution awards an associate or baccalaureate degree, respectively;
(C) Has a student enrollment in which more than 25 percent of the students are incarcerated, except that the Secretary may waive the limitation contained in this subparagraph for a nonprofit institution that provides a 2- or 4-year program of instruction (or both) for which the institution awards a bachelor’s degree, or an associate’s degree or a postsecondary diploma, respectively; or

(D) Has a student enrollment in which more than 50 percent of the students do not have a secondary school diploma or its recognized equivalent, and does not provide a 2- or 4-year program of instruction (or both) for which the institution awards a bachelor’s degree or an associate’s degree, respectively, except that the Secretary may waive the limitation contained in this subparagraph if a nonprofit institution demonstrates to the satisfaction of the Secretary that the institution exceeds such limitation because the institution serves, through contracts with Federal, State, or local government agencies, significant numbers of students who do not have a secondary school diploma or its recognized equivalent.

(4) Limitations based on management. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if—

(A) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management or policies of the institution, has filed for bankruptcy, except that this paragraph shall not apply to a nonprofit institution, the primary function of which is to provide health care educational services (or an affiliate of such an institution that has the power, by contract or ownership interest, to direct or cause the direction of the institution’s management or policies) that files for bankruptcy under chapter 11 of title 11 between July 1, 1998, and December 1, 1998; or

(B) The institution, the institution’s owner, or the institution’s chief executive officer has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, or has been judicially determined to have committed fraud involving funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42.

(5) Certification. The Secretary shall certify an institution’s qualification as an institution of higher education in accordance with the requirements of subpart 3 of part G of subchapter IV of this chapter.

(6) Loss of eligibility. An institution of higher education shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution is removed from eligibility for funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 as a result of an action pursuant to part G of subchapter IV of this chapter.
(b) Proprietary institution of higher education

(1) Principal criteria. For the purpose of this section, the term ‘‘proprietary institution of higher education’’ means a school that—

(A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;

(B) Meets the requirements of paragraphs (1) and (2) of section 1001 (a) of this title;

(C) Does not meet the requirement of paragraph (4) of section 1001 (a) of this title;

(D) Is accredited by a nationally recognized accrediting agency or association recognized by the Secretary pursuant to part G of subchapter IV of this chapter;

(E) Has been in existence for at least 2 years; and

(F) Has at least 10 percent of the school’s revenues from sources that are not derived from funds provided under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, as determined in accordance with regulations prescribed by the Secretary.

(2) Additional institutions. The term ‘‘proprietary institution of higher education’’ also includes a proprietary educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

(c) Postsecondary vocational institution.

(1) Principal criteria. For the purpose of this section, the term ‘‘postsecondary vocational institution’’ means a school that—

(A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;

(B) Meets the requirements of paragraphs (1), (2), (4), and (5) of section 1001 (a) of this title; and

(C) Has been in existence for at least 2 years.

(2) Additional institutions. The term ‘‘postsecondary vocational institution’’ also includes an educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.
APPLICATIONS, WAITING LIST AND TENANT SELECTION

INTRODUCTION

When a family wishes to receive Section 8 HCVP assistance, the family must submit an application that provides the PHA with the information needed to determine the family’s eligibility. HUD requires the PHA to place all families that apply for assistance on a waiting list. When HCV assistance becomes available, the PHA must select families from the waiting list in accordance with HUD requirements and PHA policies as stated in the administrative plan and the annual plan.

The PHA is required to adopt a clear approach to accepting applications, placing families on the waiting list, selecting families from the waiting list and must follow this approach consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the PHA to receive preferential treatment. Funding earmarked exclusively for families with particular characteristics may also alter the order in which families are served.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that the PHA affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that the PHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and PHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how the PHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how the PHA’s waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process the PHA will use to keep the waiting list current.

Part III: Selection for HCV Assistance. This part describes the policies that guide the PHA in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person interviews will be used to ensure that the PHA has the information needed to make a final eligibility determination.
PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW

This part describes the policies that guide the PHA’s efforts to distribute and accept applications, and to make preliminary determinations of applicant family eligibility that affect placement of the family on the waiting list. This part also describes the PHA’s obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice PIH 2009-36]

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits the PHA to determine the format and content of HCV applications, as well how such applications will be made available to interested families and how applications will be accepted by the PHA. However, the PHA must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the PHA’s application.

**PHA Policy**

*The application process will involve two phases. The first is the “initial” application of assistance (referred to as a pre-application). The first phase results in the family’s preliminary determination of eligibility, preferences and placement on the waiting list.*

*The second phase is the “final determination of eligibility” (referred to as the full application). The full application takes place when the family reaches the top of the waiting list. At this time the PHA ensures that verification of all HUD and PHA eligibility factors and preference claims using current information prior to issuing a Voucher.*

*If an applicant is unable to apply in person, the PHA may allow a family representative to fill out the applications with the applicant’s written authorization. Applicant’s name will not be added to the waiting list until the application and authorizations are signed. Families may obtain application forms from the PHA’s office during normal business hours when the PHA is accepting applications.*

*Completed applications must be returned to the PHA by mail, by fax, or submitted in person during normal business hours. Applications must be complete in order to be accepted by the PHA for processing. If an application is incomplete, the PHA will notify the family of the additional information required.*

4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]

The PHA must take a variety of steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard PHA application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). The PHA must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or the PHA must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of the PHA’s policies related to providing reasonable accommodations for people with disabilities.
Limited English Proficiency

PHAs are required to take reasonable steps to ensure meaningful access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the PHA’s policies related to ensuring access to people with limited English proficiency (LEP).

4-I.D. PLACEMENT ON THE WAITING LIST

The PHA must review each complete application received and make a preliminary assessment of the family’s eligibility. The PHA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [24 CFR 982.206(b)(2)]. Where the family is determined to be ineligible, the PHA must notify the family in writing [24 CFR 982.201(f)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR 982.202(c)].

Ineligible for Placement on the Waiting List

PHA Policy

*If the PHA can determine from the information provided that a family is ineligible, the family will not be placed on the waiting list. Where a family is determined to be ineligible, the PHA will send written notification of the ineligibility determination within 10 calendar days of receiving a complete application. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review and explain the process for doing so (see Chapter 16).*

Eligible for Placement on the Waiting List

PHA Policy

*The PHA will send written notification of the preliminary eligibility determination.*

*Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.*

*Applicants will be placed on the waiting list according to any preference(s) for which they qualify, and the date and time their complete application is received by the PHA.*

PART II: MANAGING THE WAITING LIST

4-II.A. OVERVIEW
The PHA must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how a PHA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 and 205]

The PHA’s HCVP waiting list must be organized in such a manner to allow the PHA to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- Family unit size;
- Date and time of application;
- Qualification for any local preference;
- Racial or ethnic designation of the head of household.

HUD requires the PHA to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. Such PHAs are permitted, but not required, to maintain a separate waiting list for each county or municipality served.

**PHA Policy**

_The PHA will maintain a single waiting list for the HCV program._

HUD directs that a family that applies for assistance from the HCV program must be offered the opportunity to be placed on the waiting list for any public housing, project-based voucher or moderate rehabilitation program the PHA operates if 1) the other programs’ waiting lists are open, and 2) the family is qualified for the other programs.

HUD permits, but does not require, that PHAs maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs.

A family’s decision to apply for, receive, or refuse other housing assistance must not affect the family’s placement on the HCV waiting list, or any preferences for which the family may qualify.

**PHA Policy**

_The PHA will not merge the HCV waiting list with the waiting list for any other program the PHA operates._

4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]

Closing the Waiting List
A PHA is permitted to close the waiting list if it has an adequate pool of families to use its available HCV assistance. Alternatively, the PHA may elect to continue to accept applications only from certain categories of families that meet particular preferences or funding criteria.

**PHA Policy**

The PHA will accept enough applications to achieve a list adequate to cover projected turnover and new allocations over the next 24 month period.

Where the PHA has particular preferences or funding criteria that require a specific category of family, the PHA may elect to continue to accept applications from these applicants while closing the waiting list to others.

Suspension of application taking is announced in the same announcement that the waiting list is opened.

Suspension of applications being accepted will be announced in the same announcement that the waiting list is opened.

**Reopening the Waiting List**

If the waiting list has been closed, it cannot be reopened until the PHA publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

**PHA Policy**

The PHA will announce the reopening of the waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

When the PHA opens the waiting list, the PHA will advertise through public notice in the local newspapers, public service announcement on local cable stations, radio and will send notices to local churches and service providers in the area.

The notice will contain the following information:

- Date, time and locations where families can apply
- The program for which applications will be taken
- A brief description of the program
- PHA preferences when selecting applicants from the waiting list

4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]
The PHA must conduct outreach as necessary to ensure that the PHA has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires the PHA to serve a specified percentage of extremely low income families (see Chapter 4, Part III), the PHA may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

PHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

PHA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

**PHA Policy**

*The PHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in the PHA’s jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.*

4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

**PHA Policy**

*While the family is on the waiting list, the family must immediately inform the PHA of changes in contact information, including current residence, mailing address, and telephone number. The changes must be submitted in writing.*

4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]

HUD requires the PHA to establish policies to use when removing applicant names from the waiting list.

**Purging the Waiting List**
The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to a PHA request for information or updates because of the family member’s disability, the PHA must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204(c)(2)].

**PHA Policy**

*The waiting list will be updated annually to ensure that all applicants and applicant information is current and timely.*

To update the waiting list, the PHA will send an update request via first class mail to each family on the waiting list that is anticipated to be served within the next 12 to 18 months to determine whether the family continues to be interested in, and to qualify for the program. This update request will be sent to the last address that the PHA has on record for the family. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant’s name being removed from the waiting list.

The family’s response must be in writing and may be delivered in person, by mail, or by fax. Responses should be postmarked or received by the PHA not later than the deadline date listed on the PHA letter.

If the family fails to respond, the family will be removed from the waiting list without further notice.

If the notice is returned by the Post Office with no forwarding address, the applicant will be removed from the waiting list without further notice.

If the notice is returned by the Post Office with a forwarding address, the notice will be re-sent to the address indicated. The family will be given a deadline date in which the notice must be returned to the PHA. If received after this due date, the applicant will be removed from the waiting list.

If a family is removed from the waiting list for failure to respond, the Executive Director may reinstate the family if she/he determines the lack of response was due to PHA error, or to circumstances beyond the family’s control.

**Removal from the Waiting List**

**PHA Policy**

If at any time an applicant family is on the waiting list, the PHA determines that the family is not eligible for assistance (see Chapter 3); the family will be removed from the waiting list.

If a family is removed from the waiting list because the PHA has determined the family is not eligible for assistance, a notice will be sent to the family’s address of record as well as to any alternate address provided on the initial application. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding the PHA’s decision (see Chapter 16) [24 CFR 982.201(f)].
PART III: SELECTION FOR HCV ASSISTANCE

4-III.A. OVERVIEW

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families receive assistance from the waiting list depends on the selection method chosen by the PHA and is impacted in part by any selection preferences that the family qualifies for. The source of HCV funding also may affect the order in which families are selected from the waiting list.

The PHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the PHA’s selection policies [24 CFR 982.204(b) and 982.207(e)].

4-III.B. SELECTION AND HCV FUNDING SOURCES

Special Admissions [24 CFR 982.203]

HUD may award funding for specifically-named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, the PHA may admit families that are not on the waiting list, or without considering the family’s position on the waiting list. The PHA must maintain records showing that such families were admitted with special program funding.

Targeted Funding [24 CFR 982.204(e)]

HUD may award a PHA funding for a specified category of families on the waiting list. The PHA must use this funding only to assist the families within the specified category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

PHA Policy

The PHA administers the following types of targeted funding:

- DHAP Conversion Vouchers
- SRO Homeless Vouchers
- Mainstream for persons with disabilities

Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

4-III.C. SELECTION METHOD

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use [24 CFR 982.202(d)].
Local Preferences [24 CFR 982.207; HCV p. 4-16]

PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

**PHA Policy**

For a family whose head, spouse or sole household member is working.

For a family with a disabled member.

Local residency preference

Honorsably discharged veteran.

*The PHA will offer a preference to any family that has been terminated from its HCV program due to insufficient program funding.*

Income Targeting Requirement [24 CFR 982.201(b)(2)]

HUD requires that extremely low-income (ELI) families make up at least 75% of the families admitted to the HCV program during the PHA’s fiscal year. ELI families are very low-income families whose income does not exceed the higher of 30% of the area median income or the federal poverty level. To ensure this requirement is met, a PHA may skip non-ELI families on the waiting list in order to select an ELI family.

Low income families admitted to the program that are “continuously assisted” under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

**PHA Policy**

*The PHA will monitor progress in meeting the ELI requirement throughout the fiscal year.*

Order of Selection The PHA system of preferences may select families either according to the date and time of application, or by a random selection process [24 CFR 982.207(c)]. When selecting families from the waiting list PHAs are required to use targeted funding to assist only those families who meet the specified criteria, and PHAs are not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

**PHA Policy**

*Families will be selected from the waiting list based on the targeted funding or selection preference(s) for which they qualify, and in accordance with the PHA’s hierarchy of preferences, if applicable. Within each targeted funding or preference category, families*
will be selected on a first-come, first-served basis according to the date and time their complete application is received by the PHA.

4-III.D. NOTIFICATION OF SELECTION

When a family has been selected from the waiting list, the PHA must notify the family.

**PHA Policy**

*The PHA will notify the family by first class mail when it is selected from the waiting list. The notice will inform the family of the following:*

- Date, time, and location of the scheduled application interview, including any procedures for rescheduling the interview
- Household members required to attend the interview
- Documents that must be provided at the interview to document the legal identity of household members, including information about what constitutes acceptable documentation
- Other documents and information that should be brought to the interview

*If a notification letter is returned to the PHA with no forwarding address, the family will be removed from the waiting list. A notice of denial (see Chapter 3) will be sent to the family's address on record, as well as to any known alternate address.*

4-III.E. THE APPLICATION INTERVIEW

HUD recommends that the PHA obtain the information and documentation needed to make an eligibility determination through a private interview [HCV GB, pg. 4-16]. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if the PHA determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by the PHA [Notice PIH 2010-3].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability.

**PHA Policy**

*Families selected from the waiting list are required to participate in an eligibility interview.*

The head of household and the spouse/cohead will be strongly encouraged to attend the interview together. However, either the head of household or the spouse/cohead may attend the interview on behalf of the family. Verification of information pertaining to adult members of the household not present at the interview will not begin until signed release forms are returned to the PHA.

The interview will be conducted only if the head of household or spouse/cohead provides appropriate documentation of legal identity. (Chapter 7 provides a discussion of proper
documentation of legal identity). If the family representative does not provide the required documentation, the appointment may be rescheduled when the proper documents have been obtained.

Pending disclosure and documentation of social security numbers, the PHA will allow the family to retain its place on the waiting list for 10 calendar days. If not all household members have disclosed their SSNs at the next time the PHA is issuing vouchers, the PHA will issue a voucher to the next eligible applicant family on the waiting list.

The family must provide the information necessary to establish the family’s eligibility and determine the appropriate level of assistance, as well as completing required forms, providing required signatures, and submitting required documentation. If any materials are missing, the PHA will provide the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide at the interview must be provided within 10 calendar days of the interview (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of Social Security numbers and eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. The family will be sent a notice of denial if the required documents and information are not provided within the required time frame (plus any extensions) (See Chapter 3).

An advocate, interpreter, or other assistant may assist the family with the application and the interview process.

Interviews will be conducted in English. For limited English proficient (LEP) applicants, the PHA will provide translation services in accordance with the PHA’s LEP plan.

If the family is unable to attend a scheduled interview, the family should contact the PHA in advance of the interview to schedule a new appointment. In all circumstances, if a family does not attend a scheduled interview, the PHA will send another notification letter with a new interview appointment time. Applicants who fail to attend two scheduled interviews without PHA approval will be denied assistance based on the family’s failure to supply information needed to determine eligibility. A notice of denial will be issued in accordance with policies contained in Chapter 3.

4-III.F. COMPLETING THE APPLICATION PROCESS

The PHA must verify all information provided by the family (see Chapter 7). Based on verified information, the PHA must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted admission, or selection preference that affected the order in which the family was selected from the waiting list.

**PHA Policy**

If the PHA determines that the family is ineligible, the PHA will send written notification of the ineligibility determination within 10 calendar days of the determination. The
notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review (Chapter 16).

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list, the family will be returned to the waiting list. The PHA will notify the family in writing that it has been returned to the waiting list, and will specify the reasons for it.

If the PHA determines that the family is eligible to receive assistance, the PHA will invite the family to attend a briefing in accordance with the policies in Chapter 5.
5-I.A. OVERVIEW

HUD regulations require the PHA to conduct mandatory briefings for applicant families. The briefing provides a broad description of owner and family responsibilities, explains the PHA’s procedures, and includes instructions on how to lease a unit. This part describes how oral briefings will be conducted, specifies what written information will be provided to families, and lists the family’s obligations under the program.

This chapter explains the briefing and voucher issuance process. When a family is determined to be eligible for the Housing Choice Voucher (HCV) program, the PHA must ensure that the family fully understands the way the program operates and the family’s obligations under the program. This is accomplished through both an oral briefing and provision of a briefing packet containing written documentation of information the family needs to know. Once the family is fully informed of the program’s requirements, the PHA issues the family a voucher. The voucher includes the unit size the family qualifies for based on the PHA’s subsidy standards, as well as the dates of issuance and expiration of the voucher. The voucher is the document that permits the family to begin its search for a unit, and limits the amount of time the family has to successfully locate an acceptable unit.

This chapter describes HUD regulations and PHA policies related to these topics in two parts:

Part I: Briefings and Family Obligations. This part details the program’s requirements for briefing families orally, and for providing written materials describing the program and its requirements. It includes a particular focus on the family’s obligations under the program.

Part II: Subsidy Standards and Voucher Issuance. This part discusses the PHA’s standards for determining how many bedrooms a family of a given composition qualifies for, which in turn affects the amount of subsidy the family can receive. It also discusses the policies that dictate how vouchers are issued, and how long families have to locate a unit.

5-I.B. BRIEFING [24 CFR 982.301]

The PHA must give the family an oral briefing and provide the family with a briefing packet containing written information about the program. Families may be briefed individually or in groups. At the briefing, the PHA must ensure effective communication in accordance with Section 504 requirements (Section 504 of the Rehabilitation Act of 1973), and ensure that the briefing site is accessible to individuals with disabilities. For a more thorough discussion of accessibility requirements, refer to Chapter 2.
**PHA Policy**

**Briefings will be conducted in group and/or individual meetings.**

Generally, the head of household is required to attend the briefing. If the head of household is unable to attend, the PHA may approve another adult family member to attend the briefing.

Families that attend group briefings and still need individual assistance will be referred to an appropriate PHA staff person.

Briefings will be conducted in English. For limited English proficient (LEP) applicants, the PHA will provide translation services in accordance with the PHA’s LEP plan (See Chapter 2).

**Notification and Attendance**

**PHA Policy**

Families will be notified of their eligibility for assistance at the time they are invited to attend a briefing. The notice will identify who is required to attend the briefing, as well as the date and time of the scheduled briefing.

If the notice is returned by the Post Office with no forwarding address, the applicant will be denied and their name will not be placed back on the waiting list. If the notice is returned by the Post Office with a forwarding address, the notice will be re-sent to the address indicated.

Applicants who fail to attend a scheduled briefing will automatically be scheduled for another briefing. The PHA will notify the family of the date and time of the second scheduled briefing. Applicants who fail to attend two scheduled briefings, without PHA approval, will be denied assistance (See Chapter 3).

**Oral Briefing [24 CFR 982.301(a)]**

Each briefing must provide information on the following subjects:

- How the Housing Choice Voucher program works;
- Family and owner responsibilities;
- Where the family can lease a unit, including renting a unit inside or outside the PHA’s jurisdiction;
- For families eligible under portability, an explanation of portability. The PHA cannot discourage eligible families from moving under portability;
- For families living in high-poverty census tracts, an explanation of the advantages of moving to areas outside of high-poverty concentrations; and

**PHA Policy**
The PHA will inform the family during the oral briefing that the family has the right to select any eligible unit available for lease.

Briefing Packet [24 CFR 982.301(b)]

Documents and information provided in the briefing packet must include the following:

- The term of the voucher, and the PHA’s policies on any extensions or suspensions of the term. If the PHA allows extensions, the packet must explain how the family can request an extension.

- A description of the method used to calculate the housing assistance payment for a family, including how the PHA determines the payment standard for a family, how the PHA determines total tenant payment for a family, and information on the payment standard and utility allowance schedule.

- An explanation of how the PHA determines the maximum allowable rent for an assisted unit.

- Where the family may lease a unit. For a family that qualifies to lease a unit outside the PHA jurisdiction under portability procedures, the information must include an explanation of how portability works.

- The HUD-required tenancy addendum, which must be included in the lease.

- The form the family must use to request approval of tenancy, and a description of the procedure for requesting approval for a tenancy.

- A statement of the PHA policy on providing information about families to prospective owners.

- The PHA subsidy standards including when and how exceptions are made.

- The HUD brochure on how to select a unit.

- The HUD pamphlet on lead-based paint entitled Protect Your Family from Lead in Your Home.

- Information on federal, state and local equal opportunity laws and a copy of the housing discrimination complaint form.

- A list of landlords or other parties willing to lease to assisted families or help families find units, especially outside areas of poverty or minority concentration.

- Notice that if the family includes a person with disabilities, the family may request a list of available accessible units known to the PHA.

- The family obligations under the program.

- The grounds on which the PHA may terminate assistance for a participant family because of family action or failure to act.

- PHA informal hearing procedures including when the PHA is required to offer a participant family the opportunity for an informal hearing, and how to request the hearing.

If the PHA is located in a metropolitan FMR area, the following additional information must be included in the briefing packet in order to receive full points under SEMAP Indicator 7, Expanding Housing Opportunities [24 CFR 985.3(g)]:

© Copyright 2011 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.
• Maps showing areas with housing opportunities outside areas of poverty or minority concentration, both within its jurisdiction and its neighboring jurisdiction

• Information about the characteristics of these areas including job opportunities, schools, transportation, and other services

• An explanation of how portability works, including a list of portability contact persons for neighboring PHAs with names, addresses, and telephone numbers

Additional Items to Be Included in the Briefing Packet

In addition to items required by the regulations, PHAs may wish to include supplemental materials to help explain the program to both participants and owners [HCV GB p. 8-7, Notice PIH 2010-19].

PHA Policy

The PHA will provide the following additional materials in the briefing packet:

Information on how to fill out and file a housing discrimination complaint form

Information about the protections afforded by the Violence against Women Act of 2005 (VAWA) to victims of domestic violence, dating violence, and stalking (see section 16-IX.C)

“Is Fraud Worth It?” (Form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse

“What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2010-19

5-I.C. FAMILY OBLIGATIONS

Obligations of the family are described in the housing choice voucher (HCV) regulations and on the voucher itself. These obligations include responsibilities the family is required to fulfill, as well as prohibited actions. The PHA must inform families of these obligations during the oral briefing, and the same information must be included in the briefing packet. When the family’s unit is approved and the HAP contract is executed, the family must meet those obligations in order to continue participating in the program. Violation of any family obligation may result in termination of assistance, as described in Chapter 12.

Time Frames for Reporting Changes Required By Family Obligations

PHA Policy

Unless otherwise noted below, when family obligations require the family to respond to a request or notify the PHA of a change, notifying the PHA of the request or change within 10 calendar days is considered prompt notice.

When a family is required to provide notice to the PHA, the notice must be in writing.

Family Obligations [24 CFR 982.551]

Following is a listing of a participant family’s obligations under the HCV program:
• The family must supply any information that the PHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.

• The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.

• The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.

• Any information supplied by the family must be true and complete.

• The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

**PHA Policy**

*Damages beyond normal wear and tear will be considered to be damages which could be assessed against the security deposit.*

• The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.

• The family must not commit any serious or repeated violation of the lease.

**PHA Policy**

*The PHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner’s notice to evict.*

*Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, and destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, or stalking will not be construed as serious or repeated lease violations by the victim [24 CFR 5.2005(c)(1)].*

• The family must notify the PHA and the owner before moving out of the unit or terminating the lease.

**PHA Policy**

*The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to the PHA at the same time the owner is notified.*

• The family must promptly give the PHA a copy of any owner eviction notice.

• The family must use the assisted unit for residence by the family. The unit must be the family’s only residence.

• The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify the PHA in writing of the birth, adoption, or court-awarded
custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

**PHA Policy**

*The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. The PHA will determine eligibility of the new member in accordance with the policies in Chapter 3.*

- The family must promptly notify the PHA in writing if any family member no longer lives in the unit.
- If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

**PHA Policy**

*Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.*

- The family must supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify the PHA when the family is absent from the unit.

**PHA Policy**

*Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to the PHA at the start of the extended absence.*

- The family must pay utility bills and provide and maintain any appliances that the owner is not required providing under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit.
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).
- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.
• An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.

• A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

PART II: SUBSIDY STANDARDS AND VOUCHER ISSUANCE

5-II.A. OVERVIEW

The PHA must establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. This part presents the policies that will be used to determine the family unit size (also known as the voucher size) a particular family should receive, and the policies that govern making exceptions to those standards. The PHA also must establish policies related to the issuance of the voucher, to the voucher term, and to any extensions or suspensions of that term.

5-II.B. DETERMINING FAMILY UNIT (VOUCHER) SIZE [24 CFR 982.402]

For each family, the PHA determines the appropriate number of bedrooms under the PHA subsidy standards and enters the family unit size on the voucher that is issued to the family. The family unit size does not dictate the size of unit the family must actually lease, nor does it determine who within a household will share a bedroom/sleeping room.

The following requirements apply when the PHA determines family unit size:

• The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.

• The subsidy standards must be consistent with space requirements under the housing quality standards.

• The subsidy standards must be applied consistently for all families of like size and composition.

• A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.

• A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.

• Any live-in aide (approved by the PHA to reside in the unit to care for a family member who is disabled or is at least 50 years of age) must be counted in determining the family unit size;
• Unless a live-in aide resides with a family, the family unit size for any family consisting of a single person must be a one-bedroom unit, as determined under the PHA subsidy standards.

**PHA Policy**

*The PHA will assign one bedroom for each two persons within the household, except in the following circumstances:*

*Persons of the opposite sex will be allocated separate bedrooms other than spouses or cohabitants or where BOTH children are 5 years or younger.*

*Head of household will not share a bedroom with a child.*

*Single pregnant applicants or tenants will be treated as a two-bedroom family. Pregnant applicants or tenants will other household members must wait until after the birth of the child for the PHA to analyze the family’s composition before making a bedroom size determinations.*

*Live-in aides will be allocated a separate bedroom.*

*Single person families will be allocated one bedroom.*

*Adults of different generations will have separate bedrooms (an adult is defined as a person 18 years of age or older for unit determination).*  
*A child who is away at school but who lives with the family during recesses will be considered for additional rooms.*

The PHA will reference the following chart in determining the appropriate voucher size for a family:

<table>
<thead>
<tr>
<th>Voucher Size</th>
<th>Persons in Household</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 Bedroom</td>
<td>1-2</td>
</tr>
<tr>
<td>2 Bedrooms</td>
<td>2-4</td>
</tr>
<tr>
<td>3 Bedrooms</td>
<td>3-6</td>
</tr>
<tr>
<td>4 Bedrooms</td>
<td>4-8</td>
</tr>
<tr>
<td>5 Bedrooms</td>
<td>6-10</td>
</tr>
</tbody>
</table>

HQS regulations permit two persons per living/sleeping room and permits higher maximum occupancy levels*, assuming the living room is used as a bedroom.

**5-II.C. EXCEPTIONS TO SUBSIDY STANDARDS**

In determining family unit size for a particular family, the PHA may grant an exception to its established subsidy standards if the PHA determines that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances [24 CFR 982.402(b)(8)]. Reasons may include, but are not limited to:
• A need for an additional bedroom for medical equipment
• A need for a separate bedroom for reasons related to a family member’s disability, medical or health condition
• A need for a separate bedroom for reasons related to same sex children-age gap differences (five years apart or greater) will be considered in unit size determination.

For a single person who is not elderly, disabled, or a remaining family member, an exception cannot override the regulatory limit of a zero or one bedroom [24 CFR 982.402(b)(8)].

**PHA Policy**

_The PHA will consider granting an exception for any of the reasons specified in the regulation: the age, sex, health, handicap, or relationship of family members or other personal circumstances._

_The family must request any exception to the subsidy standards in writing. The request must explain the need or justification for a larger family unit size, and must include appropriate documentation. Requests based on health-related reasons must be verified by a knowledgeable professional source (e.g., doctor or health professional), unless the disability and the disability–related request for accommodation is readily apparent or otherwise known. The family’s continued need for an additional bedroom due to special medical equipment must be re-verified at annual reexamination._

_The PHA will notify the family of its determination within 10 calendar days of receiving the family’s request. If a participant family’s request is denied, the notice will inform the family of their right to request an informal hearing._

Any voucher incorrectly issued will be corrected on the participant’s next annual reexamination.

5-II.D. VOUCHER ISSUANCE [24 CFR 982.302]

When a family is selected from the waiting list or when a participant family wants to move to another unit, the PHA issues a Housing Choice Voucher, form HUD-52646. This chapter deals only with voucher issuance for applicants. For voucher issuance associated with moves of program participants, please refer to Chapter 10.

The voucher is the family’s authorization to search for housing. It specifies the unit size for which the family qualifies, and includes both the date of voucher issuance and date of expiration. It contains a brief description of how the program works and explains the family obligations under the program. The voucher is evidence that the PHA has determined the family to be eligible for the program, and that the PHA expects to have money available to subsidize the family if the family finds an approvable unit. However, the PHA does not have any liability to any party by the issuance of the voucher, and the voucher does not give the family any right to participate in the PHA’s housing choice voucher program [Voucher, form HUD-52646]

A voucher can be issued to an applicant family only after the PHA has determined that the family is eligible for the program based on information received within the 60 days prior to issuance [24 CFR 982.201(e)] and after the family has attended an oral briefing [HCV 8-1].
**PHA Policy**

*Vouchers will be issued to eligible applicants after all information provided by the applicant is verified.*

The PHA should have sufficient funds to house an applicant before issuing a voucher. If funds are insufficient to house the family at the top of the waiting list, the PHA must wait until it has adequate funds before it calls another family from the list [HCV GB p. 8-10].

**PHA Policy**

*Prior to issuing any vouchers, the PHA will determine whether it has sufficient funding in accordance with the policies in Part VIII of Chapter 16.*

If the PHA determines that there is insufficient funding after a voucher has been issued, the PHA may rescind the voucher and place the affected family back on the waiting list.

5-IIE. VOUCHER TERM, EXTENSIONS, AND SUSPENSIONS

**Voucher Term [24 CFR 982.303]**

The initial term of a voucher must be at least 60 calendar days. The initial term must be stated on the voucher [24 CFR 982.303(a)].

**PHA Policy**

*The initial voucher term will be 60 calendar days.*

*The family must submit a Request for Tenancy Approval and proposed lease within the 60-day period unless the PHA grants an extension.*

*The PHA will generally grant extension to the voucher up to a total of 120 days; however the PHA may at any time discontinue extending vouchers beyond the initial 60 day period.*

**Extensions of Voucher Term [24 CFR 982.303(b)]**

The PHA has the authority to grant extensions of search time, to specify the length of an extension, and to determine the circumstances under which extensions will be granted.

PHAs must approve additional search time if needed as a reasonable accommodation to make the program accessible to and usable by a person with disabilities. The extension period must be reasonable for the purpose.

The family must be notified in writing of the PHA’s decision to approve or deny an extension. The PHA’s decision to deny a request for an extension of the voucher term is not subject to informal review [24 CFR 982.554(c)(4)].

**PHA Policy**

*The PHA will approve one 30-day extension upon written request and complete search report from the family.*

*The PHA will allow additional extensions only in the following circumstances:*

*It is necessary as a reasonable accommodation for a person with disabilities.*
It is necessary due to reasons beyond the family’s control, as determined by the PHA. Following is a list of extenuating circumstances that the PHA may consider in making its decision. The presence of these circumstances does not guarantee that an extension will be granted:

- Serious illness or death in the family
- Other family emergency
- Obstacles due to employment
- Whether the family has already submitted requests for tenancy approval that were not approved by the PHA
- Whether family size or other special requirements make finding a unit difficult

In the case of extremely low housing stock due to a natural disaster, the PHA may approve additional voucher extensions at its discretion.

Any request for an additional extension must include the reason(s) an additional extension is necessary. The PHA may require the family to provide documentation to support the request.

All requests for extensions to the voucher term must be made in writing and submitted to the PHA prior to the expiration date of the voucher (or extended term of the voucher).

The PHA will decide whether to approve or deny an extension request within 10 calendar days of the date the request is received, and will immediately provide the family written notice of its decision.

Suspensions of Voucher Term [24 CFR 982.303(c) & 982.4]

The PHA must suspend the housing choice voucher term if the family has submitted a Request for Tenancy Approval (RTA) during the voucher term. “Suspension” means stopping the clock on a family’s voucher term from the time a family submits the RTA until the time the PHA approves or denies the request.

Expiration of Voucher Term

Once a family’s housing choice voucher term (including any extensions) expires, the family is no longer eligible to search for housing under the program. If the family still wishes to receive assistance, the PHA may require that the family reapply, or may place the family on the waiting list with a new application date but without requiring reapplication. Such a family does not become ineligible for the program on the grounds that it was unable to locate a unit before the voucher expired [HCV GB p. 8-13].

PHA Policy

If an applicant family’s voucher term or extension expires before the family has submitted a Request for Tenancy Approval (RTA), the PHA will require the family to reapply for assistance. If an RTA that was submitted prior to the expiration date of the voucher is subsequently disapproved by the PHA (after the voucher term has expired), the family will be required to reapply for assistance.
Within 10 calendar days after the expiration of the voucher term or any extension, the PHA will notify the family in writing that the voucher term has expired and that the family must reapply in order to be placed on the waiting list.

A portability family’s voucher can’t expire before 30 days after the IHA voucher expiration date. These vouchers will automatically be given 30 additional days after the effective date of expiration given by the IHA. [24 CFR 982.355(c)(13)]
INTRODUCTION

A family’s income determines eligibility for assistance and is also used to calculate the family’s payment and the PHA’s subsidy. The PHA will use the policies and methods described in this chapter to ensure that only eligible families receive assistance and that no family pays more or less than its obligation under the regulations. This chapter describes HUD regulations and PHA policies related to these topics in three parts as follows:

• **Part I: Annual Income.** HUD regulations specify the sources of income to include and exclude to arrive at a family’s annual income. These requirements and PHA policies for calculating annual income are found in Part I.

• **Part II: Adjusted Income.** Once annual income has been established HUD regulations require the PHA to subtract from annual income any of five mandatory deductions for which a family qualifies. These requirements and PHA policies for calculating adjusted income are found in Part II.

• **Part III: Calculating Family Share and PHA Subsidy.** This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining PHA subsidy and required family payment.

PART I: ANNUAL INCOME

6-I.A. OVERVIEW

The general regulatory definition of *annual income* shown below is from 24 CFR 5.609.

5.609 Annual income.

(a) Annual income means all amounts, monetary or not, which:

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph [5.609(c)].

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

In addition to this general definition, HUD regulations establish policies for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:
• Annual Income Inclusions (Exhibit 6-1)
• Annual Income Exclusions (Exhibit 6-2)
• Treatment of Family Assets (Exhibit 6-3)
• Earned Income Disallowance for Persons with Disabilities (Exhibit 6-4)
• The Effect of Welfare Benefit Reduction (Exhibit 6-5)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. HUD regulations present income inclusions and exclusions separately [24 CFR 5.609(b) and 24 CFR 5.609(c)]. In this plan, however, the discussions of income inclusions and exclusions are integrated by topic (e.g., all policies affecting earned income are discussed together in section 6-I.D). Verification requirements for annual income are discussed in Chapter 7.

6-I.B. HOUSEHOLD COMPOSITION AND INCOME

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

<table>
<thead>
<tr>
<th>Summary of Income Included and Excluded by Person</th>
</tr>
</thead>
<tbody>
<tr>
<td>Live-in aides</td>
</tr>
<tr>
<td>Income from all sources is excluded [24 CFR 5.609(c)(5)].</td>
</tr>
<tr>

<tr>
<td>All other sources of income, except those specifically excluded by the regulations, are included.</td>
</tr>
<tr>
<td>Full-time students 18 years of age or older (not head, spouse, or cohead)</td>
</tr>
<tr>
<td>Employment income above $480/year is excluded [24 CFR 5.609(c)(11)].</td>
</tr>
<tr>
<td>All other sources of income, except those specifically excluded by the regulations, are included.</td>
</tr>
</tbody>
</table>

Temporarily Absent Family Members

The income of family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit [HCV GB, p. 5-18]. See Chapter 3, Section 3-1.L

PHA Policy
Generally an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. An individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

**Absent Students**

**PHA Policy**

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the PHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

**Absences Due to Placement in Foster Care**

Children temporarily absent from the home as a result of placement in foster care are considered members of the family [24 CFR 5.403].

**PHA Policy**

If a child has been placed in foster care, the PHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

**Absent Head, Spouse, or Cohead**

**PHA Policy**

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.

**Family Members Permanently Confined for Medical Reasons**

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

**PHA Policy**

The PHA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

When an individual who has been counted as a family member is determined permanently absent, the family is eligible for the medical expense deduction only if the remaining head, spouse, or cohead qualify as an elderly person or a person with disabilities.
Joint Custody of Dependents

**PHA Policy**

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 51 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the PHA will make the determination based on available documents such as court orders, or an IRS return showing which family has claimed the child for income tax purposes.

Caretakers for a Child

**PHA Policy**

If neither a parent nor a designated guardian remains in a household receiving HCV assistance, the PHA will take the following actions:

1. If a responsible agency has determined that another adult is to be brought into the assisted unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.

2. If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 90 days. After the 90 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker’s role is temporary. In such cases the PHA will extend the caretaker’s status as an eligible visitor.

3. At any time that custody or guardianship legally has been awarded to a caretaker, the housing choice voucher will be transferred to the caretaker.

4. During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify for any deductions from income.

**PHA Policy**

If a parent that wasn’t a family member in a household receiving HCV assistance decides to take custody of his or her child(ren) that are in an assisted unit, the PHA will take the following actions:

1. Screen the living parent for eligibility as per HUD and PHA regulations. See Chapter 3

2. Acknowledge the parent as the legal parent/guardian of the child(ren) and change the HOH to reflect the transfer of the housing choice voucher by completing an interim to change the HOH from the deceased to the living parent effective for the end of the month of the passing of the former HOH.

3. Where necessary, complete another interim to reflect the household’s new total family share based off of the family’s new composition and income.
(4) If another child(ren) reside in the assisted family’s unit that isn’t the new HOH paternal child(ren), the new HOH must establish custody or guardianship to have the child(ren) remain in the household or add him or her when obtained.

6-I.C. ANTICIPATING ANNUAL INCOME

The PHA is required to count all income “anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date” [24 CFR 5.609(a)(2)]. Policies related to anticipating annual income are provided below.

Basis of Annual Income Projection

The PHA generally will use current circumstances to determine anticipated income for the coming 12-month period. HUD authorizes the PHA to use other than current circumstances to anticipate income when:

- An imminent change in circumstances is expected [HCV GB, p. 5-17]
- It is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income) [24 CFR 5.609(d)]
- The PHA believes that past income is the best available indicator of expected future income [24 CFR 5.609(d)]

PHAs are required to use HUD’s Enterprise Income Verification (EIV) system in its entirety as a third party source to verify employment and income information, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR 5.233(a)(2)].

HUD allows PHAs to use pay-stubs to project income once EIV data has been received in such cases where the family does not dispute the EIV employer data and where the PHA does not determine it is necessary to obtain additional third-party data.

PHA Policy

When EIV is obtained and the family does not dispute the EIV employer data, the PHA will use current tenant-provided documents to project annual income. When the tenant-provided documents are pay stubs, the PHA will make every effort to obtain current and consecutive pay stubs dated within the last 60 days.

The PHA will obtain written and/or oral third-party verification in accordance with the verification requirements and policy in Chapter 7 in the following cases:

- If EIV or other UIV data is not available,
- If the family disputes the accuracy of the EIV employer data, and/or
- If the PHA determines additional information is needed.

In such cases, the PHA will review and analyze current data to anticipate annual income. In all cases, the family file will be documented with a clear record of the reason for the decision, and a clear audit trail will be left as to how the PHA annualized projected income.

When the PHA cannot readily anticipate income based upon current circumstances (e.g., in the case of seasonal employment, unstable working hours, or suspected fraud), the PHA will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income.
Any time current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases the family may present information and documentation to the PHA to show why the historic pattern does not represent the family’s anticipated income.

**Known Changes in Income**

If the PHA verifies an upcoming increase or decrease in income, annual income will be calculated by applying each income amount to the appropriate part of the 12-month period.

| Example: An employer reports that a full-time employee who has been receiving $8/hour will begin to receive $8.25/hour in the eighth week after the effective date of the reexamination. In such a case the PHA would calculate annual income as follows: ($8/hour × 40 hours × 7 weeks) + ($8.25 × 40 hours × 45 weeks). |

The family may present information that demonstrates that implementing a change before its effective date would create a hardship for the family. In such cases the PHA will calculate annual income using current circumstances and then require an interim reexamination when the change actually occurs. This requirement will be imposed even if the PHA’s policy on reexaminations does not require interim reexaminations for other types of changes.

When tenant-provided third-party documents are used to anticipate annual income, they will be dated within the last 60 days of the reexamination interview date.

_EIV quarterly wages will not be used to project annual income at an annual or interim reexamination._

**Projecting Income**

In HUD’s EIV webcast of January 2008, HUD made clear that PHAs are not to use EIV quarterly wages to project annual income.

**6-I.D. EARNED INCOME**

**Types of Earned Income Included in Annual Income**

**Wages and Related Compensation**

The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services is included in annual income [24 CFR 5.609(b)(1)].

**PHA Policy**

For persons who regularly receive bonuses or commissions, the PHA will verify and then average amounts received for the two years preceding admission or reexamination. If only a one-year history is available, the PHA will use the prior year amounts. In either case the family may provide, and the PHA will consider, a credible justification for not using this history to anticipate future bonuses or commissions. If a new employee has not yet received any bonuses or commissions, the PHA will count only the amount estimated by the employer. The file will be documented appropriately.

**Some Types of Military Pay**
All regular pay, special pay and allowances of a member of the Armed Forces are counted [24 CFR 5.609(b)(8)] except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(c)(7)].

**Types of Earned Income Not Counted in Annual Income**

**Temporary, Nonrecurring, or Sporadic Income [24 CFR 5.609(c)(9)]**

This type of income (including gifts) is not included in annual income. Sporadic income includes temporary payments from the U.S. Census Bureau for employment lasting no longer than 180 days [Notice PIH 2009-19].

**PHA Policy**

*Sporadic income is income that is not received periodically and cannot be reliably predicted. For example, the income of an individual who works occasionally as a handyman would be considered sporadic if future work could not be anticipated and no historic, stable pattern of income existed.*

**Children’s Earnings**

Employment income earned by children (including foster children) under the age of 18 years is not included in annual income [24 CFR 5.609(c)(1)]. (See Eligibility chapter for a definition of foster children.)

**Certain Earned Income of Full-Time Students**

Earnings in excess of $480 for each full-time student 18 years old or older (except for the head, spouse, or cohead) are not counted [24 CFR 5.609(c)(11)]. To be considered “full-time,” a student must be considered “full-time” by an educational institution with a degree or certificate program [HCV GB, p. 5-29].

**Income of a Live-in Aide**

Income earned by a live-in aide, as defined in [24 CFR 5.403], is not included in annual income [24 CFR 5.609(c)(5)]. (See Eligibility chapter for a full discussion of live-in aides.)

**Income Earned under Certain Federal Programs**

Income from some federal programs is specifically excluded from consideration as income [24 CFR 5.609(c)(17)], including:

- Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
- Payments received under programs funded in whole or in part under the Job Training Partnership Act (29 U.S.C. 1552(b))
- Awards under the federal work-study program (20 U.S.C. 1087 uu)
- Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))
- Allowances, earnings, and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
- Allowances, earnings, and payments to participants in programs funded under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

**Resident Service Stipend**
Amounts received under a resident service stipend are not included in annual income. A resident service stipend is a modest amount (not to exceed $200 per individual per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA’s governing board. No resident may receive more than one such stipend during the same period of time [24 CFR 5.600(c)(8)(iv)].

State and Local Employment Training Programs

Incremental earnings and benefits to any family member resulting from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program [24 CFR 5.609(c)(8)(v)].

PHA Policy

The PHA defines training program as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period of time. It is designed to lead to a higher level of proficiency, and it enhances the individual’s ability to obtain employment. It may have performance standards to measure proficiency. Training may include, but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

The PHA defines incremental earnings and benefits as the difference between: (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program, and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, the PHA will use as the pre-enrollment income the total annualized amount of the family member’s welfare assistance and earnings reported on the family’s most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with the PHA’s interim reporting requirements.

HUD-Funded Training Programs

Amounts received under training programs funded in whole or in part by HUD [24 CFR 5.609(c)(8)(i)] are excluded from annual income. Eligible sources of funding for the training include operating subsidy, Section 8 administrative fees, and modernization, Community Development Block Grant (CDBG), HOME program, and other grant funds received from HUD.

PHA Policy

To qualify as a training program, the program must meet the definition of training program provided above for state and local employment training programs.

Earned Income Tax Credit
Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j)), are excluded from annual income [24 CFR 5.609(c)(17)]. Although many families receive the EITC annually when they file taxes, an EITC can also be received throughout the year. The prorated share of the annual EITC is included in the employee’s payroll check.

**Earned Income Disallowance** The earned income disallowance for persons with disabilities is discussed in section 6-I.E below.

**6-I.E. EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES [24 CFR 5.617]**

The earned income disallowance (EID) encourages people with disabilities to enter the work force by not including the full value of increases in earned income for a period of time. The full text of 24 CFR 5.617 is included as Exhibit 6-4 at the end of this chapter. Eligibility criteria and limitations on the disallowance are summarized below.

**Eligibility**

This disallowance applies only to individuals in families already participating in the HCV program (not at initial examination). To qualify, the family must experience an increase in annual income that is the result of one of the following events:

- Employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment. *Previously unemployed* includes a person who annually has earned not more than the minimum wage applicable to the community multiplied by 500 hours (minimum wages at 10 hours a week for 50 weeks). The applicable minimum wage is the federal minimum wage unless there is a higher state or local minimum wage.

- Increased earnings by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency or job-training program. A self-sufficiency program includes a program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work to such families [24 CFR 5.603(b)].

- New employment or increased earnings by a family member who is a person with disabilities and who has received benefits or services under Temporary Assistance for Needy Families (TANF) or any other state program funded under Part A of Title IV of the Social Security Act within the past six months. If the benefits are received in the form of monthly maintenance, there is no minimum amount. If the benefits or services are received in a form other than monthly maintenance, such as one-time payments, wage subsidies, or transportation assistance, the total amount received over the six-month period must be at least $500.

**Calculation of the Disallowance**

Calculation of the earned income disallowance for an eligible member of a qualified family begins with a comparison of the member’s current income with his or her “prior income.”

**PHA Policy**

*The PHA defines prior income, or prequalifying income, as the family member’s last certified income prior to qualifying for the EID.*

The family member’s prior, or prequalifying, income remains constant throughout the period that he or she is receiving the EID.

**Initial 12-Month Exclusion**
During the initial 12-month exclusion period, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded. The 12 months are consecutive.

**PHA Policy**

*The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.*

**Second 12-Month Exclusion and Phase-In**

During the second 12-month exclusion period, the exclusion is reduced to half (50 percent) of any increase in income attributable to employment or increased earnings. The 12 months are consecutive.

**Lifetime Limitation**

The EID has a two-year (24-month period) lifetime maximum. The two-year eligibility period begins at the same time that the initial exclusion period begins and ends 24 months later regardless of how many months were “used”. The one-time eligibility for the EID applies even if the eligible individual begins to receive assistance from another housing agency, if the individual moves between public housing and Section 8 assistance, or if there are breaks in assistance.

**PHA Policy**

*During the 24-month eligibility period, the PHA will schedule and conduct an interim reexamination each time there is a change in the family member’s annual income that affects or is affected by the EID (e.g., when the family member’s income falls to a level at or below his/her prequalifying income, when one of the exclusion periods ends, and at the end of the lifetime maximum eligibility period).*

**6-I.F. BUSINESS INCOME [24 CFR 5.609(b)(2)]**

Annual income includes “the net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family” [24 CFR 5.609(b)(2)].

**Business Expenses**

Net income is “gross income less business expense” [HCV GB, p. 5-19].

**PHA Policy**

*To determine business expenses that may be deducted from gross income, the PHA will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described below.*

**Business Expansion**
HUD regulations do not permit the PHA to deduct from gross income expenses for business expansion.

**PHA Policy**

*Business expansion is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.*

**Capital Indebtedness**

HUD regulations do not permit the PHA to deduct from gross income the amortization of capital indebtedness.

**PHA Policy**

*Capital indebtedness is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means the PHA will allow as a business expense interest, but not principal, paid on capital indebtedness.*

**Negative Business Income**

If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income.

**Withdrawal of Cash or Assets from a Business**

HUD regulations require the PHA to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

**PHA Policy**

*Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of an assisted family provided an up-front loan of $2,000 to help a business get started, the PHA will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid. Investments do not include the value of labor contributed to the business without compensation.*

**Co-owned Businesses**

**PHA Policy**

*If a business is co-owned with someone outside the family, the family must document the share of the business it owns. If the family’s share of the income is lower than its share of ownership, the family must document the reasons for the difference.*

6-I.G. ASSETS [24 CFR 5.609(b)(3) and 24 CFR 5.603(b)]

**Overview**

© Copyright 2011 Nan McKay & Associates, Inc.

Unlimited copies may be made for internal use.
There is no asset limitation for participation in the HCV program. However, HUD requires that
the PHA include in annual income the “interest, dividends, and other net income of any kind from
real or personal property” [24 CFR 5.609(b)(3)]. This section discusses how the income from
various types of assets is determined. For most types of assets, the PHA must determine the value
of the asset in order to compute income from the asset. Therefore, for each asset type, this section
discusses:

- How the value of the asset will be determined
- How income from the asset will be calculated

Exhibit 6-1 provides the regulatory requirements for calculating income from assets [24 CFR
5.609(b)(3)], and Exhibit 6-3 provides the regulatory definition of net family assets. This section
begins with a discussion of general policies related to assets and then provides HUD rules and
PHA policies related to each type of asset.

General Policies

Family Declaration of Assets Under $5,000 (960.259, 982.516)

HUD authorizes the PHA to rely on a family’s declaration that it has total net assets equal to or
less than $5,000, without taking additional steps to verify the accuracy of the declaration.

PHA Policy

For new admissions and added family members, the PHA will be required to verify
through third-party verification that the family’s assets do not exceed $5,000. For
reexaminations, the PHA will accept the family’s declaration that its total net assets
are equal to or less than $5,000.

Each declaration must show each asset and the amount of income expected from that asset. All
family members 18 years of age and older must sign the family’s declaration. Although the PHA
may use the family’s declaration of assets at reexaminations, the PHA must obtain third-party
verification on assets at least every 3 years.

If a new family member is added to the household and his or her assets added to the family’s assets
put the family above the $5,000 threshold, the PHA must obtain third-party verification of ALL
family assets at the next annual reexamination.

Income from Assets

The PHA generally will use current circumstances to determine both the value of an asset and the
anticipated income from the asset. As is true for all sources of income, HUD authorizes the PHA
to use other than current circumstances to anticipate income when (1) an imminent change in
circumstances is expected (2) it is not feasible to anticipate a level of income over 12 months or
(3) the PHA believes that past income is the best indicator of anticipated income. For example, if
a family member owns real property that typically receives rental income but the property is
currently vacant, the PHA can take into consideration past rental income along with the prospects
of obtaining a new tenant.

PHA Policy

Anytime current circumstances are not used to determine asset income, a clear rationale
for the decision will be documented in the file. In such cases the family may present
information and documentation to the PHA to show why the asset income determination
does not represent the family’s anticipated asset income.
Valuing Assets

The calculation of asset income sometimes requires the PHA to make a distinction between an asset’s market value and its cash value.

- The market value of an asset is its worth (e.g., the amount a buyer would pay for real estate or the balance in an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

**PHA Policy**

*Reasonable costs that would be incurred when disposing of an asset include, but are not limited to, penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions [HCV GB, p. 5-28].*

Lump-Sum Receipts

Payments that are received in a single lump sum, such as inheritances, capital gains, lottery winnings, insurance settlements, and proceeds from the sale of property, are generally considered assets, not income. However, such lump-sum receipts are counted as assets only if they are retained by a family in a form recognizable as an asset (e.g., deposited in a savings or checking account) [RHIIP FAQs]. (For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.)

**Imputing Income from Assets [24 CFR 5.609(b)(3)]**

When net family assets are $5,000 or less, the PHA will include in annual income the actual income anticipated to be derived from the assets. When the family has net family assets in excess of $5,000, the PHA will include in annual income the greater of (1) the actual income derived from the assets or (2) the imputed income. Imputed income from assets is calculated by multiplying the total cash value of all family assets by the current HUD-established passbook savings rate.

**Determining Actual Anticipated Income from Assets**

It may or may not be necessary for the PHA to use the value of an asset to compute the actual anticipated income from the asset. When the value is required to compute the anticipated income from an asset, the market value of the asset is used. For example, if the asset is a property for which a family receives rental income, the anticipated income is determined by annualizing the actual monthly rental amount received for the property; it is not based on the property’s market value. However, if the asset is a savings account, the anticipated income is determined by multiplying the market value of the account by the interest rate on the account.

**Withdrawal of Cash or Liquidation of Investments**

Any withdrawal of cash or assets from an investment will be included in income except to the extent that the withdrawal reimburses amounts invested by the family. For example, when a family member retires, the amount received by the family from a retirement plan is not counted as income until the family has received payments equal to the amount the family member deposited into the retirement fund.

**Jointly Owned Assets**

The regulation at 24 CFR 5.609(a)(4) specifies that annual income includes “amounts derived (during the 12-month period) from assets to which any member of the family has access.”
PHA Policy

If an asset is owned by more than one person and any family member has unrestricted access to the asset, the PHA will count the full value of the asset. A family member has unrestricted access to an asset when he or she can legally dispose of the asset without the consent of any of the other owners.

If an asset is owned by more than one person, including a family member, but the family member does not have unrestricted access to the asset, the PHA will prorate the asset according to the percentage of ownership. If no percentage is specified or provided for by state or local law, the PHA will prorate the asset evenly among all owners.

Assets Disposed Of for Less than Fair Market Value [24 CFR 5.603(b)]

HUD regulations require the PHA to count as a current asset any business or family asset that was disposed of for less than fair market value during the two years prior to the effective date of the examination/reexamination, except as noted below.

Minimum Threshold

The HVC Guidebook permits the PHA to set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

PHA Policy

The PHA will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than $1,000.

When the two-year period expires, the income assigned to the disposed asset(s) also expires. If the two-year period ends between annual recertifications, the family may request an interim recertification to eliminate consideration of the asset(s).

Assets placed by the family in nonrevocable trusts are considered assets disposed of for less than fair market value except when the assets placed in trust were received through settlements or judgments.

Separation or Divorce

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.

PHA Policy

All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

Foreclosure or Bankruptcy

Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale.

Family Declaration

PHA Policy
Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. The PHA may verify the value of the assets disposed of if other information available to the PHA does not appear to agree with the information reported by the family.

Types of Assets

Checking and Savings Accounts

For regular checking accounts and savings accounts, cash value has the same meaning as market value. If a checking account does not bear interest, the anticipated income from the account is zero.

**PHA Policy**

*In determining the value of a checking account, the PHA will use the average monthly balance for the last six months.*

*In determining the value of a savings account, the PHA will use the current balance.*

*In determining the anticipated income from an interest-bearing checking or savings account, the PHA will multiply the value of the account by the current rate of interest paid on the account.*

Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds

Interest or dividends earned by investment accounts are counted as actual income from assets even when the earnings are reinvested. The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.

**PHA Policy**

*In determining the market value of an investment account, the PHA will use the value of the account on the most recent investment report.*

*How anticipated income from an investment account will be calculated depends on whether the rate of return is known. For assets that are held in an investment account with a known rate of return (e.g., savings certificates), asset income will be calculated based on that known rate (market value multiplied by rate of earnings). When the anticipated rate of return is not known (e.g., stocks), the PHA will calculate asset income based on the earnings for the most recent reporting period.*

Equity in Real Property or Other Capital Investments

Equity (cash value) in a property or other capital asset is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset [HCV GB, p. 5-25].

Equity in real property and other capital investments is considered in the calculation of asset income except for the following types of assets:

- Equity accounts in HUD homeownership programs [24 CFR5.603(b)]
- The value of a home currently being purchased with assistance under the HCV program Homeownership Option for the first 10 years after the purchase date of the home [24 CFR 5.603(b)]
• Equity in owner-occupied cooperatives and manufactured homes in which the family lives [HCV GB, p. 5-25]

• Equity in real property when a family member’s main occupation is real estate [HCV GB, p. 5-25]. This real estate is considered a business asset, and income related to this asset will be calculated as described in section 6-I.F.

• Interests in Indian Trust lands [24 CFR 5.603(b)]

• Real property and capital assets that are part of an active business or farming operation [HCV GB, p. 5-25]

A family may have real property as an asset in two ways: (1) owning the property itself and (2) holding a mortgage or deed of trust on the property. In the case of a property owned by a family member, the anticipated asset income generally will be in the form of rent or other payment for the use of the property. If the property generates no income, actual anticipated income from the asset will be zero.

In the case of a mortgage or deed of trust held by a family member, the outstanding balance (unpaid principal) is the cash value of the asset. The interest portion only of payments made to the family in accordance with the terms of the mortgage or deed of trust is counted as anticipated asset income.

**PHA Policy**

*In the case of capital investments owned jointly with others not living in a family’s unit, a prorated share of the property’s cash value will be counted as an asset unless the PHA determines that the family receives no income from the property and is unable to sell or otherwise convert the asset to cash.*

**Trusts**

A *trust* is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries).

**Revocable Trusts**

If any member of a family has the right to withdraw the funds in a trust, the value of the trust is considered an asset [HCV GB, p. 5-25]. Any income earned as a result of investment of trust funds is counted as actual asset income, whether the income is paid to the family or deposited in the trust.

**Nonrevocable Trusts**

In cases where a trust is not revocable by, or under the control of, any member of a family, the value of the trust fund is not considered an asset. However, any income distributed to the family from such a trust is counted as a periodic payment or a lump-sum receipt, as appropriate [24 CFR 5.603(b)]. (Periodic payments are covered in section 6-I.H. Lump-sum receipts are discussed earlier in this section.)

**Retirement Accounts**

*Company Retirement/Pension Accounts*
In order to correctly include or exclude as an asset any amount held in a company retirement or pension account by an employed person, the PHA must know whether the money is accessible before retirement [HCV GB, p. 5-26].

While a family member is employed, only the amount the family member can withdraw without retiring or terminating employment is counted as an asset [HCV GB, p. 5-26].

After a family member retires or terminates employment, any amount distributed to the family member is counted as a periodic payment or a lump-sum receipt, as appropriate [HCV GB, p. 5-26], except to the extent that it represents funds invested in the account by the family member. (For more on periodic payments, see section 6-I.H.) The balance in the account is counted as an asset only if it remains accessible to the family member.

**IRA, Keogh, and Similar Retirement Savings Accounts**

IRA, Keogh, and similar retirement savings accounts are counted as assets even though early withdrawal would result in a penalty [HCV GB, p. 5-25].

**Personal Property**

Personal property held as an investment, such as gems, jewelry, coin collections, antique cars, etc., is considered an asset [HCV GB, p. 5-25].

**PHA Policy**

In determining the value of personal property held as an investment, the PHA will use the family’s estimate of the value. The PHA may obtain an appraisal to confirm the value of the asset if there is reason to believe that the family’s estimated value is off by $50 or more. The family must cooperate with the appraiser, but cannot be charged any costs related to the appraisal.

Generally, personal property held as an investment generates no income until it is disposed of. If regular income is generated (e.g., income from renting the personal property), the amount that is expected to be earned in the coming year is counted as actual income from the asset.

Necessary items of personal property are not considered assets [24 CFR 5.603(b)].

**PHA Policy**

Necessary personal property consists of only those items not held as an investment, and may include clothing, furniture, household furnishings, jewelry, and vehicles, including those specially equipped for persons with disabilities.

**Life Insurance**

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy is included in the calculation of the value of the family’s assets [HCV GB 5-25]. The cash value is the surrender value. If such a policy earns dividends or interest that the family could elect to receive, the anticipated amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

**6-I.H. PERIODIC PAYMENTS**
Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are and are not included in annual income.

**Periodic Payments Included in Annual Income**

- Periodic payments from sources such as social security, unemployment and welfare assistance, annuities, insurance policies, retirement funds, and pensions. However, periodic payments from retirement accounts, annuities, and similar forms of investments are counted only after they exceed the amount contributed by the family [24 CFR 5.609(b)(4) and (b)(3)].

- Disability or death benefits and lottery receipts paid periodically, rather than in a single lump sum [24 CFR 5.609(b)(4) and HCV, p. 5-14].

**Lump-Sum Payments for the Delayed Start of a Periodic Payment**

Most lump-sums received as a result of delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income. However, lump-sum receipts for the delayed start of periodic social security or supplemental security income (SSI) payments are not counted as income [CFR 5.609(b)(4)]. Additionally, any deferred disability benefits that are received in a lump-sum or in prospective monthly amounts from the Department of Veterans Affairs are to be excluded from annual income [FR Notice 11/24/08].

**PHA Policy**

*When a delayed-start payment is received and reported during the period in which the PHA is processing an annual reexamination, the PHA will adjust the family share and PHA subsidy retroactively for the period the payment was intended to cover. The family may pay in full any amount due or request to enter into a repayment agreement with the PHA.*

**Treatment of Overpayment Deductions from Social Security Benefits**

The PHA must make a special calculation of annual income when the Social Security Administration (SSA) overpays an individual, resulting in a withholding or deduction from his or her benefit amount until the overpayment is paid in full. The amount and duration of the withholding will vary depending on the amount of the overpayment and the percent of the benefit rate withheld. Regardless of the amount withheld or the length of the withholding period, the PHA must use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount [Notice PIH 2010-3].

**Periodic Payments Excluded from Annual Income**

- Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the assisted family, who are unable to live alone) [24 CFR 5.609(c)(2)]. Kinship guardianship assistance payments (Kin-GAP) and other similar guardianship payments are treated the same as foster care payments and are likewise excluded from annual income [Notice PIH 2008-30].

**PHA Policy**

*The PHA will exclude payments for the care of foster children and foster adults only if the care is provided through an official arrangement with a local welfare agency [HCV GB, p. 5-18].*
• Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)].

• Amounts received under the Low-Income Home Energy Assistance Program (42 U.S.C. 1626(c)) [24 CFR 5.609(c)(17)].

• Amounts received under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q) [24 CFR 5.609(c)(17)].

• Earned Income Tax Credit (EITC) refund payments (26 U.S.C. 32(j)) [24 CFR 5.609(c)(17)]. Note: EITC may be paid periodically if the family elects to receive the amount due as part of payroll payments from an employer.

• Lump-sums received as a result of delays in processing Social Security and SSI payments (see section 6-I.J.) [24 CFR 5.609(b)(4)].

• Lump-sums or prospective monthly amounts received as deferred disability benefits from the Department of Veterans Affairs (VA) [FR Notice 11/24/08]

6-I.I. PAYMENTS IN LIEU OF EARNINGS

Payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation, and severance pay, are counted as income [24 CFR 5.609(b)(5)] if they are received either in the form of periodic payments or in the form of a lump-sum amount or prospective monthly amounts for the delayed start of a periodic payment. If they are received in a one-time lump sum (as a settlement, for instance), they are treated as lump-sum receipts [24 CFR 5.609(c)(3)]. (See also the discussion of periodic payments in section 6-I.H and the discussion of lump-sum receipts in section 6-I.G.)

6-I.J. WELFARE ASSISTANCE

Overview

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].

Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]

The PHA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was receiving HCV assistance at the time the sanction was imposed.

Covered Families

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a State or other public agency (‘welfare agency’) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)]

Imputed Income
When a welfare agency imposes a sanction that reduces a family’s welfare income because the family commits fraud or fails to comply with the agency’s economic self-sufficiency program or work activities requirement, the PHA must include in annual income “imputed” welfare income. The PHA must request that the welfare agency inform the PHA when the benefits of an HCV participant family are reduced. The imputed income is the amount the family would have received if the family had not been sanctioned.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

Offsets

The amount of the imputed income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

6-I.K. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(b)(7)]

Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with an assisted family.

Alimony and Child Support

The PHA must count alimony or child support amounts awarded as part of a divorce or separation agreement.

**PHA Policy**

*The PHA will count court-awarded amounts for alimony and child support unless the PHA verifies that: (1) the payments are not being made, and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].*

*Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.*

*The PHA receives verification from the agency responsible for enforcement of collection.*

*The family provides the PHA verifiable documentation of child support or alimony collections action filed through a child support enforcement/collection agency, or has filed an enforcement or collection action through an attorney.*

*The family can provide credible information that the person responsible for providing the support is not able to do so due to unemployment, incarceration, medical condition, etc. The PHA will verify through third party oral or written verification.*

*Self-certification will be accepted as last resort.*

*The PHA will generally use six months of child support received actual payments of the last 12 as income when the amounts received vary from month to month or if the family cannot provide credible/verifiable information that income is not being received.*
Lump-sum payments (arrears) for child support or alimony will be counted as one-time yearly income.

Regular Contributions or Gifts

The PHA must count as income regular monetary and nonmonetary contributions or gifts from persons not residing with an assisted family [24 CFR 5.609(b)(7)]. Temporary, nonrecurring, or sporadic income and gifts are not counted [24 CFR 5.609(c)(9)].

PHA Policy

Examples of regular contributions include: (1) regular payment of a family’s bills (e.g., utilities, telephone, rent, credit cards, and car payments), (2) cash or other liquid assets provided to any family member on a regular basis, and (3) “in-kind” contributions such as groceries and clothing provided to a family on a regular basis.

Nonmonetary contributions will be valued at the cost of purchasing the items, as determined by the PHA. For contributions that may vary from month to month (e.g., utility payments), the PHA will include an average amount based upon past history.

Temporary payments from the U.S. Census Bureau for unemployment lasting no longer than 180 days will not be counted (Notice PIH 2009-19).

6-I.L. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9)]

In 2005, Congress passed a law (for section 8 programs only) requiring that certain student financial assistance be included in annual income. Prior to that, the full amount of student financial assistance was excluded. For some students, the full exclusion still applies.

Student Financial Assistance Included in Annual Income [24 CFR 5.609(b)(9) and FR 4/10/06]

The regulation requiring the inclusion of certain student financial assistance applies only to students who satisfy all of the following conditions:

• They are enrolled in an institution of higher education, as defined under the Higher Education Act (HEA) of 1965.

• They are seeking or receiving Section 8 assistance on their own—that is, apart from their parents—through the HCV program, the project-based certificate program, the project-based voucher program, or the moderate rehabilitation program.

• They are under 24 years of age OR they have no dependent children.

For students who satisfy these three conditions, any financial assistance in excess of tuition received: (1) under the 1965 HEA, (2) from a private source, or (3) from an institution of higher education, as defined under the 1965 HEA, must be included in annual income.

To determine annual income in accordance with the above requirements, the PHA will use the definitions of dependent child, institution of higher education, and parents in Section 3-II.E, along with the following definitions [FR 4/10/06, pp. 18148-18150]:

- Assistance from private sources means assistance from nongovernmental sources, including parents, guardians, and other persons not residing with the student in an HCV assisted unit.

- Tuition will have the meaning given this term by the institution of higher education in which the student is enrolled.

**Student Financial Assistance Excluded from Annual Income [24 CFR 5.609(c)(6)]**

Any student financial assistance not subject to inclusion under 24 CFR 5.609(b)(9) is fully excluded from annual income under 24 CFR 5.609(c)(6), whether it is paid directly to the student or to the educational institution the student is attending. This includes any financial assistance received by:

- Students residing with parents who are seeking or receiving Section 8 assistance
- Students who are enrolled in an educational institution that does not meet the 1965 HEA definition of institution of higher education
- Students who are over 23 AND have at least one dependent child, as defined in Section 3-II.E
- Students who are receiving financial assistance through a governmental program not authorized under the 1965 HEA.

**6-I.M. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME**

Other exclusions contained in 24 CFR 5.609(c) that have not been discussed earlier in this chapter include the following:

- Reimbursement of medical expenses [24 CFR 5.609(c)(4)]
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred and which are made solely to allow participation in a specific program [24 CFR 5.609(c)(8)(iii)]
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(c)(8)(ii)]
- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era [24 CFR 5.609(c)(10)]
- Adoption assistance payments in excess of $480 per adopted child [24 CFR 5.609(c)(12)]
- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(c)(15)]
- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)]
- Amounts specifically excluded by any other federal statute [24 CFR 5.609(c)(17)]. HUD publishes an updated list of these exclusions periodically. It includes:
  
  (a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017 (b))
  
  (b) Payments to Volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
  
  (c) Payments received under the Alaska Native Claims Settlement Act (43 U.S.C. 1626(c))
(d) Income derived from certain submarginal land of the United States that is held in trust for certain Indian tribes (25 U.S.C. 459e)

(e) Payments or allowances made under the Department of Health and Human Services’ Low-Income Home Energy Assistance Program (42 U.S.C. 8624(f))

(f) Payments received under programs funded in whole or in part under the Job Training Partnership Act (29 U.S.C. 1552(b)) (Effective July 1, 2000, references to Job Training Partnership Act shall be deemed to refer to the corresponding provision of the Workforce Investment Act of 1998 (29 U.S.C. 2931).)

(g) Income derived from the disposition of funds to the Grand River Band of Ottawa Indians (Pub. L. 94-540, 90 Stat. 2503-04)

(h) The first $2,000 of per capita shares received from judgment funds awarded by the Indian Claims Commission or the U. S. Claims Court, the interests of individual Indians in trust or restricted lands, including the first $2,000 per year of income received by individual Indians from funds derived from interests held in such trust or restricted lands (25 U.S.C. 1407-1408)

(i) Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))

(j) Payments received on or after January 1, 1989, from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in In Re Agent-product liability litigation, M.D.L. No. 381 (E.D.N.Y.)

(k) Payments received under the Maine Indian Claims Settlement Act of 1980 (25 U.S.C. 1721)

(l) The value of any child care provided or arranged (or any amount received as payment for such care or reimbursement for costs incurred for such care) under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q)

(m) Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j))

(n) Payments by the Indian Claims Commission to the Confederated Tribes and Bands of Yakima Indian Nation or the Apache Tribe of Mescalero Reservation (Pub. L. 95-433)

(o) Allowances, earnings and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))

(p) Any allowance paid under the provisions of 38 U.S.C. 1805 to a child suffering from spina bifida who is the child of a Vietnam veteran (38 U.S.C. 1805)

(q) Any amount of crime victim compensation (under the Victims of Crime Act) received through crime victim assistance (or payment or reimbursement of the cost of such assistance) as determined under the Victims of Crime Act because of the commission of a crime against the applicant under the Victims of Crime Act (42 U.S.C. 10602)

(r) Allowances, earnings and payments to individuals participating in programs under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

PART II: ADJUSTED INCOME
6-II.A. INTRODUCTION

Overview

HUD regulations require PHAs to deduct from annual income any of five mandatory deductions for which a family qualifies. The resulting amount is the family’s adjusted income. Mandatory deductions are found in 24 CFR 5.611.

<table>
<thead>
<tr>
<th>5.611(a) Mandatory deductions. In determining adjusted income, the responsible entity [PHA] must deduct the following amounts from annual income:</th>
</tr>
</thead>
<tbody>
<tr>
<td>(1) $480 for each dependent;</td>
</tr>
<tr>
<td>(2) $400 for any elderly family or disabled family;</td>
</tr>
<tr>
<td>(3) The sum of the following, to the extent the sum exceeds three percent of annual income:</td>
</tr>
<tr>
<td>(i) Unreimbursed medical expenses of any elderly family or disabled family;</td>
</tr>
<tr>
<td>(ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and</td>
</tr>
<tr>
<td>(4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.</td>
</tr>
</tbody>
</table>

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7.

Anticipating Expenses

**PHA Policy**

*Generally, the PHA will use current circumstances to anticipate expenses. When possible, for costs that are expected to fluctuate during the year (e.g., child care during school and nonschool periods and cyclical medical expenses), the PHA will estimate costs based on historic data and known future costs.*

*If a family has an accumulated debt for medical or disability assistance expenses, the PHA will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in a preceding period. The PHA may require the family to provide documentation of payments made in the preceding year.*

6-II.B. DEPENDENT DEDUCTION

A deduction of $480 is taken for each dependent [24 CFR 5.611(a)(1)]. *Dependent* is defined as any family member other than the head, spouse, or cohead who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

6-II.C. ELDERLY OR DISABLED FAMILY DEDUCTION

A single deduction of $400 is taken for any elderly or disabled family [24 CFR 5.611(a)(2)]. An *elderly family* is a family whose head, spouse, cohead, or sole member is 62 years of age or older,
and a *disabled family* is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].

6-II.D. MEDICAL EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i)]

Unreimbursed medical expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed three percent of annual income.

The medical expense deduction is permitted only for families in which the head, spouse, or cohead is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted [VG, p. 28].

**Definition of Medical Expenses**

HUD regulations define *medical expenses* at 24 CFR 5.603(b) to mean “medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.”

**PHA Policy**

*The most current IRS Publication 502, Medical and Dental Expenses, will be used to determine the costs that qualify as medical expenses.*

</tr>
</tbody>
</table>

**Note:** This chart provides a summary of eligible medical expenses only. Detailed information is provided in IRS Publication 502. Medical expenses are considered only to the extent they are not reimbursed by insurance or some other source.

Families That Qualify for Both Medical and Disability Assistance Expenses

**PHA Policy**

*This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.*

*When expenses anticipated by a family could be defined as either medical or disability assistance expenses, the PHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.*
6-IIE. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]

Reasonable expenses for attendant care and auxiliary apparatus for a disabled family member may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed three percent of annual income, and (4) do not exceed the earned income received by the family member who is enabled to work.

Earned Income Limit on the Disability Assistance Expense Deduction

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of “earned income received by family members who are 18 years of age or older and who are able to work” because of the expense [24 CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any earned income disallowances or income exclusions are applied.

**PHA Policy**

*The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family’s request, the PHA will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.*

*When the PHA determines that the disability assistance expenses enable more than one family member to work, the expenses will be capped by the sum of the family members’ incomes.*

Eligible Disability Expenses

Examples of auxiliary apparatus are provided in the *HCV Guidebook* as follows: “Auxiliary apparatus are items such as wheelchairs, ramps, adaptations to vehicles, or special equipment to enable a blind person to read or type, but only if these items are directly related to permitting the disabled person or other family member to work” [HCV GB, p. 5-30].

HUD advises PHAs to further define and describe auxiliary apparatus [VG, p. 30].

Eligible Auxiliary Apparatus

**PHA Policy**

*Expenses incurred for maintaining or repairing an auxiliary apparatus are eligible. In the case of an apparatus that is specially adapted to accommodate a person with disabilities (e.g., a vehicle or computer), the cost to maintain the special adaptations (but not maintenance of the apparatus itself) is an eligible expense. The cost of service animals trained to give assistance to persons with disabilities, including the cost of acquiring the animal, veterinary care, food, grooming, and other continuing costs of care, will be included.*

Eligible Attendant Care

The family determines the type of attendant care that is appropriate for the person with disabilities.

**PHA Policy**
Attendant care includes, but is not limited to, reasonable costs for home medical care, nursing services, in-home or center-based care services, interpreters for persons with hearing impairments, and readers for persons with visual disabilities.

Attendant care expenses will be included for the period that the person enabled to work is employed plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, the PHA will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Payments to Family Members

No disability assistance expenses may be deducted for payments to a member of an assisted family [24 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the assisted family may be deducted if they are not reimbursed by an outside source.

Necessary and Reasonable Expenses

The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

**PHA Policy**

*The PHA determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality. To establish typical costs, the PHA will collect information from organizations that provide services and support to persons with disabilities. A family may present, and the PHA will consider, the family’s justification for costs that exceed typical costs in the area.*

Families That Qualify for Both Medical and Disability Assistance Expenses

**PHA Policy**

*This policy applies only to families in which the head or spouse is 62 or older or is a person with disabilities.*

*When expenses anticipated by a family could be defined as either medical or disability assistance expenses, the PHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.*

6-II.F. CHILD CARE EXPENSE DEDUCTION

HUD defines *child care expenses* at 24 CFR 5.603(b) as “amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care.*
In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.”

**Clarifying the Meaning of Child for This Deduction**

Child care expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family’s household [VG, p. 26]. However, child care expenses for foster children that are living in the assisted family households are included when determining the family’s child care expenses [HCV GB, p. 5-29].

**Qualifying for the Deduction**

**Determining Who Is Enabled to Pursue an Eligible Activity**

**PHA Policy**

The family must identify the family member(s) enabled to pursue an eligible activity. The term eligible activity in this section means any of the activities that may make the family eligible for a child care deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family’s request, the PHA will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity. The PHA will require the participant to complete a child care expense form filled out and signed by the provider. Supporting documentation will be requested for verification, this may include but not limited to receipts of payment(s), printouts, bank statements showing withdrawals, bank statements from the provider showing deposits or tax statements.

**Seeking Work**

**PHA Policy**

If the child care expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member’s efforts to obtain employment at each reexamination. The deduction may be reduced or denied if the family member’s job search efforts are not commensurate with the child care expense being allowed by the PHA.

**Furthering Education**

**PHA Policy**

If the child care expense being claimed is to enable a family member to further his or her education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the child care claimed.

**Being Gainfully Employed**

**PHA Policy**
If the child care expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member’s employment during the time that child care is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

Earned Income Limit on Child Care Expense Deduction

When a family member looks for work or furthers his or her education, there is no cap on the amount that may be deducted for child care – although the care must still be necessary and reasonable. However, when child care enables a family member to work, the deduction is capped by “the amount of employment income that is included in annual income” [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any earned income disallowances or income exclusions are applied.

When the person who is enabled to work is a person with disabilities who receives the earned income disallowance (EID) or a full-time student whose earned income above $480 is excluded, child care costs related to enabling a family member to work may not exceed the portion of the person’s earned income that actually is included in annual income. For example, if a family member who qualifies for the EID makes $15,000 but because of the EID only $5,000 is included in annual income, child care expenses are limited to $5,000.

The PHA must not limit the deduction to the least expensive type of child care. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].

**PHA Policy**

When the child care expense being claimed is to enable a family member to work, only one family member’s income will be considered for a given period of time. When more than one family member works during a given period, the PHA generally will limit allowable child care expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.

Eligible Child Care Expenses

The type of care to be provided is determined by the assisted family. The PHA may not refuse to give a family the child care expense deduction because there is an adult family member in the household that may be available to provide child care [VG, p. 26].

Allowable Child Care Activities

**PHA Policy**

For school-age children, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities after school or during school holidays (e.g., summer day camp, after-school sports league) are allowable forms of child care.
The costs of general housekeeping and personal services are not eligible. Likewise, child care expenses paid to a family member who lives in the family’s unit are not eligible; however, payments for child care to relatives who do not live in the unit are eligible.

If a child care provider also renders other services to a family or child care is used to enable a family member to conduct activities that are not eligible for consideration, the PHA will prorate the costs and allow only that portion of the expenses that is attributable to child care for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless otherwise specified by the child care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

**Necessary and Reasonable Costs**

Child care expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further his or her education, and (2) the family certifies, and the child care provider verifies, that the expenses are not paid or reimbursed by any other source.

**PHA Policy**

Child care expenses will be considered for the time required for the eligible activity plus reasonable transportation time. For child care that enables a family member to go to school, the time allowed may include not more than one study hour for each hour spent in class.

To establish the reasonableness of child care costs, the PHA will use the schedule of child care costs from the local welfare agency. Families may present, and the PHA will consider, justification for costs that exceed typical costs in the area.

---

**PART III: CALCULATING FAMILY SHARE AND PHA SUBSIDY**

### 6-III.A. OVERVIEW OF RENT AND SUBSIDY CALCULATIONS

**TTP Formula [24 CFR 5.628]**

HUD regulations specify the formula for calculating the total tenant payment (TTP) for an assisted family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family’s monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family’s monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between $0 and $50 that is established by the PHA
The PHA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family’s TTP but may be greater than the TTP depending on the rent charged for the unit the family selects.

*Welfare Rent [24 CFR 5.628]*

**PHA Policy**

*Welfare rent does not apply in this locality.*

*Minimum Rent [24 CFR 5.630]*

**PHA Policy**

*The minimum rent for this locality is $50.*

*Family Share [24 CFR 982.305(a)(5)]*

If a family chooses a unit with a gross rent (rent to owner plus an allowance for tenant-paid utilities) that exceeds the PHA’s applicable payment standard: (1) the family will pay more than the TTP, and (2) at initial occupancy the PHA may not approve the tenancy if it would require the family share to exceed 40 percent of the family’s monthly adjusted income. The income used for this determination must have been verified no earlier than 60 days before the family’s voucher was issued. (For a discussion of the application of payment standards, see section 6-III.C.)

*PHA Subsidy [24 CFR 982.505(b)]*

The PHA will pay a monthly housing assistance payment (HAP) for a family that is equal to the lower of (1) the applicable payment standard for the family minus the family’s TTP or (2) the gross rent for the family’s unit minus the TTP. (For a discussion of the application of payment standards, see section 6-III.C.)

*Utility Reimbursement [24 CFR 982.514(b)]*

When the PHA subsidy for a family exceeds the rent to owner, the family is due a utility reimbursement. HUD permits the PHA to pay the reimbursement to the family or directly to the utility provider.

**PHA Policy**

*The PHA will make utility reimbursements directly to the utility provider.*

6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]

*Overview*

If the PHA establishes a minimum rent greater than zero, the PHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family’s TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the PHA determines that a hardship exists, the family share is the highest of the remaining components of the family’s calculated TTP.

**HUD-Defined Financial Hardship**

Financial hardship includes the following situations:
The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

**PHA Policy**

A hardship will be considered to exist only if the loss of eligibility has an impact on the family’s ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following: (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

(2) The family would be evicted because it is unable to pay the minimum rent.

**PHA Policy**

For a family to qualify under this provision, the cause of the potential eviction must be the family’s failure to pay rent to the owner or tenant-paid utilities.

(3) Family income has decreased because of changed family circumstances, including the loss of employment.

(4) A death has occurred in the family.

**PHA Policy**

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member’s income).

(5) The family has experienced other circumstances determined by the PHA.

**PHA Policy**

The PHA has not established any additional hardship criteria.

**Implementation of Hardship Exemption**

**Determination of Hardship**

When a family requests a financial hardship exemption, the PHA must suspend the minimum rent requirement beginning the first of the month following the family’s request.

The PHA then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

**PHA Policy**

The PHA defines temporary hardship as a hardship expected to last 90 days or less. Long-term hardship is defined as a hardship expected to last more than 90 days.

When the minimum rent is suspended, the family share reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.
Example: Impact of Minimum Rent Exemption
Assume the PHA has established a minimum rent of $35.

<table>

</table>

Minimum rent applies.  
TTP = $35

PHA Policy

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family’s ability to pay the minimum rent.

The PHA will make the determination of hardship within 30 calendar days.

No Financial Hardship

If the PHA determines there is no financial hardship, the PHA will reinstate the minimum rent and require the family to repay the amounts suspended.

PHA Policy

The PHA will require the family to repay the suspended amount within 30 calendar days of the PHA’s notice that a hardship exemption has not been granted.

Temporary Hardship

If the PHA determines that a qualifying financial hardship is temporary, the PHA must suspend the minimum rent for the 90-day period beginning the first of the month following the date of the family’s request for a hardship exemption.

At the end of the 90-day suspension period, the family must resume payment of the minimum rent and must repay the PHA the amounts suspended. HUD requires the PHA to offer a reasonable repayment agreement, on terms and conditions established by the PHA. The PHA also may determine that circumstances have changed and the hardship is now a long-term hardship.

PHA Policy

The PHA will enter into a repayment agreement in accordance with the procedures found in Chapter 16 of this plan.

Long-Term Hardship

If the PHA determines that the financial hardship is long-term, the PHA must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family’s request until the end of the qualifying...
hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

**PHA Policy**

The hardship period ends when any of the following circumstances apply:

1. **At an interim or annual reexamination, the family’s calculated TTP is greater than the minimum rent.**

2. **For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a $60/month child support payment, the hardship will continue to exist until the family receives at least $60/month in income from another source or once again begins to receive the child support.**

3. **For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.**

**6-III.C. APPLYING PAYMENT STANDARDS [24 CFR 982.505]**

**Overview**

The PHA’s schedule of payment standards is used to calculate housing assistance payments for HCV families. This section covers the application of the PHA’s payment standards. The establishment and revision of the PHA’s payment standard schedule are covered in Chapter 16.

*Payment standard* is defined as “the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family)” [24 CFR 982.4(b)].

The payment standard for a family is the lower of (1) the payment standard for the family unit size, which is defined as the appropriate number of bedrooms for the family under the PHA’s subsidy standards [24 CFR 982.4(b)], or (2) the payment standard for the size of the dwelling unit rented by the family.

If the PHA has established an exception payment standard for a designated part of an FMR area and a family’s unit is located in the exception area, the PHA must use the appropriate payment standard for the exception area.

The PHA is required to pay a monthly housing assistance payment (HAP) for a family that is the lower of (1) the payment standard for the family minus the family’s TTP or (2) the gross rent for the family’s unit minus the TTP.

If during the term of the HAP contract for a family’s unit, the owner lowers the rent, the PHA will recalculate the HAP using the lower of the initial payment standard or the gross rent for the unit [HCV GB, p. 7-8].

**Changes in Payment Standards**

When the PHA revises its payment standards during the term of the HAP contract for a family’s unit, it will apply the new payment standards in accordance with HUD regulations.

**Decreases**
If the amount on the payment standard schedule is decreased during the term of the HAP contract, the lower payment standard generally will be used beginning at the effective date of the family’s second regular reexamination following the effective date of the decrease in the payment standard. The PHA will determine the payment standard for the family as follows:

**Step 1:** At the first regular reexamination following the decrease in the payment standard, the PHA will determine the payment standard for the family using the lower of the payment standard for the family unit size or the size of the dwelling unit rented by the family.

**Step 2:** The PHA will compare the payment standard from Step 1 to the payment standard last used to calculate the monthly housing assistance payment for the family. The payment standard used by the PHA at the first regular reexamination following the decrease in the payment standard will be the higher of these two payment standards. The PHA will advise the family that the application of the lower payment standard will be deferred until the second regular reexamination following the effective date of the decrease in the payment standard.

**Step 3:** At the second regular reexamination following the decrease in the payment standard, the lower payment standard will be used to calculate the monthly housing assistance payment for the family unless the PHA has subsequently increased the payment standard, in which case the payment standard will be determined in accordance with procedures for increases in payment standards described below.

*Increases*

If the payment standard is increased during the term of the HAP contract, the increased payment standard will be used to calculate the monthly housing assistance payment for the family beginning on the effective date of the family’s first regular reexamination on or after the effective date of the increase in the payment standard.

Families requiring or requesting interim reexaminations will not have their HAP payments calculated using the higher payment standard until their next annual reexamination [HCV GB, p. 7-8].

*Changes in Family Unit Size*

Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size must be used to determine the payment standard for the family beginning at the family’s first regular reexamination following the change in family unit size.

*Reasonable Accommodation*

If a family requires a higher payment standard as a reasonable accommodation for a family member who is a person with disabilities, the PHA is allowed to establish a higher payment standard for the family within the basic range.

**6-III.D. APPLYING UTILITY ALLOWANCES [24 CFR 982.517]**

*Overview*

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. The PHA must use the lower of; unit size for which the voucher is issued or the actual size of the unit rented. The exception to this will be if a person with disabilities needs a larger unit as a reasonable accommodation. (HUD Implementation of Fiscal Year 2014 Appropriations Provisions on Public Housing Agency Consortia). See Chapter 5 for information on the PHA’s subsidy standards.
For policies on establishing and updating utility allowances, see Chapter 16.

**Reasonable Accommodation**

HCV program regulations require a PHA to approve a utility allowance amount higher than shown on the PHA’s schedule if a higher allowance is needed as a reasonable accommodation for a family member with a disability. For example, if a family member with a disability requires such an accommodation, the PHA will approve an allowance for air-conditioning, even if the PHA has determined that an allowance for air-conditioning generally is not needed.

The family must request the higher allowance and provide the PHA with an explanation of the need for the reasonable accommodation and information about the amount of additional allowance required [HCV GB, p. 18-8].

**Utility Allowance Revisions**

At reexamination, the PHA must use the PHA current utility allowance schedule [24 CFR 982.517(d)(2)].

*PHA Policy*

Revised utility allowances will be applied to a family’s rent and subsidy calculations at the first annual reexamination that is effective after the allowance is adopted.

**6-II.E. PRORATED ASSISTANCE FOR MIXED FAMILIES [24 CFR 5.520]**

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. The PHA must prorate the assistance provided to a mixed family. The PHA will first determine assistance as if all family members were eligible and then prorate the assistance based upon the percentage of family members that actually are eligible. For example, if the PHA subsidy for a family is calculated at $500 and two of four family members are ineligible, the PHA subsidy would be reduced to $250.
EXHIBIT 6-1: ANNUAL INCOME INCLUSIONS

24 CFR 5.609

(a) Annual income means all amounts, monetary or not, which:

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph (c) of this section.

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

(b) Annual income includes, but is not limited to:

(1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;

(2) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;

(3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of $5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;
(4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);

(5) Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except as provided in paragraph (c)(3) of this section);(6) Welfare assistance payments.

   (i) Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

   (A) Qualify as assistance under the TANF program definition at 45 CFR 260.31; and

   (B) Are not otherwise excluded under paragraph (c) of this section.

   (ii) If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

   (A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

   (B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage.

   (7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

(8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section)

(9) For section 8 programs only and as provided in 24 CFR 5.612, any financial assistance, in excess of amounts received for tuition, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 et seq.), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for persons over the age of 23 with dependent children. For purposes of this paragraph, “financial assistance” does not include loan proceeds for the purpose of determining income.

Text of 45 CFR 260.31 follows.

<table>
<thead>
<tr>
<th>HHS DEFINITION OF &quot;ASSISTANCE&quot;</th>
</tr>
</thead>
</table>

45 CFR: GENERAL TEMPORARY ASSISTANCE FOR NEEDY FAMILIES

260.31 What does the term “assistance” mean?

(a)(1) The term “assistance” includes cash, payments, vouchers, and other forms of benefits designed to meet a family’s ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

(2) It includes such benefits even when they are:

(i) Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and

(ii) Conditioned on participation in work experience or community service (or any other work activity under 261.30 of this chapter).
(3) Except where excluded under paragraph (b) of this section, it also includes supportive services such as transportation and child care provided to families who are not employed.
(b) [The definition of “assistance”] excludes:
(1) Non-recurrent, short-term benefits that:
   (i) Are designed to deal with a specific crisis situation or episode of need;
   (ii) Are not intended to meet recurrent or ongoing needs; and
   (iii) Will not extend beyond four months.
(2) Work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training);
(3) Supportive services such as child care and transportation provided to families who are employed;
(4) Refundable earned income tax credits;
(5) Contributions to, and distributions from, Individual Development Accounts;
(6) Services such as counseling, case management, peer support, child care information and referral, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support; and
(7) Transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of [the Social Security] Act, to an individual who is not otherwise receiving assistance.
EXHIBIT 6-2: ANNUAL INCOME EXCLUSIONS

24 CFR 5.609

(c) Annual income does not include the following:

(1) Income from employment of children (including foster children) under the age of 18 years;

(2) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);

(3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses (except as provided in paragraph (b)(5) of this section);

(4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;

(5) Income of a live-in aide, as defined in Sec. 5.403;

(6) Subject to paragraph (b)(9) of this section, the full amount of student financial assistance paid directly to the student or to the educational institution;

(7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

(8) (i) Amounts received under training programs funded by HUD;

(ii) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);\(^1\)

FR Notice 11/24/08 makes note of pending revisions to this regulation, namely the exclusion of any deferred disability benefits received in lump-sum or prospective monthly amounts from the Department of Veterans Affairs (VA). At the time of publication, 24 CFR 5.609 had yet to be updated.

(iii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;

(iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed $200 per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time;

(v) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;

(9) Temporary, nonrecurring or sporadic income (including gifts);

(10) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
(11) Earnings in excess of $480 for each full-time student 18 years old or older (excluding the head of household and spouse);
(12) Adoption assistance payments in excess of $480 per adopted child;
(13) [Reserved]
(14) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts.
(15) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
(16) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or
(17) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(c) apply. A notice will be published in the Federal Register and distributed to PHAs and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary. [See the following chart for a list of benefits that qualify for this exclusion.]

Sources of Income Excluded by Federal Statute from Consideration as Income for Purposes of Determining Eligibility or Benefits

q) Any allowance paid under the provisions of 38 U.S.C. 1805 to a child suffering from spina bifida who is the child of a Vietnam veteran (38 U.S.C. 1805);
r) Any amount of crime victim compensation (under the Victims of Crime Act) received through crime victim assistance (or payment or reimbursement of the cost of such assistance) as determined under the Victims of Crime Act because of the commission of a crime against the applicant under the Victims of Crime Act (42 U.S.C. 10602); and
s) Allowances, earnings and payments to individuals participating in programs under the Workforce Investment Act of 1998 (29 U.S.C. 2931).
**EXHIBIT 6-3: TREATMENT OF FAMILY ASSETS**

**24 CFR 5.603(b) Net Family Assets**

1. Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

2. In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under Sec. 5.609.

3. In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

4. For purposes of determining annual income under Sec. 5.609, the term "net family assets" does not include the value of a home currently being purchased with assistance under part 982, subpart M of this title. This exclusion is limited to the first 10 years after the purchase date of the home.
EXHIBIT 6-4: EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES

24 CFR 5.617 Self-sufficiency incentives for persons with disabilities–Disallowance of increase in annual income.

(a) Applicable programs. The disallowance of increase in annual income provided by this section is applicable only to the following programs: HOME Investment Partnerships Program (24 CFR part 92); Housing Opportunities for Persons with AIDS (24 CFR part 574); Supportive Housing Program (24 CFR part 583); and the Housing Choice Voucher Program (24 CFR part 982).

(b) Definitions. The following definitions apply for purposes of this section.

Disallowance. Exclusion from annual income. Previously unemployed includes a person with disabilities who has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

Qualified family. A family residing in housing assisted under one of the programs listed in paragraph (a) of this section or receiving tenant-based rental assistance under one of the programs listed in paragraph (a) of this section.

(1) Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

(2) Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or

(3) Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance-- provided that the total amount over a six-month period is at least $500.

(c) Disallowance of increase in annual income—

(1) Initial twelve month exclusion. During the cumulative twelve month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income (as defined in the regulations governing the applicable program listed in paragraph (a) of this section) of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.
(2) Second twelve month exclusion and phase-in. During the second cumulative twelve month period after the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income of a qualified family fifty percent of any increase in income of such family member as a result of employment over income of that family member prior to the beginning of such employment.

(3) Maximum two year disallowance. The disallowance of increased income of an individual family member who is a person with disabilities as provided in paragraph (c)(1) or (c)(2) is limited to a lifetime 24 month period. The disallowance only applies for a maximum of twelve months for disallowance under paragraph (c)(1) and a maximum of twelve months for disallowance under paragraph (c)(2), during the 24 month period starting from the initial exclusion under paragraph (c)(1) of this section.

(d) Inapplicability to admission. The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).
EXHIBIT 6-5: THE EFFECT OF WELFARE BENEFIT REDUCTION

24 CFR 5.615

Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) Applicability. This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) Definitions. The following definitions apply for purposes of this section:

Covered families. Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at Sec. 5.603.

Imputed welfare income. The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

Specified welfare benefit reduction.

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) Imputed welfare income.

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed
(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

(d) Review of PHA decision.

(1) Public housing. If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

(e) PHA relation with welfare agency.

(1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be entitled to rely on the welfare agency notice to the PHA of the welfare agency's determination of a specified welfare benefits reduction.
TERREBONNE PARISH HOUSING CHOICE VOUCHER PROGRAM
ADMINISTRATIVE PROGRAM

Chapter 7

VERIFICATION

INTRODUCTION

The PHA must verify all information that is used to establish the family’s eligibility and level of assistance and is required to obtain the family’s consent to collect the information. Applicants and program participants must cooperate with the verification process as a condition of receiving assistance. The PHA must not pass on the cost of verification to the family.

The PHA will follow the verification guidance provided by HUD in Notice PIH 2010-19 and any subsequent guidance issued by HUD. This chapter summarizes those requirements and provides supplementary PHA policies.

Part I describes the general verification process. More detailed requirements related to individual factors are provided in subsequent parts including family information (Part II), income and assets (Part III), and mandatory deductions (Part IV).

Verification policies, rules and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies of the PHA.

PART I: GENERAL VERIFICATION REQUIREMENTS

7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 982.516 AND 982.551, 24 CFR 5.230]

The family must supply any information that the PHA or HUD determines is necessary to the administration of the program and must consent to PHA verification of that information [24 CFR 982.551].

Consent Forms

It is required that all adult applicants and participants sign form HUD-9886 Authorization for Release of Information. The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provides the family's consent only for the specific purposes listed on the form. HUD and the PHA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Adult family members must sign
other consent forms as needed to collect information relevant to the family’s eligibility and level of assistance.

Penalties for Failing to Consent [24 CFR 5.232]

If any family member who is required to sign a consent form fails to do so, the PHA will deny admission to applicants and terminate assistance of participants. The family may request an informal review (applicants) or informal hearing (participants) in accordance with PHA procedures.

7-I.B. OVERVIEW OF VERIFICATION REQUIREMENTS

HUD’s Verification Hierarchy [Notice PIH 2010-19]

HUD authorizes the PHA to use six methods to verify family information and specifies the circumstances in which each method will be used. In general HUD requires the PHA to use the most reliable form of verification that is available and to document the reasons when the PHA uses a lesser form of verification.

**PHA Policy**

*In order of priority, the forms of verification that the PHA will use are:*

- Enterprise Income Verification system whenever available
- Original check stubs provided by the family
- Written Third-Party Verification
- Oral Third-party Verification
- Review of Documents
- Self-Certification

Each of the verification methods is discussed in subsequent sections below.

Requirements for Acceptable Documents

**PHA Policy**

*Any documents used for verification must be the original (not photocopies) and generally must be dated within 60 days of the date they are provided to the PHA. The documents must not be damaged, altered or in any way illegible.*

*Print-outs from Web pages are considered original documents.*

*The PHA staff member who views the original document must make a photocopy, annotate the copy with the name of the person who provided the document and the date the original was viewed, and sign the copy.*
Any family self-certifications must be made in a format acceptable to the PHA and must be signed in the presence of a PHA representative or notary public.

File Documentation

The PHA must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will be recorded in the family’s file in sufficient detail to demonstrate that the PHA has followed all of the verification policies set forth in this plan. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and conclusions reached.

7-I.C. ENTERPRISE INCOME VERIFICATION SYSTEM (EIV)

EIV refers to the PHA’s use of the verification tools available from independent sources that maintain computerized information about earnings and benefits. EIV information will be used to the extent that these systems are available to the PHA. The PHA will inform all applicants and participants of its use of HUD’s EIV resources during the admission and reexamination process. The PHA must restrict access to and safeguard EIV data in accordance with HUD guidance on security procedures, as used and made available by HUD. There may be legitimate differences between the information provided by the family and EIV-generated information. No adverse action can be taken against a family until the PHA has independently verified the EIV information and the family has been granted an opportunity to contest any adverse findings through the informal review/hearing process of the PHA. EIV information is used differently depending upon whether there is a substantial difference between information provided by the family and the EIV information. See Chapter 6 for the PHA’s policy on the use of EIV to project annual income and for the PH’s threshold for substantial difference. If EIV information does not differ substantially from family information, the EIV documentation may serve as third-party written verification. When there is a substantial difference between the information provided by the EIV source and the family, the PHA must request another form of third-party written verification and use any other verification methods (in priority order) to reconcile the difference(s).

Use of HUD’s Enterprise Income Verification (EIV) System (Mandatory)

HUD’s EIV system contains data showing earned income, unemployment benefits, social security benefits, and SSI benefits for participant families. HUD requires the PHA to use the EIV system in its entirety. The following policies apply to the use of HUD’s EIV system.

The EIV system contains data showing two main components: tenant income data reports and “exceeds threshold” reports.

Tenant Income Data (TID) Reports

The data shown on TID income reports is updated quarterly. Data may be between 3 and 6 months old at the time reports are generated.
**PHA Policy**

The PHA will obtain TID reports for annual reexaminations on a monthly basis. Reports will be generated as part of the regular reexamination process.

TID reports will be compared to family-provided information as part of the annual reexamination process. Income reports may be used in the calculation of annual income, as described in Chapter 6-I.C. Income reports may also be used to meet the regulatory requirement for third party verification, as described above. Policies for resolving discrepancies between income reports and family-provided information will be resolved as described in Chapter 6-I.C. and in this chapter.

TID reports will be used in interim reexaminations, when necessary, to verify and calculate earned income, unemployment benefits, Social Security and/or SSI benefits. EIV will also be used to verify that families claiming zero income are not receiving income from any of these sources.

TID reports will be retained in participant files with the applicable annual or interim reexamination documents.

When the PHA determines through TID reports and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

**Exceeds Threshold Reports (ETRs)**

The ERT discrepancy report is a tool for identifying families who may have concealed or under-reported income. Data in the discrepancy report represents income for past reporting periods and may be between 6 months and 30 months old at the time reports are generated.

Families who have not concealed or under-reported income may appear on the discrepancy report in some circumstances, such as loss of a job or addition of new family members.

Income discrepancies may be identified through use of the EIV “Income Discrepancy Report” or by review of the discrepancy tab for the individual family.

**PHA Policy**

The PHA will review the ETR discrepancy tab during processing of annual and interim reexaminations.

When it appears that a family may have concealed or under-reported income, the PHA will request written third-party verification of the income in question.

When the PHA determines through ETR review and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

**EIV Identity Verification**
The EIV system verifies tenant identities against SSA records. These records are compared to PIC data for a match on social security number, name, and date of birth.

PHAs are required to use EIV’s *Identity Verification Report* on a monthly basis to improve the availability of income information in EIV [Notice PIH 2010-3].

When identity verification for a participant fails, a message will be displayed within the EIV system and no income information will be displayed.

**PHA Policy**

*The PHA will identify participants whose identity verification has failed as part of the annual reexamination process.*

*The PHA will attempt to resolve PIC/SSA discrepancies by obtaining appropriate documentation from the participant. When the PHA determines that discrepancies exist due to PHA errors such as spelling errors or incorrect birth dates, the errors will be corrected promptly.*

Upfront Income Verification Using Non-HUD Systems

In addition to mandatory use of the EIV system, HUD encourages PHAs to utilize other upfront verification sources.

**PHA Policy**

*The PHA will inform all applicants and participants of its use of the Upfront Income Verification (UIV) resources during the admission and reexamination process. These resources will include third party written and oral verification.*

7-I.D. THIRD-PARTY WRITTEN AND ORAL VERIFICATION

HUD’s current verification hierarchy defines two types of written third-party verification. The more preferable form, “written third-party verification,” consists of an original document generated by a third-party source, which may be received directly from a third-party source or provided to the PHA by the family. If written third-party verification is not available, the PHA must attempt to obtain a “written third-party verification form.” This is a standardized form used to collect information from a third party.

**Written Third-Party Verification [Notice PIH 2010-19]**

Written third-party verification documents must be original and authentic and may be supplied by the family or received from a third-party source.

Examples of acceptable tenant-provided documents include, but are not limited to: pay stubs, payroll summary reports, employer notice or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

The PHA is required to obtain, at minimum, two current and consecutive pay stubs for determining annual income from wages.
The PHA may reject documentation provided by the family if the document is not an original, if the document appears to be forged, or if the document is altered, mutilated, or illegible.

**PHA Policy**

*Third-party documents provided by the family must be dated within 60 days of the PHA request date.*

*If the PHA determines that third-party documents provided by the family are not acceptable, the PHA will explain the reason to the family and request additional documentation.*

*As verification of earned income, the PHA will request pay stubs covering the 60-day period prior to the PHA’s request.*

**Written Third-Party Verification Form**

When upfront verification is not available and the family is unable to provide written third-party documents, the PHA must request a written third-party verification form. HUD’s position is that this traditional third-party verification method presents administrative burdens and risks which may be reduced through the use of family-provided third-party documents.

A written third-party verification form is mandatory when there is an unreported source of income or a substantial difference in reported income ($2400 annually or more) and there is no UIV or tenant-provided documentation to support the income discrepancy.

PHAs may mail, fax, or e-mail third-party written verification form requests to third-party sources.

**PHA Policy**

*The PHA will send third-party verification forms directly to the third party.*

*Third-party verification forms will be sent when third-party verification documents are unavailable or are rejected by the PHA.*

**Oral Third-Party Verification [Notice PIH 2010-19]**

For third-party oral verification, PHAs contact sources, identified by UIV techniques or by the family, by telephone or in person.

Oral third-party verification is mandatory if neither form of written third-party verification is available.

Third-party oral verification may be used when requests for written third-party verification forms have not been returned within a reasonable time (10 business days).

PHAs should document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, as well as the information confirmed.

**PHA Policy**
In collecting third-party oral verification, PHA staff will record in the family’s file the name and title of the person contacted, the date and time of the conversation (or attempt), the telephone number used, and the facts provided.

When any source responds verbally to the initial written request for verification the PHA will accept the verbal response as oral verification but will also request that the source complete and return any verification forms that were provided.

When Third-Party Verification is Not Required [Notice PIH 2010-19]

Third-party verification may not be available in all situations. HUD has acknowledged that it may not be cost-effective or reasonable to obtain third-party verification of income, assets, or expenses when these items would have a minimal impact on the family’s total tenant payment.

Primary Documents

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

Imputed Assets

HUD permits PHAs to accept a self-certification from a family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28].

PHA Policy

The PHA will accept a self-certification from a family as verification of assets disposed of for less than fair market value.

HUD permits PHAs to accept a self-certification from a family as verification of assets under $5,000 (24 CFR 960.259, 982.516). The certification must show each asset and the amount of income expected from that asset. The certification must be signed by all family members 18 years of age and older. Every 3 years the PHA must obtain third-party verification of all family assets and upon admitting a family to the HCV program.

PHA Policy

The PHA will accept a self-certification from a family to declare that it has total net assets equal to or less than $5,000, without taking additional steps to verify the accuracy of the declaration.

7-I.E. REVIEW OF DOCUMENTS AS VERIFICATION AND SELF-CERTIFICATION

Review of documents as verification and self-certification, or “tenant declaration,” is used as a last resort when the PHA is unable to obtain third-party verification.
When the PHA relies on a tenant declaration for verification of income, or expenses, the family’s file must be documented to explain why third-party verification was not available.

**PHA Policy**

The PHA may also review documents when necessary to help clarify information provided by third parties. In such cases the PHA will document in the file how the PHA information they have provided to the PHA.

The PHA will accept original documents or check stubs provided by the tenant to determine income.

When information cannot be verified by a third party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to the PHA.

The PHA may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified. All self-certifications must be signed in the presence of a PHA representative or a notary public.

**PART II: VERIFYING FAMILY INFORMATION**

**7-II.A. VERIFICATION OF LEGAL IDENTITY**

**PHA Policy**

The PHA will require families to furnish verification of legal identity for each household member.

Page 7-8

Administrative Plan 04/10/2020
If a document submitted by a family is illegible or otherwise questionable, more than one of these documents may be required.

If none of these documents can be provided and at the PHA’s discretion, a third party who knows the person may attest to the person’s identity. The certification must be provided in a format acceptable to the PHA and be signed in the presence of a PHA representative or PHA notary public.

Legal identity will be verified on an as needed basis.

7-II.B. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and Notice PIH 2010-3]

The family must provide documentation of a valid social security number (SSN) for each member of the household, with the exception of individuals who do not contend eligible immigration status. Exemptions also include, existing program participants who were at least 62 years of age as of January 31, 2010, and had not previously disclosed an SSN.

The PHA must accept the following documentation as acceptable evidence of the social security number:

- An original SSN card issued by the Social Security Administration (SSA)
- An original SSA-issued document, which contains the name and SSN of the individual
- An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual, along with other identifying information of the individual
- Such other evidence of the SSN as HUD may prescribe in administrative instructions

The PHA may only reject documentation of an SSN provided by an applicant or participant if the document is not an original document, if the original document has been altered, mutilated, or is not legible, or if the document appears to be forged.

**PHA Policy**

The PHA will explain to the applicant or participant the reasons the document is not acceptable and request that the individual obtain and submit acceptable documentation of the SSN to the PHA within 90 calendar days.

In the case of Moderate Rehabilitation Single Room Occupancy (SRO) individuals, the required documentation must be provided within 90 calendar days from the date of admission into the program. The PHA must grant one additional 90-day extension if it determines that the applicant’s failure to comply was due to circumstances that were beyond the applicant’s control and could not have been reasonably foreseen.

**PHA Policy**
The PHA will grant one additional 90-day extension if needed for reasons beyond the participant’s control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency. If the individual fails to comply with SSN disclosure and documentation requirements upon expiration of the provided time period, the PHA will terminate the individual’s assistance.

When the participant requests to add a new household member who is at least 6 years of age, or who is under the age of 6 and has an SSN, the participant must provide the complete and accurate SSN assigned to each new member at the time of reexamination or recertification, in addition to the documentation required to verify it. The PHA may not add the new household member until such documentation is provided.

When a participant requests to add a new household member who is under the age of 6 and has not been assigned an SSN, the participant must provide the SSN assigned to each new child and the required documentation within 90 calendar days of the child being added to the household. A 90-day extension will be granted if the PHA determines that the participant’s failure to comply was due to unforeseen circumstances and was outside of the participant’s control. During the period the PHA is awaiting documentation of the SSN, the child will be counted as part of the assisted household.

**PHA Policy**

*The PHA will grant one additional 90-day extension if needed for reasons beyond the participant’s control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.*

Social security numbers must be verified only once during continuously-assisted occupancy.

**PHA Policy**

*The PHA will verify each disclosed SSN by:*

- Obtaining documentation from applicants and participants that is acceptable as evidence of social security numbers
- Making a copy of the original documentation submitted, returning it to the individual, and retaining a copy in the file folder.

Once the individual’s verification status is classified as “verified,” the PHA should remove and destroy copies of documentation accepted as evidence of social security numbers by no later than the next reexamination.

**PHA Policy**

*Once an individual’s status is classified as “verified” in HUD’s EIV system, the PHA will remove and destroy copies of documentation accepted as evidence of social security numbers by no later than the next reexamination.*

7-II.C. DOCUMENTATION OF AGE
A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members an original document that provides evidence of the receipt of social security retirement benefits is acceptable.

**PHA Policy**

*If an official record of birth or evidence of social security retirement benefits cannot be provided, the PHA will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if birth year is recorded) and to provide a self-certification.*

Age must be verified only once during continuously-assisted occupancy.

**7-II.D. FAMILY RELATIONSHIPS**

Applicants and program participants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in the Eligibility chapter.

**PHA Policy**

*Family relationships are verified only to the extent necessary to determine a family’s eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships.*

**Marriage**

**PHA Policy**

*Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a marital relationship, the PHA will require the family to document the marriage.*

*A marriage certificate generally is required to verify that a couple is married.*

*In the case of a common law marriage, the couple must demonstrate that they hold themselves to be married (e.g., by telling the community they are married, calling each other husband and wife, using the same last name, filing joint income tax returns).*

**Separation or Divorce**

**PHA Policy**

*Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a separation or divorce, the PHA will require the family to document the divorce, or separation.*
A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

If no court document is available, documentation from a community-based agency will be accepted.

Absence of Adult Member

**PHA Policy**

If an adult member who was formerly a member of the household is reported to be permanently absent, the family must provide evidence to support that the person is no longer a member of the family (e.g., documentation of another address at which the person resides such as a lease or utility bill).

Foster Children and Foster Adults

**PHA Policy**

Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.

7-II.E. VERIFICATION OF STUDENT STATUS

General Requirements

**PHA Policy**

The PHA requires families to provide information about the student status of all students who are 18 years of age or older. This information will be verified only if:

- The family reports full-time student status for an adult other than the head, spouse, or cohead.
- The family reports child care expenses to enable a family member to further his or her education.
- The family includes a student enrolled in an institution of higher education.

Restrictions on Assistance to Students Enrolled in Institutions of Higher Education

This section applies only to students who are seeking assistance on their own, separately from their parents. It does not apply to students residing with parents who are seeking or receiving HCV assistance.

**PHA Policy**
In accordance with the verification hierarchy described in Section 7-1.B, the PHA will determine whether the student is exempt from the restrictions in 24 CFR 5.612 by verifying any one of the following exemption criteria:

The student is enrolled at an educational institution that does not meet the definition of institution of higher education in the Higher Education Act of 1965 (see Section Exhibit 3-2).

The student is at least 24 years old.

The student is a veteran, as defined in Section 3-II.E.

The student is married.

The student has at least one dependent child, as defined in Section 3-II.E.

The student is a person with disabilities, as defined in Section 3-II.E, and was receiving assistance prior to November 30, 2005.

If the PHA cannot verify at least one of these exemption criteria, the PHA will conclude that the student is subject to the restrictions on assistance at 24 CFR 5.612. In addition to verifying the student’s income eligibility, the PHA will then proceed to verify either the student’s parents’ income eligibility (see Section 7-III.J) or the student’s independence from his/her parents (see below).

Independent Student

PHA Policy

The PHA will verify a student’s independence from his/her parents to determine that the student’s parents’ income is not relevant for determining the student’s eligibility by doing all of the following:

Reviewing and verifying previous address information to determine whether the student has established a household separate from his/her parents for at least one year or reviewing and verifying documentation relevant to determining whether the student meets the U.S. Department of Education’s definition of independent student (see Section 3-II.E)

Reviewing prior year income tax returns to verify whether a parent has claimed the student as a dependent

Requesting and obtaining written certification directly from the student’s parents identifying the amount of support they will be providing to the student, even if the amount of support is $0.

7-II.F. DOCUMENTATION OF DISABILITY
The PHA must verify the existence of a disability in order to allow certain income disallowances and deductions from income. The PHA is not permitted to inquire about the nature or extent of a person’s disability [24 CFR 100.202(c)]. The PHA may not inquire about a person’s diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA will not place this information in the tenant file. Under no circumstances will the PHA request a participant’s medical record(s). For more information on health care privacy laws, see the Department of Health and Human Services’ website at www.os.dhhs.gov.

The above cited regulation does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

Inquiry into an applicant’s ability to meet the requirements of ownership or tenancy

Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability

Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability

Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance

Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance

**Family Members Receiving SSA Disability Benefits**

Verification of the receipt of disability benefits from the Social Security Administration (SSA) is sufficient verification of disability for the purpose of qualifying for waiting list preferences (if applicable) or certain income disallowances and deductions [VG, p. 23].

**PHA Policy**

For family members claiming disability who receive disability benefits from the SSA, the PHA will attempt to obtain information about disability benefits through the HUD Enterprise Income Verification (EIV) system. If documentation from HUD’s EIV System is not available, the PHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If the family is unable to provide the document(s), the PHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from www.ssa.gov. Once the applicant or participant receives the benefit verification letter they will be required to provide it to the PHA.

**Family Members Not Receiving SSA Disability Benefits**
Receipt of veteran’s disability benefits, worker’s compensation, or other non-SSA benefits based on the individual’s claimed disability are not sufficient verification that the individual meets HUD’s definition of disability in 24 CFR 5.603.

**PHA Policy**

*For family members claiming disability who do not receive disability benefits from the SSA, a knowledgeable professional must provide third-party verification that the family member meets the HUD definition of disability. See the Eligibility chapter for the HUD definition of disability. The knowledgeable professional will verify whether the family member does or does not meet the HUD definition.*

### 7-IL.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]

**Overview**

Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. A detailed discussion of eligibility requirements is in the Eligibility chapter. This verifications chapter discusses HUD and PHA verification requirements related to citizenship status.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen or an ineligible noncitizen and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual it need not be collected or verified again during continuously-assisted occupancy. [24 CFR 5.508(g)(5)]

#### U.S. Citizens and Nationals

HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

The PHA may request verification of the declaration by requiring presentation of a birth certificate, United States passport or other appropriate documentation.

**PHA Policy**

*Family members who claim U.S. citizenship or national status will not be required to provide additional documentation unless the PHA receives information indicating that an individual’s declaration may not be accurate.*

#### Eligible Immigrants

**Documents Required**

All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.
The documentation required for eligible noncitizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-2 at the end of this chapter summarizes documents family members must provide.

**PHA Verification** [HCV GB, pp. 5-3 and 5-7]

For family members age 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this plan. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, the PHA must verify immigration status with the United States Citizenship and Immigration Services (USCIS).

The PHA will follow all USCIS protocols for verification of eligible immigration status.

**7-II.H. VERIFICATION OF PREFERENCE STATUS**

The PHA must verify any preferences claimed by an applicant.

**PHA Policy**

*The PHA will offer a preference to any family that has been terminated from its HCV program due to insufficient program funding. The PHA will verify this preference using the PHA’s termination records.*

**PART III: VERIFYING INCOME AND ASSETS**

Chapter 6, Part I of this plan describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any assets and income reported by the family must be verified. This part provides PHA policies that supplement the general verification procedures specified in Part I of this chapter.

**7-III.A. EARNED INCOME**

**Tips**

**PHA Policy**

*Unless tip income is included in a family member’s W-2 by the employer, persons who work in industries where tips are standard will be required to sign a certified estimate of tips received for the prior year and tips anticipated to be received in the coming year.*

**7-III.B. BUSINESS AND SELF EMPLOYMENT INCOME**

**PHA Policy**

*Business owners and self-employed persons will be required to provide:*
Financial statement, if an audit was conducted, for the previous fiscal year. If an audit was not conducted, a statement of income and expenses must be submitted and the business owner or self-employed person must certify to its accuracy.

All schedules completed for filing federal and local taxes in the preceding year.

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

The PHA will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and to certify to its accuracy at all future reexaminations.

At any reexamination the PHA may request documents that support submitted financial statements such as manifests, appointment books, cash books, or bank statements.

If a family member has been self-employed less than three (3) months, the PHA will accept the family member's certified estimate of income and schedule an interim reexamination in three (3) months. If the family member has been self-employed for three (3) to twelve (12) months the PHA will require the family to provide documentation of income and expenses for this period and use that information to project income.

7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS

Social Security/SSI Benefits

PHA Policy

To verify the SS/SSI benefits of applicants, the PHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s), the PHA will help the applicant request a benefit verification letter from SSA’s Web site at www.socialsecurity.gov or ask the family to request one by calling SSA at 1-800-772-1213. Once the applicant has received the benefit verification letter they will be required to provide it to the PHA.

To verify the SS/SSI benefits of participants, the PHA will obtain information about social security/SSI benefits through the HUD EIV System, and confirm with the participant(s) that the current listed benefit amount is correct. If the participant disputes the EIV-reported benefit amount, or if benefit information is not available in HUD systems, the PHA will request a current SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s) the PHA will help the participant request a benefit verification letter from SSA’s Web site at www.socialsecurity.gov or ask the family to request one by calling SSA at 1-800-772-1213. Once the participant has received the benefit verification letter they will be required to provide it to the PHA.
7-III.D. ALIMONY OR CHILD SUPPORT

**PHA Policy**

The way the PHA will seek verification for alimony and child support differs depending on whether the family declares that it receives regular payments.

If the family declares that it receives regular payments, verification will be sought in the following order.

- Copy of the receipts and/or payment stubs for the 60 days prior to PHA request
- Third-party verification form from the state or local child support enforcement agency
- Third-party verification form from the person paying the support
- Family's self-certification of amount received and of the likelihood of support payments being received in the future, or that support payments are not being received.

If the family declares that it receives irregular or no payments, in addition to the verification process listed above, the family must provide evidence that it has taken all reasonable efforts to collect amounts due. This may include:

- A statement from any agency responsible for enforcing payment that shows the family has requested enforcement and is cooperating with all enforcement efforts
- If the family has made independent efforts at collection, a written statement from the attorney or other collection entity that has assisted the family in these efforts

*Note: Families are not required to undertake independent enforcement action.*

7-III.E. ASSETS AND INCOME FROM ASSETS

**Assets Disposed of for Less than Fair Market Value**

The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. The PHA needs to verify only those certifications that warrant documentation [HCV GB, p. 5-28].

**PHA Policy**

The PHA will verify the value of assets disposed of only if:

- The PHA does not already have a reasonable estimation of its value from previously collected information, or
The amount reported by the family in the certification appears obviously in error.

Example 1: An elderly participant reported a $10,000 certificate of deposit at the last annual reexamination and the PHA verified this amount. Now the person reports that she has given this $10,000 to her son. The PHA has a reasonable estimate of the value of the asset; therefore, reverification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately 5,000. Based upon market conditions, this declaration does not seem realistic. Therefore, the PHA will verify the value of this asset.

7-III.F. NET INCOME FROM RENTAL PROPERTY

PHA Policy

The family must provide:

- A current executed lease for the property that shows the rental amount or certification from the current tenant
- A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year and the most recent IRS Form 1040 with Schedule E (Rental Income). If schedule E was not prepared, the PHA will require the family members involved in the rental of property to provide a self-certification of income and expenses for the previous year and may request documentation to support the statement including: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.

7-III.G. RETIREMENT ACCOUNTS

PHA Policy

The PHA will accept written third-party documents supplied by the family as evidence of the status of retirement accounts.

The type of original document that will be accepted depends upon the family member’s retirement status.

- Before retirement, the PHA will accept an original document from the entity holding the account with a date that shows it is the most recently scheduled statement for the account but in no case earlier than 6 months from the effective date of the examination.
- Upon retirement, the PHA will accept an original document from the entity holding the account that reflects any distributions of the account balance, any lump sums taken and any regular payments.
- After retirement, the PHA will accept an original document from the entity holding the account dated no earlier than 12 months before that reflects any
distributions of the account balance, any lump sums taken and any regular payments.

7-III.H. INCOME FROM EXCLUDED SOURCES

A detailed discussion of excluded income is provided in Chapter 6, Part I.

The PHA must obtain verification for income exclusions only if, without verification, the PHA would not be able to determine whether the income is to be excluded. For example: If a family’s 16 year old has a job at a fast food restaurant, the PHA will confirm that PHA records verify the child’s age but will not require third-party verification of the amount earned. However, if a family claims the earned income disallowance for a source of income, both the source and the income must be verified.

**PHA Policy**

*The PHA will reconcile differences in amounts reported by the third party and the family only when the excluded amount is used to calculate the family share (as is the case with the earned income disallowance). In all other cases, the PHA will report the amount to be excluded as indicated on documents provided by the family.*

7-III.I. ZERO ANNUAL INCOME STATUS

**PHA Policy**

*The PHA will check EIV sources and/or request information from third-party sources to verify that certain forms of income such as unemployment benefits, TANF, SSI, etc., are not being received by families claiming to have zero annual income.*

*The PHA will require tenants to provide information regarding their means of basic subsistence, such as food, utilities, etc. on a regular basis.*

7-III.J. STUDENT FINANCIAL ASSISTANCE

Any financial assistance, in excess of amounts received for tuition, that a person attending an institution of higher education receives under the Higher Education Act of 1965, from private sources, or from an institution of higher education must be considered income unless the student is over the age of 23 with dependent children or is residing with parents who are seeking or receiving HCV assistance [24 CFR 5.609(b)(9) and FR 4/10/06].

For students over the age of 23 with dependent children or students residing with parents who are seeking or receiving HCV assistance, the full amount of student financial assistance is excluded from annual income [24 CFR 5.609(c)(6)]. The full amount of student financial assistance is also excluded for students attending schools that do not qualify as institutions of higher education (as defined in Exhibit 3-2). Excluded amounts are verified only if, without verification, the PHA
would not be able to determine whether or to what extent the income is to be excluded (see Section 7-III.H).

**PHA Policy**

*For a student subject to having a portion of his/her student financial assistance included in annual income in accordance with 24 CFR 5.609(b)(9), the PHA will request written third-party verification of both the source and the amount. Family-provided documents from the educational institution attended by the student will be requested, as well as documents generated by any other person or entity providing such assistance, as reported by the student.*

*In addition, the PHA will request written verification of the student’s tuition amount.*

*If the PHA is unable to obtain third-party written verification of the requested information, the PHA will pursue other forms of verification following the verification hierarchy in Section 7-I.B.*

7-III.K.PARENTAL INCOME OF STUDENTS SUBJECT TO ELIGIBILITY RESTRICTIONS

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the income of the student’s parents must be considered when determining income eligibility, unless the student is determined independent from his or her parents in accordance with PHA policy [24 CFR 5.612 and FR 4/10/06, p. 18146].

This provision does not apply to students residing with parents who are seeking or receiving HCV assistance. It is limited to students who are seeking or receiving assistance on their own, separately from their parents.

**PHA Policy**

*If the PHA is required to determine the income eligibility of a student’s parents, the PHA will request an income declaration and certification of income from the appropriate parent(s) (as determined in Section 3-II.E). The PHA will send the request directly to the parents, who will be required to certify to their income under penalty of perjury. The parents will be required to submit the information directly to the PHA. The required information must be submitted (postmarked) within 10 business days of the date of the PHA’s request or within any extended timeframe approved by the PHA.*

*The PHA reserves the right to request and review supporting documentation at any time if it questions the declaration or certification. Supporting documentation may include, but is not limited to, Internal Revenue Service (IRS) tax returns, consecutive and original pay stubs, bank statements, pension benefit statements, benefit award letters, and other official and authentic documents from a federal, state, or local agency.*
PART IV: VERIFYING MANDATORY DEDUCTIONS

7-IV.A. DEPENDENT AND ELDERLY/DISABLED HOUSEHOLD DEDUCTIONS

The dependent and elderly/disabled family deductions require only that the PHA verify that the family members identified as dependents or elderly/disabled persons meet the statutory definitions. No further verifications are required.

Dependent Deduction

See Chapter 6 (6-II.B.) for a full discussion of this deduction. The PHA must verify that:

- Any person under the age of 18 for whom the dependent deduction is claimed is not the head, spouse, or cohead of the family and is not a foster child
- Any person age 18 or older for whom the dependent deduction is claimed is not a foster adult or live-in aide, and is a person with a disability or a full time student

Elderly/Disabled Family Deduction

See Eligibility chapter for a definition of elderly and disabled families and Chapter 6 (6-II.C.) for a discussion of the deduction. The PHA must verify that the head, spouse, or cohead is 62 years of age or older or a person with disabilities.

7-IV.B. MEDICAL EXPENSE DEDUCTION

Policies related to medical expenses are found in 6-II.D. The amount of the deduction will be verified following the standard verification procedures described in Part I.

Amount of Expense

PHA Policy

Medical expenses will be verified through:

- Written third-party documents provided by the family, such as pharmacy printouts or receipts.
- The PHA will make a best effort to determine what expenses from the past are likely to continue to occur in the future. The PHA will also accept evidence of monthly payments or total payments that will be due for medical expenses during the upcoming 12 months.
- Written third-party verification forms, if the family is unable to provide acceptable documentation.
- If third-party or document review is not possible, written family certification as to costs anticipated to be incurred during the upcoming 12 months.

In addition, the PHA must verify that:
• The household is eligible for the deduction.
• The costs to be deducted are qualified medical expenses.
• The expenses are not paid for or reimbursed by any other source.
• Costs incurred in past years are counted only once.

**Eligible Household**

The medical expense deduction is permitted only for households in which the head, spouse, or cohead is at least 62, or a person with disabilities. The PHA must verify that the family meets the definition of an elderly or disabled family provided in the Eligibility chapter and as described in Chapter 7 (7-IV.A.) of this plan.

**Qualified Expenses**

To be eligible for the medical expenses deduction, the costs must qualify as medical expenses. See Chapter 6 (6-II.D.) for the PHA’s policy on what counts as a medical expense.

**Unreimbursed Expenses**

To be eligible for the medical expenses deduction, the costs must not be reimbursed by another source.

**PHA Policy**

*The family will be required to certify that the medical expenses are not paid or reimbursed to the family from any source.*

**Expenses Incurred in Past Years**

**PHA Policy**

*When anticipated costs are related to on-going payment of medical bills incurred in past years, the PHA will verify:*

- The anticipated repayment schedule
- The amounts paid in the past, and
- Whether the amounts to be repaid have been deducted from the family’s annual income in past years

**7-IV.C. DISABILITY ASSISTANCE EXPENSES**

Policies related to disability assistance expenses are found in 6-II.E. The amount of the deduction will be verified following the standard verification procedures described in Part I.

**Amount of Expense**

**Attendant Care**

**PHA Policy**
The PHA will accept written third-party documents provided by the family. If family-provided documents are not available, the PHA will provide a third-party verification form directly to the care provider requesting the needed information.

Expenses for attendant care will be verified through:

- Written third-party documents provided by the family, such as receipts or cancelled checks.
- Third-party verification form, directly to the care provider, if family provided documents are not available.
- If third-party verification is not possible, written family certification as to costs anticipated to be incurred for the upcoming 12 months.

Auxiliary Apparatus

**PHA Policy**

Expenses for auxiliary apparatus will be verified through:

- Written third-party documents provided by the family, such as billing statements for purchase of auxiliary apparatus, other evidence of monthly payments or total payments that will be due for the apparatus during the upcoming 12 months.
- Review of third-party verification of anticipated cost, directly to the provider, if family documents are not available.
- If third-party verification is not possible, written family certification of estimated apparatus costs for the upcoming 12 months.

In addition, the PHA must verify that:

- The family member for whom the expense is incurred is a person with disabilities (as described in 7-II.F above).
- The expense permits a family member, or members, to work (as described in 6-II.E.).
- The expense is not reimbursed from another source (as described in 6-II.E.).

**Family Member is a Person with Disabilities**

To be eligible for the disability assistance expense deduction, the costs must be incurred for attendant care or auxiliary apparatus expense associated with a person with disabilities. The PHA will verify that the expense is incurred for a person with disabilities (See 7-II.F.).

**Family Member(s) Permitted to Work**

The PHA must verify that the expenses claimed actually enable a family member, or members, (including the person with disabilities) to work.
PHA Policy

The PHA will request third-party verification from a Rehabilitation Agency or knowledgeable medical professional indicating that the person with disabilities requires attendant care or an auxiliary apparatus to be employed, or that the attendant care or auxiliary apparatus enables another family member, or members, to work (See 6-II.E.). This documentation may be provided by the family.

If third-party verification has been attempted and is either unavailable or proves unsuccessful, the family must certify that the disability assistance expense frees a family member, or members (possibly including the family member receiving the assistance), to work.

Unreimbursed Expenses

To be eligible for the disability expenses deduction, the costs must not be reimbursed by another source.

PHA Policy

The family will be required to certify that attendant care or auxiliary apparatus expenses are not paid by or reimbursed to the family from any source.

7-IV.D. CHILD CARE EXPENSES

Policies related to child care expenses are found in Chapter 6 (6-II.F). The amount of the deduction will be verified following the standard verification procedures described in Part I of this chapter. In addition, the PHA must verify that:

- The child is eligible for care.
- The costs claimed are not reimbursed.
- The costs enable a family member to pursue an eligible activity.
- The costs are for an allowable type of child care.
- The costs are reasonable.

Eligible Child

To be eligible for the child care deduction, the costs must be incurred for the care of a child under the age of 13. The PHA will verify that the child being cared for (including foster children) is under the age of 13 (See 7-II.C.).

Unreimbursed Expense

To be eligible for the child care deduction, the costs must not be reimbursed by another source.
**PHA Policy**

*The family will be required to certify that the child care expenses are not paid by or reimbursed to the family from any source.*

**Pursuing an Eligible Activity**

The PHA must verify that the family member(s) that the family has identified as being enabled to seek work, pursue education, or be gainfully employed, are actually pursuing those activities.

**PHA Policy**

*Information to be Gathered*

*The PHA will verify information about how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the time required for study (for students), the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.*

**Seeking Work**

Whenever possible the PHA will use documentation from a state or local agency that monitors work-related requirements (e.g., welfare or unemployment). In such cases the PHA will request family-provided verification from the agency of the member’s job seeking efforts to date, and require the family to submit to the PHA any reports provided to the other agency.

*In the event third-party verification is not available, the PHA will provide the family with a form on which the family member must record job search efforts. The PHA will review this information at each subsequent reexamination for which this deduction is claimed.*

**Furthering Education**

The PHA will request third-party documentation to verify that the person permitted to further his or her education by the child care is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family.

**Gainful Employment**

The PHA will seek third-party verification of the work schedule of the person who is permitted to work by the child care. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family.

**Allowable Type of Child Care**
The type of care to be provided is determined by the family, but must fall within certain guidelines, as discussed in Chapter 6.

**PHA Policy**

*The PHA will verify that the type of child care selected by the family is allowable, as described in Chapter 6 (6-II.F).*

*The PHA will verify that the fees paid to the child care provider cover only child care costs (e.g., no housekeeping services or personal services) and are paid only for the care of an eligible child (e.g., prorate costs if some of the care is provided for ineligible family members).*

*The PHA will verify that the child care provider is not an assisted family member. Verification will be made through the head of household’s declaration of family members who are expected to reside in the unit.*

**Reasonableness of Expenses**

Only reasonable child care costs can be deducted.

**PHA Policy**

*The actual costs the family incurs will be compared with the PHA’s established standards of reasonableness for the type of care in the locality to ensure that the costs are reasonable.*

*If the family presents a justification for costs that exceed typical costs in the area, the PHA will request additional documentation, as required, to support a determination that the higher cost is appropriate.*
EXHIBIT 7-1: SUMMARY OF DOCUMENTATION REQUIREMENTS FOR NONCITIZENS [HCV GB, pp. 5-9 and 5-10]

- All noncitizens claiming eligible status must sign a declaration of eligible immigrant status on a form acceptable to the PHA.
- Except for persons 62 or older, all noncitizens must sign a verification consent form.
- Additional documents are required based upon the person's status.

<table>
<thead>
<tr>
<th>Elderly Noncitizens</th>
</tr>
</thead>
<tbody>
<tr>
<td>A person 62 years of age or older who claims eligible immigration status also must provide proof of age such as birth certificate, passport, or documents showing receipt of SS old-age benefits.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>All other Noncitizens</th>
</tr>
</thead>
<tbody>
<tr>
<td>Noncitizens that claim eligible immigration status also must present the applicable USCIS document. Acceptable USCIS documents are listed below.</td>
</tr>
</tbody>
</table>
- Form I-551 Alien Registration Receipt Card (for permanent resident aliens)
- Form I-94 Arrival-Departure Record annotated with one of the following:
  - “Admitted as a Refugee Pursuant to Section 207”
  - “Section 208” or “Asylum”
  - “Section 243(h)” or “Deportation stayed by Attorney General”
  - “Paroled Pursuant to Section 221 (d)(5) of the USCIS”
- Form I-94 Arrival-Departure Record with no annotation accompanied by:
  - A final court decision granting asylum (but only if no appeal is taken);
  - A letter from a USCIS asylum officer granting asylum (if application is filed on or after 10/1/90) or from a USCIS district director granting asylum (application filed before 10/1/90);
  - A court decision granting withholding of deportation; or
  - A letter from an asylum officer granting withholding or deportation (if application filed on or after 10/1/90).
- Form I-688 Temporary Resident Card annotated “Section 245A” or Section 210”.
- A receipt issued by the USCIS indicating that an application for issuance of a replacement document in one of the above listed categories has been made and the applicant’s entitlement to the document has been verified; or
- Other acceptable evidence. If other documents are determined by the USCIS to constitute acceptable evidence of eligible immigration status, they will be announced by notice published in the *Federal Register*.
TERREBONNE PARISH HOUSING CHOICE VOUCHER PROGRAM

ADMINISTRATIVE PROGRAM

Chapter 8

HOUSING QUALITY STANDARDS AND RENT REASONABLENESS DETERMINATIONS

[24 CFR 982 Subpart I and 24 CFR 982.507]

INTRODUCTION

HUD requires that all units occupied by families receiving Housing Choice Voucher (HCV) assistance meet HUD's Housing Quality Standards (HQS) and permits the PHA to establish additional requirements. The use of the term "HQS" in this plan refers to the combination of both HUD and PHA-established requirements. HQS inspections are required before the Housing Assistance Payments (HAP) Contract is signed and at least annually during the term of the contract.

HUD also requires PHAs to determine that units rented by families assisted under the HCV program have rents that are reasonable when compared to comparable unassisted units in the market area.

This chapter explains HUD and PHA requirements related to housing quality and rent reasonableness as follows:

Part I. Physical Standards. This part discusses the physical standards required of units occupied by HCV-assisted families and identifies decisions about the acceptability of the unit that may be made by the family based upon the family's preference. It also identifies life-threatening conditions that must be addressed on an expedited basis.

Part II. The Inspection Process. This part describes the types of inspections the PHA will make and the steps that will be taken when units do not meet HQS.

Part III. Rent Reasonableness Determinations. This part discusses the policies the PHA will use to make rent reasonableness determinations.

Special HQS requirements for homeownership, manufactured homes, and other special housing types are discussed in Chapter 15 to the extent that they apply in this jurisdiction.
PART I: PHYSICAL STANDARDS

8-I.A. GENERAL HUD REQUIREMENTS

HUD Performance and Acceptability Standards

HUD's performance and acceptability standards for HCV-assisted housing are provided in 24 CFR 982.401. These standards cover the following areas:

- Sanitary facilities
- Food preparation and refuse disposal
- Space and Security
- Thermal Environment
- Illumination and electricity
- Structure and materials
- Interior Air Quality
- Water Supply
- Lead-based paint
- Access
- Site and neighborhood
- Sanitary condition
- Smoke Detectors

A summary of HUD performance criteria is provided in Exhibit 8-1. Additional guidance on these requirements is found in the following HUD resources:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Tenant Preference Items

HUD requires the PHA to enforce minimum HQS but also requires that certain judgments about acceptability be left to the family. For example, the PHA must ensure that the unit contains the required sanitary facilities, but the family decides whether the cosmetic condition of the facilities is acceptable. Exhibit 8-2 summarizes those items that are considered tenant preferences.
Modifications to Provide Accessibility

Under the Fair Housing Act of 1988 an owner must not refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit. Such modifications are at the family's expense. The owner may require restoration of the unit to its original condition if the modification would interfere with the owner or next occupant's full enjoyment of the premises. The owner may not increase a customarily required security deposit. However, the landlord may negotiate a restoration agreement that requires the family to restore the unit and, if necessary to ensure the likelihood of restoration, may require the tenant to pay a reasonable amount into an interest bearing escrow account over a reasonable period of time. The interest in any such account accrues to the benefit of the tenant. The owner may also require reasonable assurances that the quality of the work will be acceptable and that any required building permits will be obtained.[24 CFR 100.203; Notice 2003-31].

Modifications to units to provide access for a person with a disability must meet all applicable HQS requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [28 CFR 35.151(c) and Notice 2003-31] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.

**PHA Policy**

*Any owner that intends to negotiate a restoration agreement or require an escrow account must submit the agreement(s) to the PHA for review.*

8-I.B. ADDITIONAL LOCAL REQUIREMENTS

The PHA may impose additional quality standards as long as the additional criteria are not likely to adversely affect the health or safety of participant families or severely restrict housing choice. HUD approval is required if more stringent standards are imposed. HUD approval is not required if the PHA additions are clarifications of HUD's acceptability criteria or performance standards [24 CFR 982.401(a)(4)].

**Thermal Environment [HCV GB p.10-7]**

The PHA must define a “healthy living environment” for the local climate. This may be done by establishing a temperature that the heating system must be capable of maintaining, that is appropriate for the local climate.

**PHA Policy**

*The heating system must be capable of maintaining an interior temperature of 65 degrees Fahrenheit between October 1 and May 1.*

**Clarifications of HUD Requirements**

**PHA Policy**

*As permitted by HUD, the PHA has adopted the following specific requirements that elaborate on HUD standards.*

**Ceilings**
Areas where plaster or texture is deteriorating and/or falling will need repairs. Sagging and/or missing ceiling tiles will be secured or replaced.

**Walls**
In areas where plaster or drywall is sagging, severely cracked, or otherwise damaged, it must be repaired or replaced.

**Windows**
Window sashes must be in good condition, solid and intact, and properly fitted to the window frame. Damaged or deteriorated sashes must be replaced.

Windows must be weather-stripped as needed to ensure a weather-tight seal.

Windows must have good condition/properly fitting screens and workable locks.

**Doors**
All exterior doors must be weather-tight to avoid any air or water infiltration, be lockable, have no holes, have all trim intact, and have a threshold.

All interior doors must have no holes, have all trim intact.

**Floors**
All wood floors must be sanded to a smooth surface and sealed. Any loose or warped boards must be secured and made level. If they cannot be leveled, they must be replaced.

All floors must be in a finished state. Raw wood or unsealed concrete is not permitted.

All floors should have some type of base shoe, trim, or sealing for a "finished look." Vinyl base shoe is permitted.

**Sinks/Toilets**
All sinks and commode water lines must have shut off valves, unless faucets are wall mounted.

All sinks must have functioning stoppers.

All worn or cracked toilet seats and tank lids must be replaced and toilet tank lid must fit properly.

**Security**
If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the quick release system.

**Bedrooms:**
A room will not be considered a bedroom unless it has a closet/either portable or permanently installed in the room.

All bedrooms must have a window.

Two electrical outlets must be present.

A light fixture must be present.

**Utility Meters**

Multiple units sharing the same utility meter will not be accepted unless the owner is responsible for the payment of the utilities.

Utility meters must be in the head of household name.

**Electricity**

Missing light fixture covers will have to be replaced if fixture was intended to have one; unless cover is no longer available.

**General**

The PHA will include in its inspection reports items which although do not fail the unit, they are necessary to maintain the unit in the condition it was rented.

Landlord’s failing to perform these repairs may face a reduction in contract rent.

Initial and annual inspections will have photographs of the unit on file.

---

**8-I.C. LIFE THREATENING CONDITIONS [24 CFR 982.404(a)]**

HUD requires the PHA to define life threatening conditions and to notify the owner or the family (whichever is responsible) of the corrections required. The responsible party must correct life threatening conditions within 24 hours of PHA notification.

**PHA Policy**

The following are considered life threatening conditions:

- Any condition that jeopardizes the security of the unit
- Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling
- Natural or LP gas or fuel oil leaks
- Any electrical problem or condition that could result in shock or fire
- Absence of a working heating system when outside temperature is below 60 degrees Fahrenheit.
- Utilities not in service, including no running hot water
- Conditions that present the imminent possibility of injury
- Obstacles that prevent safe entrance or exit from the unit
- Absence of a functioning toilet in the unit
**Inoperable smoke detectors**

If an owner fails to correct life threatening conditions as required by the PHA, the housing assistance payment will be abated and the HAP contract will be terminated. See 8-II-G.

If a family fails to correct a family caused life threatening condition as required by the PHA, the PHA may terminate the family’s assistance. See 8-II.H.

The owner will be required to repair an inoperable smoke detector unless the PHA determines that the family has intentionally disconnected it (by removing batteries or other means). In this case, the family will be required to repair the smoke detector within 24 hours.

**8-I.D. OWNER AND FAMILY RESPONSIBILITIES [24 CFR 982.404]**

**Family Responsibilities**

The family is responsible for correcting the following HQS deficiencies:

- Tenant-paid utilities not in service
- Failure to provide or maintain family-supplied appliances
- Damage to the unit or premises caused by a household member or guest beyond normal wear and tear. "Normal wear and tear" is defined as items which could not be charged against the tenant's security deposit under state law or court practice.

**Owner Responsibilities**

The owner is responsible for all HQS violations not listed as a family responsibility above, even if the violation is caused by the family's living habits (e.g., vermin infestation). However, if the family's actions constitute a serious or repeated lease violation the owner may take legal action to evict the family.

**8-I.E. SPECIAL REQUIREMENTS FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL [24 CFR 35.1225]**

If a PHA is notified by a public health department or other medical health care provider, or verifies information from a source other than a public health department or medical health care provider, that a child of less than 6 years of age, living in an HCV-assisted unit has been identified as having an environmental intervention blood lead level, the PHA must complete a risk assessment of the dwelling unit. The risk assessment must be completed in accordance with program requirements, and the result of the risk assessment must be immediately provided to the owner of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information must be provided to the owner.

Within 30 days after receiving the risk assessment report from the PHA, or the evaluation from the public health department, the owner is required to complete the reduction of identified lead-based paint hazards in accordance with the lead-based paint regulations [24 CFR 35.1325 and 35.1330]. If the owner does not complete the “hazard reduction” as required, the dwelling unit is in violation of HQS and the PHA will take action in accordance with Section 8-II.G.

PHA reporting requirements, and data collection and record keeping responsibilities related to children with an environmental intervention blood lead level are discussed in Chapter 16.

**8-I.F. VIOLATION OF HQS SPACE STANDARDS [24 CFR 982.403]**

© Copyright 2011 Nan McKay & Associates, Inc. Unlimited copies may be made for internal use.
If the PHA determines that a unit does not meet the HQS space standards because of an increase in family size or a change in family composition, the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the HAP contract in accordance with its terms.

PART II: THE INSPECTION PROCESS

8-II.A. OVERVIEW [24 CFR 982.405]

Types of Inspections

The PHA conducts the following types of inspections as needed. Each type of inspection is discussed in the paragraphs that follow.

- **Initial Inspections.** The PHA conducts initial inspections in response to a request from the family to approve a unit for participation in the HCV program. The unit must pass the HQS inspection before the effective date of the HAP Contract.

- **Biennial Inspections.** HUD requires the PHA to inspect each unit under lease biennially to confirm that the unit still meets HQS. The inspection may be conducted in conjunction with the family's reexamination but also may be conducted separately.

- **Special Inspections.** A special inspection may be requested by the owner, the family, or a third party as a result of problems identified with a unit between inspections.

- **Quality Control Inspections.** HUD requires that a sample of units be reinspected by a supervisor or other qualified individual to ensure that HQS are being enforced correctly and uniformly by all inspectors.

Inspection Costs

The PHA may not charge the family or owner for unit inspections [24 CFR 982.405(e)]. In the case of inspections of PHA-owned units, the PHA may compensate the independent agency from ongoing administrative fee for inspections performed. The PHA and the independent agency may not charge the family any fee or charge for the inspection [24 CFR.982.352(b)].

Notice and Scheduling

The family must allow the PHA to inspect the unit at reasonable times with reasonable notice [24 CFR 982.551(d)].

**PHA Policy**

*Both the family and the owner will be given reasonable notice of all inspections. Except in the case of a life threatening emergency, reasonable notice is considered to be not less than 48 hours. Inspections may be scheduled between 8:00 a.m. and 3:00 p.m. Generally inspections will be conducted on business days only. In the case of a life threatening emergency, the PHA will give as much notice as possible, given the nature of the emergency.*

Owner and Family Inspection Attendance
HUD permits the PHA to set policy regarding family and owner presence at the time of inspection [HCV GB p. 10-27].

**PHA Policy**

*When a family occupies the unit at the time of inspection an adult family member must be present for the inspection. The presence of the owner or the owner's representative is encouraged but is not required.*

*At initial inspection of a vacant unit, the PHA will inspect the unit in the presence of the owner or owner's representative. The presence of a family representative is permitted, but is not required.*

**8-II.B. INITIAL HQS INSPECTION [24 CFR 982.401(a)]**

**Timing of Initial Inspections**

HUD requires the unit to pass HQS before the effective date of the lease and HAP Contract. HUD requires PHAs with fewer than 1,250 budgeted units to complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA). For PHAs with 1,250 or more budgeted units, to the extent practicable such inspection and determination must be completed within 15 days. The 15-day period is suspended for any period during which the unit is not available for inspection [982.305(b)(2)].

**PHA Policy**

*The PHA will complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA).*

**Inspection Results and Re-inspections**

**PHA Policy**

*If any HQS violations are identified, the owner will be notified of the deficiencies and be given a time frame to correct them. If requested by the owner, the time frame for correcting the deficiencies may be extended by the PHA for good cause. The PHA will re-inspect the unit within 5 business days of the date the owner notifies the PHA that the required corrections have been made.*

*If the time period for correcting the deficiencies (or any PHA-approved extension) has elapsed, or the unit fails HQS at the time of the re-inspection, the PHA will notify the owner and the family that the unit has been rejected and that the family must search for another unit. The PHA may agree to conduct a second re-inspection, for good cause, at the request of the family and owner.*

*Following a failed re-inspection, the family may submit a new Request for Tenancy Approval for the unit if the family has not found another unit by the time the owner completes all repairs and the family continues to wish to live in the unit.*

**Utilities**

Generally, at initial lease-up the owner is responsible for demonstrating that all utilities are in working order including those utilities that the family will be responsible for paying.
**PHA Policy**

If utility service is not available for testing at the time of the initial inspection, the PHA will allow the utilities to be placed in service after the unit has met all other HQS requirements. The PHA will re-inspect or review documentation to confirm that utility service is operational before the HAP contract is executed by the PHA.

If the utilities are supplied by the family, utilities must be in the head of household’s name.

**Appliances**

**PHA Policy**

If the family is responsible for supplying the stove and/or refrigerator, the PHA will allow the stove and refrigerator to be placed in the unit after the unit has met all other HQS requirements. The required appliances must be in place before the HAP contract is executed by the PHA. The PHA will execute the HAP contract based upon a certification from the family that the appliances have been installed and are working. A confirmatory inspection will be scheduled.

8-II.C. BIENNIAL HQS INSPECTIONS [24 CFR Parts 5, 943, and 982]

HUD Implementation of Fiscal Year 2014 Appropriations Provisions on Public Housing Agency Consortia, Biennial Inspections. Biennial inspections will allow PHAs to comply with the requirement to inspect assisted dwelling units during the term of a HAP contract by inspecting the units not less than biennially instead of annually.

**Scheduling the Inspection**

Each unit under HAP contract allow must have a biennial inspection.

**PHA Policy**

If an adult family member cannot be present on the scheduled date, the family should request that the PHA reschedule the inspection. The PHA and family will agree on a new inspection date.

If the family misses the first scheduled appointment without requesting a new inspection date, the PHA will automatically schedule a second inspection. If the family misses two scheduled inspections without PHA approval, the PHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family’s assistance in accordance with Chapter 12.

8-II.D. SPECIAL INSPECTIONS [HCV GB, p. 10-30]

The PHA will conduct a special inspection if the owner, family, or another source reports HQS violations in the unit.

**PHA Policy**
During a special inspection, the PHA generally will inspect only those deficiencies that were reported. However, the inspector will record any additional HQS deficiencies that are observed and will require the responsible party to make the necessary repairs.

If the annual inspection has been scheduled or is due within 90 days of the date the special inspection is scheduled the PHA may elect to conduct a full annual inspection.

8-II.E. QUALITY CONTROL INSPECTIONS [24 CFR 982.405(b); HCV GB, p. 10-32]

HUD requires a PHA supervisor or other qualified person to conduct quality control inspections of a sample of units to ensure that each inspector is conducting accurate and complete inspections and that there is consistency in the application of the HQS.

The unit sample must include only units that have been inspected within the preceding 3 months. The selected sample will include (1) each type of inspection (initial, annual, and special), (2) inspections completed by each inspector, and (3) units from a cross-section of neighborhoods.

8-II.F. INSPECTION RESULTS AND REINSPECTIONS FOR UNITS UNDER HAP CONTRACT

Notification of Corrective Actions

The owner and the family will be notified in writing of the results of all inspections. When an inspection identifies HQS failures, the PHA will determine (1) whether or not the failure is a life threatening condition and (2) whether the family or owner is responsible. HUD allows proof of deficiencies to be of photos if it can clearly be identified and tied back to a specific deficiency if the inspection is not an initial.

**PHA Policy**

When life threatening conditions are identified, the PHA will immediately notify both parties by telephone, facsimile, or email. The notice will specify who is responsible for correcting the violation. The corrective actions must be taken within 24 hours of the PHA’s notice.

When failures that are not life threatening are identified, the PHA will send the owner and the family a written notification of the inspection results within 5 business days of the inspection. The written notice will specify who is responsible for correcting the violation, and the time frame within which the failure must be corrected. Generally not more than 30 days will be allowed for the correction.

The notice of inspection results will inform the owner that if life threatening conditions are not corrected within 24 hours, and non-life threatening conditions are not corrected within the specified time frame (or any PHA-approved extension), the owner’s HAP will be abated in accordance with PHA policy (see 8-II.G.). Likewise, in the case of family caused deficiencies, the notice will inform the family that if corrections are not made within the specified time frame (or any PHA-approved extension, if applicable) the family’s assistance will be terminated in accordance with PHA policy (see Chapter 12).

Extensions
For conditions that are life-threatening, the PHA cannot grant an extension to the 24 hour corrective action period. For conditions that are not life-threatening, the PHA may grant an exception to the required time frames for correcting the violation, if the PHA determines that an extension is appropriate [24 CFR 982.404].

**PHA Policy**

*Extensions will be granted in cases where the PHA has determined that the owner has made a good faith effort to correct the deficiencies and is unable to for reasons beyond the owner’s control. Reasons may include, but are not limited to:*

- A repair cannot be completed because required parts or services are not available.
- A repair cannot be completed because of weather conditions.
- A reasonable accommodation is needed because the family includes a person with disabilities.
- Expensive repairs where more time is needed by landlord to obtain funds.

The length of the extension will be determined on a case by case basis, but will not exceed 60 days, except in the case of delays caused by weather conditions. In the case of weather conditions, extensions may be continued until the weather has improved sufficiently to make repairs possible.

**Re-inspections**

**PHA Policy**

*The PHA will conduct a re-inspection immediately following the end of the corrective period, or any PHA approved extension.*

*The family and owner will be given reasonable notice of the re-inspection appointment. If the deficiencies have not been corrected by the time of the re-inspection, the PHA will send a notice of abatement to the owner, or in the case of family caused violations, a notice of termination to the family, in accordance with PHA policies. If the PHA is unable to gain entry to the unit in order to conduct the scheduled re-inspection, the PHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family’s assistance in accordance with Chapter 12.*

**8-II.G. ENFORCING OWNER COMPLIANCE**

If the owner fails to maintain the dwelling unit in accordance with HQS, the PHA must take prompt and vigorous action to enforce the owner obligations.

**HAP Abatement**

If an owner fails to correct HQS deficiencies by the time specified by the PHA, HUD requires the PHA to abate housing assistance payments no later than the first of the month following the specified correction period (including any approved extension) [24 CFR 985.3(f)]. No retroactive payments will be made to the owner for the period of time the rent was abated. Owner rents are not abated as a result of HQS failures that are the family's responsibility.
**PHA Policy**

No payments will be made beginning the first of the month following the failure to meet HQS by correcting HQS deficiencies.

The PHA will inspect abated units upon the owner’s notification that the work has been completed to reinstate payments.

During any abatement period the family continues to be responsible for its share of the rent. The owner must not seek payment from the family for abated amounts and may not use the abatement as cause for eviction.

**HAP Contract Termination**

The PHA must decide how long any abatement period will continue before the HAP contract will be terminated. The PHA should not terminate the contract until the family finds another unit, provided the family does so in a reasonable time [HCV GB p. 10-29] and must give the owner reasonable notice of the termination. The PHA will issue a voucher to permit the family to move to another unit as described in Chapter 10.

**PHA Policy**

The maximum length of time HAP may be abated is 45 days. However, if the owner completes corrections and notifies the PHA before the termination date of the HAP contract, the PHA may rescind the termination notice if (1) the family still resides in the unit and wishes to remain in the unit and (2) the unit passes inspection.

Reasonable notice of HAP contract termination by the PHA is 30 days.

8-II.H. ENFORCING FAMILY COMPLIANCE WITH HQS [24 CFR 982.404(b)]

Families are responsible for correcting any HQS violations listed in paragraph 8.I.D. If the family fails to correct a violation within the period allowed by the PHA (and any extensions), the PHA will terminate the family’s assistance, according to the policies described in Chapter 12.

If the owner carries out a repair for which the family is responsible under the lease, the owner may bill the family for the cost of the repair.

**PART III: RENT REASONABLENESS [24 CFR 982.507]**

8-III.A. OVERVIEW

No HAP contract can be approved until the PHA has determined that the rent for the unit is reasonable. The purpose of the rent reasonableness test is to ensure that a fair rent is paid for each unit rented under the HCV program.

HUD regulations define a reasonable rent as one that does not exceed the rent charged for comparable, unassisted units in the same market area. HUD also requires that owners not charge more for assisted units than for comparable units on the premises. This part explains the method used to determine whether a unit’s rent is reasonable.
8-III.B. WHEN RENT REASONABLENESS DETERMINATIONS ARE REQUIRED

Owner-initiated Rent Determinations

The PHA must make a rent reasonableness determination at initial occupancy and whenever the owner requests a rent adjustment.

The owner and family first negotiate the rent for a unit. The PHA (or independent agency in the case of PHA-owned units) will assist the family with the negotiations upon request. At initial occupancy the PHA must determine whether the proposed rent is reasonable before a HAP Contract is signed. The owner must not change the rent during the initial lease term. Subsequent requests for rent adjustments must be consistent with the lease between the owner and the family. Rent increases will not be approved unless any failed items identified by the most recent HQS inspection have been corrected.

**PHA Policy**

*After the initial occupancy period, the owner may request a rent adjustment in accordance with the owner’s lease. For rent increase requests after initial lease-up, the PHA may request owners to provide information about the rents charged for other units on the premises, if the premises include more than 4 units. In evaluating the proposed rents in comparison to other units on the premises the PHA will consider unit size and length of tenancy in the other units.*

*The PHA will determine whether the requested increase is reasonable within 10 business days of receiving the request from the owner. The owner will be notified of the determination in writing.*

*All rents adjustments will be effective the first of the month following 60 days after the PHA’s receipt of the owner’s request or on the date specified by the owner, whichever is later. The tenant and owner will receive notification of adjustments following the 60 day notice.*

**PHA and HUD-Initiated Rent Reasonableness Determinations**

HUD requires the PHA to make a determination of rent reasonableness (even if the owner has not requested a change) if there is a 5 percent decrease in the Fair Market Rent that goes into effect at least 60 days before the contract anniversary date. HUD also may direct the PHA to make a determination at any other time. The PHA may decide that a new determination of rent reasonableness is needed at any time.

**PHA Policy**

*In addition to the instances described above, the PHA will make a determination of rent reasonableness at any time after the initial occupancy period if: (1) the PHA determines that the initial rent reasonableness determination was in error or (2) the PHA determines that the information provided by the owner about the unit or other units on the same premises was incorrect.*
8-III.C. HOW COMPARABILITY IS ESTABLISHED

Factors to Consider

HUD requires PHAs to take into consideration the factors listed below when determining rent comparability. The PHA may use these factors to make upward or downward adjustments to the rents of comparison units when the units are not identical to the HCV-assisted unit.

- Location and age
- Unit size including the number of rooms and square footage of rooms
- The type of unit including construction type (e.g., single family, duplex, garden, low-rise, high-rise)
- The quality of the units including the quality of the original construction, maintenance and improvements made.
- Amenities, services, and utilities included in the rent

Units That Must Not Be Used As Comparables

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: Section 8 project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program-assisted units in which the rents are subsidized; units subsidized through federal, state, or local tax credits; units subsidized by the Department of Agriculture rural housing programs, and units that are rent-controlled by local ordinance.

Rents Charged for Other Units on the Premises

The Request for Tenancy Approval (HUD-52517) requires owners to provide information, on the form itself, about the rent charged for other unassisted comparable units on the premises if the premises include more than 4 units.

By accepting the PHA payment each month the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises. If asked to do so, the owner must give the PHA information regarding rents charged for other units on the premises.

8-III.D. PHA RENT REASONABLENESS METHODOLOGY

How Market Data Is Collected

PHA Policy

The PHA will collect and maintain data on market rents in the PHA's jurisdiction. Information sources include newspapers, realtors, market surveys, inquiries of owners and other available sources. The data will be maintained by bedroom size and market areas. Market areas may be defined by zip codes, census tract, neighborhood, and
identifiable natural or man-made boundaries. The data will be updated on an ongoing basis to reflect the local market.

How Rents are Determined

PHA Policy

The rent for a unit proposed for HCV assistance will be compared to the rent charged for comparable units in the same market area. The PHA will develop a range of prices for comparable units by bedroom size within defined market areas. Units proposed for HCV assistance will be compared to the units within this rent range. Because units may be similar, but not exactly like the unit proposed for HCV assistance, the PHA may make adjustments to the range of prices to account for these differences.

The adjustment must reflect the local market. Not all differences in units require adjustments (e.g., the presence or absence of a garbage disposal may not affect the rent in some market areas).

Adjustments may vary by unit type (e.g., a second bathroom may be more valuable in a three-bedroom unit than in a two-bedroom).

The adjustment must reflect the rental value of the difference—not its construction costs (e.g., it might cost $20,000 to put on a new roof, but the new roof might not make any difference in what a tenant would be willing to pay because rents units are presumed to have functioning roofs).

The PHA will notify the owner of the rent the PHA can approve based upon its analysis of rents for comparable units. The owner may submit information about other comparable units in the market area. The PHA will confirm the accuracy of the information provided and consider this additional information when making rent determinations. The owner must submit any additional information within 5 business days of the PHA’s request for information or the owner’s request to submit information.
EXHIBIT 8-1: OVERVIEW OF HUD HOUSING QUALITY STANDARDS

Note: This document provides an overview of HQS. For more detailed information see the following documents:

- 24 CFR 982.401, Housing Quality Standards (HQS)
- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Sanitary Facilities

The dwelling unit must include sanitary facilities within the unit. The sanitary facilities must be usable in privacy and must be in proper operating condition and adequate for personal cleanliness and disposal of human waste.

Food Preparation and Refuse Disposal

The dwelling unit must have space and equipment suitable for the family to store, prepare, and serve food in a sanitary manner.

Space and Security

The dwelling unit must provide adequate space and security for the family. This includes having at least one bedroom or living/sleeping room for each two persons.

Thermal Environment

The unit must have a safe system for heating the dwelling unit. Air conditioning is not required but if provided must be in proper operating condition. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Portable electric room heaters or kitchen stoves with built-in heating units are not acceptable as a primary source of heat for units located in climatic areas where permanent heat systems are required.

Illumination and Electricity

Each room must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of occupants. The dwelling unit must have sufficient electrical sources so occupants can use essential electrical appliances. Minimum standards are set for different types of rooms. Once the minimum standards are met, the number, type and location of electrical sources are a matter of tenant preference.

Structure and Materials

The dwelling unit must be structurally sound. Handrails are required when four or more steps (risers) are present, and protective railings are required when porches, balconies, and stoops are thirty inches or more off the ground. The elevator servicing the unit must be working [if there is one]. Manufactured homes must have proper tie-down devices capable of surviving wind loads common to the area.
Interior Air Quality
The dwelling unit must be free of air pollutant levels that threaten the occupants’ health. There must be adequate air circulation in the dwelling unit. Bathroom areas must have one openable window or other adequate ventilation. Any sleeping room must have at least one window. If a window was designed to be opened, it must be in proper working order.

Water Supply
The dwelling unit must be served by an approved public or private water supply that is sanitary and free from contamination. Plumbing fixtures and pipes must be free of leaks and threats to health and safety.

Lead-Based Paint
Lead-based paint requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero bedroom dwellings. Owners must:

- Disclose known lead-based paint hazards to prospective tenants before the lease is signed,
- provide all prospective families with "Protect Your Family from Lead in Your Home",
- Stabilize deteriorated painted surfaces and conduct hazard reduction activities when identified by the PHA
- Notify tenants each time such an activity is performed
- Conduct all work in accordance with HUD safe practices
- As part of ongoing maintenance ask each family to report deteriorated paint.

For units occupied by environmental intervention blood lead level (lead poisoned) children under six years of age, a risk assessment must be conducted (paid for by the PHA). If lead hazards are identified during the risk assessment, the owner must complete hazard reduction activities.

See HCV GB p. 10-15 for a detailed description of these requirements. For additional information on lead-based paint requirements see 24 CFR 35, Subparts A, B, M, and R.

Access
Use and maintenance of the unit must be possible without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire.

Site and Neighborhood
The site and neighborhood must be reasonably free from disturbing noises and reverberations, excessive trash, vermin, or other dangers to the health, safety, and general welfare of the occupants.

Sanitary Condition
The dwelling unit and its equipment must be in sanitary condition and free of vermin and rodent infestation. The unit must have adequate barriers to prevent infestation.

Smoke Detectors
Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any person with a hearing impairment, smoke detectors must have an appropriate alarm system as specified in NFPA 74 (or successor standards).

**Hazards and Heath/Safety**

The unit, interior and exterior common areas accessible to the family, the site, and the surrounding neighborhood must be free of hazards to the family's health and safety.
Note: This document provides an overview of unit and site characteristics and conditions for which the family determines acceptability. For more detailed information see the following documents:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Provided the minimum housing quality standards have been met, HUD permits the family to determine whether the unit is acceptable with regard to the following characteristics.

- **Sanitary Facilities.** The family may determine the adequacy of the cosmetic condition and quality of the sanitary facilities, including the size of the lavatory, tub, or shower; the location of the sanitary facilities within the unit; and the adequacy of the water heater.

- **Food Preparation and Refuse Disposal.** The family selects size and type of equipment it finds acceptable. When the family is responsible for supplying cooking appliances, the family may choose to use a microwave oven in place of a conventional oven, stove, or range. When the owner is responsible for providing cooking appliances, the owner may offer a microwave oven in place of an oven, stove, or range only if other subsidized and unsubsidized units on the premises are furnished with microwave ovens only. The adequacy of the amount and type of storage space, the cosmetic conditions of all equipment, and the size and location of the kitchen are all determined by the family.

- **Space and Security.** The family may determine the adequacy of room sizes and room locations. The family is also responsible for deciding the acceptability of the type of door and window locks.

- **Energy conservation items.** The family may determine whether the amount of insulation, presence of absence of storm doors and windows and other energy conservation items are acceptable.

- **Illumination and Electricity.** The family may determine whether the location and the number of outlets and fixtures (over and above those required to meet HQS standards) are acceptable or if the amount of electrical service is adequate for the use of appliances, computers, or stereo equipment.

- **Structure and Materials.** Families may determine whether minor defects, such as lack of paint, or worn flooring or carpeting will affect the livability of the unit.

- **Indoor Air.** Families may determine whether window and door screens, filters, fans, or other devices for proper ventilation are adequate to meet the family’s needs. However, if screens are present they must be in good condition.
• **Sanitary Conditions.** The family determines whether the sanitary conditions in the unit, including minor infestations, are acceptable.

• **Neighborhood conditions.** Families may determine whether neighborhood conditions such as the presence of drug activity, commercial enterprises, and convenience to shopping will affect the livability of the unit.

Families have no discretion with respect to lead-based paint standards and smoke detectors.
Chapter 9

GENERAL LEASING POLICIES

INTRODUCTION

Chapter 9 covers the lease-up process from the family's submission of a Request for Tenancy Approval to execution of the HAP contract.

In order for the PHA to assist a family in a particular dwelling unit, or execute a Housing Assistance Payments (HAP) contract with the owner of a dwelling unit, the PHA must determine that all the following program requirements are met:

- The unit itself must qualify as an eligible unit [24 CFR 982.305(a)]
- The unit must be inspected by the PHA and meet the Housing Quality Standards (HQS) [24 CFR 982.305(a)]
- The lease offered by the owner must be approvable and must include the required Tenancy Addendum [24 CFR 982.305(a)]
- The rent to be charged by the owner for the unit must be reasonable [24 CFR 982.305(a)]
- The owner must be an eligible owner, approvable by the PHA, with no conflicts of interest [24 CFR 982.306]
- For families initially leasing a unit only: Where the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family cannot exceed 40 percent of the family’s monthly adjusted income [24 CFR 982.305(a)]

9-I.A. TENANT SCREENING

The PHA has no liability or responsibility to the owner or other persons for the family’s behavior or suitability for tenancy [24 CFR 982.307(a)(1)].

The PHA may elect to screen applicants for family behavior or suitability for tenancy. See Chapter 3 for a discussion of the PHA’s policies with regard to screening applicant families for program eligibility [24 CFR 982.307(a)(1)].

The owner is responsible for screening and selection of the family to occupy the owner’s unit. At or before PHA approval of the tenancy, the PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner [24 CFR 982.307(a)(2)]. The PHA must also inform the owner or manager or his/her rights and obligations under the Violence against Women Act of 2005 (VAWA) [24 CFR 5.2005(a)(2)].
The PHA must provide the owner with the family’s current and prior address (as shown in the PHA records) and the name and address (if known to the PHA) of the landlord at the family’s current and prior address [24 CFR 982.307(b)(1)].

The PHA is permitted, but not required, to offer the owner other information in the PHA’s possession about the family’s tenancy [24 CFR 982.307(b)(2)].

The PHA’s policy on providing information to the owner must be included in the family’s briefing packet [24 CFR 982.307(b)(3)].

The PHA may not disclose to the owner any confidential information provided in response to a PHA request for documentation of domestic violence, dating violence, or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(b)(4)].

**PHA Policy**

*The PHA will not screen applicants for family behavior or suitability for tenancy but will provide the owner with the following information, if requested.*

- The family’s current and previous address
- The name of previous landlord
- Eviction history if available
- Damage to other rental units
- Other lease violation
- Drug trafficking by family members
- Criminal history of family members
- Verification of family members

**9-I.B. REQUESTING TENANCY APPROVAL [Form HUD-52517]**

After the family is issued a voucher, the family must locate an eligible unit, with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request the PHA to approve the assisted tenancy in the selected unit.

The owner and the family must submit two documents to the PHA:

- Completed Request for Tenancy Approval (RTA) – Form HUD-52517
- Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum – Form HUD-52641-A

The RTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the rent, and the requested beginning date of the lease, necessary for the PHA to determine whether to approve the assisted tenancy in this unit.
Owners must certify to the most recent amount of rent charged for the unit and provide an explanation for any difference between the prior rent and the proposed rent.

Owners must certify that they are not the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household.

For units constructed prior to 1978, owners must either 1) certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or 2) attach a lead-based paint disclosure statement.

Both the RTA and the proposed lease must be submitted no later than the expiration date stated on the voucher. [HCV GB p.8-15].

**PHA Policy**

The RTA must be signed by both the family and the owner.

The owner may submit the RTA on behalf of the family.

Completed RTA (including the proposed dwelling lease) must be submitted as hard copies, in-person, by mail, or by fax.

The family may not submit, and the PHA will not process, more than one (1) RTA at a time.

When the family submits the RTA the PHA will review the RTA for completeness.

If the RTA is incomplete (including lack of signature by family, owner, or both), or if the dwelling lease is not submitted with the RTA, the PHA will notify the family and the owner of the deficiencies.

Missing information and/or missing documents will only be accepted as hard copies, in-person, by mail, or by fax. The PHA will not accept missing information over the phone.

When the family submits the RTA and proposed lease, the PHA will also review the terms of the RTA for consistency with the terms of the proposed lease.

If the terms of the RTA are not consistent with the terms of the proposed lease, the PHA will notify the family and the owner of the discrepancies.

Corrections to the terms of the RTA and/or the proposed lease will only be accepted as hard copies, in-person, by mail or by fax. The PHA will not accept corrections by phone.

Because of the time sensitive nature of the tenancy approval process, the PHA will attempt to communicate with the owner and family by phone, fax, or email. The PHA will use mail when the parties can’t be reached by phone, fax, or email.

**9-I.C. OWNER PARTICIPATION**

The PHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the PHA may deny approval of an assisted tenancy based on past
owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)]

See Chapter 13 for a full discussion of owner qualification to participate in the HCV program.

9-I.D. ELIGIBLE UNITS

There are a number of criteria that a dwelling unit must meet in order to be eligible for assistance under the voucher program. Generally, a voucher-holder family may choose any available rental dwelling unit on the market in the PHA’s jurisdiction. This includes the dwelling unit they are currently occupying.

Ineligible Units [24 CFR 982.352(a)]

The PHA may not assist a unit under the voucher program if the unit is a public housing or Indian housing unit; a unit receiving project-based assistance under section 8 of the 1937 Act (42 U.S.C. 1437f); nursing homes, board and care homes, or facilities providing continual psychiatric, medical, or nursing services; college or other school dormitories; units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions; a unit occupied by its owner or by a person with any interest in the unit.

PHA-Owned Units [24 CFR 982.352(b)]

Otherwise eligible units that are owned or substantially controlled by the PHA issuing the voucher may also be leased in the voucher program. In order for a PHA-owned unit to be leased under the voucher program, the unit must not be ineligible housing and the PHA must inform the family, both orally and in writing, that the family has the right to select any eligible unit available for lease and that the family is free to select a PHA-owned unit without any pressure or steering by the PHA.

PHA Policy

The PHA does not have any eligible PHA-owned units available for leasing under the voucher program.

Special Housing Types [24 CFR 982 Subpart M]

HUD regulations permit, but do not generally require, the PHA to permit families to use voucher assistance in a number of special housing types in accordance with the specific requirements applicable to those programs. These special housing types include single room occupancy (SRO) housing, congregate housing, group home, shared housing, manufactured home space (where the family owns the manufactured home and leases only the space), cooperative housing and homeownership option. See Chapter 15 for specific information and policies on any of these housing types that the PHA has chosen to allow.

The regulations do require the PHA to permit use of any special housing type if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

Duplicative Assistance [24 CFR 982.352(e)]
A family may not receive the benefit of HCV tenant-based assistance while receiving the benefit of any of the following forms of other housing subsidy, for the same unit or for a different unit:

- Public or Indian housing assistance;
- Other Section 8 assistance (including other tenant-based assistance);
- Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing and Community Development Act of 1974);
- Section 101 rent supplements;
- Section 236 rental assistance payments;
- Tenant-based assistance under the HOME Program;
- Rental assistance payments under Section 521 of the Housing Act of 1949 (a program of the Rural Development Administration);
- Any local or State rent subsidy;
- Section 202 supportive housing for the elderly;
- Section 811 supportive housing for persons with disabilities; (11) Section 202 projects for non-elderly persons with disabilities (Section 162 assistance); or
- Any other duplicative federal, State, or local housing subsidy, as determined by HUD. For this purpose, 'housing subsidy' does not include the housing component of a welfare payment, a social security payment received by the family, or a rent reduction because of a tax credit.

**Housing Quality Standards (HQS) [24 CFR 982.305 and 24 CFR 982.401]**

In order to be eligible, the dwelling unit must be in decent, safe and sanitary condition. This determination is made using HUD’s Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD. See Chapter 8 for a full discussion of the HQS standards, as well as the process for HQS inspection at initial lease-up.

**Unit Size**

In order to be eligible, the dwelling unit must be appropriate for the number of persons in the household. A family must be allowed to lease an otherwise acceptable dwelling unit with fewer bedrooms than the number of bedrooms stated on the voucher issued to the family, provided the unit meets the applicable HQS space requirements [24 CFR 982.402(d)]. The family must be allowed to lease an otherwise acceptable dwelling unit with more bedrooms than the number of bedrooms stated on the voucher issued to the family provided the family’s share does not exceed 40% of monthly adjusted income. See Chapter 5 for a full discussion of subsidy standards.

**Rent Reasonableness [24 CFR 982.305 and 24 CFR 982.507]**

In order to be eligible, the dwelling unit must have a reasonable rent. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See Chapter 8 for a full discussion of rent reasonableness and the rent reasonableness determination process.

**Rent Burden [24 CFR 982.508]**
Where a family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the dwelling unit rent must be at a level where the family’s share of rent does not exceed 40 percent of the family’s monthly adjusted income. See Chapter 6 for a discussion of calculation of gross rent, the use of payment standards, and calculation of family income, family share of rent and HAP.

9-I.E. LEASE AND TENANCY ADDENDUM

The family and the owner must execute and enter into a written dwelling lease for the assisted unit. This written lease is a contract between the tenant family and the owner; the PHA is not a party to this contract.

The tenant must have legal capacity to enter a lease under State and local law. 'Legal capacity' means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner [24 CFR 982.308(a)]

**Lease Form and Tenancy Addendum [24 CFR 982.308]**

If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease. The HAP contract prescribed by HUD contains the owner's certification that if the owner uses a standard lease form for rental to unassisted tenants, the lease is in such standard form.

All provisions in the HUD-required Tenancy Addendum must also be added word-for-word to the owner's standard lease form, for use with the assisted family. The Tenancy Addendum includes the tenancy requirements for the program and the composition of the household as approved by the PHA. As a part of the lease, the tenant shall have the right to enforce the Tenancy Addendum against the owner and the terms of the Tenancy Addendum shall prevail over any other provisions of the lease.

**PHA Policy**

_The PHA does not provide a model or standard dwelling lease for owners to use in the HCV program._

**Lease Information [24 CFR 982.308(d)]**

The assisted dwelling lease must contain all of the required information as listed below:

- The names of the owner and the tenant:
- The unit rented (address, apartment number, and any other information needed to identify the contract unit)
- The term of the lease (initial term and any provisions for renewal)
- The amount of the monthly rent to owner
- A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family

**Term of Assisted Tenancy**
The initial term of the assisted dwelling lease must be for at least one year [24 CFR 982.309]. The initial lease term is also stated in the HAP contract.

The HUD program regulations permit the PHA to approve a shorter initial lease term if certain conditions are met.

**PHA Policy**

*The PHA will only approve an initial lease term of less than one (1) year in cases of extreme hardship.*

During the initial term of the lease, the owner may not raise the rent to owner [24 CFR 982.309]. Any provisions for renewal of the dwelling lease will be stated in the dwelling lease [HCV Guidebook, pg. 8-22]. There are no HUD requirements regarding any renewal extension terms, except that they must be in the dwelling lease if they exist.

The PHA may execute the HAP contract even if there is less than one year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC. [24 CFR 982.309(b)].

**Security Deposit [24 CFR 982.313 (a) and (b)]**

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. However, if the PHA chooses to do so, language to this effect must be added to Part A of the HAP contract [Form HUD-52641].

**PHA Policy**

*The PHA will allow the owner to collect a security deposit not to exceed one month’s rent.*

**Separate Non-Lease Agreements between Owner and Tenant**

Owners may not demand or accept any rent payment from the family in excess of the rent to the owner minus the PHA’s housing assistance payments to the owner [24 CFR 982.451(b)(4)].

The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)].

**PHA Policy**

*The PHA permits owners and families to execute separate, non-lease agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease.*

*Any items, appliances, or other services that are customarily provided to unassisted families as part of the dwelling lease with those families, or are permanently installed in the dwelling unit must be included in the dwelling lease for the assisted family. These items, appliances or services cannot be placed under a separate non-lease agreement between the owner and family. Side payments for additional rent, or for items, appliances*
or services customarily provided to unassisted families as part of the dwelling lease for those families, are prohibited.

Any items, appliances, or other services that are not customarily provided to unassisted families as part of the dwelling lease with those families, are not permanently installed in the dwelling unit and where the family has the sole option of not utilizing the item, appliance or service, may be included in a separate non-lease agreement between the owner and the family.

The family is not liable and cannot be held responsible under the terms of the assisted dwelling lease for any charges pursuant to a separate non-lease agreement between the owner and the family. Non-payment of any charges pursuant to a separate non-lease agreement between the owner and the family cannot be a cause for eviction or termination of tenancy under the terms of the assisted dwelling lease.

Separate non-lease agreements that involve additional items, appliances or other services may be considered amenities offered by the owner and may be taken into consideration when determining the reasonableness of the rent for the property.

**PHA Review of Lease**

The PHA will review the dwelling lease for compliance with all applicable requirements.

**PHA Policy**

*If the dwelling lease is incomplete or incorrect, the PHA will notify the family and the owner of the deficiencies. Missing and corrected lease information will only be accepted as hard copies, in-person, by mail, or by fax. The PHA will not accept missing and corrected information over the phone.*

*Because the initial leasing process is time-sensitive, the PHA will attempt to communicate with the owner and family by phone, fax, or email. The PHA will use mail when the parties can’t be reached by phone, fax, or email.*

The PHA is permitted, but is not required, to review the lease to determine if the lease complies with State and local law and is permitted to decline to approve the tenancy if the PHA determines that the lease does not comply with State or local law [24 CFR 982.308(c)]

**PHA Policy**

*The PHA will not review the owner's lease for compliance with State/local law.*

**9-1.F. TENANCY APPROVAL [24 CFR 982.305]**

After receiving the family's Request for Tenancy Approval, with proposed dwelling lease, the PHA must promptly notify the family and owner whether the assisted tenancy is approved.

Prior to approving the assisted tenancy and execution of a HAP contract, the PHA must ensure that all required actions and determinations, discussed in Part I of this chapter have been completed.

These actions include ensuring that the unit is eligible; the unit has been inspected by the PHA and meets the Housing Quality Standards (HQS); the lease offered by the owner is approvable and
includes the required Tenancy Addendum; the rent to be charged by the owner for the unit must is reasonable; where the family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family does not exceed 40 percent of the family’s monthly adjusted income [24 CFR 982.305(a)]; the owner is an eligible owner, not disapproved by the PHA, with no conflicts of interest [24 CFR 982.306]; the family and the owner have executed the lease, including the Tenancy Addendum, and the lead-based paint disclosure information [24 CFR 982.305(b)].

**PHA Policy**

*The PHA will complete its determination within 10 calendar days of receiving all required information.*

*If the terms of the RTA/proposed lease are changed for any reason, including but not limited to negotiation with the PHA, the PHA will obtain corrected copies of the RTA and proposed lease, signed by the family and the owner.*

*Corrections to the RTA/proposed lease will only be accepted as hard copies, in-person, by mail, or by fax. The PHA will not accept corrections over the phone.*

*If the PHA determines that the tenancy cannot be approved for any reason, the owner and the family will be notified and given the opportunity to address any reasons for disapproval. The PHA will instruct the owner and family of the steps that are necessary to approve the tenancy.*

*Where the tenancy is not approvable because the unit is not approvable, the family must continue to search for eligible housing within the timeframe of the issued voucher.*

*If the tenancy is not approvable due to rent affordability (including rent burden and rent reasonableness), the PHA will attempt to negotiate the rent with the owner. If a new, approvable rent is negotiated, the tenancy will be approved. If the owner is not willing to negotiate an approvable rent, the family must continue to search for eligible housing within the timeframe of the issued voucher.*

9-I.G. HAP CONTRACT EXECUTION [24 CFR 982.305]

The HAP contract is a written agreement between the PHA and the owner of the dwelling unit occupied by a housing choice voucher assisted family. Under the HAP contract, the PHA agrees to make housing assistance payments to the owner on behalf of a specific family occupying a specific unit and obliges the owner to comply with all program requirements.

The HAP contract format is prescribed by HUD.

If the PHA has given approval for the family of the assisted tenancy, the owner and the PHA execute the HAP contract.

The term of the HAP contract must be the same as the term of the lease [24 CFR 982.451(a)(2)].

The PHA is permitted to execute a HAP contract even if the funding currently available does not extend for the full term of the HAP contract.
The PHA must make a best effort to ensure that the HAP contract is executed before the beginning of the lease term. Regardless, the HAP contract must be executed no later than 60 calendar days from the beginning of the lease term.

The PHA may not pay any housing assistance payment to the owner until the HAP contract has been executed. If the HAP contract is executed during the period of 60 calendar days from the beginning of the lease term, the PHA will pay housing assistance payments after execution of the HAP contract (in accordance with the terms of the HAP contract), to cover the portion of the lease term before execution of the HAP contract (a maximum of 60 days).

Any HAP contract executed after the 60 day period is void, and the PHA may not pay any housing assistance payment to the owner.

**PHA Policy**

The owner and the assisted family will execute the dwelling lease and the owner must provide a copy to the PHA. The PHA will ensure that both the owner and the assisted family receive copies of the dwelling lease.

The owner and the PHA will execute the HAP contract. The PHA will not execute the HAP contract until the owner has submitted IRS form W-9. The PHA will ensure that the owner receives a copy of the executed HAP contract.

See Chapter 13 for a discussion of the HAP contract and contract provisions.

**9-I.H. CHANGES IN LEASE OR RENT [24 CFR 982.308]**

If the tenant and the owner agree to any changes in the lease, such changes must be in writing, and the owner must immediately give the PHA a copy of such changes. The lease, including any changes, must remain in accordance with the requirements of this chapter.

Generally, PHA approval of tenancy and execution of a new HAP contract are not required for changes in the lease. However, under certain circumstances, voucher assistance in the unit shall not be continued unless the PHA has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner. These circumstances include:

- Changes in lease requirements governing tenant or owner responsibilities for utilities or appliances
- Changes in lease provisions governing the term of the lease
- The family moves to a new unit, even if the unit is in the same building or complex

In these cases, if the HCV assistance is to continue, the family must submit a new Request for Tenancy Approval (RTA) along with a new dwelling lease containing the altered terms. A new tenancy must then be approved in accordance with this chapter.

Where the owner is changing the amount of rent, the owner must notify the PHA of any changes in the amount of the rent to owner at least 60 days before any such changes go into effect [24 CFR 982.308(g)(4)]. The PHA will agree to such an increase only if the amount of the rent to owner is considered reasonable according to the rent reasonableness standards discussed in Chapter 8. If the requested rent is not found to be reasonable, the owner must either reduce the requested rent increase, or give the family notice in accordance with the terms of the lease.
No rent increase is permitted during the initial term of the lease [24 CFR 982.309(a)(3)].

**PHA Policy**

*Where the owner is requesting a rent increase, the PHA will determine whether the requested increase is reasonable. The owner will be notified of the determination either orally (documented) and/or in writing.*

*Rent increases will go into effect on the first of the month following the 60 calendar day period after the owner notifies the PHA of the rent change or on the date specified by the owner, whichever is later.*
TERREBONNE PARISH HOUSING CHOICE VOUCHER PROGRAM
ADMINISTRATIVE PLAN

Chapter 10

MOVING WITH CONTINUED ASSISTANCE AND PORTABILITY

INTRODUCTION

Freedom of choice is a hallmark of the housing choice voucher (HCV) program. In general, therefore, HUD regulations impose few restrictions on where families may live or move with HCV assistance. This chapter sets forth HUD regulations and PHA policies governing moves within or outside the PHA’s jurisdiction in two parts:

Part I: Moving with Continued Assistance. This part covers the general rules that apply to all moves by a family assisted under the PHA’s HCV program, whether the family moves to another unit within the PHA’s jurisdiction or to a unit outside the PHA’s jurisdiction under portability.

Part II: Portability. This part covers the special rules that apply to moves by a family under portability, whether the family moves out of or into the PHA’s jurisdiction. This part also covers the special responsibilities that the PHA has under portability regulations and procedures.

PART I: MOVING WITH CONTINUED ASSISTANCE

10-I.A. ALLOWABLE MOVES

HUD lists five regulatory conditions and the statutory condition under VAWA in which an assisted family is allowed to move to a new unit with continued assistance. Permission to move is subject to the restrictions set forth in section 10-I.B.

- The family has a right to terminate the lease on notice to the owner (for the owner’s breach or otherwise) and has given a notice of termination to the owner in accordance with the lease [24 CFR 982.314(b)(3)]. If the family terminates the lease on notice to the owner, the family must give the PHA a copy of the notice at the same time [24 CFR 982.314(d)(1)].

- The Violence Against Women Reauthorization Act of 2005, [24 CFR 982.314(b)(4)], provides that “a family may receive a voucher from a public housing agency and move to another jurisdiction under the tenant-based assistance program if the family has complied with all other obligations of the section 8 program and has moved out of the assisted dwelling unit in order to protect the health or safety of an individual who is or has been a victim of domestic violence, dating violence, or stalking [24 CFR 982.353(b)] and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the assisted dwelling unit”[Pub.L.109-162]
• The lease for the family’s unit has been terminated by mutual agreement of the owner and the family [24 CFR 982.314(b)(1)(ii)].

**PHA Policy**

*If the family and the owner mutually agree to terminate the lease for the family’s unit, the family must sign an “intent to move” notice giving the required 30-day notice prior to vacating the unit; or a shorter period, if agreed by the owner. Tenant must give the PHA a copy of the termination agreement.*

The owner has given the family a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the family [24 CFR 982.314(b)(2)]. The family must give the PHA a copy of any owner eviction notice [24 CFR 982.551(g)].

• The PHA has terminated the assisted lease for the family’s unit for the owner’s breach [24 CFR 982.314(b)(1)(i)].

• The PHA determines that the family’s current unit does not meet the HQS space standards because of an increase in family size or a change in family composition. In such cases, the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for the family, the PHA must terminate the HAP contract for the family’s old unit in accordance with the HAP contract terms and must notify both the family and the owner of the termination. The HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives notice to the owner. [24 CFR 982.403(a) and (c)]

### 10-I.B. RESTRICTIONS ON MOVES

A family’s right to move is generally contingent upon the family’s compliance with program requirements [24 CFR 982.1(b)(2)].

**Denial of Moves**

HUD regulations permit the PHA to deny a family permission to move under the following conditions:

**Insufficient Funding**

The PHA may deny a family permission to move either within or outside the PHA’s jurisdiction if the PHA does not have sufficient funding for continued assistance [24 CFR 982.314(e)(1)]. If the PHA denies a move under this provision, the PHA must notify the HUD field office within 10 business days of denying a move under portability.

**PHA Policy**

*The PHA will deny a family permission to move on grounds that the PHA does not have sufficient funding for continued assistance if (a) the move is initiated by the family, not the owner or the PHA; (b) the PHA can demonstrate that the move will, in fact, result in higher subsidy costs; and (c) the PHA can demonstrate, in accordance with the policies in Part VIII of Chapter 16, that it does not have sufficient funding in its annual budget.*
to accommodate the higher subsidy costs. This policy applies to moves within the PHA’s jurisdiction as well as moves outside it under portability.

Grounds for Denial or Termination of Assistance

The PHA has grounds for denying or terminating the family’s assistance [24CFR982.314(e)(2)]. The VAWA creates an exception to these restrictions for families who are otherwise in compliance with program obligations, but have moved to protect the health or safety of an individual who is or has been a victim of domestic violence, dating violence or stalking, and who reasonably believed he or she was imminently threatened by harm from further violence if they remained in the unit [Pub.L.109-162]

PHA Policy

If the PHA has grounds for denying or terminating a family’s assistance, the PHA will act on those grounds in accordance with the regulations and policies set forth in Chapters 3 and 12, respectively.

Restrictions on Elective Moves [24 CFR 982.314(c)]

HUD regulations permit the PHA to prohibit any elective move by a participant family during the family’s initial lease term. They also permit the PHA to prohibit more than one elective move by a participant family during any 12-month period.

PHA Policy

The PHA will normally deny a family permission to make an elective move during the family’s initial lease term. The PHA may also deny a family permission to make more than one elective move during any 12-month period.

The PHA will consider exceptions to these policies for the following reasons: to protect the health or safety of a family member (e.g., lead-based paint hazards, domestic violence, witness protection programs), to accommodate a change in family circumstances (e.g., new employment, school attendance in a distant area), or to address an emergency situation over which a family has no control.

In addition, the PHA will allow exceptions to these policies for purposes of reasonable accommodation of a family member who is a person with disabilities (see Chapter 2).

10-I.C. MOVING PROCESS

Notification

If a family wishes to move to a new unit, the family must notify the PHA and the owner before moving out of the old unit or terminating the lease on notice to the owner [24 CFR 982.314(d)(2)]. If the family wishes to move to a unit outside the PHA’s jurisdiction under portability, the notice to the PHA must specify the area where the family wishes to move [24 CFR 982.314(d)(2), Notice PIH 2011-3]. The notices must be in writing [24 CFR 982.5].

Approval

PHA Policy
Upon receipt of a family’s notification that it wishes to move, the PHA will determine whether the move is approvable in accordance with the regulations and policies set forth in sections 10-I.A and 10-I.B.

Reexamination of Family Income and Composition

**PHA Policy**

For families approved to move to a new unit within the PHA’s jurisdiction, the PHA will perform a new annual reexamination in accordance with the policies set forth in Chapter 11 of this plan.

For families moving into or families approved to move out of the PHA’s jurisdiction under portability, the PHA will follow the policies set forth in Part II of this chapter.

Voucher Issuance and Briefing

**PHA Policy**

For families approved to move to a new unit within the PHA’s jurisdiction, the PHA will issue a new voucher. No briefing is required for these families. The PHA will follow the policies set forth in Chapter 5 on voucher term, extension, and expiration. If a family does not locate a new unit within the term of the voucher and any extensions, the family may remain in its current unit with continued voucher assistance if the owner agrees and the PHA approves. Otherwise, the family will lose its assistance.

For families moving into or families approved to move out of the PHA’s jurisdiction under portability, the PHA will follow the policies set forth in Part II of this chapter.

Housing Assistance Payments [24 CFR 982.311(d)]

When a family moves out of an assisted unit, the PHA may not make any housing assistance payment to the owner for any month after the month the family moves out. The owner may keep the housing assistance payment for the month when the family moves out of the unit.

If a participant family moves from an assisted unit with continued tenant-based assistance, the term of the assisted lease for the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of the last housing assistance payment (for the month when the family moves out of the old unit) and the first assistance payment for the new unit, is not considered to constitute a duplicative housing subsidy.

**PART II: PORTABILITY**

10-II.A. OVERVIEW

Within the limitations of the regulations and this plan, a participant family or an applicant family that has been issued a voucher has the right to use tenant-based voucher assistance to lease a unit anywhere in the United States providing that the unit is located within the jurisdiction of a PHA administering a tenant-based voucher program [24 CFR 982.353(b)]. The process by which a family obtains a voucher from one PHA and uses it to lease a unit in the jurisdiction of another
PHA is known as portability. The first PHA is called the initial PHA. The second is called the receiving PHA.

The receiving PHA has the option of administering the family’s voucher for the initial PHA or absorbing the family into its own program. Under the first option, the receiving PHA bills the initial PHA for the family’s housing assistance payments and the fees for administering the family’s voucher. Under the second option, the receiving PHA pays for the family’s assistance out of its own program funds, and the initial PHA has no further relationship with the family.

The same PHA commonly acts as the initial PHA for some families and as the receiving PHA for others. Each role involves different responsibilities. The PHA will follow the rules and policies in section 10-II.B when it is acting as the initial PHA for a family. It will follow the rules and policies in section 10-II.C when it is acting as the receiving PHA for a family.

10-II.B. INITIAL PHA ROLE

Allowable Moves under Portability

A family may move with voucher assistance only to an area where there is at least one PHA administering a voucher program [24 CFR 982.353(b)]. If there is more than one PHA in the area, the participant may choose which RHA to administer his or her voucher.

Applicant families that have been issued vouchers as well as participant families may qualify to lease a unit outside the PHA’s jurisdiction under portability. The initial PHA, in accordance with HUD regulations and PHA policy, determines whether a family qualifies.

Applicant Families

Under HUD regulations, most applicant families qualify to lease a unit outside the PHA’s jurisdiction under portability. However, HUD gives the PHA discretion to deny a portability move by an applicant family for the same two reasons that it may deny any move by a participant family: insufficient funding and grounds for denial or termination of assistance.

PHA Policy

In determining whether or not to deny an applicant family permission to move under portability because the PHA lacks sufficient funding or has grounds for denying assistance to the family, the initial PHA will follow the policies established in section 10-I.B of this chapter.

In addition, the PHA may establish a policy denying the right to portability to nonresident applicants during the first 12 months after they are admitted to the program [24 CFR 982.353(c)].

PHA Policy

If neither the head of household nor the spouse/cohead of an applicant family had a domicile (legal residence) in the PHA’s jurisdiction at the time the family’s application for assistance was submitted, the family must live in the PHA’s jurisdiction with voucher assistance for at least 12 months before requesting portability.

The PHA will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2) or reasons related to domestic violence, dating violence,
or stalking. However, any exception to this policy is subject to the approval of the receiving PHA [24 CFR 982.353(c)(3)].

Participant Families

The initial PHA must not provide portable assistance for a participant if a family has moved out of its assisted unit in violation of the lease [24 CFR 982.353(b)]. The Violence against Women Act of 2005 (VAWA) creates an exception to this prohibition for families who are otherwise in compliance with program obligations but have moved to protect the health or safety of a family member who is or has been a victim of domestic violence, dating violence, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.353(b)].

**PHA Policy**

*The PHA will determine whether a participant family may move out of the PHA’s jurisdiction with continued assistance in accordance with the regulations and policies set forth here and in sections 10-I.A and 10-I.B of this chapter. The PHA will notify the family of its determination in accordance with the approval policy set forth in section 10-I.C of this chapter.*

*Families with outstanding repayment agreements will not be allowed to use portability unless the entire amount owed is paid.*

Determining Income Eligibility

Applicant Families

An applicant family may lease a unit in a particular area under portability only if the family is income eligible for admission to the voucher program in that area [24 CFR 982.353(d)(3)]. The family must specify the area to which the family wishes to move [Notice 2011-3].

The initial PHA is responsible for determining whether the family is income eligible in the area to which the family wishes to move [24 CFR 982.355(c)(1)]. If the applicant family is not income eligible in that area, the PHA must inform the family that it may not move there and receive voucher assistance [Notice PIH 2011-3].

Participant Families

The income eligibility of a participant family is not redetermined if the family moves to a new jurisdiction under portability [24 CFR 982.353(d)(2), 24 CFR 982.355(c)(1)].

Reexamination of Family Income and Composition

No new reexamination of family income and composition is required for an applicant family.

**PHA Policy**

*For a participant family approved to move out of its jurisdiction under portability, the PHA generally will conduct a reexamination of family income and composition only if the family’s annual reexamination must be completed on or before the initial billing deadline specified on form HUD-52665, Family Portability Information.*
The PHA will make any exceptions to this policy necessary to remain in compliance with HUD regulations.

Briefing

The regulations and policies on briefings set forth in Chapter 5 of this plan require the PHA to provide information on portability to all applicant families that qualify to lease a unit outside the PHA’s jurisdiction under the portability procedures. Therefore, no special briefing is required for these families.

**PHA Policy**

No formal briefing will be required for a participant family wishing to move outside the PHA’s jurisdiction under portability. However, the PHA will provide the family with same oral and written explanation of portability that it provides to applicant families selected for admission to the program (see Chapter 5). The PHA will provide the name, address, and phone of the contact for the PHA in the jurisdiction to which they wish to move. The PHA will advise the family that they will be under the HA’s policies and procedures, including subsidy standards and voucher extension policies.

Voucher Issuance and Term

An applicant family has no right to portability until after the family has been issued a voucher [24 CFR 982.353(b)]. In issuing vouchers to applicant families, the PHA will follow the regulations and procedures set forth in Chapter 5.

**PHA Policy**

For families approved to move under portability, the PHA will issue a new voucher.

The initial term of the voucher will be 60 days.

Voucher Extensions and Expiration

**PHA Policy**

The PHA will approve extensions to a voucher issued to an applicant or participant family porting out of the PHA’s jurisdiction on a case-by-case basis.

Preapproval Contact with the Receiving PHA

Prior to approving a family’s request to move under portability, the initial PHA must contact the receiving PHA via e-mail or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the family’s voucher. Based on the receiving PHA’s response, the initial PHA must determine whether it will approve or deny the move [Notice PIH 2011-3].

**PHA Policy**

The PHA will use e-mail, when possible, to contact the receiving PHA regarding whether the receiving PHA will administer or absorb the family’s voucher.

Initial Notification to the Receiving PHA
After approving a family’s request to move under portability, the initial PHA must promptly notify the receiving PHA to expect the family [24 CFR 982.355(c)(2)]. This means that the initial PHA must contact the receiving PHA directly on the family’s behalf [Notice PIH 2011-3]. The initial PHA must also advise the family how to contact and request assistance from the receiving PHA [24 CFR 982.355(c)(2)].

**PHA Policy**

*Because the portability process is time-sensitive, the PHA will notify the receiving PHA by phone, fax, or e-mail to expect the family. The initial PHA will also ask the receiving PHA to provide any information the family may need upon arrival, including the name, fax, email and telephone number of the staff person responsible for business with incoming portable families and procedures related to appointments for voucher issuance. The PHA will pass this information along to the family. The PHA will also ask for the name, address, telephone number, fax and email of the person responsible for processing the billing information.*

**Sending Documentation to the Receiving PHA**

The initial PHA is required to send the receiving PHA the following documents:

- Form HUD-52665, Family Portability Information, with Part I filled out [Notice PIH 2011-3]
- A copy of the family’s voucher [Notice PIH 2011-3]
- A copy of the family’s most recent form HUD-50058, Family Report, or, if necessary in the case of an applicant family, family and income information in a format similar to that of form HUD-50058 [24 CFR 982.355(c)(4), Notice PIH 2011-3]
- Copies of the income verifications backing up the form HUD-50058, including a copy of the family’s current EIV data [24 CFR 982.355(c)(4), Notice PIH 2011-3]

**PHA Policy**

*In addition to these documents, the PHA will provide the following information, if available, to the receiving PHA:*

- Social security numbers (SSNs)
- Documentation of SSNs for all nonexempt household members whose SSNs have not been verified through the EIV system
- Documentation of legal identity
- Documentation of citizenship or eligible immigration status
- Documentation of participation in the earned income disallowance (EID) benefit
- Documentation of participation in a family self-sufficiency (FSS) program

The PHA will notify the family in writing regarding any information provided to the receiving PHA [HCV GB, p. 13-3].

**Initial Billing Deadline [Notice PIH 2011-3]**

When the initial PHA sends form HUD-52665 to the receiving PHA, it specifies in Part I the deadline by which it must receive the initial billing notice from the receiving PHA. This deadline
is 60 days following the expiration date of the voucher issued to the family by the initial PHA. If
the initial PHA does not receive a billing notice by the deadline and does not intend to honor a late
billing submission, it must contact the receiving PHA to determine the status of the family. If
the receiving PHA reports that the family is not yet under HAP contract, the initial PHA may refuse
to accept a late billing submission. If the receiving PHA reports that the family is under HAP
contract and the receiving PHA cannot absorb the family, the initial PHA must accept a late billing
submission; however, it may report to HUD the receiving PHA’s failure to comply with the
deadline.

**PHA Policy**

*If the PHA has not received an initial billing notice from the receiving PHA by the
deadline specified on form HUD-52665, it will contact the receiving PHA by phone, fax,
or e-mail on the next business day. If the PHA reports that the family is not yet under
HAP contract, the PHA will inform the receiving PHA that it will not honor a late billing
submission and will return any subsequent billings that it receives on behalf of the
family. The PHA will send the receiving PHA a written confirmation of its decision by
mail.*

*The PHA will allow an exception to this policy if the family includes a person with
disabilities and the late billing is a result of a reasonable accommodation granted to
the family by the receiving PHA.*

**Monthly Billing Payments [24 CFR 982.355(e), Notice PIH 2011-3]**

If the receiving PHA is administering the family’s voucher, the initial PHA is responsible for
making billing payments in a timely manner. The first billing amount is due within 30 calendar
days after the initial PHA receives Part II of form HUD-52665 from the receiving PHA.
Subsequent payments must be received by the receiving PHA no later than the fifth business day
each month. The payments must be provided in a form and manner that the receiving PHA is
able and willing to accept.

The initial PHA may not terminate or delay making payments under existing portability billing
arrangements as a result of overleasing or funding shortfalls. The PHA must manage its tenant-
based program in a manner that ensures that it has the financial ability to provide assistance for
families that move out of its jurisdiction under portability and are not absorbed by receiving PHAs
as well as for families that remain within its jurisdiction.

**PHA Policy**

*The initial PHA will utilize direct deposit to ensure that the payment is received by the
deadline unless the receiving PHA notifies the initial PHA that direct deposit is not
acceptable to them.*

**Annual Updates of Form HUD-50058**

If the initial PHA is being billed on behalf of a portable family, it should receive an updated form
HUD-50058 each year from the receiving PHA. If the initial PHA fails to receive an updated 50058
by the family’s annual reexamination date, the initial PHA should contact the receiving PHA to
verify the status of the family.
Subsequent Family Moves

Within the Receiving PHA’s Jurisdiction [24 CFR 314(e)(1), Notice PIH 2005-1]

The initial PHA has the authority to deny subsequent moves by portable families whom it is assisting under portability billing arrangements if it does not have sufficient funding for continued assistance.

PHA Policy

If the PHA determines that it must deny moves on the grounds that it lacks sufficient funding (see section 10-1), it will notify all receiving PHA’s with which it has entered into portability billing arrangements that they, too, must deny moves to higher cost units by portable families from the PHA’s jurisdiction.

The PHA will allow exceptions to this policy for purposes of reasonable accommodation of a family member who is a person with disabilities.

Outside the Receiving PHA’s Jurisdiction [Notice PIH 2004-12]

If the initial PHA is assisting a portable family under a billing arrangement and the family subsequently decides to move out of the receiving PHA’s jurisdiction, the initial PHA is responsible for issuing the family a voucher while the family is either being assisted or has a voucher from the receiving PHA and, if the family wishes to port to another jurisdiction, sending form HUD-52665 and supporting documentation to the new receiving PHA. Any extensions of the initial PHA voucher necessary to allow the family additional search-time to return to the initial PHA’s jurisdiction or to move to another jurisdiction would be at the discretion of the initial PHA.

Denial or Termination of Assistance [24 CFR 982.355(c)(9)]

If the initial PHA has grounds for denying or terminating assistance for a portable family that has not been absorbed by the receiving PHA, the initial PHA may act on those grounds at any time. (For PHA policies on denial and termination, see Chapters 3 and 12, respectively.)

10-II.C. RECEIVING PHA ROLE

If a family has a right to lease a unit in the receiving PHA’s jurisdiction under portability, the receiving PHA must provide assistance for the family [24 CFR 982.355(10)].

The receiving PHA’s procedures and preferences for selection among eligible applicants do not apply, and the receiving PHA’s waiting list is not used [24 CFR 982.355(10)]. However, the family’s unit, or voucher, size is determined in accordance with the subsidy standards of the receiving PHA [24 CFR 982.355(7)], and the amount of the family’s housing assistance payment is determined in the same manner as for other families in the receiving PHA’s voucher program [24 CFR 982.355(e)(2)].

Responding to Initial PHA’s Request

The receiving PHA must respond via e-mail or other confirmed delivery method to the initial PHA’s inquiry to determine whether the family’s voucher will be billed or absorbed. If the
receiving PHA informs the initial PHA that it will be absorbing the voucher, the receiving PHA cannot reverse its decision at a later date [Notice PIH 2011-3].

**PHA Policy**

*The PHA will use e-mail, when possible, to notify the initial PHA whether it will administer or absorb the family’s voucher.*

**Initial Contact with Family**

When a family moves into the PHA’s jurisdiction under portability, the family is responsible for promptly contacting the PHA and complying with the PHA’s procedures for incoming portable families [24 CFR 982.355(c)(3)].

If the voucher issued to the family by the initial PHA has expired, the receiving PHA does not process the family’s paperwork but instead refers the family back to the initial PHA [Notice PIH 2011-3].

When a portable family requests assistance from the receiving PHA, the receiving PHA must promptly inform the initial PHA whether the receiving PHA will bill the initial PHA for assistance on behalf of the portable family or will absorb the family into its own program [24CFR 982.355(c)(3)]. If the PHA initially bills the initial PHA for the family’s assistance, it may later decide to absorb the family into its own program [Notice PIH 2004-12]. (See later under “Absorbing a Portable Family” for more on this topic.)

**PHA Policy**

*Within 10 business days after a portability family requests assistance, the receiving PHA will notify the initial PHA whether it intends to bill the receiving PHA on behalf of the portable family or absorb the family into its own program.*

If for any reason the receiving PHA refuses to process or provide assistance to a family under the portability procedures, the family must be given the opportunity for an informal review or hearing [Notice PIH 2011-3]. (For more on this topic, see later under “Denial or Termination of Assistance.”)

**Briefing**

HUD allows the receiving PHA to require a briefing for an incoming portable family as long as the requirement does not unduly delay the family’s search [Notice PIH 2011-3].

**PHA Policy**

*The PHA will not require the family to attend a briefing. The PHA will provide the family with a briefing packet (as described in Chapter 5) and, in an individual briefing, will orally inform the family about the PHA’s payment and subsidy standards, procedures for requesting approval of a unit, the unit inspection process, and the leasing process. The PHA will suggest that the family attend a full briefing at a later date.*

**Income Eligibility and Reexamination**

© Copyright 2011 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.
HUD allows the receiving PHA to conduct its own income reexamination of a portable family [24 CFR 982.355(c)(4)]. However, the receiving PHA may not delay voucher issuance or unit approval until the reexamination process is complete unless the reexamination is necessary to determine that an applicant family is income eligible for admission to the program in the area where the family wishes to lease a unit [Notice PIH 2011-3, 24 CFR 982.201(b)(4)]. The receiving PHA does not re-determine income eligibility for a portable family that was already receiving assistance in the initial PHA’s voucher program [24 CFR 982.355(c)(1)].

**PHA Policy**

*For any family moving into its jurisdiction under portability, the PHA will conduct a new reexamination of family income and composition. However, the PHA will not delay issuing the family a voucher for this reason. Nor will the PHA delay approving a unit for the family until the reexamination process is complete unless the family is an applicant and the PHA cannot otherwise confirm that the family is income eligible for admission to the program in the area where the unit is located.*

*In conducting its own reexamination, the PHA will rely upon any verification provided by the initial PHA to the extent that they (a) accurately reflect the family’s current circumstances and (b) were obtained within the last 120 days. Any new information may be verified by documents provided by the family and adjusted, if necessary, when third party verification is received.*

**Voucher Issuance**

When a family moves into its jurisdiction under portability, the receiving PHA is required to issue the family a voucher [24 CFR 982.355(b)(6)]. The family must submit a request for tenancy approval to the receiving PHA during the term of the receiving PHA’s voucher [24 CFR 982.355(c)(6)].

**Timing of Voucher Issuance**

HUD expects the receiving PHA to issue the voucher within two weeks after receiving the family’s paperwork from the initial PHA if the information is in order, the family has contacted the receiving PHA, and the family complies with the receiving PHA’s procedures [Notice PIH 2011-3].

**PHA Policy**

*When a family ports into its jurisdiction, the PHA will issue the family a voucher based on the paperwork provided by the initial PHA unless the family’s paperwork from the initial PHA is incomplete, the family’s voucher from the initial PHA has expired or the family does not comply with the PHA’s procedures. The PHA will update the family’s information when verification has been completed.*

**Voucher Term**

The term of the receiving PHA’s voucher may not expire before the term of the initial PHA’s voucher [24 CFR 982.355(c)(6)] plus 30 days.

**PHA Policy**
The receiving PHA’s voucher will expire 30 days after the IHA voucher expiration and extensions.

Voucher Extensions [24 CFR 982.355(c)(6), Notice 2011-3]

The receiving PHA may provide additional search time to the family beyond the expiration date of the initial PHA’s voucher; however, if it does so, it must inform the initial PHA of the extension. It must also bear in mind the billing deadline provided by the initial PHA. Unless willing and able to absorb the family, the receiving PHA should ensure that any voucher expiration date would leave sufficient time to process a request for tenancy approval, execute a HAP contract, and deliver the initial billing to the initial PHA.

PHA Policy

The PHA generally will not extend the term of the voucher that it issues to an incoming portable family unless the PHA plans to absorb the family into its own program, in which case it will follow the policies on voucher extension set forth in section 5-II.E.

The PHA will consider an exception to this policy as a reasonable accommodation to a person with disabilities (see Chapter 2).

Notifying the Initial PHA

The receiving PHA must promptly notify the initial PHA if the family has leased an eligible unit under the program or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the receiving PHA’s voucher [24 CFR 982.355(c)(8)]. The receiving PHA is required to use Part II of form HUD-52665, Family Portability Information, for this purpose [24 CFR 982.355(e)(5), Notice PIH 2011-3]. (For more on this topic and the deadline for notification, see below under “Administering a Portable Family’s Voucher.”)

If an incoming portable family ultimately decides not to lease in the jurisdiction of the receiving PHA but instead wishes to return to the initial PHA’s jurisdiction or to search in another jurisdiction, the receiving PHA must refer the family back to the initial PHA. In such a case the voucher of record for the family is once again the voucher originally issued by the initial PHA. Any extension of search time provided by the receiving PHA’s voucher is only valid for the family’s search in the receiving PHA’s jurisdiction [Notice PIH 2011-3].

Administering a Portable Family’s Voucher

Initial Billing Deadline

If a portable family’s search for a unit is successful and the receiving PHA intends to administer the family’s voucher, the receiving PHA must submit its initial billing notice (Part II of form HUD-52665) (a) no later than 10 business days following the date the receiving PHA executes a HAP contract on behalf of the family and (b) in time that the notice will be received no later than 60 days following the expiration date of the family’s voucher issued by the initial PHA [Notice PIH 2011-3]. A copy of the family’s form HUD-50058, Family Report, completed by the receiving PHA must be attached to the initial billing notice. The receiving PHA may send these documents by mail, fax, or e-mail.
**PHA Policy**

*The PHA will send its initial billing notice by fax or e-mail, if necessary, to meet the billing deadline but will also send the notice by regular mail.*

If the receiving PHA fails to send the initial billing within 10 business days following the date the HAP contract is executed, it is required to absorb the family into its own program unless (a) the initial PHA is willing to accept the late submission or (b) HUD requires the initial PHA to honor the late submission (e.g., because the receiving PHA is over leased) [Notice PIH 2011-3].

**Ongoing Notification Responsibilities [Notice PIH 2011-3, HUD-52665]**

**Annual Reexamination.** The receiving PHA must send the initial PHA a copy of a portable family’s updated form HUD-50058 after each annual reexamination for the duration of time the receiving PHA is billing the initial PHA on behalf of the family, regardless of whether there is a change in the billing amount.

*PHA Policy*

*The PHA will send a copy of the updated HUD-50058 by regular mail at the same time the PHA and owner are notified of the reexamination results.*

**Change in Billing Amount.** The receiving PHA is required to notify the initial PHA, using form HUD-52665, of any change in the billing amount for the family as a result of:

- A change in the HAP amount (because of a reexamination, a change in the applicable payment standard, a move to another unit, etc.)
- An abatement or subsequent resumption of the HAP payments
- Termination of the HAP contract
- Payment of a damage/vacancy loss claim for the family
- Termination of the family from the program

The timing of the notice of the change in the billing amount should correspond with the notification to the owner and the family in order to provide the initial PHA with advance notice of the change. Under no circumstances should the notification be later than 10 business days following the effective date of the change in the billing amount.

**Late Payments [Notice PIH 2011-3]**

If the initial PHA fails to make a monthly payment for a portable family by the fifth business day of the month, the receiving PHA must promptly notify the initial PHA in writing of the deficiency. The notice must identify the family, the amount of the billing payment, the date the billing payment was due, and the date the billing payment was received (if it arrived late). The receiving PHA must send a copy of the notification to the Office of Public Housing (OPH) in the HUD area office with jurisdiction over the receiving PHA. If the initial PHA fails to correct the problem by the second month following the notification, the receiving PHA may request by memorandum to the director of the OPH with jurisdiction over the receiving PHA that HUD transfer the unit in question. A copy of the initial notification and any subsequent correspondence between the PHAs on the matter must be attached. The receiving PHA must send a copy of the memorandum to the initial PHA. If
the OPH decides to grant the transfer, the billing arrangement on behalf of the family ceases with the transfer, but the initial PHA is still responsible for any outstanding payments due to the receiving PHA.

**Overpayments [Notice PIH 2011-3]**

In all cases where the receiving PHA has received billing payments for billing arrangements no longer in effect, the receiving PHA is responsible for returning the full amount of the overpayment (including the portion provided for administrative fees) to the initial PHA.

In the event that HUD determines billing payments have continued for at least three months because the receiving PHA failed to notify the initial PHA that the billing arrangement was terminated, the receiving PHA must take the following steps:

- Return the full amount of the overpayment, including the portion provided for administrative fees, to the initial PHA.
- Once full payment has been returned, notify the Office of Public Housing in the HUD area office with jurisdiction over the receiving PHA of the date and the amount of reimbursement to the initial PHA.

At HUD’s discretion, the receiving PHA will be subject to the sanctions spelled out in Notice PIH 2011-3.

**Denial or Termination of Assistance**

At any time, the receiving PHA may make a determination to deny or terminate assistance to a portable family for family action or inaction [24 CFR 982.355(c)(9), 24 CFR 982.355(c)(10)].

In the case of a termination, the PHA should provide adequate notice of the effective date to the initial PHA to avoid having to return a payment. In no event should the receiving PHA fail to notify the initial PHA later than 10 business days following the effective date of the termination of the billing arrangement [Notice PIH 2011-3].

**PHA Policy**

*If the PHA elects to deny or terminate assistance for a portable family, the PHA will notify the initial PHA within 10 business days after the informal review or hearing if the denial or termination is upheld. The PHA will base its denial or termination decision on the policies set forth in Chapter 3 or Chapter 12, respectively. The informal review or hearing will be held in accordance with the policies in Chapter 16. The receiving PHA will furnish the initial PHA with a copy of the review or hearing decision.*

**Absorbing a Portable Family**

The receiving PHA may absorb an incoming portable family into its own program when the PHA executes a HAP contract on behalf of the family or at any time thereafter providing that (a) the
PHA has funding available under its annual contributions contract (ACC) and (b) absorbing the family will not result in overleasing [24 CFR 982.355(d)(1), Notice PIH 2011-3].

If the receiving PHA absorbs a family from the point of admission, the admission will be counted against the income targeting obligation of the receiving PHA [24 CFR 982.201(b)(2)(vii)].

If the receiving PHA absorbs a family after providing assistance for the family under a billing arrangement with the initial PHA, HUD encourages the receiving PHA to provide adequate advance notice to the initial PHA to avoid having to return an overpayment. The receiving PHA must specify the effective date of the absorption of the family [Notice PIH 2011-3].

**PHA Policy**

*If the PHA decides to absorb a portable family upon the execution of a HAP contract on behalf of the family, the PHA will notify the initial PHA by the initial billing deadline specified on form HUD-52665. The effective date of the HAP contract will be the effective date of the absorption.*

*If the PHA decides to absorb a family after that, it will provide the initial PHA with 30 days’ advance notice.*

Following the absorption of an incoming portable family, the family is assisted with funds available under the consolidated ACC for the receiving PHA’s voucher program [24 CFR 982.355(d)], and the receiving PHA becomes the initial PHA in any subsequent moves by the family under portability.
TERREBONNE PARISH HOUSING CHOICE VOUCHER PROGRAM

ADMINISTRATIVE PLAN

Chapter 11

REEXAMINATION

INTRODUCTION
The PHA is required to reexamine each family’s income and composition at least annually, and to adjust the family’s level of assistance accordingly. Interim reexaminations are also needed in certain situations. This chapter discusses both annual and interim reexaminations, and the recalculation of family share and subsidy that occurs as a result. HUD regulations and PHA policies concerning reexaminations are presented in three parts:

Part I: Annual Reexaminations. This part discusses the process for conducting annual reexaminations.

Part II: Interim Reexaminations. This part details the requirements for families to report changes in family income and composition between annual reexaminations.

Part III: Recalculating Family Share and Subsidy Amount. This part discusses the recalculation of family share and subsidy amounts based on the results of annual and interim reexaminations.

Policies governing reasonable accommodation, family privacy, required family cooperation, and program abuse, as described elsewhere in this plan, apply to both annual and interim reexaminations.

PART I: ANNUAL REEXAMINATIONS [24 CFR 982.516]

11-I.A. OVERVIEW
The PHA must conduct a reexamination of family income and composition at least annually. This includes gathering and verifying current information about family composition, income, and expenses. Based on this updated information, the family’s income and rent must be recalculated. This part discusses the schedule for annual reexaminations, the information to be collected and verified, and annual reexamination effective dates.

11-I.B. SCHEDULING ANNUAL REEXAMINATIONS
The PHA must establish a policy to ensure that the annual reexamination for each family is completed within a 12-month period, and may require reexaminations more frequently [HCV GB p. 12-1].
**PHA Policy**

The PHA will begin the annual reexamination process 120 days in advance of its scheduled effective date. Generally, the PHA will schedule annual reexamination effective dates to coincide with the family’s anniversary date.

Anniversary date is defined as 12 months from the effective date of the family’s last annual reexamination or, during a family’s first year in the program, from the effective date of the family’s initial examination (admission).

If the family moves to a new unit, the PHA will perform a new annual reexamination.

The PHA also may schedule an annual reexamination for completion prior to the anniversary date for administrative purposes.

The PHA may also conduct streamline annual reexaminations (Section 5.657, 880.603, 884.218, 886.124, 891.410, 891.610, 891.750, 960.257, 982.516)

**PHA Policy**

The PHA will conduct full annual reexaminations for participating tenants on their fixed income every three years while conducting streamlined annual reexaminations for fixed income on other years using a verified cost of living adjustment (COLA) or interest rate adjustment specific to each source of fixed income. If the family qualifies for a medical deduction allowance, these expenses must be verified each year.

**Notification of and Participation in the Annual Reexamination Process**

The PHA is required to obtain the information needed to conduct annual reexaminations. How that information will be collected is left to the discretion of the PHA.

**PHA Policy**

Families generally are required to participate in an annual reexamination interview, which must be attended by the head of household, spouse, or cohead. If participation in an in-person interview poses a hardship because of a family member’s disability, the family should contact the PHA to request a reasonable accommodation (see Chapter 2)

Notification of annual reexamination interviews will be sent by first-class mail and will contain the date, time, and location of the interview. In addition, it will inform the family of the information and documentation that must be brought to the interview.

If the family is unable to attend a scheduled interview, the family should contact the PHA in advance of the interview to schedule a new appointment. If a family does not attend the scheduled interview, the PHA will send a second notification with a new interview appointment time.

If a family fails to attend two scheduled interviews without PHA approval, or if the notice is returned by the Post Office with no forwarding address, a notice of termination (see Chapter 12) will be sent to the family’s address of record, and to any alternate address provided in the family’s file.
An advocate, interpreter, or other assistant may assist the family in the interview process. The family and the PHA must execute a certification attesting to the role and assistance of any such third party.

11-I.C. CONDUCTING ANNUAL REEXAMINATIONS

As part of the annual reexamination process, families are required to provide updated information to the PHA regarding the family’s income, expenses, and composition [24 CFR 982.551(b)].

PHA Policy

Families will be asked to bring all required information (as described in the reexamination notice) to the reexamination appointment. The required information will include a PHA-designated reexamination form, an Authorization for the Release of Information/Privacy Act Notice, as well as supporting documentation related to the family’s income, expenses, and family composition.

Any required documents or information that the family is unable to provide at the time of the interview must be provided within 10 calendar days of the interview. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

If the family does not provide the required documents or information within the required time frame (plus any extensions), the family will be sent a notice of termination (See Chapter 12).

The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the agency has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
- Social security numbers
- A person’s disability status
- Citizenship or immigration status

If adding a new family member to the unit causes overcrowding according to the Housing Quality Standards (HQS) (see Chapter 8), the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the HAP contract in accordance with its terms [24 CFR 982.403].

11-I.D. DETERMINING ONGOING ELIGIBILITY OF CERTAIN STUDENTS [24 CFR 982.552(b)(5)]

Section 327 of Public Law 109-115 established new restrictions on the ongoing eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.
If a student enrolled in an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student’s eligibility must be reexamined along with the income eligibility of the student’s parents on an annual basis. In these cases, both the student and the student’s parents must be income eligible for the student to continue to receive HCV assistance. If, however, a student in these circumstances is determined independent from his or her parents in accordance with PHA policy, the income of the student’s parents will not be considered in determining the student’s ongoing eligibility.

Students who reside with parents in an HCV assisted unit are not subject to this provision. It is limited to students who are receiving assistance on their own, separately from their parents.

**PHA Policy**

During the annual reexamination process, the PHA will determine the ongoing eligibility of each student who is subject to the eligibility restrictions in 24 CFR 5.612 by reviewing the student’s individual income as well as the income of the student’s parents. If the student has been determined “independent” from his/her parents based on the policies in Sections 3-II.E and 7-II.E, the parents’ income will not be reviewed.

If the student is no longer income eligible based on his/her own income or the income of his/her parents, the student’s assistance will be terminated in accordance with the policies in Section 12-I.D.

If the student continues to be income eligible based on his/her own income and the income of his/her parents (if applicable), the PHA will process a reexamination in accordance with the policies in this chapter.

**11-I.E. EFFECTIVE DATES**

The PHA must establish policies concerning the effective date of changes that result from an annual reexamination [24 CFR 982.516].

**PHA Policy**

In general, an increase in the family share of the rent that results from an annual reexamination will take effect on the family’s anniversary date, and the family will be notified at least 30 days in advance.

If less than 30 days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.

If a family moves to a new unit, the increase will take effect on the effective date of the new lease and HAP contract, and no 30-day notice is required.

If the PHA chooses to schedule an annual reexamination for completion prior to the family’s anniversary date for administrative purposes, the effective date will be determined by the PHA, but will always allow for the 30-day notice period.

If the family causes a delay in processing the annual reexamination, increases in the family share of the rent will be applied retroactively, to the scheduled effective date of the annual reexamination. The family will be responsible for any overpaid
subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a decrease in the family share of the rent that results from an annual reexamination will take effect on the family’s anniversary date.

If a family moves to a new unit, the decrease will take effect on the effective date of the new lease and HAP contract.

If the PHA chooses to schedule an annual reexamination for completion prior to the family’s anniversary date for administrative purposes, the effective date will be determined by the PHA.

If the family causes a delay in processing the annual reexamination, decreases in the family share of the rent will be applied prospectively, from the first day of the month following completion of the reexamination processing.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by the PHA by the date specified, and this delay prevents the PHA from completing the reexamination as scheduled.

PART II: INTERIM REEXAMINATIONS [24 CFR 982.516]

11-II.A. OVERVIEW

Family circumstances may change throughout the period between annual reexaminations. HUD and PHA policies dictate what kinds of information about changes in family circumstances must be reported, and under what circumstances the PHA must process interim reexaminations to reflect those changes. HUD regulations also permit the PHA to conduct interim reexaminations of income or family composition at any time. When an interim reexamination is conducted, only those factors that have changed are verified and adjusted [HCV GB, p. 12-10].

In addition to specifying what information the family must report, HUD regulations permit the family to request an interim determination if other aspects of the family’s income or composition changes. The PHA must complete the interim reexamination within a reasonable time after the family’s request.

This part includes HUD and PHA policies describing what changes families are required to report, what changes families may choose to report, and how the PHA will process both PHA- and family-initiated interim reexaminations.

11-II.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION

The PHA must adopt policies prescribing when and under what conditions the family must report changes in family composition. However, due to family obligations under the program, the PHA has limited discretion in this area.
**PHA Policy**

*The PHA will conduct interim reexaminations to account for any changes in household composition that occur between annual reexaminations.*

New Family Members Not Requiring Approval

The addition of a family member as a result of birth, adoption, or court-awarded custody does not require PHA approval. However, the family is required to promptly notify the PHA of the addition [24 CFR 982.551(h)(2)].

*PHA Policy*

*The family must inform the PHA of the birth, adoption, or court-awarded custody of a child within 10 calendar days.*

New Family and Household Members Requiring Approval

With the exception of children who join the family as a result of birth, adoption, or court-awarded custody, a family must request PHA approval to add a new family member [24 CFR 982.551(h)(2)] or other household member (live-in aide or foster child) [24 CFR 982.551(h)(4)].

When any new family member is added, the PHA must conduct a reexamination to determine any new income or deductions associated with the additional family member and to make appropriate adjustments in the family share of the rent and the HAP payment [24 CFR 982.516(e)].

If a change in family size causes a violation of Housing Quality Standards (HQS) space standards (see Chapter 8), the PHA must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, the PHA must terminate the family’s HAP contract in accordance with its terms [24 CFR 982.403].

*PHA Policy*

*Families must request PHA approval to add a new family member, live-in aide, foster child, or foster adult. This includes any person not on the lease who is expected to stay in the unit for more than 30 consecutive days or 45 cumulative days within a 12-month period and therefore no longer qualifies as a “guest.” Requests must be made in writing and approved by the PHA prior to the individual moving into the unit.*

*The PHA will not approve the addition of a new family or household member unless the individual meets the PHA’s eligibility criteria (see Chapter 3) and documentation requirements (see Chapter 7, Part II).*

*The PHA will not approve the addition of a foster child or foster adult if it will cause a violation of HQS space standards.*

*If the PHA determines an individual meets the PHA’s eligibility criteria and documentation requirements, the PHA will provide written approval to the family. If the approval of a new family member or live-in aide will cause overcrowding according to*
HQS standards, the approval letter will explain that the family will be issued a voucher and will be required to move.

If the PHA determines that an individual does not meet the PHA’s eligibility criteria or documentation requirements, the PHA will notify the family in writing of its decision to deny approval of the new family or household member and the reasons for the denial.

The PHA will make its determination within 10 business days of receiving all information required to verify the individual’s eligibility.

Departure of a Family or Household Member

Families must promptly notify the PHA if any family member no longer lives in the unit [24 CFR 982.551(h)(3)]. Because household members are considered when determining the family unit (voucher) size [24 CFR 982.402], the PHA also needs to know when any live-in aide, foster child, or foster adult ceases to reside in the unit.

**PHA Policy**

If a household member ceases to reside in the unit, the family must inform the PHA within 30 calendar days. This requirement also applies to a family member who has been considered temporarily absent at the point that the family concludes the individual is permanently absent.

If a live-in aide, foster child, or foster adult ceases to reside in the unit, the family must inform the PHA within 30 calendar days.

11-II.C. CHANGES AFFECTING INCOME OR EXPENSES

Interim reexaminations can be scheduled either because the PHA has reason to believe that changes in income or expenses may have occurred, or because the family reports a change. When a family reports a change, the PHA may take different actions depending on whether the family reported the change voluntarily, or because it was required to do so.

**PHA-Initiated Interim Reexaminations**

PHA-initiated interim reexaminations are those that are scheduled based on circumstances or criteria defined by the PHA. They are not scheduled because of changes reported by the family.

**PHA Policy**

The PHA will conduct interim reexaminations in each of the following instances:

For families receiving the Earned Income Disallowance (EID), the PHA will conduct an interim reexamination at the start and conclusion of the second 12 month exclusion period (50 percent phase-in period).

If the family has reported zero income, the PHA will conduct an interim reexamination every 3 months as long as the family continues to report that they have no income. This interim reexamination may or may not result in the family turning in updated information to be submitted through PIC.

If at the time of the annual reexamination, it is not feasible to anticipate a level of income for the next 12 months (e.g. seasonal or cyclic income), the PHA will
schedule an interim reexamination to coincide with the end of the period for which it is feasible to project income.

If at the time of the annual reexamination, tenant-provided documents were used on a provisional basis due to the lack of third-party verification, and third-party verification becomes available, the PHA will conduct an interim reexamination.

The PHA may conduct an interim reexamination at any time in order to correct an error in a previous reexamination, to investigate a tenant fraud complaint or any other reason the PHA deems necessary.

The PHA will not perform an interim reexamination in cases of yearly cost-of-living increases for SS/SSI or change in wage income due to increase in minimum wage. In these instances, the PHA will wait until yearly reexamination.

Family-Initiated Interim Reexaminations

The PHA must adopt policies prescribing when and under what conditions the family must report changes in family income or expenses [24 CFR 982.516(c)]. In addition, HUD regulations require that the family be permitted to obtain an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)].

**Required Reporting**

HUD regulations give the PHA the freedom to determine the circumstances under which families will be required to report changes affecting income.

**PHA Policy**

*Families are required to report all increases in income, including new employment and family composition within 30 calendar days of the date the change.*

**Optional Reporting**

The family may request an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)]. The PHA must process the request if the family reports a change that will result in a reduced family income [HCV GB, p. 12-9].

If a family reports a decrease in income from the loss of welfare benefits due to fraud or non-compliance with a welfare agency requirement to participate in an economic self-sufficiency program, the family’s share of the rent will not be reduced [24 CFR 5.615]. For more information regarding the requirement to impute welfare income see Chapter 6.

**PHA Policy**

*If a family reports a change that it was not required to report and that would result in an increase in the family share of the rent, the PHA will note the information in the tenant file, but will not conduct an interim reexamination.*
If a family reports a change that it was not required to report and that would result in a decrease in the family share of rent, the PHA will conduct an interim reexamination. See Section 11-II.D. for effective dates.

Families must report changes in income.

11-II.D. PROCESSING THE INTERIM REEXAMINATION

Method of Reporting

PHA Policy

The family may notify the PHA of changes either orally or in writing. If the family provides oral notice, the PHA may also require the family to submit the changes in writing.

The PHA will not process interim re-examinations when the increase in income is below $600.00 per year.

Generally, the family will not be required to attend an interview for an interim reexamination. However, if the PHA determines that an interview is warranted, the family may be required to attend.

Based on the type of change reported, the PHA will determine the documentation the family will be required to submit. The family must submit any required information or documents within 10 calendar days of receiving a request from the PHA. This time frame may be extended for good cause with PHA approval. The PHA will accept required documentation by mail, viewing and copying original documents submitted by family, fax, or email.

Effective Dates

The PHA must establish the time frames in which any changes that result from an interim reexamination will take effect [24 CFR 982.516(d)]. The changes may be applied either retroactively or prospectively, depending on whether there is to be an increase or a decrease in the family share of the rent, and whether the family reported any required information within the required time frames [HCV GB, p. 12-10].

PHA Policy

If the family share of the rent is to increase:

The increase generally will be effective on the first of the month following 30 days’ notice to the family.

If a family fails to report a change within the required time frames, or fails to provide all required information within the required time frames, the increase will be applied retroactively, to the date it would have been effective had the information been provided on a timely basis. The family will be responsible for
any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

If the family share of the rent is to decrease:

The decrease will be effective on the first day of the month following the month in which the change was reported and all required documentation was submitted. In cases where the change cannot be verified until after the date the change would have become effective, the change will be made retroactively.

PART III: RECALCULATING FAMILY SHARE AND SUBSIDY AMOUNT

11-III.A. OVERVIEW

After gathering and verifying required information for an annual or interim reexamination, the PHA must recalculate the family share of the rent and the subsidy amount, and notify the family and owner of the changes [24 CFR 982.516(d)(2), HCV 12-6 and 12-10]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

11-III.B. CHANGES IN PAYMENT STANDARDS AND UTILITY ALLOWANCES

In order to calculate the family share of the rent and HAP amount correctly, changes in payment standards, subsidy standards, or utility allowances may need to be updated and included in the PHA’s calculations.

Specific policies governing how subsidy standards, payment standards, and utility allowances are applied are discussed below.

Payment Standards [24 CFR 982.505]

The family share of the rent and HAP calculations must use the correct payment standard for the family, taking into consideration the family unit size, the size of unit, and the area in which the unit is located [HCV GB, p. 12-5]. See Chapter 6 for information on how to select the appropriate payment standard.

When the PHA changes its payment standards or the family’s situation changes, new payment standards are applied at the following times:

- If the PHA’s payment standard amount changes during the term of the HAP contract, the date on which the new standard is applied depends on whether the standard has increased or decreased:
  - If the payment standard amount has increased, the increased payment standard will be applied at the first annual reexamination following the effective date of the increase in the payment standard.
  - If the payment standard amount has decreased, the decreased payment standard will be applied at the second annual reexamination following the effective date of the decrease in the payment standard.
• If the family moves to a new unit, or a new HAP contract is executed due to changes in the lease (even if the family remains in place) the current payment standard applicable to the family will be used when the new HAP contract is processed.

Subsidy Standards [24 CFR 982.505(c)(4)]

If there is a change in the family unit size that would apply to a family during the HAP contract term, either due to a change in family composition, or a change in the PHA’s subsidy standards (see Chapter 5), the new family unit size must be used to determine the payment standard amount for the family at the family’s first annual reexamination following the change in family unit size.

Utility Allowances [24 CFR 982.517(d)]

The family share of the rent and HAP calculations must reflect any changes in the family’s utility arrangement with the owner, or in the PHA’s utility allowance schedule [HCV GB, p. 12-5]. Chapter 16 discusses how utility allowance schedules are established.

When there are changes in the utility arrangement with the owner, the PHA must use the utility allowances in effect at the time the new lease and HAP contract are executed.

At reexamination, the PHA must use the PHA current utility allowance schedule [24 CFR 982.517(d)(2)].

**PHA Policy**

Revised utility allowances will be applied to a family’s rent and subsidy calculations at the first annual reexamination after the allowance is adopted.

11-III.C. NOTIFICATION OF NEW FAMILY SHARE AND HAP AMOUNT

The PHA must notify the owner and family of any changes in the amount of the HAP payment [HUD-52641, HAP Contract]. The notice must include the following information [HCV GB, p. 12-6]:

• The amount and effective date of the new HAP payment
• The amount and effective date of the new family share of the rent
• The amount and effective date of the new tenant rent to owner

The family must be given an opportunity for an informal hearing regarding the PHA’s determination of their annual or adjusted income, and the use of such income to compute the housing assistance payment [24 CFR 982.555(a)(1)(i)] (see Chapter 16).

**PHA Policy**

The notice to the family will include the annual and adjusted income amounts that were used to calculate the family share of the rent and the housing assistance payment. The notice also will state the procedures for requesting an informal hearing.

11-III.D. DISCREPANCIES

During an annual or interim reexamination, the PHA may discover that information previously reported by the family was in error, or that the family intentionally misrepresented information.
addition, the PHA may discover errors made by the PHA. When errors resulting in the overpayment or underpayment of subsidy are discovered, corrections will be made in accordance with the policies in Chapter 13.
TERREBONNE PARISH HOUSING CHOICE VOUCHER PROGRAM
ADMINISTRATIVE PROGRAM

Chapter 12
TERMINATION OF ASSISTANCE AND TENANCY

HUD regulations specify the reasons for which a PHA can terminate a family’s assistance, and the ways in which such terminations must take place. They also dictate the circumstances under which an owner may terminate the tenancy of an assisted family. This chapter presents the policies that govern voluntary and involuntary terminations of assistance, and termination of tenancy by the owner. It is presented in three parts:

Part I: Grounds for Termination of Assistance. This part discusses various reasons that a family’s assistance may be terminated, including voluntary termination by the family, termination because the family no longer qualifies to receive subsidy, and termination by the PHA based on the family’s behavior.

Part II: Approach to Termination of Assistance. This part describes the policies that govern how an involuntary termination takes place. It specifies the alternatives that the PHA may consider in lieu of termination, the criteria the PHA must use when deciding what action to take and the steps the PHA must take when terminating a family’s assistance.

Part III: Termination of Tenancy by the Owner. This part presents the policies that govern the owner’s right to terminate an assisted tenancy.

PART I: GROUNDS FOR TERMINATION OF ASSISTANCE

12-I.A. OVERVIEW

HUD requires the PHA to terminate assistance for certain offenses and when the family no longer requires assistance. HUD permits the PHA to terminate assistance for certain other actions family members take or fail to take. In addition, a family may decide to stop receiving HCV assistance at any time by notifying the PHA.

12-I.B. FAMILY NO LONGER REQUIRES ASSISTANCE [24 CFR 982.455]

As a family’s income increases, the amount of PHA subsidy goes down. If the amount of HCV assistance provided by the PHA drops to zero and remains at zero for 180 consecutive calendar days the family's assistance terminates automatically.

**PHA Policy**

*If a participating family receiving zero assistance experiences a change in circumstances that would cause the HAP payment to rise above zero, the family must notify the PHA of the changed circumstances and request an interim reexamination before the expiration of the 180-day period.*

12-I.C. FAMILY CHOOSES TO TERMINATE ASSISTANCE
The family may request that the PHA terminate the family's assistance at any time.

**PHA Policy**

*The request to terminate assistance should be made in writing and signed by the head of household, spouse, or cohead. Before terminating the family’s assistance, the PHA will follow the notice requirements in Section 12-II.F.*

12-I.D. MANDATORY TERMINATION OF ASSISTANCE

HUD requires the PHA to terminate assistance in the following circumstances.

**Eviction** [24 CFR 982.552(b)(2), 24 CFR 5.2005(c)(1)]

The PHA must terminate assistance whenever a family is evicted from a unit assisted under the HCV program for a serious or repeated violation of the lease. As discussed further in section 12-II.E, incidents of actual or threatened domestic violence, dating violence, or stalking may not be construed as serious or repeated violations of the lease by the victim or threatened victim of such violence or stalking.

**PHA Policy**

*A family will be considered evicted if the family moves after a legal eviction order has been issued, whether or not physical enforcement of the order was necessary.*

*If a family moves after the owner has given the family an eviction notice for serious or repeated lease violations but before a legal eviction order has been issued, termination of assistance is not mandatory. In such cases the PHA will determine whether the family has committed serious or repeated violations of the lease based on available evidence and may terminate assistance or take any of the alternative measures described in section 12-II.C. In making its decision, the PHA will consider the factors described in section 12-II.D and 12-II.E. Upon consideration of such factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.*

*Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests.*

**Failure to Provide Consent** [24 CFR 982.552(b)(3)]

The PHA must terminate assistance if any family member fails to sign and submit any consent form they are required to sign for a reexamination. See Chapter 7 for a complete discussion of consent requirements.
Failure to Document Citizenship [24 CFR 982.552(b)(4) and [24 CFR 5.514(c)]

The PHA must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member’s citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family; or (3) a family member, as determined by the PHA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit.

For (3) above, such termination must be for a period of at least 24 months. This does not apply to ineligible noncitizens already in the household where the family’s assistance has been prorated. See Chapter 7 for a complete discussion of documentation requirements.

Failure to Disclose and Document Social Security Numbers [24 CFR 5.218(c), Notice PIH 2010-3]

The PHA must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and the PHA determines that the family’s failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family’s control, the PHA may defer the family’s termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date the PHA determined the family to be noncompliant.

**PHA Policy**

The PHA will defer the family’s termination and provide the family with the opportunity to comply with the requirement for a period of 30 calendar days for circumstances beyond the participant’s control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency, if there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline.

Methamphetamine Manufacture or Production [24 CFR 982.553(b)(1)(ii)]

The PHA must terminate assistance if any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally-assisted housing.

Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR 982.552(b)(5) and FR 4/10/06]

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have dependent children, is not residing with his/her parents in an HCV assisted household, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the PHA must the terminate the student’s assistance if, at the time of reexamination, either the student’s income or the income of the student’s parents (if applicable) exceeds the applicable income limit.
If a participant household consists of both eligible and ineligible students, the eligible students shall not be terminated, but must be issued a voucher to move with continued assistance in accordance with program regulations and PHA policies, or must be given the opportunity to lease in place if the terminated ineligible student members elect to move out of the assisted unit.

**Death of the Sole Family Member [24 CFR 982.311(d) and Notice PIH 2010-9]**

The PHA must immediately terminate program assistance for deceased single member households.

**12-I.E. MANDATORY POLICIES AND OTHER AUTHORIZED TERMINATIONS**

**Mandatory Policies [24 CFR 982.553(b) and 982.551(l)]**

HUD requires the PHA to establish policies that permit the PHA to terminate assistance if the PHA determines that:

- Any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member’s abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member has violated the family’s obligation not to engage in any drug-related criminal activity
- Any household member has violated the family’s obligation not to engage in violent criminal activity

**Use of Illegal Drugs and Alcohol Abuse**

**PHA Policy**

*The PHA will terminate a family’s assistance if any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.*

Any member of the family commits drug-related criminal activity, or violent criminal activity. (See One-Strike Policy and reference CFR 982.553)

*The PHA will terminate assistance if any household member’s abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.*

*Currently engaged in* is defined as any use of illegal drugs during the previous six months.

The PHA will consider all credible evidence, including but not limited to, any record of arrests, convictions, or eviction of household members related to the use of illegal drugs or abuse of alcohol.

*In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.*
“ONE-STRIKE POLICY” (24 CFR 982.553)

This Policy prohibits Terrebonne Parish Section 8 Program from admitting or continuing to assist any person in cases where it has been determined that there is reasonable cause to believe that the person’s pattern of illegal use of a controlled substance or pattern of abuse of alcohol, or any other criminal activity (including: crimes of violence-murder, battery assault, crimes against property-burglary, larceny, robbery; crimes that impose financial cost-vandalism, arson; crimes that involve disturbing the peace) may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents or employees.

All assisted housing is intended to provide a place to live and raise families, not a place to commit crime, to use or sell drugs or terrorize neighbors. It is the intention of Terrebonne Parish Section 8 Program to fully endorse and implement a policy designed to:

Help create a safe and drug-free community.

Maintain a “no tolerance” policy to insure the health, safety and the right to the peaceful enjoyment of the property a family occupies.

Drug-Related and Violent Criminal Activity [24 CFR 5.100]

*Drug* means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

*Drug-related criminal activity* is defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.

*Violent criminal activity* means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

**PHA Policy**

*The PHA will terminate a family’s assistance if any household member has violated the family’s obligation not to engage in any drug-related or violent criminal activity during participation in the HCV program.*

*The PHA will consider all credible evidence, including but not limited to, any record of arrests and/or convictions of household members related to drug-related or violent criminal activity, and any eviction or notice to evict based on drug-related or violent criminal activity.*

*In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.*

**Other Authorized Reasons for Termination of Assistance**

[24 CFR 982.552(c), 24 CFR 5.2005(c)]
HUD permits the PHA to terminate assistance under a number of other circumstances. It is left to the discretion of the PHA whether such circumstances in general warrant consideration for the termination of assistance. As discussed further in section 12-II.E, the Violence against Women Act of 2005 explicitly prohibits PHAs from considering incidents of, or criminal activity directly related to, domestic violence, dating violence, or stalking as reasons for terminating the assistance of a victim of such abuse.

**PHA Policy**

*The PHA will not terminate a family’s assistance because of the family’s failure to meet its obligations under the Family Self-Sufficiency program.*

*The PHA will terminate a family’s assistance if:*

- The family has failed to comply with any family obligations under the program. See Exhibit 12-I for a listing of family obligations and related PHA policies.
- Any family member has been evicted from federally-assisted housing in the last five years.
- Any PHA has ever terminated assistance under the program for any member of the family.
- Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.
- The family currently owes rent or other amounts to any PHA in connection with the HCV, Certificate, Moderate Rehabilitation or public housing programs.
- The family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
- The family has breached the terms of a repayment agreement entered into with the PHA.
- A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.

*Abusive or violent behavior towards PHA personnel includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.*

*Threatening refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.*

In making its decision to terminate assistance, the PHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

**Family Absence from the Unit [24 CFR 982.312]**
The family may be absent from the unit for brief periods. The PHA must establish a policy on how long the family may be absent from the assisted unit. However, the family may not be absent from the unit for a period of more than 180 consecutive calendar days for any reason. Absence in this context means that no member of the family is residing in the unit.

**PHA Policy**

*If the family is absent from the unit for more than 90 consecutive calendar days, the family’s assistance will be terminated. Notice of termination will be sent in accordance with Section 12-II.F.*

*If the family is absent from the unit for medical reasons such as hospitalization, the family will be allowed the maximum amount of time that HUD regulations allow, 180 consecutive calendar days.*

**Insufficient Funding [24 CFR 982.454]**

The PHA may terminate HAP contracts if the PHA determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

**PHA Policy**

*The PHA will determine whether there is sufficient funding to pay for currently assisted families according to the policies in Part VIII of Chapter 16. If the PHA determines there is a shortage of funding, prior to terminating any HAP contracts, the PHA will determine if any other actions can be taken to reduce program costs. If after implementing all reasonable cost cutting measures there is not enough funding available to provide continued assistance for current participants, the PHA will terminate HAP contracts as a last resort.*

*Prior to terminating any HAP contracts, the PHA will inform the local HUD field office. The PHA will terminate the minimum number needed in order to reduce HAP costs to a level within the PHA’s annual budget authority.*

*If the PHA must terminate HAP contracts due to insufficient funding, the PHA will do so in accordance with the following criteria and instructions:*

  **Longevity:** Families will be terminated based on the length of time they have been receiving assistance. Admission date will be used to determine longevity. Families who have been receiving assistance the longest will be terminated first.

  **Elderly household members and families with a disabled household member will not be included in the termination process.**

  **Families whose assistance has been terminated due to insufficient funds will be placed at the top of the Waiting List and reinstated once the funding becomes available. Families who received assistance for the least amount of time will be reinstated first.**

**PART II: APPROACH TO TERMINATION OF ASSISTANCE**
12-II.A. OVERVIEW

The PHA is required by regulation to terminate a family’s assistance if certain program rules are violated. For other types of offenses, the regulations give the PHA the discretion to either terminate the family’s assistance or to take another action. This part discusses the various actions the PHA may choose to take when it has discretion, and outlines the criteria the PHA will use to make its decision about whether or not to terminate assistance. It also specifies the requirements for the notice that must be provided before terminating assistance.

12-II.B. METHOD OF TERMINATION [24 CFR 982.552(a)(3)]

The way in which the PHA terminates assistance depends upon individual circumstances. HUD permits the PHA to terminate assistance by:

- Terminating housing assistance payments under a current HAP contract,
- Refusing to approve a request for tenancy or to enter into a new HAP contract, or
- Refusing to process a request for or to provide assistance under portability procedures.

12-II.C. ALTERNATIVES TO TERMINATION OF ASSISTANCE

Change in Household Composition

As a condition of continued assistance, the PHA may require that any household member who participated in or was responsible for an offense no longer resides in the unit [24 CFR 982.552(c)(2)(ii)].

**PHA Policy**

As a condition of continued assistance, the head of household must certify that the culpable family member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former family member’s current address upon PHA request.

Repayment of Family Debts

**PHA Policy**

If a family owes amounts to the PHA, as a condition of continued assistance, the PHA will require the family to repay the full amount or to enter into a repayment agreement, within 30 days of receiving notice from the PHA of the amount owed. See Chapter 16 for policies on repayment agreements.

12-II.D. CRITERIA FOR DECIDING TO TERMINATE ASSISTANCE

Evidence

For criminal activity, HUD permits the PHA to terminate assistance if a *preponderance of the evidence* indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted [24 CFR 982.553(c)].

**PHA Policy**
The PHA will use the concept of the preponderance of the evidence as the standard for making all termination decisions.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Consideration of Circumstances [24 CFR 982.552(c)(2)(i)]

The PHA is permitted, but not required, to consider all relevant circumstances when determining whether a family’s assistance should be terminated.

**PHA Policy**

The PHA will consider the following factors when making its decision to terminate assistance:

- The seriousness of the case, especially with respect to how it would affect other residents
- The effects that termination of assistance may have on other members of the family who were not involved in the action or failure
- The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities or (as discussed further in section 12-II.E) a victim of domestic violence, dating violence, or stalking
- The length of time since the violation occurred, the family’s recent history and the likelihood of favorable conduct in the future
- In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully
- The PHA will require the participant to submit evidence of the household member’s current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully
- In the case of program abuse, the dollar amount of the overpaid assistance and whether or not a false certification was signed by the family

Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, the PHA’s decision to terminate the family’s assistance is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

**PHA Policy**
If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of assistance, the PHA will determine whether the behavior is related to the disability. If so, upon the family’s request, the PHA will determine whether alternative measures are appropriate as a reasonable accommodation. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed termination of assistance. See Chapter 2 for a discussion of reasonable accommodation.

12-I.E. TERMINATIONS RELATED TO DOMESTIC VIOLENCE, DATING VIOLENCE, OR STALKING

This section addresses the protections against termination of assistance that the Violence against Women Act of 2005 (VAWA) provides for victims of domestic violence, dating violence, and stalking. For general VAWA requirements and PHA policies pertaining to notification, documentation, and confidentiality, section 16-IX of this plan, where definitions of key VAWA terms are also located.

VAWA Protections against Termination

VAWA provides four specific protections against termination of HCV assistance for victims of domestic violence, dating violence, or stalking. (Note: The second, third, and fourth protections also apply to terminations of tenancy or occupancy by owners participating in the HCV program. So do the limitations discussed under the next heading.)

First, VAWA provides that a PHA may not terminate assistance to a family that moves out of an assisted unit in violation of the lease, with or without prior notification to the PHA, if the move occurred to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.314(b)(4)].

Second, it provides that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking may not be construed either as a serious or repeated lease violation by the victim or as good cause to terminate the assistance of the victim [24 CFR 5.2005(c)(1)].

Third, it provides that criminal activity directly related to domestic violence, dating violence, or stalking may not be construed as cause for terminating the assistance of a tenant if a member of the tenant’s household, a guest, or another person under the tenant’s control is the one engaging in the criminal activity and the tenant or an immediate family member of the tenant is the actual or threatened victim of the domestic violence, dating violence, or stalking [24 CFR 5.2005(c)(2)].

Fourth, it gives PHAs the authority to terminate assistance to any tenant or lawful occupant who engages in criminal acts of physical violence against family members or others without terminating assistance to, or otherwise penalizing, the victim of the violence [24 CFR 5.2009(a)].

Limitations on VAWA Protections [24 CFR 5.2005(d) and (e)]
VAWA does not limit the authority of a PHA to terminate the assistance of a victim of abuse for reasons unrelated to domestic violence, dating violence, or stalking so long as the PHA does not subject the victim to a more demanding standard than it applies to other program participants [24 CFR 5.2005(d)(1)].

Likewise, VAWA does not limit the authority of a PHA to terminate the assistance of a victim of domestic violence, dating violence, or stalking if the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the assisted property if the victim is not terminated from assistance [24 CFR 5.2005(d)(2)].

HUD regulations define *actual and imminent threat* to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame, and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk
- The nature and severity of the potential harm
- The likelihood that the potential harm will occur
- The length of time before the potential harm would occur [24 CFR 5.2005(e)]

Even when a victim poses an actual and imminent threat, however, HUD regulations authorize a PHA to terminate the victim’s assistance “only when there are no other actions that could be taken to reduce or eliminate the threat” [24 CFR 5.2005(d)(3)].

**PHA Policy**

*In determining whether a program participant who is a victim of domestic violence, dating violence, or stalking is an actual and imminent threat to other tenants or those employed at or providing service to a property, the PHA will consider the following, and any other relevant, factors:*

- Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, or stalking
- Whether the threat is a physical danger beyond a speculative threat
- Whether the threat is likely to happen within a short period of time
- Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location or seeking a legal remedy to prevent the perpetrator from acting on the threat

*If the participant wishes to contest the PHA’s determination that he or she is an actual and imminent threat to other tenants or employees, the participant may do so as part of the informal hearing.*

**Documentation of Abuse [24 CFR 5.2007]**
**PHA Policy**

When an individual facing termination of assistance for reasons related to domestic violence, dating violence, or stalking claims protection under VAWA, the PHA will request that the individual provide documentation supporting the claim in accordance with the policies in section 16-IX.D of this plan.

The documentation must include two elements:

A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking and

One of the following:

- A police or court record documenting the actual or threatened abuse, or
- A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The required certification must be submitted to the PHA within 14 calendar days after the PHA issues their written request. The deadline may be extended at the PHA’s discretion. If the individual does not provide the required certification within 14 days, or the approved extension period, the PHA may proceed with assistance termination.

The supporting documentation is to be submitted within 30 calendar days.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases the PHA will document the waiver in the individual’s file.

If the PHA can demonstrate and imminent threat to other participants or those employed at or providing service to the property if the participant’s tenancy is not terminated, the PHA will bypass the standard process and proceed with the immediate termination of the family’s assistance.

**Terminating the Assistance of a Domestic Violence Perpetrator**

Although VAWA provides protection against termination of assistance for victims of domestic violence, it does not provide such protection for perpetrators. VAWA gives the PHA the explicit authority to “terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others” without terminating assistance to “or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant” [24 CFR 5.2009(a)]. This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if the PHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by
applicable local, state, or federal law regarding termination of assistance. This means that the PHA must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [3/16/07 Federal Register notice on the applicability of VAWA to HUD programs].

**PHA Policy**

*The PHA will terminate assistance to a family member if the PHA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the assistance of the remaining, nonculpable family members.*

*In making its decision, the PHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-50066) or other documentation of abuse submitted to the PHA by the victim in accordance with this section and section 16-IX.D. The PHA will also consider the factors in section 12-II.D. Upon such consideration, the PHA may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.*

*If the PHA does terminate the assistance of the culpable family member, it will do so in accordance with applicable law, HUD regulations, and the policies in this plan.*

**PHA Confidentiality Requirements**

All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shard data base nor provided to any related entity, except to the extent that (a) the disclosure is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

**12-II.F. TERMINATION NOTICE [HCV GB, p. 15-7]**

If a family’s assistance is to be terminated, whether voluntarily or involuntarily, the PHA must give the family and the owner written notice that specifies:

- The reasons for which assistance has been terminated
- The effective date of termination
- The family’s right to an informal hearing as described in Chapter 16

**PHA Policy**

*When termination is initiated by the PHA, the notice will be sent to the family and to the owner at least 30 calendar days prior to the effective date of the termination. However, if a family vacates the unit without informing the PHA, 30 days notice will not be given. In these cases, the notice to terminated will be sent at the time the PHA learns the family has vacated the unit.*

*When a family requests to be terminated from the program they must do so in writing to the PHA (see section 12-1.C). The PHA will then send a confirmation notice to the family and the owner. The family is required to give a 30 day notice before vacating the unit unless the owner has agreed to a shorter notice.*
If a family whose assistance is being terminated is entitled to an informal hearing, the notice of termination that the PHA sends to the family must meet the additional HUD and PHA notice requirements discussed in section 16-III.C of this plan. Although HUD does not require PHAs to include information about the protections against termination of assistance provided by the Violence against Women Act of 2005 (VAWA) to victims of domestic violence, dating violence, or stalking, PHAs have the discretion to include such information.

**PHA Policy**

*Whenever the PHA decides to terminate a family’s assistance because of the family’s action or failure to act, the PHA will include in its termination notice the VAWA information described in section 16-IX.C of this plan and will request that a family member wishing to claim protection under VAWA notify the PHA within 10 business days.*

Still other notice requirements apply in two situations:

If a criminal record is the basis of a family’s termination, a copy of the record must accompany (or proceed) the termination notice, and a copy of the record must also be provided to the subject of the record [24 CFR 982.553(d)].

If immigration status is the basis of a family’s termination, as discussed 24 CFR 5.514 (c) and (d) in section 12-I.D, the special notice requirements in section 16-III.D must be followed.

**12-II.G. HOW TERMINATION OF ASSISTANCE AFFECTS THE HAP CONTRACT AND LEASE**

When the family’s assistance is terminated, the lease and HAP contract terminate automatically [Form HUD-52641].

The owner may offer the family a separate unassisted lease [HCV GB. P. 15-8].

**12-II.H. VAWA EMERGENCY TRANSFER PLAN**

HUD’s final rule establishes regulation requiring the PHA to establish an emergency transfer plan for victim’s covered under VAWA for relocation services.

**PHA Policy**

*Upon request and acknowledgement of a client utilizing VAWA, the client will be given a list of local shelters both domestic violence, and emergency. Upon request, the client will be given a list of shelters to any area within the United States.*

*Client will be given contact information for the local CoC.*

*Client will be given the next available appoint to be issued a voucher to move.*

*Client will be given another briefing on portability and any restrictions on portability moving will be lifted to include the 12-month ban on moving within the first year of lease up for someone outside the PHA’s jurisdiction.*

*Landlords will be instructed on VAWA rules and regulations as and when needed.*
PART III: TERMINATION OF TENANCY BY THE OWNER

12-III.A. OVERVIEW

Termination of an assisted tenancy is a matter between the owner and the family; the PHA is not directly involved. However, the owner is under some constraints when terminating an assisted tenancy and the reasons for which a tenancy is terminated dictate whether assistance also will be terminated.

12-III.B. GROUNDS FOR OWNER TERMINATION OF TENANCY [24 CFR 982.310, 24 CFR 5.2005(c), and Form HUD-52641-A, Tenancy Addendum]

During the term of the lease, the owner is not permitted to terminate the tenancy except for serious or repeated violations of the lease, certain violations of state or local law, or other good cause.

Serious or Repeated Lease Violations

The owner is permitted to terminate the family’s tenancy for serious or repeated violations of the terms and conditions of the lease, except when the violations are related to incidents of actual or threatened domestic violence, dating violence, or stalking and the victim is protected from eviction by the Violence against Women Act of 2005 (see section 12-II.E). A serious lease violation includes failure to pay rent or other amounts due under the lease. However, the PHA’s failure to make a HAP payment to the owner is not a violation of the lease between the family and the owner.

Violation of Federal, State, or Local Law

The owner is permitted to terminate the tenancy if a family member violates federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

Criminal Activity or Alcohol Abuse

The owner may terminate tenancy during the term of the lease if any covered person—meaning any member of the household, a guest, or another person under the tenant’s control—commits any of the following types of criminal activity (for applicable definitions see 24 CFR 5.100):

Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises)

Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises

Any violent criminal activity on or near the premises

Any drug-related criminal activity on or near the premises
However, in the case of criminal activity directly related to domestic violence, dating violence, or stalking, if the tenant or an immediate member of the tenant’s family is the victim, the criminal activity may not be construed as cause for terminating the victim’s tenancy (see section 12-II.E).

The owner may terminate tenancy during the term of the lease if any member of the household is:

- Fleeing to avoid prosecution, custody, or confinement after conviction for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or

- Violating a condition of probation or parole imposed under federal or state law.

The owner may terminate tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

**Evidence of Criminal Activity**

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction, except in certain incidents where the criminal activity directly relates to domestic violence, dating violence, or stalking and the tenant or an immediate member of the tenant’s family is the victim or threatened victim of the domestic violence, dating violence, or stalking. (See Section 12-II.E.).

The owner may terminated tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety, or right of peaceful enjoyment of the premises by other residents.

**Other Good Cause**

During the initial lease term, the owner may not terminate the tenancy for “other good cause” unless the owner is terminating the tenancy because of something the family did or failed to do. During the initial lease term or during any extension term, other good cause includes the disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises.

After the initial lease term, “other good cause” for termination of tenancy by the owner includes:

- Failure by the family to accept the offer of a new lease or revision
- The owner’s desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit
- A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, or desire to lease the unit at a higher rent)
After the initial lease term, the owner may give the family notice at any time, in accordance with the terms of the lease.

12-III.C. EVICTION [24 CFR 982.310(e) and (f) and Form HUD-52641-A, Tenancy Addendum]

The owner must give the tenant a written notice that specifies the grounds for termination of tenancy during the term of the lease. The tenancy does not terminate before the owner has given this notice, and the notice must be given at or before commencement of the eviction action.

The notice of grounds may be included in, or may be combined with, any owner eviction notice to the tenant.

Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. The owner may only evict the tenant from the unit by instituting a court action. The owner must give the PHA a copy of any eviction notice at the same time the owner notifies the family. The family is also required to give the PHA a copy of any eviction notice (see Chapter 5).

PHA Policy

If the eviction action is finalized in court, the owner must provide the PHA with documentation related to the eviction, including notice of the eviction date, as soon as possible, but no later than 5 business days following the court-ordered eviction.

12-III.D. DECIDING WHETHER TO TERMINATE TENANCY [24 CFR 982.310(h), 24 CFR 982.310(h)(4)]

An owner who has grounds to terminate a tenancy is not required to do so, and may consider all of the circumstances relevant to a particular case before making a decision. These might include:

- The nature of the offending action
- The seriousness of the offending action;
- The effect on the community of the termination, or of the owner’s failure to terminate the tenancy;
- The extent of participation by the leaseholder in the offending action;
- The effect of termination of tenancy on household members not involved in the offending activity;
- The demand for assisted housing by families who will adhere to lease responsibilities;
- The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- The effect of the owner’s action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.
In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the owner may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of tenancy actions must be consistent with the fair housing and equal opportunity provisions in 24 CFR 5.105.

An owner’s decision to terminate tenancy for incidents related to domestic violence, dating violence, or stalking is limited by the Violence against Women Act of 2005 (VAWA) and the conforming regulations in 24 CFR Part 5, Subpart L. (See section 12-II.E.)

**12-II.E. EFFECT OF TENANCY TERMINATION ON THE FAMILY’S ASSISTANCE**

If a termination is not due to a serious or repeated violation of the lease, and if the PHA has no other grounds for termination of assistance, the PHA may issue a new voucher so that the family can move with continued assistance (see Chapter 10).

**EXHIBIT 12-1: STATEMENT OF FAMILY OBLIGATIONS**

Following is a listing of a participant family’s obligations under the HCV program:

- The family must supply any information that the PHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

**PHA Policy**

*Any required repairs which are determined to be the responsibility of the family, the PHA will require the family to make the repairs with 30 days. If repairs are not completed by the deadline, the PHA may terminate assistance. Owner’s rent will not be abated for items which are the family’s responsibility.*

*Damages beyond normal wear and tear will be considered to be damages which could be assessed against the security deposit.*
• The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.

• The family must not commit any serious or repeated violation of the lease.

**PHA Policy**

*The PHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner’s notice to evict.*

* Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, and destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, or stalking will not be construed as serious or repeated lease violations by the victim [24 CFR 5.2005(c)(1)].

• The family must notify the PHA and the owner before moving out of the unit or terminating the lease.

**PHA Policy**

*The family must comply with lease requirements regarding the 30 written notice to the owner.*

*The family must provide written 30 day notice to the PHA at the same time the owner is notified.*

• The family must promptly give the PHA a copy of any owner eviction notice.

• The family must use the assisted unit for residence by the family. The unit must be the family’s only residence.

• The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify the PHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

**PHA Policy**

*The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. The PHA will determine eligibility of the new member in accordance with the policies in Chapter 3.*

• The family must promptly notify the PHA in writing if any family member no longer lives in the unit.

• If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-
in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).

- The family must not sublease the unit, assign the lease, or transfer the unit.

**PHA Policy**

*Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.*

- The family must supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.

- The family must promptly notify the PHA when the family is absent from the unit.

**PHA Policy**

*Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to the PHA at the start of the extended absence.*

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].

- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).

- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).

- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.

- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.

- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.

- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]
INTRODUCTION

Owners play a central role in the HCV program by supplying decent, safe, and sanitary housing for participating families. The term “owner” refers to any person or entity with the legal right to lease or sublease a unit to a participant in the HCV program [24 CFR 982.4(b)]. The term “owner” includes a principal or other interested party [24 CFR 982.453; 24 CFR 982.306(f)], such as a designated agent of the owner.

Owners have numerous responsibilities under the program, including screening and leasing to families, maintaining the dwelling unit, enforcing the lease, and complying with various contractual obligations. However, this chapter is not meant to be an overview of all aspects of owner participation in the HCV program.

The chapter is organized in two parts:

Part I: Owners in the HCV Program. This part discusses the role of an owner in the PHA’s HCV program and highlights key owner rights and responsibilities.

Part II: HAP Contracts. This part explains provisions of the HAP contract and the relationship between the PHA and the owner as expressed in the HAP contract.

For detailed information about HCV program responsibilities and processes, including PHA policies in key areas, owners will need to refer to several other chapters in this plan. Where appropriate, Chapter 13 will reference the other chapters.

PART I. OWNERS IN THE HCV PROGRAM

13-I.A. OWNER RECRUITMENT AND RETENTION [HCV GB, pp. 2-4 to 2-6]

Recruitment

PHAs are responsible for ensuring that very low income families have access to all types and ranges of affordable housing in the PHA’s jurisdiction, particularly housing outside areas of poverty or minority concentration. A critical element in fulfilling this responsibility is for the PHA to ensure that a sufficient number of owners, representing all types and ranges of affordable housing in the PHA’s jurisdiction, are willing to participate in the HCV program.

To accomplish this objective, PHAs must identify and recruit new owners to participate in the program.

PHA Policy
The PHA will conduct owner outreach to ensure that owners are familiar with the program and its advantages. The PHA will actively recruit property owners with property located outside areas of poverty and minority concentration. These outreach strategies will include:

- Distributing printed material about the program to property owners and managers
- Contacting property owners and managers by phone or in-person
- Developing working relationships with owners and real estate brokers associations

Outreach strategies will be monitored for effectiveness, and adapted accordingly.

Retention

In addition to recruiting owners to participate in the HCV program, the PHA must also provide the kind of customer service that will encourage participating owners to remain active in the program.

**PHA Policy**

All PHA activities that may affect an owner’s ability to lease a unit will be processed as rapidly as possible, in order to minimize vacancy losses for owners.

The PHA will provide owners with a handbook that explains the program, including HUD and PHA policies and procedures, in easy-to-understand language.

The PHA will give special attention to helping new owners succeed through activities such as:

- Providing the owner with a designated PHA contact person.
- Coordinating inspection and leasing activities between the PHA, the owner, and the family.
- Initiating telephone contact with the owner to explain the inspection process, and providing an inspection booklet and other resource materials about HUD housing quality standards.
- Providing other written information about how the program operates, including answers to frequently asked questions.

Additional services may be undertaken on an as-needed basis, and as resources permit.

**13-I.B. BASIC HCV PROGRAM REQUIREMENTS**

HUD requires the PHA to aid families in their housing search by providing the family with a list of landlords or other parties known to the PHA who may be willing to lease a unit to the family, or to help the family find a unit. Although the PHA cannot maintain a list of owners that are pre-qualified to participate in the program, owners may indicate to the PHA their willingness to lease a unit to an eligible HCV family, or to help the HCV family find a unit [24 CFR 982.301(b)(11)].

**PHA Policy**
The PHA will maintain a listing of such owners and provide this listing to the HCV family as part of the informational briefing packet

When a family approaches an owner to apply for tenancy, the owner is responsible for screening the family and deciding whether to lease to the family, just as the owner would with any potential tenant. The PHA has no liability or responsibility to the owner or other persons for the family’s behavior or suitability for tenancy. See chapters 3 and 9 for more detail on tenant family screening policies and process.

If the owner is willing, the family and the owner must jointly complete a Request for Tenancy Approval (RTA, Form HUD 52517), which constitutes the family's request for assistance in the specified unit, and which documents the owner's willingness to lease to the family and to follow the program’s requirements. When submitted to the PHA, this document is the first step in the process of obtaining approval for the family to receive the financial assistance it will need in order to occupy the unit. Also submitted with the RTA is a copy of the owner’s proposed dwelling lease, including the HUD-required Tenancy Addendum (Form HUD-52641-A). See Chapter 9 for more detail on request for tenancy approval policies and process.

HUD regulations stipulate that an assisted tenancy can be approved only under certain conditions. The owner must be qualified to participate in the program [24 CFR 982.306]. Some owners are precluded from participating in the program, or from renting to a particular family, either because of their past history with this or another federal housing program, or because of certain conflicts of interest. Owner qualifications are discussed later in this chapter.

The selected unit must be of a type that is eligible for the program [24 CFR 982.305(a)]. Certain types of dwelling units cannot be assisted under the HCV program. Other types may be assisted under certain conditions. In addition, the owner must document legal ownership of the specified unit. See chapter 9 for more detail on unit eligibility policies and process.

The selected unit must meet HUD’s Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD [24 CFR 982.305(a)]. The PHA will inspect the owner’s dwelling unit at various stages of HCV program participation, to ensure that the unit continues to meet HQS requirements. See Chapter 8 for a discussion of the HQS standards, as well as the process for HQS inspections at initial lease-up and throughout the family’s tenancy.

The PHA must determine that the cost of the unit is reasonable [24 CFR 982.305(a)]. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See Chapter 8 for a discussion of requirements and policies on rent reasonableness, rent comparability and the rent reasonableness determination process.

At initial lease-up of a unit, the PHA must determine that the share of rent to be paid by the family does not exceed 40 percent of the family’s monthly adjusted income [24 CFR 982.305(a)]. See Chapter 6 for a discussion of the calculation of family income, family share of rent and HAP.

The dwelling lease must comply with all program requirements [24 CFR 982.308]. Owners are encouraged to use their standard leases when renting to an assisted family. However, the HCV program requires that the Tenancy Addendum, which helps standardize the tenancy requirements for all assisted families, be added word-for-word to that lease. See Chapter 9 for a discussion of the dwelling lease and tenancy addendum, including lease terms and provisions.
The PHA and the owner enter into a formal contractual relationship by executing the Housing Assistance Payment (HAP) Contract (Form HUD-52641). The HAP contract format is prescribed by HUD. See Chapter 9 for a discussion of the HAP contract execution process. Specific HAP contract provisions and responsibilities are discussed later in this Chapter 13.

13-I.C. OWNER RESPONSIBILITIES [24 CFR 982.452]

The basic owner responsibilities in the HCV program are outlined in the regulations as follows:

- Performing all of the owner’s obligations under the housing assistance payments (HAP) contract and the lease
- Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit
- Maintaining the unit in accordance with the Housing Quality Standards (HQS), including performance of ordinary and extraordinary maintenance
- Complying with equal opportunity requirements
- Preparing and furnishing to the PHA information required under the HAP contract
- Collecting from the family any security deposit, the tenant’s contribution to rent (that part of rent to owner not covered by the housing assistance payment from the PHA), and any charges for unit damage by the family.
- Enforcing tenant obligations under the dwelling lease
- Paying for utilities and services (unless paid by the family under the lease)
- Making modifications to a dwelling unit occupied or to be occupied by a disabled person [24 CFR 100.203]
- Complying with the Violence against Women Reauthorization Act of 2005 (VAWA) when screening prospective HCV tenants or terminating the tenancy of an HCV family (see 24 CFR Part 5, Subpart L; 24 CFR 982.310(h)(4); and 24 CFR 982.452(b)(1))

13-I.D. OWNER QUALIFICATIONS

The PHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the PHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)].

Owners Barred from Participation [24 CFR 982.306(a) and (b)]

The PHA must not approve the assisted tenancy if the PHA has been informed that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24. HUD may direct the PHA not to approve a tenancy request if a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements, or if such an action is pending.

Leasing to Relatives [24 CFR 982.306(d), HCV GB p. 11-2]
The PHA must not approve an RTA if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family. The PHA may make an exception as a reasonable accommodation for a family member with a disability. The owner is required to certify that no such relationship exists. This restriction applies at the time that the family receives assistance under the HCV program for occupancy of a particular unit. Current contracts on behalf of owners and families that are related may continue, but any new leases or contracts for these families may not be approved.

**Conflict of Interest [24 CFR 982.161; HCV GB p. 8-19]**

The PHA must not approve a tenancy in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:

- Any present or former member or officer of the PHA (except a participant commissioner)
- Any employee of the PHA, or any contractor, subcontractor or agent of the PHA, who formulates policy or who influences decisions with respect to the programs
- Any public official, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the programs
- Any member of the Congress of the United States

HUD may waive the conflict of interest requirements, except for members of Congress, for good cause. The PHA must submit a waiver request to the appropriate HUD Field Office for determination.

Any waiver request submitted by the PHA must include [HCV Guidebook pp.11-2 and 11-3]:

- Complete statement of the facts of the case;
- Analysis of the specific conflict of interest provision of the HAP contract and justification as to why the provision should be waived;
- Analysis of and statement of consistency with state and local laws. The local HUD office, the PHA, or both parties may conduct this analysis. Where appropriate, an opinion by the state’s attorney general should be obtained;
- Opinion by the local HUD office as to whether there would be an appearance of impropriety if the waiver were granted;
- Statement regarding alternative existing housing available for lease under the HCV program or other assisted housing if the waiver is denied;
- If the case involves a hardship for a particular family, statement of the circumstances and discussion of possible alternatives;
- If the case involves a public official or member of the governing body, explanation of his/her duties under state or local law, including reference to any responsibilities involving the HCV program;
- If the case involves employment of a family member by the PHA or assistance under the HCV program for an eligible PHA employee, explanation of the responsibilities and duties of the position, including any related to the HCV program;
- If the case involves an investment on the part of a member, officer, or employee of the PHA, description of the nature of the investment, including disclosure/divestiture plans.

Where the PHA has requested a conflict of interest waiver, the PHA may not execute the HAP contract until HUD has made a decision on the waiver request.

**PHA Policy**

In considering whether to request a conflict of interest waiver from HUD, the PHA will consider factors: the reasons for waiving the requirement; consistency with state and local laws; the existence of alternative housing available to families; the individual circumstances of a particular family; the specific duties of individuals whose positions present a possible conflict of interest; the nature of any financial investment in the property and plans for disclosure/divestiture; and the possible appearance of impropriety.

**Owner Actions That May Result in Disapproval of a Tenancy Request [24 CFR 982.306(c)]**

HUD regulations permit the PHA, at the PHA’s discretion, to refuse to approve a request for tenancy if the owner has committed any of a number of different actions.

If the PHA disapproves a request for tenancy because an owner is not qualified, it may not terminate the HAP contract for any assisted families that are already living in the owner’s properties unless the owner has violated the HAP contract for those units [HCV GB p. 11-4].

**PHA Policy**

The PHA will refuse to approve a request for tenancy if the PHA becomes aware that any of the following are true:

- The owner has violated obligations under a HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f);
- The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The owner has engaged in any drug-related criminal activity or any violent criminal activity;
- The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs, or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program;
- The owner has violated the Fair Housing Act or other federal equal opportunity requirements.
- The owner is subject to lifetime registration requirement under a State sex offender registration program.
- The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest or another person under the control of any member of the household that: (i) Threatens the right to peaceful enjoyment of the premises by other residents; (ii) Threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing; (iii)
Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or (iv) Is drug-related criminal activity or violent criminal activity;
The owner has a history or practice of renting units that fail to meet state or local housing codes; or
The owner has not paid state or local real estate taxes, fines, or assessment.
If the owner is disqualified under this section, the owner may not attempt to circumvent the rules by selling the property to a close family member or other interested party.

In considering whether to disapprove owners for any of the discretionary reasons listed above, the PHA will consider any mitigating factors. Such factors may include, but are not limited to, the seriousness of the violation in relation to program requirements, the impact on the ability of families to lease units under the program, health and safety of participating families, among others. Upon consideration of such circumstances, the PHA may, on a case-by-case basis, choose to approve an owner.

Legal Ownership of Unit

The following represents PHA policy on legal ownership of a dwelling unit to be assisted under the HCV program.

**PHA Policy**

The PHA will only enter into a contractual relationship with the legal owner of a qualified unit. No tenancy will be approved without acceptable documentation of legal ownership (e.g., deed of trust, proof of taxes for most recent year).

**13-I.E. NON-DISCRIMINATION [HAP Contract – Form HUD-52641]**

The owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability, in connection with any actions or responsibilities under the HCV program and the HAP contract with the PHA.

The owner must cooperate with the PHA and with HUD in conducting any equal opportunity compliance reviews and complaint investigations in connection with the HCV program and the HAP contract with the PHA.

See Chapter 2 for a more thorough discussion of Fair Housing and Equal Opportunity requirements in the HCV program.

**PART II. HAP CONTRACTS**

**13-II.A. OVERVIEW**
The HAP contract represents a written agreement between the PHA and the owner of the dwelling unit occupied by a HCV assisted family. The contract spells out the owner’s responsibilities under the program, as well as the PHA’s obligations. Under the HAP contract, the PHA agrees to make housing assistance payments to the owner on behalf of a specific family occupying a specific unit.

The HAP contract is used for all HCV program tenancies except for assistance under the Section 8 homeownership program, and assistance to families that own a manufactured home and lease the space. See Chapter 15 for a discussion of any special housing types included in the PHA’s HCV program.

If the PHA has given approval for the family of the assisted tenancy, the owner and the PHA execute the HAP contract. See Chapter 9 for a discussion of the leasing process, including provisions for execution of the HAP contract.

13-ILB. HAP CONTRACT CONTENTS

The HAP contract format is required by HUD, specifically Housing Assistance Payment (HAP) Contract, Form HUD-52641.

The HAP contract contains three parts.

Part A of the contract includes basic contract information about the name of the tenant family, address of the contract unit, names of all household members, first and last dates of initial lease term, amount of initial monthly rent to owner, amount of initial housing assistance payment, utilities and appliances to be supplied by owner and tenant, signatures of PHA and owner [HCV Guidebook, pp 11-10 and 11-11].

In general, the HAP contract cannot be modified. However, PHAs do have the discretion to add language to Part A of the HAP contract which prohibits the owner from collecting a security deposit in excess of private market practices or in excess of amounts charged to unassisted tenants. PHA policy on the amount of security deposit an owner may collect is found in Chapter 9.

In addition, PHAs have the discretion to add language to Part A of the HAP contract that defines when the housing assistance payment by the PHA is deemed received by the owner (e.g., upon mailing by the PHA or actual receipt by the owner).

**PHA Policy**

*The PHA has not adopted a policy that defines when the housing assistance payment by the PHA is deemed received by the owner. Therefore, no modifications to the HAP contract will be necessary.*

Part B is the body of the contract. It describes in detail program requirements affecting the owner and owner roles and responsibilities under the HCV program. Most of the requirements contained in Part B of the HAP contract are outlined elsewhere in this plan. Topics addressed in Part B include:

- Lease of Contract Unit
- Maintenance, Utilities, and Other Services
- Term of HAP Contract
- Provision and Payment of Utilities and Appliances
• Rent to Owner: Reasonable Rent
• PHA Payment to Owner
• Prohibition of Discrimination
• Owner’s Breach of HAP Contract
• PHA and HUD Access to Premises and Owner’s Records
• Exclusion of Third Party Rights
• Conflict of Interest
• Assignment of the HAP Contract
• Written Notices
• Entire Agreement Interpretation

Part C of the contract includes the Tenancy Addendum (Form HUD-52641-A). The addendum sets forth the tenancy requirements for the program and the composition of the household, as approved by the PHA. The owner must sign the HUD Tenancy Addendum with the prospective tenant, and the tenant has the right to enforce the Tenancy Addendum against the owner. The terms of the Tenancy Addendum prevail over any other provisions of the lease.

13-II.C. HAP CONTRACT PAYMENTS

General

During the term of the HAP contract, and subject to the provisions of the HAP contract, the PHA must make monthly HAP payments to the owner on behalf of the family, at the beginning of each month.

**PHA Policy**

*The PHA will strongly encourage the landlord to register for the Direct Deposit payments.*

The amount of the HAP payment is determined according to the policies described in Chapter 6, and is subject to change during the term of the HAP contract. The PHA must notify the owner and the family in writing of any changes in the HAP payment.

HAP payments can be made only during the lease term, and only while the family is residing in the unit.

The monthly HAP payment by the PHA is credited toward the monthly rent to owner under the family’s lease. The total of the rent paid by the tenant, plus the PHA HAP payment, should be equal to the rent specified in the lease (the rent to owner).

The family is not responsible for payment of the HAP payment, and the PHA is not responsible for payment of the family share of rent.

The family’s share of the rent cannot be more than the difference between the total rent to the owner and the HAP payment. The owner may not demand or accept any rent payment from the tenant in excess of this maximum [24 CFR 982.451(b)(4)]. The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)]. See Chapter 9 for a discussion.
of separate, non-lease agreements for services, appliances and other items that are not included in the lease.

If the owner receives any excess HAP from the PHA, the excess amount must be returned immediately. If the PHA determines that the owner is not entitled to all or a portion of the HAP, the PHA may deduct the amount of overpayment from any amounts due to the owner, including amounts due under any other Section 8 HCV contract. See Chapter 16 for additional detail on owner reimbursement of HAP overpayments.

**Owner Certification of Compliance**

Unless the owner complies with all provisions of the HAP contract, the owner is not entitled to receive housing assistance payments under the HAP contract [HAP Contract – Form HUD-52641]. By endorsing the monthly check from the PHA, the owner certifies to compliance with the terms of the HAP contract. Direct Deposit will act as the same compliance with the terms of the HAP contract. This includes certification that the owner is maintaining the unit and premises in accordance with HQS; that the contract unit is leased to the tenant family and, to the best of the owner’s knowledge, the family resides in the unit as the family’s only residence; the rent to owner does not exceed rents charged by the owner for comparable unassisted units on the premises; and that the owner does not receive (other than rent to owner) any additional payments or other consideration for rent of the contract unit during the HAP term. This certification is applicable to direct deposits.

**Late HAP Payments [24 CFR 982.451(a)(5)]**

The PHA is responsible for making HAP payments promptly when due to the owner, in accordance with the terms of the HAP contract. After the first two calendar months of the HAP contract term, the HAP contract provides for penalties if the PHA fails to make the HAP payment on time.

Penalties for late HAP payments can only be imposed if 1) the penalties are in accordance with generally accepted local rental market practices and law governing penalties for late payment by tenants; 2) it is the owner’s normal business practice to charge late payment penalties for both assisted and unassisted families; and 3) the owner charges the assisted family for late payment of the family’s share of the rent.

The PHA is not required to pay a late payment penalty if HUD determines that the payment is late for reasons beyond the PHA’s control. In addition, late payment penalties are not required if the PHA intentionally delays or denies payment as a remedy to an owner breach of the HAP contract [HCV Guidebook p. 11-7].

**Termination of HAP Payments [24 CFR 982.311(b)]**

The PHA must continue making housing assistance payments to the owner in accordance with the HAP contract as long as the tenant continues to occupy the unit and the HAP contract is not violated.

HAP payments terminate when the HAP contract terminates or when the tenancy is terminated in accordance with the terms of the lease.
If the owner has initiated eviction proceedings against the family and the family continues to reside in the unit, the PHA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

**PHA Policy**

*The owner must inform the PHA when the owner has initiated eviction proceedings against the family and the family continues to reside in the unit.*

*The owner must inform the PHA when the owner has obtained a court judgment or other process allowing the owner to evict the tenant, and provide the PHA with a copy of such judgment or determination.***

*After the owner has obtained a court judgment or other process allowing the owner to evict the tenant, the PHA will continue to make HAP payments to the owner until the family actually moves from the unit or until the family is physically evicted from the unit, whichever is earlier. The owner must inform the PHA of the date when the family actually moves from the unit or the family is physically evicted from the unit.*

**13-II.D. BREACH OF HAP CONTRACT [24 CFR 982.453]**

Any of the following actions by the owner constitutes a breach of the HAP contract:

- If the owner violates any obligations under the HAP contract including failure to maintain the unit in accordance with HQS
- If the owner has violated any obligation under any other HAP contract under Section 8
- If the owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program
- For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable program; or if the owner has committed fraud, bribery or any other corrupt or criminal act in connection with the mortgage or loan
- If the owner has engaged in drug-related criminal activity
- If the owner has committed any violent criminal activity

If the PHA determines that a breach of the HAP contract has occurred, it may exercise any of its rights and remedies under the HAP contract.

The PHA rights and remedies against the owner under the HAP contract include recovery of any HAP overpayment, suspension of housing assistance payments, abatement or reduction of the housing assistance payment, termination of the payment or termination the HAP contract. The PHA may also obtain additional relief by judicial order or action.

The PHA must notify the owner of its determination and provide in writing the reasons for the determination. The notice may require the owner to take corrective action by an established deadline. The PHA must provide the owner with written notice of any reduction in housing assistance payments or the termination of the HAP contract.

**PHA Policy**
Before the PHA invokes a remedy against an owner, the PHA will evaluate all information and documents available to determine if the contract has been breached.

If relevant, the PHA will conduct an audit of the owner’s records pertaining to the tenancy or unit.

If it is determined that the owner has breached the contract, the PHA will consider all of the relevant factors including the seriousness of the breach, the effect on the family, the owner’s record of compliance and the number and seriousness of any prior HAP contract violations.

**13-IIE. HAP CONTRACT TERM AND TERMINATIONS**

The term of the HAP contract runs concurrently with the term of the dwelling lease [24 CFR 982.451(a)(2)], beginning on the first day of the initial term of the lease and terminating on the last day of the term of the lease, including any lease term extensions.

The HAP contract and the housing assistance payments made under the HAP contract terminate if [HCV Guidebook pp.11-4 and 11-5, pg. 15-3]:

- The owner or the family terminates the lease;
- The lease expires;
- The PHA terminates the HAP contract;
- The PHA terminates assistance for the family;
- The family moves from the assisted unit. In this situation, the owner is entitled to keep the housing assistance payment for the month when the family moves out of the unit.
- 180 calendar days have elapsed since the PHA made the last housing assistance payment to the owner;
- The family is absent from the unit for longer than the maximum period permitted by the PHA;
- The Annual Contributions Contract (ACC) between the PHA and HUD expires
- The PHA elects to terminate the HAP contract.

The PHA may elect to terminate the HAP contract in each of the following situations:

- Available program funding is not sufficient to support continued assistance for families in the program [24 CFR 982.454];
- The unit does not meet HQS size requirements due to change in family composition [24 CFR 982.403] – see Chapter 8;
- The unit does not meet HQS [24 CFR 982.404] – see Chapter 8;
- The family breaks up [HUD Form 52641] – see Chapter 3;
- The owner breaches the HAP contract [24 CFR 982.453(b)] – see Section 13-II.D.

If the PHA terminates the HAP contract, the PHA must give the owner and the family written notice. The notice must specify the reasons for the termination and the effective date of the termination. Once a HAP contract is terminated, no further HAP payments may be made under that contract [HCV Guidebook pg.15-4].

**PHA Policy**
In all cases, the HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives written notice to the owner. The owner is not entitled to any housing assistance payment after this period, and must return to the PHA any housing assistance payment received after this period.

If the family moves from the assisted unit into a new unit, even if the new unit is in the same building or complex as the assisted unit, the HAP contract for the assisted unit terminates. A new HAP contract would be required [HCV GB, p. 11-17].

When the family moves from an assisted unit into a new unit, the term of the HAP contract for the new unit may begin in the same month in which the family moves out of its old unit. This is not considered a duplicative subsidy [HCV GB, p. 8-22].

13-IL.F. CHANGE IN OWNERSHIP / ASSIGNMENT OF THE HAP CONTRACT [HUD-52641]

The HAP contract cannot be assigned to a new owner without the prior written consent of the PHA.

An owner under a HAP contract must notify the PHA in writing prior to a change in the legal ownership of the unit. The owner must supply all information as requested by the PHA.

Prior to approval of assignment to a new owner, the new owner must agree to be bound by and comply with the HAP contract. The agreement between the new owner and the former owner must be in writing and in a form that the PHA finds acceptable. The new owner must provide the PHA with a copy of the executed agreement.

**PHA Policy**

Assignment of the HAP contract will be approved only if the new owner is qualified to become an owner under the HCV program according to the policies in Section 13-I.D. of this chapter.

The PHA must receive a signed, written request from the existing owner stating the name and address of the new HAP payee and the effective date of the assignment in order to change the HAP payee under an outstanding HAP contract.

Within 10 business days of receiving the owner’s request, the PHA will inform the current owner in writing whether the assignment may take place.

The new owner must provide a written certification to the PHA that includes:

- A copy of the escrow statement or other document showing the transfer of title and recorded deed;
- A copy of the owner’s IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the social security number of the new owner;
- The effective date of the HAP contract assignment;
- A written agreement to comply with the terms of the HAP contract; and
- Confirmation that the new owner is not a prohibited relative.
If the new owner does not agree to an assignment of the HAP contract, or fails to provide the necessary documents, the PHA will terminate the HAP contract with the old owner. If the new owner wants to offer the family a new lease, and the family elects to stay with continued assistance, the PHA will process the leasing in accordance with the policies in Chapter 9.
TERREBONNE PARISH HOUSING CHOICE VOUCHER PROGRAM

ADMINISTRATIVE PLAN

Chapter 14

PROGRAM INTEGRITY

INTRODUCTION

The PHA is committed to ensuring that subsidy funds made available to the PHA are spent in accordance with HUD requirements.

This chapter covers HUD and PHA policies designed to prevent, detect, investigate, and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents PHA policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures the PHA must and may take when errors or program abuses are found.

PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE

14-I.A. PREVENTING ERRORS AND PROGRAM ABUSE

HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and program abuse. PHAs are required to use the EIV system in its entirety in accordance with HUD administrative guidance [24 CFR 5.233].

PHA Policy

The PHA anticipates that the vast majority of families, owners, and PHA employees intend to and will comply with program requirements and make reasonable efforts to avoid errors.

To ensure that the PHA’s HCV program is administered effectively and according to the highest ethical and legal standards, the PHA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

The PHA will discuss program compliance and integrity issues during the voucher briefing sessions described in Chapter 5.

The PHA will place a warning statement about the penalties for fraud (as described in 18 U.S.C. 1001 and 1010) on key PHA forms and form letters that request information from a family or owner.
PHA staff will be required to review and explain the contents of all HUD- and PHA-required forms prior to requesting family member signatures.

The PHA will provide each PHA employee with the necessary training on program rules and the organization’s standards of conduct and ethics.

For purposes of this chapter the term error refers to an unintentional error or omission. Program abuse or fraud refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

14-I.B. DETECTING ERRORS AND PROGRAM ABUSE

In addition to taking steps to prevent errors and program abuse, the PHA will use a variety of activities to detect errors and program abuse.

HCV Handbook Ch.11-11, the PHA must maintain a HAP register.

Quality Control for Maintaining the HAP Register (Payments)

The PHA has the following steps to ensure proper HAP payments are being issued:

1. All file contracts are reviewed and approved by the Section 8 Administrator
2. After approval, a caseworker locks in the contract for payment in Section 8’s HAPPY Software System.
3. The Section 8 Administrator downloads a system generated roster of the HAP payments that have been locked in. These rosters are signed by both the Section 8 Administrator and the PHA’s Executive Director or Assistant Director.
4. The roster payments are electronically uploaded in the accounting system to generate requisitions to be printed and released by the Purchasing Department. Both a roster and requisition payment’s report is sent to Purchasing for backup that is forwarded along with the requisitions to the Accounts Payable Department for processing.
5. The Accounts Payable Department processes all requisitions for payment and matches up the checks with backup.
6. After the Accounts Payable Department matches these payments, the checks are forwarded to the Parish’s Grant Division. The Grant’s Division matches these checks up with a copy of the roster and an Accounts Payable generated prelist report that is associated with the general ledger.
7. During the month the Section 8 Administrator does a post of payments and a Voucher Management System (VMS) report is generated to be reconciled to the original roster. At this time any underpayments or overpayments will be identified. This VMS is forwarded to the Grant’s Division who verifies the data and submits it into HUD’s Voucher Management System. Along with the VMS report, a spreadsheet of the payment differences between the roster and VMS is generated and attached.
8. Underpayments are issued checks and overpayments are handled in accordance to the allowable methods per the HAP contract.

All registers, underpayments, overpayments, and VMS reports are filed both electronically on the Parish’s k-drive and on paper at the PHA’s site. The Grant’s Division maintains a copy of all the reports listed above.

Quality Control and Analysis of Data
Under the Section 8 Management Assessment Program (SEMAP), HUD requires the PHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure HQS compliance [24 CFR, Part 985]. (See Chapter 16 for additional information about SEMAP requirements).

**PHA Policy**

_in addition to the SEMAP quality control requirements, the PHA will employ a variety of methods to detect errors and program abuse._

_The PHA routinely will use available sources of up-front income verification, including HUD’s EIV system, to compare with family-provided information._

_At each annual reexamination, current information provided by the family will be compared to information provided at the last annual reexamination to identify inconsistencies and incomplete information._

_The PHA will compare family-reported income and expenditures to detect possible unreported income._

**Independent Audits and HUD Monitoring**

OMB Circular A-133 requires all PHAs that expend $500,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of PHA activities and notifies the PHA of errors and potential cases of program abuse.

**PHA Policy**

_The PHA will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of the PHA’s error detection and abuse prevention efforts._

**Individual Reporting of Possible Errors and Program Abuse**

**PHA Policy**

_The PHA will encourage staff, program participants, and the public to report possible program abuse._

**14-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE**

**When the PHA Will Investigate**

**PHA Policy**

_The PHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for the PHA to investigate, the allegation must contain at least one independently-verifiable item of information, such as the name of an employer or the name of an unauthorized household member._
The PHA will investigate inconsistent information related to the family that is identified through file reviews and the verification process.

Consent to Release of Information [24 CFR 982.516]

The PHA may investigate possible instances of error or abuse using all available PHA and public records. If necessary, the PHA will require HCV families to give consent to the release of additional information.

Analysis and Findings

**PHA Policy**

The PHA will base its evaluation on a preponderance of the evidence collected during its investigation.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

For each investigation the PHA will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed the PHA, and (3) what corrective measures or penalties will be assessed.

Consideration of Remedies

All errors and instances of program abuse must be corrected prospectively. Whether the PHA will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

**PHA Policy**

In the case of family-caused errors or program abuse, the PHA will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

In the case of owner-caused errors or program abuse, the PHA will take into consideration (1) the seriousness of the offense, (2) the length of time since the violation has occurred, and (3) the effects of a particular remedy on family members who were not involved in the offense.

Notice and Appeals

**PHA Policy**

The PHA will inform the relevant party in writing of its findings and remedies within 10 business days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which the PHA determined the error or program abuses, (3) the remedies to be employed, and (4) the family’s right
to appeal the results through the informal review or hearing process, if applicable (see Chapter 16).

PART II: CORRECTIVE MEASURES AND PENALTIES

14-II.A. SUBSIDY UNDER- OR OVERPAYMENTS

A subsidy under- or overpayment includes (1) an incorrect housing assistance payment to the owner, (2) an incorrect family share established for the family, and (3) an incorrect utility reimbursement to a family.

Corrections

Whether the incorrect subsidy determination is an overpayment or underpayment of subsidy, the PHA must promptly correct the HAP, family share, and any utility reimbursement prospectively.

**PHA Policy**

*Increases in the family share will be implemented only after the family has received 30 days notice, unless the family purposely caused the error.*

*Any decreases in family share will become effective the first of the month following the discovery of the error, unless the family purposely caused the error.*

Reimbursement

Whether the family or owner is required to reimburse the PHA or the PHA is required to make retroactive subsidy payments to the owner or family depends upon which party is responsible for the incorrect subsidy payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

14-II.B. FAMILY- CAUSED ERRORS AND PROGRAM ABUSE

Family obligations and general administrative requirements for participating in the program are discussed throughout this plan. This section deals specifically with errors and program abuse by family members.

An incorrect subsidy determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows the PHA to use incorrect information provided by a third party.

**Family Reimbursement to PHA [HCV GB pp. 22-12 to 22-13]**

**PHA Policy**

*In the case of family-caused errors or program abuse, the family will be required to repay any excess subsidy received. The PHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, the PHA will terminate the family’s assistance in accordance with the policies in Chapter 12.*

**PHA Reimbursement to Family [HCV GB p. 22-12]**
**PHA Policy**

The PHA will not reimburse the family for any underpayment of assistance when the underpayment clearly is caused by the family.

**Prohibited Actions**

An applicant or participant in the HCV program must not knowingly:

- Make a false statement to the PHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.552(c)(iv)].

**PHA Policy**

Any of the following will be considered evidence of family program abuse:

- **Payment to the owner in excess of amounts authorized by the PHA for rent, security deposit, and additional services**
- **Offering bribes or illegal gratuities to the PHA Board of Commissioners, employees, contractors, or other PHA representatives**
- **Offering payments or other incentives to the owner or a third party as an inducement for the third party to make false or misleading statements to the PHA on the family’s behalf**
- **Use of a false name or the use of falsified, forged, or altered documents**
- **Intentional misreporting of family information or circumstances (e.g. income, family composition)**
- **Omitted facts that were obviously known by a family member (e.g., not reporting employment income)**
- **Admission of program abuse by an adult family member**
- **Knowingly allowing person not listed on the lease to live in the rental unit.**

The PHA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

**Penalties for Program Abuse**

In the case of program abuse caused by a family the PHA may, at its discretion, impose any of the following remedies.

- The PHA may require the family to repay excess subsidy amounts paid by the PHA, as described earlier in this section.
- The PHA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 12 (for participants).
- The PHA may deny or terminate the family’s assistance following the policies set forth in Chapter 3 and Chapter 12 respectively.
• The PHA may refer the family for state or federal criminal prosecution as described in section 14-II.E.

14-II.C. OWNER-CAUSED ERROR OR PROGRAM ABUSE

Owner requirements that are part of the regular process of offering, leasing, and maintaining a unit (e.g., HQS compliance, fair housing) are addressed in the appropriate chapters of this plan. This section focuses on errors and program abuse by owners.

An incorrect subsidy determination caused by an owner generally would be the result of an incorrect owner statement about the characteristics of the assisted unit (e.g., the number of bedrooms, which utilities are paid by the family). It also includes accepting duplicate housing assistance payments for the same unit in the same month, or after a family no longer resides in the unit.

Owner Reimbursement to the PHA

In all cases of overpayment of subsidy caused by the owner, the owner must repay to the PHA any excess subsidy received. The PHA may recover overpaid amounts by withholding housing assistance payments due for subsequent months, or if the debt is large, the PHA may allow the owner to pay in installments over a period of time [HCV GB p. 22-13].

**PHA Policy**

*In cases where the owner has received excess subsidy, the PHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.*

Prohibited Owner Actions

An owner participating in the HCV program must not:

• Make any false statement to the PHA [Title 18 U.S.C. Section 1001].

• Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.453(a)(3)] including:

**PHA Policy**

*Any of the following will be considered evidence of owner program abuse:*

- **Charging the family rent above or below the amount specified by the PHA**
- **Charging a security deposit other than that specified in the family’s lease**
- **Charging the family for services that are provided to unassisted tenants at no extra charge**
- **Knowingly accepting housing assistance payments for any month(s) after the family has vacated the unit**
- **Knowingly accepting incorrect or excess housing assistance payments**
- **Offering bribes or illegal gratuities to the PHA Board of Commissioners, employees, contractors, or other PHA representatives**
Offering payments or other incentives to an HCV family as an inducement for the family to make false or misleading statements to the PHA

Residing in the unit with an assisted family

Remedies and Penalties

When the PHA determines that the owner has committed program abuse, the PHA may take any of the following actions:

- Require the owner to repay excess housing assistance payments, as discussed earlier in this section and in accordance with the policies in Chapter 16.
- Terminate the HAP contract (See Chapter 13).
- Bar the owner from future participation in any PHA programs.
- Refer the case to state or federal officials for criminal prosecution as described in section 14-II.E.

14-II.D. PHA- CAUSED ERRORS OR PROGRAM ABUSE

The responsibilities and expectations of PHA staff with respect to normal program administration are discussed throughout this plan. This section specifically addresses actions of a PHA staff member that are considered errors or program abuse related to the HCV program. Additional standards of conduct may be provided in the PHA personnel policy.

PHA-caused incorrect subsidy determinations include (1) failing to correctly apply HCV rules regarding family composition, income, assets, and expenses, (2) assigning the incorrect voucher size to a family, and (3) errors in calculation.

Repayment to the PHA

Neither a family nor an owner is required to repay an overpayment of subsidy if the error or program abuse is caused by PHA staff [HCV GB. 22-12].

PHA Reimbursement to Family or Owner

The PHA must reimburse a family for any underpayment of subsidy, regardless of whether the underpayment was the result of staff-caused error or staff or owner program abuse. Funds for this reimbursement must come from the PHA’s administrative fee reserves [HCV GB p. 22-12].

Prohibited Activities

PHA Policy

Any of the following will be considered evidence of program abuse by PHA staff:

Failing to comply with any HCV program requirements for personal gain

Failing to comply with any HCV program requirements as a result of a conflict of interest relationship with any applicant, participant, or owner
Seeking or accepting anything of material value from applicants, participating families, vendors, owners, contractors, or other persons who provide services or materials to the PHA

Disclosing confidential or proprietary information to outside parties

Gaining profit as a result of insider knowledge of PHA activities, policies, or practices

Misappropriating or misusing HCV funds

Destroying, concealing, removing, or inappropriately using any records related to the HCV program

Committing any other corrupt or criminal act in connection with any federal housing program

14-I.E. CRIMINAL PROSECUTION

PHA Policy

Criminal violations related to the HCV program abuse by an owner, family, or PHA staff member will be referred to the appropriate local, state, or federal entity. The PHA will review each case to determine if a repayment will be accepted without involvement of other agencies.

14-I.F. FRAUD AND PROGRAM ABUSE RECOVERIES

The PHA may retain a portion of program fraud losses that the PHA recovers from a family or owner through litigation, court order, or a repayment agreement [24 CFR 982.163].

The PHA must be the principal party initiating or sustaining the action to recover amounts due from tenants that are due as a result of fraud and abuse. 24 CFR 792.202 permits the PHA to retain the greater of:

- 50 percent of the amount it actually collects from a judgment, litigation (including settlement of a lawsuit) or an administrative repayment agreement, or
- Reasonable and necessary costs that the PHA incurs related to the collection including costs of investigation, legal fees, and agency collection fees.

The family must be afforded the opportunity for an informal hearing in accordance with requirements in 24 CFR 982.555.

If HUD incurs costs on behalf of the PHA related to the collection, these costs must be deducted from the amount retained by the PHA.
TERREBONNE PARISH HOUSING CHOICE VOUCHER PROGRAM

ADMINISTRATIVE PLAN

Chapter 15

SPECIAL HOUSING TYPES

[24 CFR 982 Subpart M]

INTRODUCTION

The PHA may permit a family to use any of the special housing types discussed in this chapter. However, the PHA is not required to permit families receiving assistance in its jurisdiction to use these housing types, except that PHAs must permit use of any special housing type if needed as a reasonable accommodation for a person with a disability. The PHA also may limit the number of families who receive HCV assistance in these housing types and cannot require families to use a particular housing type. No special funding is provided for special housing types.

PHA Policy

Families will not be permitted to use any special housing types, unless use is needed as a reasonable accommodation so that the program is readily accessible to a person with disabilities.

Special housing types include single room occupancy (SRO), congregate housing, group homes, shared housing, cooperative housing, manufactured homes where the family owns the home and leases the space, and homeownership [24 CFR 982.601].

This chapter consists of the following seven parts. Each part contains a description of the housing type and any special requirements associated with it. Except as modified by this chapter, the general requirements of the HCV program apply to special housing types.

Part I: Single Room Occupancy
Part II: Congregate Housing
Part III: Group Homes
Part IV: Shared Housing
Part V: Cooperative Housing
Part VI: Manufactured Homes (including manufactured home space rental)
Part VII: Homeownership
PART I: SINGLE ROOM OCCUPANCY
[24 CFR 982.602 through 982.605]

15-I.A. OVERVIEW
A single room occupancy (SRO) unit provides living and sleeping space for the exclusive use of the occupant but requires the occupant to share sanitary and/or food preparation facilities with others. More than one person may not occupy an SRO unit. HCV regulations do not limit the number of units in an SRO facility, but the size of a facility may be limited by local ordinances.

When providing HCV assistance in an SRO unit, a separate lease and HAP contract are executed for each assisted person, and the standard form of the HAP contract is used.

15-I.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION
The payment standard for SRO housing is 75 percent of the 0-bedroom payment standard amount on the PHA’s payment standard schedule.

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero bedroom utility allowance.

The HAP for an assisted occupant in an SRO facility is the lower of the SRO payment standard amount minus the TTP or the gross rent for the unit minus the TTP.

15-I.C. HOUSING QUALITY STANDARDS (HQS)
HQS requirements described in Chapter 8 apply to SRO housing except as modified below.

• **Access:** Access doors to the SRO unit must have working locks for privacy. The occupant must be able to access the unit without going through any other unit. Each unit must have immediate access to two or more approved means of exit from the building, appropriately marked and leading to safe and open space at ground level. The SRO unit must also have any other means of exit required by State or local law.

• **Fire Safety:** All SRO facilities must have a sprinkler system that protects major spaces. “Major spaces” are defined as hallways, common areas, and any other areas specified in local fire, building, or safety codes. SROs must also have hard-wired smoke detectors, and any other fire and safety equipment required by state or local law.

**Sanitary facilities** and space and security standards must meet local code requirements for SRO housing. In the absence of local code standards the requirements discussed below apply [24 CFR 982.605].

**Sanitary Facilities:** At least one flush toilet that can be used in privacy, a lavatory basin, and a bathtub or shower in proper operating condition must be provided for each six persons (or fewer) residing in the SRO facility. If the SRO units are leased only to men, flush urinals may be substituted for up to one half of the required number of toilets. Sanitary facilities must be reasonably accessible from a common hall or passageway, and may not be located more than
one floor above or below the SRO unit. They may not be located below grade unless the SRO units are located on that level.

- **Space and Security**: An SRO unit must contain at least 110 square feet of floor space, and at least four square feet of closet space with an unobstructed height of at least five feet, for use by the occupant. If the closet space is less than four square feet, the habitable floor space in the SRO unit must be increased by the amount of the deficiency. Exterior doors and windows accessible from outside the SRO unit must be lockable.

Because no children live in SRO housing, the housing quality standards applicable to lead-based paint do not apply.

### PART II: CONGREGATE HOUSING [24 CFR 982.606 through 982.609]

#### 15-II.A. OVERVIEW

Congregate housing is intended for use by elderly persons or persons with disabilities. A congregate housing facility contains a shared central kitchen and dining area and a private living area for the individual household that includes at least a living room, bedroom and bathroom. Food service for residents must be provided.

If approved by the PHA, a family member or live-in aide may reside with the elderly person or person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in congregate housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

#### 15-II.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

The payment standard for an individual unit in a congregate housing facility is based on the number of rooms in the private living area. If there is only one room in the unit (not including the bathroom or the kitchen, if a kitchen is provided), the PHA must use the payment standard for a 0-bedroom unit. If the unit has two or more rooms (other than the bathroom and the kitchen), the PHA must use the 1-bedroom payment standard.

The HAP for an assisted occupant in a congregate housing facility is the lower of the applicable payment standard minus the TTP or the gross rent for the unit minus the TTP.

The gross rent for the unit for the purpose of calculating HCV assistance is the shelter portion (including utilities) of the resident’s monthly housing expense only. The residents’ costs for food service should not be included in the rent for a congregate housing unit.

#### 15-II.C. HOUSING QUALITY STANDARDS

HQS requirements as described in Chapter 8 apply to congregate housing except for the requirements stated below.

Congregate housing must have (1) a refrigerator of appropriate size in the private living area of each resident; (2) a central kitchen and dining facilities located within the premises and accessible
to the residents, and (3) food service for the residents, that is not provided by the residents
themselves. The housing quality standards applicable to lead-based paint do not apply.

15-III.A. OVERVIEW

A group home is a state-licensed facility intended for occupancy by elderly persons and/or persons
with disabilities. Except for live-in aides, all persons living in a group home, whether assisted or
not, must be elderly persons or persons with disabilities. Persons living in a group home must not
require continuous medical or nursing care.

A group home consists of bedrooms for residents, which can be shared by no more than two people,
and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or
community space that may be shared with other residents.

No more than 12 persons may reside in a group home including assisted and unassisted residents
and any live-in aides.

If approved by the PHA, a live-in aide may live in the group home with a person with disabilities.
The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program
is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in a group home, a separate lease and HAP contract is executed
for each assisted family, and the standard form of the HAP contract is used.

15-III.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

Unless there is a live-in aide, the family unit size for an assisted occupant of a group home must
be 0- or 1-bedroom, depending on the PHA’s subsidy standard. If there is a live-in aide, the aide
must be counted in determining the household’s unit size.

The payment standard used to calculate the HAP is the lower of the payment standard for the
family unit size or the prorata share of the payment standard for the group home size. The prorata
share is calculated by dividing the number of persons in the assisted household by the number of
persons (assisted and unassisted) living in the group home.

The HAP for an assisted occupant in a group home is the lower of the payment standard minus the
TTP or the gross rent minus the TTP.

The utility allowance for an assisted occupant in a group home is the prorata share of the utility
allowance for the group home.

The rents paid for participants residing in group homes are subject to generally applicable
standards for rent reasonableness. The rent for an assisted person must not exceed the prorata
portion of the reasonable rent for the group home. In determining reasonable rent, the PHA should
consider whether sanitary facilities and facilities for food preparation and service are common
facilities or private facilities.

15-III.C. HOUSING QUALITY STANDARDS
HQS requirements described in Chapter 8 apply to group homes except for the requirements stated below.

- **Sanitary Facilities**: A group home must have at least one bathroom in the facility, with a flush toilet that can be used in privacy, a fixed basin with hot and cold running water, and a shower or bathtub with hot and cold running water. A group home may contain private or common bathrooms. However, no more than four residents can be required to share a bathroom.

- **Food Preparation and Service**: Group home units must contain a kitchen and dining area with adequate space to store, prepare, and serve food. The facilities for food preparation and service may be private or may be shared by the residents. The kitchen must contain a range, an oven, a refrigerator, and a sink with hot and cold running water. The sink must drain into an approvable public or private disposal system.

- **Space and Security**: Group homes must contain at least one bedroom of appropriate size for every two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.

- **Structure and Material**: To avoid any threat to the health and safety of the residents, group homes must be structurally sound. Elevators must be in good condition. Group homes must be accessible to and usable by residents with disabilities.

- **Site and Neighborhood**: Group homes must be located in a residential setting. The site and neighborhood should be reasonably free from hazards to the health, safety, and general welfare of the residents, and should not be subject to serious adverse conditions, such as:
  - Dangerous walks or steps
  - Instability
  - Flooding, poor drainage
  - Septic tank back-ups
  - Sewage hazards
  - Mud slides
  - Abnormal air pollution
  - Smoke or dust
  - Excessive noise
  - Vibrations or vehicular traffic
  - Excessive accumulations of trash
  - Vermin or rodent infestation, and
  - Fire hazards.

The housing quality standards applicable to lead-based paint do not apply.
PART IV: SHARED HOUSING [24 CFR 982.615 through 982.618]

15-IV.A. OVERVIEW

Shared housing is a single housing unit occupied by an assisted family and another resident or residents. The shared unit consists of both common space for use by the occupants of the unit and separate private space for each assisted family.

An assisted family may share a unit with other persons assisted under the HCV program or with other unassisted persons. The owner of a shared housing unit may reside in the unit, but housing assistance may not be paid on behalf of the owner. The resident owner may not be related by blood or marriage to the assisted family.

If approved by the PHA, a live-in aide may reside with the family to care for a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in shared housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

15-IV.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

The payment standard for a family in shared housing is the lower of the payment standard for the family unit size or the prorata share of the payment standard for the shared housing unit size.

The prorata share is calculated by dividing the number of bedrooms available for occupancy by the assisted family in the private space by the total number of bedrooms in the unit.

The HAP for a family in shared housing is the lower of the payment standard minus the TTP or the gross rent minus the TTP. The utility allowance for an assisted family living in shared housing is the prorata share of the utility allowance for the shared housing unit.

The rents paid for families living in shared housing are subject to generally applicable standards for rent reasonableness. The rent paid to the owner for the assisted family must not exceed the prorata portion of the reasonable rent for the shared unit. In determining reasonable rent, the PHA should consider whether sanitary and food preparation areas are private or shared.

15-IV.C. HOUSING QUALITY STANDARDS

The PHA may not give approval to reside in shared housing unless the entire unit, including the portion of the unit available for use by the assisted family under its lease, meets the housing quality standards.

HQS requirements described in Chapter 8 apply to shared housing except for the requirements stated below.

- *Facilities Available for the Family*: Facilities available to the assisted family, whether shared or private, must include a living room, a bathroom, and food preparation and refuse disposal facilities.
• **Space and Security**: The entire unit must provide adequate space and security for all assisted and unassisted residents. The private space for each assisted family must contain at least one bedroom for each two persons in the family. The number of bedrooms in the private space of an assisted family must not be less than the family unit size. A 0-bedroom or 1-bedroom unit may not be used for shared housing.

**PART V: COOPERATIVE HOUSING** [24 CFR 982.619]

15-V.A. OVERVIEW

This part applies to rental assistance for a cooperative member residing in cooperative housing. It does not apply to assistance for a cooperative member who has purchased membership under the HCV homeownership option, or to rental assistance for a family that leases a cooperative housing unit from a cooperative member.

A cooperative is a form of ownership (nonprofit corporation or association) in which the residents purchase memberships in the ownership entity. Rather than being charged “rent” a cooperative member is charged a “carrying charge.”

When providing HCV assistance in cooperative housing, the standard form of the HAP contract is used.

15-V.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

The payment standard and utility allowance are determined according to regular HCV program requirements.

The HAP for a cooperative housing unit is the lower of the payment standard minus the TTP or the monthly carrying charge for the unit, plus any utility allowance, minus the TTP. The monthly carrying charge includes the member’s share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. The carrying charge does not include down payments or other payments to purchase the cooperative unit or to amortize a loan made to the family for this purpose.

15-V.C. HOUSING QUALITY STANDARDS

All standard HQS requirements apply to cooperative housing units. There are no additional HQS requirements.

**PART VI: MANUFACTURED HOMES** [24 CFR 982.620 through 982.624]

15-VI.A. OVERVIEW

A manufactured home is a manufactured structure, transportable in one or more parts, that is built on a permanent chassis, and designed for use as a principal place of residence. HCV-assisted families may occupy manufactured homes in two different ways.
(1) A family can choose to rent a manufactured home already installed on a space and the PHA must permit it. In this instance program rules are the same as when a family rents any other residential housing, except that there are special HQS requirements as provided in 15-VI.D below.

(2) HUD also permits an otherwise eligible family that owns a manufactured home to rent a space for the manufactured home and receive HCV assistance with the rent for the space. PHAs may, but are not required to, provide assistance for such families.

15-VI.B. SPECIAL POLICIES FOR MANUFACTURED HOME OWNERS WHO LEASE A SPACE

Family Income

In determining the annual income of families leasing manufactured home spaces, the value of the family’s equity in the manufactured home in which the family resides is not counted as a family asset.

Lease and HAP Contract

There is a separate Tenancy Addendum (Form 52642-a) and separate HAP Contract (Form 52642) for this special housing type.

15-VI.C. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

Payment Standards

The FMR for a manufactured home space is generally 40 percent of the published FMR for a 2-bedroom unit or, where approved by HUD, the 40th percentile of the rental distribution of manufactured home spaces for the FMR area. The PHA may establish a payment standard for manufactured home spaces that is between 90-110 percent of the FMR for manufactured home spaces.

Utility Allowance

The PHA must establish utility allowances for manufactured home space rental. For the first 12 months of the initial lease term only, the allowance must include an amount for a utility hook-up charge if the family actually incurred a hook-up charge because of a move. This allowance will not be given to a family that leases in place. Utility allowances for manufactured home space must not include the costs of digging a well or installing a septic system.

Space Rent

The space rent is the sum of the rent to the owner for the manufactured home space, any charges for maintenance and management provided by the owner, and the utility allowance for tenant-paid utilities.

Housing Assistance Payment

The HAP for a manufactured home space under the housing choice voucher program is the lower of the payment standard minus the TTP or the (gross) manufactured home space rent minus the TTP.

Rent Reasonableness
Initially, and annually thereafter the PHA must determine that the rent for the manufactured home space is reasonable based on rents for comparable manufactured home spaces. The PHA must consider the location and size of the space, and any services and maintenance to be provided by the owner. By accepting the monthly HAP check, the owner certifies that the rent does not exceed rents charged by the owner for comparable unassisted spaces in the manufactured home park or elsewhere.

**15-V.I.D. HOUSING QUALITY STANDARDS**

Under either type of occupancy described in 15-V.I.A above, the manufactured home must meet all HQS performance requirements and acceptability criteria discussed in Chapter 8 of this plan. In addition, the following requirement applies:

*Manufactured Home Tie-Down*

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage. The home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist overturning and sliding.

**PART VII: HOMEOWNERSHIP [24 CFR 982.625 through 982.643]**

**15-VII.A. OVERVIEW [24 CFR 982.625]**

The homeownership option is used to assist a family residing in a home purchased and owned by one or more members of the family. A family assisted under this option may be newly admitted or an existing participant in the HCV program. The PHA must have the capacity to operate a successful HCV homeownership program as defined by the regulations.

There are two forms of homeownership assistance a PHA may offer under this option: monthly homeownership assistance payments, or a single down payment assistance grant. PHAs may choose to offer either or both forms of homeownership assistance, or choose not to offer either. If a PHA offers both forms of assistance, a family must choose which form of assistance to receive.

The PHA must offer either form of homeownership assistance if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. It is the sole responsibility of the PHA to determine whether it is reasonable to implement a homeownership program as a reasonable accommodation. The PHA must determine what is reasonable based on the specific circumstances and individual needs of the person with a disability. The PHA may determine that it is not reasonable to offer homeownership assistance as a reasonable accommodation in cases where the PHA has otherwise opted not to implement a homeownership program.

The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.
PHA Policy

Terrebonne Parish Consolidated Government Section 8 Program does not administer either form of homeownership program under the Housing Choice Voucher Program.
Chapter 16

PROGRAM ADMINISTRATION

INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this plan. The policies are discussed in seven parts as described below:

Part I: Administrative Fee Reserve. This part describes the PHA’s policies with regard to oversight of expenditures from its administrative fee reserve.

Part II: Setting Program Standards and Schedules. This part describes what payment standards are, and how they are updated, as well as how utility allowances are established and revised.

Part III: Informal Reviews and Hearings. This part outlines the requirements and procedures for informal reviews and hearings, and for informal hearings regarding citizenship status.

Part IV: Owner or Family Debts to the PHA. This part describes policies for recovery of monies that the PHA has overpaid on behalf of families, or to owners, and describes the circumstances under which the PHA will offer repayment agreements to owners and families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part V: Section 8 Management Assessment Program (SEMAP). This part describes what the SEMAP scores represent, how they are established, and how those scores affect a PHA.

Part VI: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies the PHA will follow.

Part VII: Reporting and Record Keeping for Children with Environmental Intervention Blood Lead Level. This part describes the PHA’s responsibilities for reporting, data collection, and record keeping relative to children with environmental intervention blood lead levels that are less than six years of age, and are receiving HCV assistance.

Part VIII: Determination of Insufficient Funding. This part describes the PHA’s policies for determining if there is sufficient funding to issue vouchers, to approve moves to higher cost units or areas, and to continue assistance for all participant families.

This part contains key terms used in VAWA and describes requirements related to notifying families and owners about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, and stalking; and maintaining the confidentiality of information obtained from victims.
PART I: ADMINISTRATIVE FEE RESERVE [24 CFR 982.155]

The PHA must maintain an administrative fee reserve for the program to pay program administrative expenses in excess of administrative fees paid by HUD for a PHA fiscal year. If funds in the administrative fee reserve are not needed to cover PHA administrative expenses, the PHA may use these funds for other housing purposes permitted by Federal, State and local law.

If the PHA has not adequately administered any Section 8 program, HUD may prohibit use of funds in the administrative fee reserve, and may direct the PHA to use funds in the reserve to improve administration of the program or to reimburse ineligible expenses. HUD also may prohibit use of the funds for certain purposes.

HUD requires the PHA Board of Commissioners or other authorized officials to establish the maximum amount that may be charged against the administrative fee reserve without specific approval.

PHA Policy

Expenditures from the administrative fee reserve will be made in accordance with all applicable Federal requirements. Expenditures will not exceed $10,000 per occurrence without the prior approval of the PHA’s Parish Council.

PART II: SETTING PROGRAM STANDARDS AND SCHEDULES

16-II.A. OVERVIEW

Although many of the program’s requirements are established centrally by HUD, the HCV program’s regulations recognize that some flexibility is required to allow the PHA to adapt the program to local conditions. This part discusses how the PHA establishes and updates certain schedules and standards that are used to administer the program locally. Details about how these schedules are applied to individual families are provided in other chapters. The schedules and standards discussed here include:

- Payment Standards, which dictate the maximum subsidy a family can receive (application of the payment standards is discussed in Chapter 6); and
- Utility Allowances, which specify how a family’s payment should be adjusted to account for tenant-paid utilities (application of utility allowances is discussed in Chapter 6).

PHA Policy

Copies of the payment standard and utility allowance schedules are available for review in the PHA’s offices during normal business hours.

16-II.B. PAYMENT STANDARDS [24 CFR 982.503; HCV GB, Chapter 7]
The payment standard sets the maximum subsidy payment a family can receive from the PHA each month [24 CFR 982.505(a)]. Payment standards are based on fair market rents (FMRs) published annually by HUD. FMRs are set at a percentile within the rent distribution of standard quality rental housing units in each FMR area. For most jurisdictions FMRs are set at the 40th percentile of rents in the market area.

The PHA must establish a payment standard schedule that establishes payment standard amounts for each FMR area within the PHA’s jurisdiction, and for each unit size within each of the FMR areas. For each unit size, the PHA may establish a single payment standard amount for the whole FMR area, or may set different payment standards for different parts of the FMR area. Unless HUD grants an exception, the PHA is required to establish a payment standard within a “basic range” established by HUD – between 90 and 110 percent of the published FMR for each unit size.

**PHA Policy**

*Terrebonne Parish will set the payment standard for its jurisdiction based on the HUD update of payment standards.*

**Updating Payment Standards**

When HUD updates its FMRs, the PHA must update its payment standards if the standards are no longer within the basic range [24 CFR 982.503(b)]. HUD may require the PHA to make further adjustments if it determines that rent burdens for assisted families in the PHA’s jurisdiction are unacceptably high 24 CFR 982.503(g)].

**PHA Policy**

*The PHA will review the appropriateness of the payment standards on an annual basis when the new FMR is published. In addition to ensuring the payment standards are always within the “basic range” the PHA will consider the following factors when determining whether an adjustment should be made to the payment standard schedule:*  

**Funding Availability:** The PHA will review the budget to determine the impact projected subsidy adjustments will have on funding available for the program and the number of families served. The PHA will compare the number of families who could be served under revised payment standard amounts with the number assisted under current payment standard amounts.

**Rent Burden of Participating Families:** Rent burden will be determined by identifying the percentage of families, for each unit size, that are paying more than 30 percent of their monthly adjusted income as the family share. When 40 percent or more of families, for any given unit size, are paying more than 30 percent of adjusted monthly income as the family share, the PHA will consider increasing the payment standard. In evaluating rent burdens, the PHA will not include families renting a larger unit than their family unit size.

**Quality of Units Selected:** The PHA will review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that payment standard increases are only made when needed to reach the mid-range of the market.
Changes in Rent to Owner: The PHA may review a sample of the units to determine how often owners are increasing or decreasing rents and the average percent of increases/decreases by bedroom size.

Unit Availability: The PHA will review the availability of units for each unit size, particularly in areas with low concentrations of poor and minority families.

Lease-up Time and Success Rate: The PHA will consider the percentage of families that are unable to locate suitable housing before the voucher expires and whether families are leaving the jurisdiction to find affordable housing.

Exception Payment Standards [982.503(c)]

The PHA must request HUD approval to establish payment standards that are higher than the basic range. At HUD’s sole discretion, HUD may approve a payment standard amount that is higher than the basic range for a designated part of the FMR area. HUD may approve an exception payment standard amount (in accordance with program requirements) for all units, or for all units of a given size, leased by program families in the exception area. Any PHA with jurisdiction in the exception area may use the HUD-approved exception payment standard amount. The total population of all HUD-approved exception areas in an FMR area may not include more than 50 percent of the population of the FMR area.

Unit-by-Unit Exceptions [24 CFR 982.503(c)(2)(ii), 24 CFR 982.505(d), Notice PIH 2010-26]

Unit-by-unit exceptions to the PHA’s payment standards generally are not permitted. However, an exception may be made as a reasonable accommodation for a family that includes a person with disabilities. (See Chapter 2 for a discussion of reasonable accommodations.) This type of exception does not affect the PHA’s payment standard schedule.

When needed as a reasonable accommodation, the PHA may make an exception to the payment standard without HUD approval if the exception amount does not exceed 110 percent of the applicable FMR for the unit size [HCV GB 7-9]. The PHA may request HUD approval for an exception to the payment standard for a particular family if the required amount falls between 110 and 120 percent of the FMR.

PHA Policy

A family that requires a reasonable accommodation may request a higher payment standard at the time the Request for Tenancy Approval (RFTA) is submitted. The family must document the need for the exception. In order to approve an exception, or request an exception from HUD, the PHA must determine that:

- There is a shortage of affordable units that would be appropriate for the family;
- The family's TTP would otherwise exceed 40 percent of adjusted monthly income; and
- The rent for the unit is reasonable.

"Success Rate" Payment Standard Amounts [24 CFR 982.503(e)]

If a substantial percentage of families have difficulty finding a suitable unit, the PHA may request a “success rate payment standard” that applies to the entire jurisdiction. If approved by HUD, a success rate payment standard allows the PHA to set its payment standards at 90-110 percent of a higher
FMR (the 50th, rather than the 40th percentile FMR). To support the request, the PHA must demonstrate that during the most recent 6-month period for which information is available:

- Fewer than 75 percent of families who were issued vouchers became participants;
- The PHA had established payment standards for all unit sizes, and for the entire jurisdiction, at 110 percent of the published FMR; and
- The PHA had a policy of allowing voucher holders who made sustained efforts to locate units at least 90 days to search for a unit.

Although HUD approves the success rate payment standard for all unit sizes in the FMR area, the PHA may choose to adjust the payment standard for only some unit sizes in all, or a designated part, of the PHA’s jurisdiction within the FMR area.

**Decreases in the Payment Standard Below the Basic Range [24 CFR 982.503(d)]**

The PHA must request HUD approval to establish a payment standard amount that is lower than the basic range. At HUD’s sole discretion, HUD may approve establishment of a payment standard lower than the basic range. HUD will not approve a lower payment standard if the family share for more than 40 percent of program participants exceeds 30 percent of adjusted monthly income.

**16-II.C. UTILITY ALLOWANCES [24 CFR 982.517]**

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. The PHA must maintain a utility allowance schedule for (1) all tenant-paid utilities, (2) the cost of tenant-supplied refrigerators and ranges, and (3) other tenant-paid housing services such as trash collection.

The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the PHA must use normal patterns of consumption for the community as a whole, and current utility rates.

The utility allowance must include the utilities and services that are necessary in the locality to provide housing that complies with housing quality standards. Costs for telephone, cable/satellite television, and internet services are not included in the utility allowance schedule.

In the utility allowance schedule, the PHA must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection; other electric; cost of tenant-supplied refrigerator; cost of tenant-supplied range; and other specified housing services.

The cost of each utility and housing service must be stated separately by unit size and type. Chapter 18 of the *HCV Guidebook* provides detailed guidance to the PHA about establishing utility allowance schedules.

**Air Conditioning**

An allowance for air-conditioning must be provided when the majority of housing units in the market have central air-conditioning or are wired for tenant-installed air conditioners.
**PHA Policy**

The PHA has included an allowance for air-conditioning in its schedule. Central air-conditioning or a portable air conditioner must be present in a unit before the PHA will apply this allowance to a family’s rent and subsidy calculations.

**Utility Allowance Revisions**

The PHA must review its schedule of utility allowances each year, and must revise the schedule if there has been a change of 10 percent or more in any utility rate since the last time the allowance for that utility was revised.

The PHA must maintain information supporting its annual review of utility allowance and any revisions made in its utility allowance schedule.

**PART III: INFORMAL REVIEWS AND HEARINGS**

**16-III.A. OVERVIEW**

When the PHA makes a decision that has a negative impact on a family, the family is often entitled to appeal the decision. For applicants, the appeal takes the form of an informal review; for participants, or for applicants denied admission because of citizenship issues, the appeal takes the form of an informal hearing.

PHAs are required to include in their administrative plans, informal review procedures for applicants, and informal hearing procedures for participants [24 CFR 982.54(d)(12) and (13)].

**16-III.B. INFORMAL REVIEWS**

Informal reviews are provided for program applicants. An applicant is someone who has applied for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a “minimum hearing requirement” [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements [Federal Register 60, no. 127 (3 July 1995): 34690].

**Decisions Subject to Informal Review**

The PHA must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- Denying listing on the PHA waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures
- Denial of assistance based on an unfavorable history that may be the result of domestic violence, dating violence or stalking. (See Section 3-III.G.)

Informal reviews are not required for the following reasons [24 CFR 982.554(c)]:

- Discretionary administrative determinations by the PHA
• General policy issues or class grievances
• A determination of the family unit size under the PHA subsidy standards
• A PHA determination not to grant approval of the tenancy
  • A PHA determination that the unit is not in compliance with the HQS
  • A PHA determination that the unit is not in accordance with the HQS due to family size or composition

**PHA Policy**

*The PHA will only offer an informal review to applicants for whom assistance is being denied. Denial of assistance includes: denying listing on the PHA waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; refusing to process or provide assistance under portability procedures.*

**Notice to the Applicant [24 CFR 982.554(a)]**

The PHA must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for the PHA decision, and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

**Scheduling an Informal Review**

**PHA Policy**

*A request for an informal review must be made in writing and delivered to the PHA either in person or by first class mail, by the close of the business day, no later than 10 calendar days from the date of the PHA’s denial of assistance.*

*The PHA must schedule and send written notice of the informal review within 10 calendar days of the family’s request.*

**Informal Review Procedures [24 CFR 982.554(b)]**

The informal review must be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to present written or oral objections to the decision of the PHA.

**Informal Review Decision [24 CFR 982.554(b)]**

The PHA must notify the applicant of the PHA’s final decision, including a brief statement of the reasons for the final decision.

**PHA Policy**

*In rendering a decision, the PHA will evaluate the following matters:*

*Whether or not the grounds for denial were stated factually in the Notice.*
The validity of grounds for denial of assistance. If the grounds for denial are not specified in the regulations, then the decision to deny assistance will be overturned.

The validity of the evidence. The PHA will evaluate whether the facts presented prove the grounds for denial of assistance. If the facts prove that there are grounds for denial, and the denial is required by HUD, the PHA will uphold the decision to deny assistance.

If the facts prove the grounds for denial, and the denial is discretionary, the PHA will consider the recommendation of the person conducting the informal review in making the final decision whether to deny assistance.

The PHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed within 10 calendar days of the informal review, to the applicant and his or her representative, if any, along with proof of mailing.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

If the family fails to appear for their informal review, the denial of admission will stand and the family will be so notified.

PHAs must offer an informal hearing for certain PHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to the PHA’s HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether the PHA’s decisions related to the family’s circumstances are in accordance with the law, HUD regulations and PHA policies.

The PHA is not permitted to terminate a family’s assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed. Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

**Decisions Subject to Informal Hearing**

Circumstances for which the PHA must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family’s annual or adjusted income, and the use of such income to compute the housing assistance payment
- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the PHA utility allowance schedule
- A determination of the family unit size under the PHA’s subsidy standards
- A determination to terminate assistance for a participant family because of the family’s actions or failure to act
• A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under PHA policy and HUD rules
• A determination to terminate a family’s Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family’s escrow account [24 CFR 984.303(i)]
• A determination to deny admission based on any unfavorable history that may be the result of domestic violence, dating violence, or stalking.

Circumstances for which an informal hearing is not required are as follows:
• Discretionary administrative determinations by the PHA
• General policy issues or class grievances
• Establishment of the PHA schedule of utility allowances for families in the program
• A PHA determination not to approve an extension or suspension of a voucher term
• A PHA determination not to approve a unit or tenancy
• A PHA determination that a unit selected by the applicant is not in compliance with the HQS
• A PHA determination that the unit is not in accordance with HQS because of family size
• A determination by the PHA to exercise or not to exercise any right or remedy against an owner under a HAP contract

**PHA Policy**

*The PHA will only offer participants the opportunity for an informal hearing when required by regulations.*

**Informal Hearing Procedures**

**Notice to the Family [24 CFR 982.555(c)]**

When the PHA makes a decision that is subject to informal hearing procedures, the PHA must inform the family of its right to an informal hearing at the same time that it informs the family of the decision. For decisions related to the family’s annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, the PHA must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family’s assistance, or the denial of a family’s request for an exception to the PHA’s subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

**PHA Policy**

*In cases where the PHA makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:*
The proposed action or decision of the PHA.
A brief statement of the reasons for the decision including the regulatory reference.
The date the proposed action will take place.
A statement of the family’s right to an explanation of the basis for the PHA’s decision.
A statement that if the family does not agree with the decision the family may request an informal hearing of the decision.
A deadline for the family to request the informal hearing.

Scheduling an Informal Hearing [24 CFR 982.555(d)]

When an informal hearing is required, the PHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

**PHA Policy**

A request for an informal hearing must be made in writing and delivered to the PHA either in person or by first class mail, by the close of the business day, no later than 10 calendar days from the date of the PHA’s decision or notice to terminate assistance.

The PHA must schedule and send written notice of the informal hearing to the family within 10 calendar days of the family’s request.

The family may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, the PHA may request documentation of the “good cause” prior to rescheduling the hearing.

If the family does not appear at the scheduled time, and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact the PHA within 24 hours of the scheduled hearing date, excluding weekends and holidays. The PHA will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

Pre-Hearing Right to Discovery [24 CFR 982.555(e)]

Participants and the PHA are permitted pre-hearing discovery rights. The family must be given the opportunity to examine before the hearing any PHA documents that are directly relevant to the hearing. The family must be allowed to copy any such documents at their own expense. If the PHA does not make the document available for examination on request of the family, the PHA may not rely on the document at the hearing.

The PHA hearing procedures may provide that the PHA must be given the opportunity to examine at the PHA offices before the hearing, any family documents that are directly relevant to the hearing. The PHA must be allowed to copy any such document at the PHA’s expense. If the family does not make the document available for examination on request of the PHA, the family may not rely on the document at the hearing.
For the purpose of informal hearings, documents include records and regulations.

**PHA Policy**

The family will be allowed to copy any documents related to the hearing at a cost of $.25 per page. The family must request discovery of PHA documents no later than 12:00 p.m. on the business day prior to the scheduled hearing date.

The PHA must be given an opportunity to examine at the PHA offices before the hearing any family documents that are directly relevant to the hearing. Whenever a participant requests an informal hearing, the PHA will automatically mail a letter to the participant requesting a copy of all documents that the participant intends to present or utilize at the hearing. The participant must make the documents available no later than 12:00 pm on the business day prior to the scheduled hearing date.

**Participant’s Right to Bring Counsel [24 CFR 982.555(e)(3)]**

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing.

**Informal Hearing Officer [24 CFR 982.555(e)(4)]**

Informal hearings will be conducted by a person or persons approved by the PHA, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

**Attendance at the Informal Hearing**

**PHA Policy**

Hearings may be attended by a hearing officer and the following applicable persons:

A PHA representative(s) and any witnesses for the PHA

The participant and any witnesses for the participant

The participant’s counsel or other representative

Any other person approved by the PHA as a reasonable accommodation for a person with a disability

**Conduct at Hearings**

The person who conducts the hearing may regulate the conduct of the hearing in accordance with the PHA’s hearing procedures [24 CFR 982.555(4)(ii)].

**Evidence [24 CFR 982.555(e)(5)]**

The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.
The PHA and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

**PHA Policy**

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

- **Oral evidence:** the testimony of witnesses

- **Documentary evidence:** a writing which is relevant to the case, for example, a letter written to the PHA. Writings include, all forms of recorded communication or representation, including letters, words, pictures, sounds, videotapes or symbols or combinations thereof.

- **Demonstrative evidence:** Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

- **Real evidence:** A tangible item relating directly to the case.

**Hearsay Evidence** is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer’s decision.

If either the PHA or the family fail to comply with the discovery requirements described above, the hearing officer will refuse to admit such evidence.

Other than the failure of a party to comply with discovery, the hearing officer has the authority to overrule any objections to evidence.

**Hearing Officer’s Decision** [24 CFR 982.555(e)(6)]

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing. A copy of the hearing must be furnished promptly to the family.

**PHA Policy**

In rendering a decision, the hearing officer will consider the following matters:

- **PHA Notice to the Family:** The hearing officer will determine if the reasons for the PHA’s decision are factually stated in the Notice.

- **Discovery:** The hearing officer will determine if the PHA and the family were given the opportunity to examine any relevant documents in accordance with PHA policy.

- **PHA Evidence to Support the PHA Decision:** The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support the PHA’s conclusion.
Validity of Grounds for Termination of Assistance (when applicable): The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and PHA policies. If the grounds for termination are not specified in the regulations or in compliance with PHA policies, then the decision of the PHA will be overturned.

The hearing officer will issue a written decision to the family and the PHA no later than 10 calendar days after the hearing. The report will contain the following information:

**Hearing information:**

- Name of the participant;
- Date, time and place of the hearing;
- Name of the hearing officer;
- Name of the PHA representative; and
- Name of family representative (if any).

**Background:** A brief, impartial statement of the reason for the hearing.

**Summary of the Evidence:** The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.

**Findings of Fact:** The hearing officer will include all findings of fact, based on a preponderance of the evidence. Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

**Conclusions:** The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold the PHA’s decision.

**Order:** The hearing report will include a statement of whether the PHA’s decision is upheld or overturned. If it is overturned, the hearing officer will instruct the PHA to change the decision in accordance with the hearing officer’s determination. In the case of termination of assistance, the hearing officer will instruct the PHA to restore the participant’s program status.

**Procedures for Rehearing or Further Hearing**

**PHA Policy**

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of the PHA will take effect and another hearing will not be granted.
A rehearing or a further hearing may be requested for the purpose of rectifying any obvious mistake of law made during the hearing or any obvious injustice not known at the time of the hearing.

It shall be within the sole discretion of the PHA to grant or deny the request for further hearing or rehearing. A further hearing may be limited to written submissions by the parties, in the manner specified by the hearing officer.

**PHA Notice of Final Decision [24 CFR 982.555(f)]**

The PHA is not bound by the decision of the hearing officer for matters in which the PHA is not required to provide an opportunity for a hearing, decisions that exceed the authority of the hearing officer, decisions that conflict with or contradict HUD regulations, requirements, or are otherwise contrary to Federal, State or local laws.

If the PHA determines it is not bound by the hearing officer’s decision in accordance with HUD regulations, the PHA must promptly notify the family of the determination and the reason for the determination.

**PHA Policy**

The PHA will mail a “Notice of Final Decision” including the hearing officer’s report, to the participant and their representative. This Notice will be sent by first-class mail, postage pre-paid with an affidavit of mailing enclosed. The participant will be mailed the original “Notice of Final Decision” and a copy of the proof of mailing. A copy of the “Notice of Final Decision” along with the original proof mailing will be maintained in the PHA’s file.

**16-III.D. HEARING AND APPEAL PROVISIONS FOR NONCITIZENS [24 CFR 5.514]**

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while the PHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or the PHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

**Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]**

As discussed in Chapters 3 and 11, the notice of denial or termination of assistance for noncitizens must advise the family:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
• The family may be eligible for proration of assistance.

• In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].

• That the family has a right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.

• For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

**USCIS Appeal Process [24 CFR 5.514(e)]**

When the PHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, the PHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide the PHA with a copy of the written request for appeal and the proof of mailing.

**PHA Policy**

*The PHA will notify the family in writing of the results of the USCIS secondary verification within 10 calendar days of receiving the results.*

*The family must provide the PHA with a copy of the written request for appeal and proof of mailing within 10 calendar days of sending the request to the USCIS.*

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to the PHA, of its decision. When the USCIS notifies the PHA of the decision, the PHA must notify the family of its right to request an informal hearing.

**PHA Policy**

*The PHA will send written notice to the family of its right to request an informal hearing within 10 calendar days of receiving notice of the USCIS decision regarding the family’s immigration status.*

**Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

**Informal Hearing Officer**
The PHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C. for a listing of positions that serve as informal hearing officers.

**Evidence**

The family must be provided the opportunity to examine and copy at the family’s expense, at a reasonable time in advance of the hearing, any documents in the possession of the PHA pertaining to the family’s eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

**PHA Policy**

*The family will be allowed to copy any documents related to the hearing at a cost of $.25 per page. The family must request discovery of PHA documents no later than 12:00 p.m. on the business day prior to the hearing.*

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by the PHA, and to confront and cross-examine all witnesses on whose testimony or information the PHA relies.

**Representation and Interpretive Services**

The family is entitled to be represented by an attorney or other designee, at the family’s expense, and to have such person make statements on the family’s behalf.

The family is entitled to arrange for an interpreter to attend the hearing, at the expense of the family, or the PHA, as may be agreed upon by the two parties.

**Recording of the Hearing**

The family is entitled to have the hearing recorded by audiotape. The PHA may, but is not required to provide a transcript of the hearing.

**PHA Policy**

*The PHA will not provide a transcript of an audio taped hearing.*

**Hearing Decision**

The PHA must provide the family with a written final decision, based solely on the facts presented at the hearing, within 10 calendar days of the date of the informal hearing. The decision must state the basis for the decision.

**Informal Hearing Procedures for Residents [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.
For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

**Retention of Documents [24 CFR 5.514(h)]**

The PHA must retain for a minimum of 5 years the following documents that may have been submitted to the PHA by the family, or provided to the PHA as part of the USCIS appeal or the PHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

**PART IV: OWNER OR FAMILY DEBTS TO THE PHA**

**16-IV.A. OVERVIEW**

PHAs are required to include in the administrative plan, policies concerning repayment by a family of amounts owed to the PHA [24 CFR 982.54]. This part describes the PHA’s policies for recovery of monies owed to the PHA by families or owners.

**PHA Policy**

*When an action or inaction of an owner or participant results in the overpayment of housing assistance, the PHA holds the owner or participant liable to return any overpayments to the PHA.*

*The PHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.*

When an owner or participant refuses to repay monies owed to the PHA, the PHA will utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies
- Small claims court
- Civil law suit
State income tax set-off program
Case forwarded to OIG or District Attorney’s Office

16-IV.B. REPAYMENT POLICY

Owner Debts to the PHA

**PHA Policy**

*Any amount due to the PHA by an owner must be repaid by the owner within 30 days of the PHA determination of the debt.*

*If the owner fails to repay the debt within the required time frame and is entitled to future HAP payments, the PHA will reduce the future HAP payments by the amount owed until the debt is paid in full.*

*If the owner is not entitled to future HAP payments the PHA may, in its sole discretion, offer to enter into a repayment agreement on terms prescribed by the PHA.*

*If the owner refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the PHA will ban the owner from future participation in the program and pursue other modes of collection.*

*Tenants renting from such an owner will be asked to relocate before terminating HAP contracts in existence.*

Family Debts to the PHA

**PHA Policy**

*Any amount owed to the PHA by an HCV family must be repaid by the family. If the family is unable to repay the debt within 30 days, the PHA will offer to enter into a repayment agreement in accordance with the policies below.*

*If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the PHA will terminate assistance in accordance with the policies in Chapter 12 and pursue other modes of collection.*

**Repayment Agreement [24 CFR 792.103]**

The term *repayment agreement* refers to a formal written document signed by a tenant or owner and provided to the PHA in which a tenant or owner acknowledges a debt in a specific amount and agrees to repay the amount due at specific time periods.

**General Repayment Agreement Guidelines for Families**

**Down Payment Requirement**

**PHA Policy**

*Before executing a repayment agreement with a family, the PHA will generally request a down payment of 10 percent of the total amount owed. If the family can provide evidence satisfactory to the PHA that a down payment of 10 percent would impose an undue*
hardship, the PHA may, in its sole discretion, require a lesser percentage or waive the requirement. The PHA’s staff will evaluate the family’s current household income to determine if this is an issue. If the overpayment of HAP exceeds the repayment threshold, the PHA may offer the family the option to pay a down payment to reduce the overpayment to meet the guidelines while accessing the family’s income.

Payment Thresholds

Notice PIH 2010-19 recommends that the total amount that a family must pay each month—the family’s monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family’s monthly adjusted income. However, a family may already be paying 40 percent or more of its monthly adjusted income in rent. Moreover, Notice PIH 2010-19 acknowledges that PHAs have the discretion to establish “thresholds and policies” for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

**PHA Policy**

The PHA has established the following thresholds for repayment of debts:

- Amounts above $3,000 will not be offered a repayment agreement.
- Amounts between $2,000 and $3,000 must be repaid within 30 months.
- Amounts between $1,000 and $1,999 must be repaid within 24 months.
- Amounts under $1,000 must be repaid within 12 months.

If a family can provide evidence satisfactory to the PHA that the threshold applicable to the family’s debt would impose an undue hardship, the PHA may, in its sole discretion, determine that a lower monthly payment amount is reasonable. In making its determination, the PHA will consider all relevant information, including the following:

- The amount owed by the family to the PHA
- The reason for the debt, including whether the debt was the result of family action/inaction or circumstances beyond the family’s control
- The family’s current and potential income and expenses
- The family’s current family share, as calculated under 24 CFR 982.515
- The family’s history of meeting its financial responsibilities

Execution of the Agreement

**PHA Policy**

Any repayment agreement between the PHA and a family must be signed and dated by the PHA and by the head of household and spouse/cohead (if applicable). Failure to sign a repayment agreement will result in the termination of assistance in accordance with the PHA’s policy set forth in Chapter 12 of this Admin Plan.

Due Dates

**PHA Policy**
All payments are due by the close of business on the 15th day of the month. If the 15th does not fall on a business day, the due date is the close of business on the first business day after the 15th.

Late or Missed Payments

PHA Policy

If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by the PHA, the PHA will send the family a delinquency notice giving the family 10 calendar days to make the late payment. If the payment is not received by the due date of the delinquency notice, it will be considered a breach of the agreement and the PHA will terminate assistance in accordance with the policies in Chapter 12.

If a family receives three delinquency notices for unexcused late payments in a 12-month period, the repayment agreement will be considered in default, and the PHA will terminate assistance in accordance with the policies in Chapter 12. Any remaining balance will be entered into the EIV system.

No Offer of Repayment Agreement

PHA Policy

The PHA will not enter into a repayment agreement with a family if there is already a repayment agreement in place with the family or the family was previously in a repayment agreement within the last five years.

Repayment Agreements Involving Improper Payments

Notice PIH 2010-19 requires certain provisions to be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the family briefing packet that state the family’s obligation to provide true and complete information at every reexamination and the grounds on which the PHA may terminate assistance because of a family’s action or failure to act
- A statement clarifying that each month the family not only must pay to the PHA the monthly payment amount specified in the agreement but must also pay to the owner the family’s monthly share of the rent to owner
- A statement that the terms of the repayment agreement may be renegotiated if the family’s income decreases or increases
- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of assistance

PART V: MANAGEMENT ASSESSMENT (SEMAP)
16-V.A. OVERVIEW

The Section 8 Management Assessment Program (SEMAP) is a tool that allows HUD to measure PHA performance in key areas to ensure program integrity and accountability. SEMAP scores translate into a rating for each PHA as high performing, standard, or troubled. Scores on individual SEMAP indicators, as well as overall SEMAP ratings, can affect the PHA in several ways.

- High-performing PHAs can be given a competitive advantage under notices of funding availability [24 CFR 985.103].
- PHAs with deficiencies on one or more indicators are required to correct the deficiencies and report to HUD [24 CFR 985.106].
- PHAs with an overall rating of “troubled” are subject to additional HUD oversight, including on-site reviews by HUD staff, a requirement to develop a corrective action plan, and monitoring to ensure the successful implementation of the corrective action plan. In addition, PHAs that are designated “troubled” may not use any part of the administrative fee reserve for other housing purposes [24 CFR 985.107].
- HUD may determine that a PHA’s failure to correct identified SEMAP deficiencies or to prepare and implement a corrective action plan required by HUD constitutes a default under the ACC [24 CFR 985.109].

16-V.B. SEMAP CERTIFICATION [24 CFR 985.101]

PHAs must submit the HUD-required SEMAP certification form within 60 calendar days after the end of its fiscal year. The certification must be approved by PHA board resolution and signed by the PHA executive director. If the PHA is a unit of local government or a state, a resolution approving the certification is not required, and the certification must be executed by the Section 8 program director.

PHAs with less than 250 voucher units are only required to be assessed every other PHA fiscal year. HUD will assess such PHAs annually if the PHA elects to have its performance assessed on an annual basis; or is designated as “troubled” [24 CFR 985.105].

Failure of a PHA to submit its SEMAP certification within the required time frame will result in an overall performance rating of “troubled.”

A PHA’s SEMAP certification is subject to HUD verification by an on-site confirmatory review at any time.

Upon receipt of the PHA’s SEMAP certification, HUD will rate the PHA’s performance under each SEMAP indicator in accordance with program requirements.

HUD Verification Method

Several of the SEMAP indicators are scored based on a review of a quality control sample selected for this purpose. The PHA or the Independent Auditor must select an unbiased sample that provides an adequate representation of the types of information to be assessed, in accordance with SEMAP requirements [24 CFR 985.2].

If the HUD verification method for the indicator relies on data in the Form-50058 module (formerly known as MTCS) in the PIH Information Center (PIC), and HUD determines that those data are
insufficient to verify the PHA’s certification on the indicator due to the PHA’s failure to adequately report family data, HUD will assign a zero rating for the indicator [24 CFR 985.3].

16-V.C. SEMAP INDICATORS [24 CFR 985.3 and form HUD-52648]

The table below lists each of the SEMAP indicators, contains a description of each indicator, and explains the basis for points awarded under each indicator.

A PHA that expends less than $300,000 in Federal awards and whose Section 8 programs are not audited by an independent auditor, is not be rated under SEMAP indicators 1-7.

| Indicator 2: Rent reasonableness                                                 |
| **Maximum Score: 20**                                                            |
| - This indicator shows whether the PHA has and implements a reasonable written    |
|   method to determine and document for each unit leased that the rent to owner is|
|   reasonable based on current rents for comparable unassisted units.             |
| - Points are based on the percent of units for which the PHA follows its written  |
|   method to determine reasonable rent and has documented its determination that   |
|   the rent to owner is reasonable, according to the PHA’s quality control sample.|

| Indicator 3: Determination of adjusted income                                   |
| **Maximum Score: 20**                                                            |
| - This indicator measures whether the PHA verifies and correctly determines adjusted |
|   income for each assisted family, and where applicable, uses the appropriate utility |
|   allowances for the unit leased in determining the gross rent.                  |
| - Points are based on the percent of files that are calculated and verified      |
|   correctly, according to the PHA’s quality control sample.                      |

| Indicator 4: Utility allowance schedule                                         |
| **Maximum Score: 5**                                                             |
- This indicator shows whether the PHA maintains an up-to-date utility allowance schedule. Points are based on whether the PHA has reviewed the utility allowance schedule and adjusted it when required, according to the PHA’s certification.

**Indicator 5: HQS quality control inspections**

**Maximum Score: 5**

- This indicator shows whether a PHA supervisor reinspects a sample of units under contract during the PHA fiscal year, which meets the minimum sample size requirements for quality control of HQS inspections.
- Points are based on whether the required quality control reinspections were completed, according to the PHA’s certification.

**Indicator 6: HQS enforcement**

**Maximum Score: 10**

- This indicator shows whether, following each HQS inspection of a unit under contract where the unit fails to meet HQS, any cited life-threatening deficiencies are corrected within 24 hours from the inspection and all other deficiencies are corrected within no more than 30 calendar days from the inspection or any PHA-approved extension.
- Points are based on whether the PHA corrects all HQS deficiencies in accordance with required time frames, according to the PHA’s certification.

**Indicator 7: Expanding housing opportunities**

**Maximum Points: 5**

- Only applies to PHAs with jurisdiction in metropolitan FMR areas.
- This indicator shows whether the PHA has adopted and implemented a written policy to encourage participation by owners of units located outside areas of poverty or minority concentration; informs voucher holders of the full range of areas where they may lease units both inside and outside the PHA’s jurisdiction; and supplies a list of landlords or other parties who are willing to lease units or help families find units, including units outside areas of poverty or minority concentration.
- Points are based on whether the PHA has adopted and implemented written policies in accordance with SEMAP requirements, according to the PHA’s certification.

**Indicator 8: FMR limit and payment standards**

**Maximum Points: 5 points**

- This indicator shows whether the PHA has adopted a payment standard schedule that establishes payment standard amounts by unit size for each FMR area in the PHA’s jurisdiction, that are within the basic range of 90 to 110 percent of the published FMR.
- Points are based on whether the PHA has appropriately adopted a payment standard schedule(s), according to the PHA’s certification.

**Indicator 9: Annual reexaminations**
### Maximum Points: 10
- This indicator shows whether the PHA completes a reexamination for each participating family at least every 12 months.
- Points are based on the percent of reexaminations that are more than 2 months overdue, according to data from PIC.

### Indicator 10: Correct tenant rent calculations
**Maximum Points: 5**
- This indicator shows whether the PHA correctly calculates the family’s share of the rent to owner.
- Points are based on the percent of correct calculations of family share of the rent, according to data from PIC.

### Indicator 11: Pre-contract HQS inspections
**Maximum Points: 5**
- This indicator shows whether newly leased units pass HQS inspection on or before the effective date of the assisted lease and HAP contract.
- Points are based on the percent of newly leased units that passed HQS inspection prior to the effective date of the lease and HAP contract, according to data from PIC.

### Indicator 12: Annual HQS inspections
**Maximum Points: 10**
- This indicator shows whether the PHA inspects each unit under contract at least biennially.
- Points are based on the percent of annual HQS inspections of units under contract that are more than 2 months overdue, according to data from PIC.

### Indicator 13: Lease-up
**Maximum Points: 20 points**
- This indicator shows whether the PHA enters HAP contracts for the number of units or funding reserved under ACC for at least one year.
- Points are based on the percent of units leased during the last completed PHA fiscal year, or the percent of allocated budget authority that has been expended by the PHA, according to data from the PHA’s last year-end operating statement that is recorded in HUD’s accounting system.

### Indicator 14: Family self-sufficiency (FSS) enrollment and escrow account balances
**Maximum Points: 10**
- Only applies to PHAs with mandatory FSS programs.
- This indicator shows whether the PHA has enrolled families in the FSS program as required, and measures the percent of current FSS participants that have had increases in earned income which resulted in escrow account balances.
• Points are based on the percent of mandatory FSS slots that are filled and the percent of families with escrow account balances, according to data from PIC.

Success Rate of Voucher Holders
Maximum Points: 5

• Only applies to PHAs that have received approval to establish success rate payment standard amounts, and isn’t effective until the second full PHA fiscal year following the date of HUD approval of success rate payment standard amounts.
• This indicator shows whether voucher holders were successful in leasing units with voucher assistance.
• Points are based on the percent of families that were issued vouchers, and that became participants in the voucher program.

Deconcentration Bonus Indicator
Maximum Points: 5

• Submission of data for this indicator is mandatory for a PHA using one or more payment standard amount(s) that exceed(s) 100 percent of the published FMR set at the 50 percentile rent, starting with the second full PHA fiscal year following initial use of payment standard amounts based on the FMRs set at the 50th percentile.
• Additional points are available to PHAs that have jurisdiction in metropolitan FMR areas and that choose to submit the required data.
• Points are based on whether the data that is submitted meets the requirements for bonus points.

PART VI: RECORD KEEPING

16-VI.A. OVERVIEW

The PHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, the PHA must ensure that all applicant and participant files are maintained in a way that protects an individual’s privacy rights.

16-VI.B. RECORD RETENTION [24 CFR 982.158]

During the term of each assisted lease, and for at least three years thereafter, the PHA must keep:

• A copy of the executed lease;
• The HAP contract; and
• The application from the family.

In addition, the PHA must keep the following records for at least three years:

• Records that provide income, racial, ethnic, gender, and disability status data on program applicants and participants;
• An application from each ineligible family and notice that the applicant is not eligible;
• HUD-required reports;
• Unit inspection reports;
• Lead-based paint records as required by 24 CFR 35, Subpart B.
• Accounts and other records supporting PHA budget and financial statements for the program;
• Records to document the basis for PHA determination that rent to owner is a reasonable rent (initially and during the term of a HAP contract); and
• Other records specified by HUD.

If an informal hearing to establish a family’s citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 16-III.D., Retention of Documents.

16-VI.C. RECORDS MANAGEMENT

PHAs must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

**PHA Policy**

*All applicant and participant information will be kept in a secure location and access will be limited to authorized PHA staff.*

*PHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.*

**Privacy Act Requirements [24 CFR 5.212 and Form-9886]**

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or the PHA may release the information collected.

**ENTERPRISE INCOME VERIFICATION SYSTEM (EIV) RECORDS**

PHAs that access data through HUD’s Enterprise Income Verification (EIV) System are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with Federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD issued document, *Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification data.*

**PHA Policy**
Prior to utilizing HUD’s EIV system, the PHA will adopt and implement EIV security procedures required by HUD.

Criminal Records

The PHA may only disclose the criminal conviction records which the PHA receives from a law enforcement agency to officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

The PHA must establish and implement a system of records management that ensures that any criminal record received by the PHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

The PHA must establish and implement a system of records management that ensures that any sex offender registration information received by the PHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation. This requirement does not apply to information that is public information, or is obtained by a PHA other than under 24 CFR 5.905.

Medical/Disability Records

PHAs are not permitted to inquire about the nature or extent of a person’s disability. The PHA may not inquire about a person’s diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA should not place this information in the tenant file. The PHA should destroy the document.

Documentation of Domestic Violence, Dating Violence, or Stalking

For requirements and PHA policies related to management of documentation obtained from victims of domestic violence, dating violence, or stalking, see section 16-IX.E.

PART VII: REPORTING AND RECORD KEEPING FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL

16-VII.A. OVERVIEW

The PHA has certain responsibilities relative to children with environmental intervention blood lead levels that are receiving HCV assistance. The notification, verification, and hazard reduction requirements are discussed in Chapter 8. This part deals with the reporting requirements, and data collection and record keeping responsibilities that the PHA is subject to.

16-VII.B. REPORTING REQUIREMENT [24 CFR 35.1225(e)]
The PHA must report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 business days of being so notified by any other medical health care professional.

**PHA Policy**

The PHA will provide the public health department written notice of the name and address of any child identified as having an environmental intervention blood lead level.

16-VII.C. DATA COLLECTION AND RECORD KEEPING [24 CFR 35.1225(f)]

At least quarterly, the PHA must attempt to obtain from the public health department(s) with a similar area of jurisdiction, the names and/or addresses of children less than 6 years old with an identified environmental intervention blood lead level.

If the PHA obtains names and addresses of environmental intervention blood lead level children from the public health department(s), the PHA must match this information with the names and addresses of families receiving HCV assistance, unless the public health department performs such a procedure. If a match occurs, the PHA must carry out the notification, verification, and hazard reduction requirements discussed in Chapter 8, and the reporting requirement discussed above.

At least quarterly, the PHA must also report an updated list of the addresses of units receiving assistance under the HCV program to the same public health department(s), unless the public health department(s) states that it does not wish to receive such a report.

**PHA Policy**

The public health department(s) has stated they do not wish to receive a report of an updated list of the addresses of units receiving assistance under the HCV program, on a quarterly basis. Therefore, the PHA is not providing such a report.

PART VIII: DETERMINATION OF INSUFFICIENT FUNDING

16-VIII.A. OVERVIEW

The HCV regulations allow PHAs to deny families permission to move and to terminate Housing Assistance Payments (HAP) contracts if funding under the consolidated ACC is insufficient to support continued assistance [24 CFR 982.314(e)(1) and 982.454]. Insufficient funding may also impact the PHA’s ability to issue vouchers to families on the waiting list. This part discusses the methodology the PHA will use to determine whether or not the PHA has sufficient funding to issue vouchers, approve moves, and to continue subsidizing all families currently under a HAP contract.

16-VIII.B. METHODOLOGY

**PHA Policy**

The PHA will determine whether there is adequate funding to issue vouchers, approve moves to higher cost units and areas, and continue subsidizing all current participants by comparing the PHA’s annual budget authority to the annual total HAP needs on a monthly
basis. The total HAP needs for the calendar year will be projected by establishing the actual HAP costs year to date. To that figure, the PHA will add anticipated HAP expenditures for the remainder of the calendar year. Projected HAP expenditures will be calculated by multiplying the projected number of units leased per remaining months by the most current month’s average HAP. The projected number of units leased per month will take into account the average monthly turnover of participant families. If the total annual HAP needs equal or exceed the annual budget authority, or if the PHA cannot support the cost of the proposed subsidy commitment (voucher issuance or move) based on the funding analysis, the PHA will be considered to have insufficient funding.

PART IX: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, CONFIDENTIALITY

16-IX.A. NOTIFICATION TO PARTICIPANTS [Pub.L.109-162]
The Violence against Women Act of 2005 (VAWA) provides special protections for victims of domestic violence, dating violence, and stalking who are applying for or receiving assistance under the housing choice voucher (HCV) program. If your state or local laws provide greater protection for such victims, those laws take precedence over VAWA.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and PHA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and PHA policies are located primarily in the following sections: 3-I.C, “Family Breakup and Remaining Member of Tenant Family”; 3-III.G, “Prohibition against Denial of Assistance to Victims of Domestic Violence, Dating Violence, and Stalking”; 10-I.A, “Allowable Moves”; 10-I.B, “Restrictions on Moves”; 10-II.E, “Terminations Related to Domestic Violence, Dating Violence, or Stalking”; and 10-II.F, “Termination Notice.”

16-IX.B. DEFINITIONS [24 CFR 5.2003]
As used in VAWA:

- The term *bifurcate* means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.

- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - The length of the relationship
  - The type of relationship
  - The frequency of interaction between the persons involved in the relationship

- The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim
who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

- The term immediate family member means, with respect to a person:
  - A spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in the position or place of a parent; or
  - Any other person living in the household of that person and related to that person by blood and marriage.

- The term stalking means:
  - To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or
  - To place under surveillance with the intent to kill, injure, harass, or intimidate another person; and
  - In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.

16-IX.C. NOTIFICATION [24 CFR 5.2005(a)]

Notification to Applicants

The PHA adopts the following policy to help ensure that all actual and potential beneficiaries of its HCV program are aware of their rights under VAWA.

**PHA Policy**

A summary of the rights and protections provided by VAWA to housing choice voucher program applicants and participants who are or have been victims of domestic violence, dating violence, or stalking (see sample notices in Exhibits 16-1 and 16-2)

The definitions of domestic violence, dating violence, and stalking provided in VAWA (included in Exhibits 16-1 and 16-2)

An explanation of the documentation that the PHA may require from an individual who claims the protections provided by VAWA (included in Exhibits 16-1 and 16-2)

A copy of form HUD-50066, Certification of Domestic Violence, Dating Violence, or Stalking

A statement of the PHA’s obligation to keep confidential any information that it receives from a victim unless (a) the PHA has the victim’s written permission to release the information, (b) it needs to use the information in an eviction
proceeding, or (c) it is compelled by law to release the information (included in Exhibits 16-1 and 16-2)

The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) (included in Exhibits 16-1 and 16-2)

Contact information for local victim advocacy groups or service providers.

Notification to Program Applicants and Participants [24 CFR 5.2005(a)(1)]

PHAs are required to inform program participants of their rights under VAWA, including their right to confidentiality and the limits thereof. Since VAWA provides protections for applicants as well as participants, PHAs may elect to provide the same information to applicants.

**PHA Policy**

*The PHA will provide all applicants with information about VAWA at the time they request an application for housing assistance. The PHA will also include information about VAWA in all notices of denial of assistance (see section 3-III.G).*

*The PHA will provide all participants with information about VAWA at the time of admission (see section 5-I.B) and at annual reexamination. The PHA will also include information about VAWA in notices of termination of assistance, as provided in section 12-II.F.*

*The VAWA information provided to applicants and participants will consist of the notice in Exhibit 16-1 and a copy of form HUD-50066, Certification of Domestic Violence, Dating Violence, and Stalking.*

Notification to Owners and Managers [24 CFR 5.2005(a)(2)]

PHAs are required to notify owners and managers participating in the HCV program of their rights and obligations under VAWA.

**PHA Policy**

*The PHA will provide owners and managers with information about their rights and obligations related to VAWA.*

*The VAWA information provided to owners will consist of the notice in Exhibit 16-2 and a copy of form HUD-50066, Certification of Domestic Violence, Dating Violence, and Stalking.*

16-IX.D. DOCUMENTATION [24 CFR 5.2007]

A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, stalking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. The PHA may extend this time period at its discretion. [24 CFR 5.2007(a)]

The individual may satisfy the PHA’s request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

© Copyright 2006 Nan McKay & Associates, Inc.  
Unlimited copies may be made for internal use.
(1) A completed and signed HUD-approved certification form (HUD-50066, Certification of Domestic Violence, Dating Violence, or Stalking), which must include the name of the perpetrator

(2) A federal, state, tribal, territorial, or local police report or court record

(3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical professional. The person signing the documentation must attest under penalty of perjury to the person’s belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The PHA may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under “Conflicting Documentation,” nor may it require certification in addition to third-party documentation [VAWA final rule].

**PHA Policy**

*Any request for documentation of domestic violence, dating violence, or stalking will specify a deadline of 14 calendar days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.*

*The PHA may, in its discretion, extend the deadline for 10 calendar days. Any extension granted by the PHA will be in writing.*

**Conflicting Documentation [24 CFR 5.2007(e)]**

In cases where the PHA receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the PHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3). The PHA must honor any court orders issued to protect the victim or to address the distribution of property.

**PHA Policy**

*If presented with conflicting certification documents (two or more forms HUD-50066) from members of the same household, the PHA will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007(b)(2) or (3) and by following any HUD guidance on how such determinations should be made.*

**Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]**

The PHA has the discretion to provide benefits to an individual based solely on the individual’s statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b).

**PHA Policy**
If the PHA accepts an individual’s statement or other corroborating evidence of domestic violence, dating violence, or stalking, the PHA will document acceptance of the statement or evidence in the individual’s file.

Failure to Provide Documentation [24 CFR 5.2007(c)]

In order to deny relief for protection under VAWA, a PHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 calendar days from the date of receipt, or such longer time as the PHA may allow, the PHA may deny relief for protection under VAWA.

16-IX.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]

All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence. This means that the PHA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

**PHA Policy**

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the PHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

---

**EXHIBIT 16-1: SAMPLE NOTICE TO HOUSING CHOICE VOUCHER APPLICANTS AND TENANTS REGARDING THE VIOLENCE AGAINST WOMEN ACT (VAWA)**

This sample notice was adapted from a notice prepared by the National Housing Law Project.

A federal law that went into effect in 2006 protects individuals who are victims of domestic violence, dating violence, and stalking. The name of the law is the Violence against Women Act, or “VAWA.” This notice explains your rights under VAWA.

**Protections for Victims**

If you are eligible for a Section 8 voucher, the housing authority cannot deny you rental assistance solely because you are a victim of domestic violence, dating violence, or stalking.

If you are the victim of domestic violence, dating violence, or stalking, you cannot be terminated from the Section 8 program or evicted based on acts or threats of violence committed against you. Also, criminal acts directly related to the domestic violence, dating violence, or stalking that are
caused by a member of your household or a guest can’t be the reason for evicting you or terminating your rental assistance if you were the victim of the abuse.

**Reasons You Can Be Evicted**

You can be evicted and your rental assistance can be terminated if the housing authority or your landlord can show there is an *actual* and *imminent* (immediate) threat to other tenants or employees at the property if you remain in your housing. Also, you can be evicted and your rental assistance can be terminated for serious or repeated lease violations that are not related to the domestic violence, dating violence, or stalking committed against you. The housing authority and your landlord cannot hold you to a more demanding set of rules than it applies to tenants who are not victims.

**Removing the Abuser from the Household**

Your landlord may split the lease to evict a tenant who has committed criminal acts of violence against family members or others, while allowing the victim and other household members to stay in the assisted unit. Also, the housing authority can terminate the abuser’s Section 8 rental assistance while allowing you to continue to receive assistance. If the landlord or housing authority chooses to remove the abuser, it may not take away the remaining tenants’ rights to the unit or otherwise punish the remaining tenants. In removing the abuser from the household, your landlord must follow federal, state, and local eviction procedures.

**Moving to Protect Your Safety**

The housing authority may permit you to move and still keep your rental assistance, even if your current lease has not yet expired. The housing authority may require that you be current on your rent or other obligations in the housing choice voucher program. The housing authority may ask you to provide proof that you are moving because of incidences of abuse.

**Proving That You Are a Victim of Domestic Violence, Dating Violence, or Stalking**

The housing authority and your landlord can ask you to prove or “certify” that you are a victim of domestic violence, dating violence, or stalking. The housing authority or your landlord must give you at least 14 business days (i.e., Saturdays, Sundays, and holidays do not count) to provide this proof. The housing authority and your landlord are free to extend the deadline. There are three ways you can prove that you are a victim:

- Complete the certification form given to you by the housing authority or your landlord. The form will ask for your name, the name of your abuser, the abuser’s relationship to you, the date, time, and location of the incident of violence, and a description of the violence.
- Provide a statement from a victim service provider, attorney, or medical professional who has helped you address incidents of domestic violence, dating violence, or stalking. The professional must state that he or she believes that the incidents of abuse are real. Both you and the professional must sign the statement, and both of you must state that you are signing “under penalty of perjury.”
- Provide a police or court record, such as a protective order.

If you fail to provide one of these documents within the required time, the landlord may evict you, and the housing authority may terminate your rental assistance.

**Confidentiality**

© Copyright 2006 Nan McKay & Associates, Inc.
Unlimited copies may be made for internal use.
The housing authority and your landlord must keep confidential any information you provide about the violence against you, unless:

- You give written permission to the housing authority or your landlord to release the information.
- Your landlord needs to use the information in an eviction proceeding, such as to evict your abuser.
- A law requires the housing authority or your landlord to release the information.

If release of the information would put your safety at risk, you should inform the housing authority and your landlord.

**VAWA and Other Laws**

VAWA does not limit the housing authority or your landlord’s duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, or stalking.

**For Additional Information**

If you have any questions regarding VAWA, please contact ______________________ at ______________________.

For help and advice on escaping an abusive relationship, call the National Domestic Violence Hotline at 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY).

**Definitions**

For purposes of determining whether a tenant may be covered by VAWA, the following list of definitions applies:

VAWA defines *domestic violence* to include felony or misdemeanor crimes of violence committed by any of the following:

- A current or former spouse of the victim
- A person with whom the victim shares a child in common
- A person who is cohabitating with or has cohabitated with the victim as a spouse
- A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies
- Any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction

VAWA defines *dating violence* as violence committed by a person (1) who is or has been in a social relationship of a romantic or intimate nature with the victim AND (2) where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship
VAWA defines *stalking* as (A)(i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person OR (ii) to place under surveillance with the intent to kill, injure, harass, or intimidate another person AND (B) in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (i) that person, (ii) a member of the immediate family of that person, or (iii) the spouse or intimate partner of that person.

**EXHIBIT 16-2: SAMPLE NOTICE TO HOUSING CHOICE VOUCHER OWNERS AND MANAGERS REGARDING THE VIOLENCE AGAINST WOMEN ACT (VAWA)**

*This sample notice was adapted from a notice prepared by the National Housing Law Project.*

A federal law that went into effect in 2006 protects individuals who are victims of domestic violence, dating violence, and stalking. The name of the law is the Violence against Women Act, or “VAWA.” This notice explains your obligations under VAWA.

**Protections for Victims**

You cannot refuse to rent to an applicant solely because he or she is a victim of domestic violence, dating violence, or stalking.

You cannot evict a tenant who is the victim of domestic violence, dating violence, or stalking based on acts or threats of violence committed against the victim. Also, criminal acts directly related to the domestic violence, dating violence, or stalking that are caused by a household member or guest cannot be cause for evicting the victim of the abuse.

**Permissible Evictions**
You can evict a victim of domestic violence, dating violence, or stalking if you can demonstrate that there is an actual and imminent threat to other tenants or employees at the property if the victim is not evicted. Also, you may evict a victim for serious or repeated lease violations that are not related to the domestic violence, dating violence, or stalking. You cannot hold a victim of domestic violence, dating violence, or stalking to a more demanding standard than you hold tenants who are not victims.

Removing the Abuser from the Household

You may bifurcate (split) the lease to evict a tenant who has committed criminal acts of violence against family members or others, while allowing the victim and other household members to stay in the unit. If you choose to remove the abuser, you may not take away the remaining tenants’ rights to the unit or otherwise punish the remaining tenants. In removing the abuser from the household, you must follow federal, state, and local eviction procedures.

Certification of Domestic Violence, Dating Violence, or Stalking

If a tenant asserts VAWA’s protections, you can ask the tenant to certify that he or she is a victim of domestic violence, dating violence, or stalking. You are not required to demand official documentation and may rely upon the victim’s statement alone. If you choose to request certification, you must do so in writing and give the tenant at least 14 business days to provide documentation. You are free to extend this deadline. A tenant can certify that he or she is a victim by providing any one of the following three documents:

A completed, signed HUD-approved certification form. The most recent form is HUD-50066. This form is available at the housing authority or online at http://www.hud.gov/offices/adm/hudclips/.

A statement from a victim service provider, attorney, or medical professional who has helped the victim address incidents of domestic violence, dating violence, or stalking. The professional must state that he or she believes that the incidents of abuse are real. Both the victim and the professional must sign the statement under penalty of perjury.

A police or court record, such as a protective order.

If the tenant fails to provide one of these documents within 14 business days, you may evict the tenant if authorized by otherwise applicable law and lease provisions.

Confidentiality

You must keep confidential any information a tenant provides to certify that he or she is a victim of domestic violence, dating violence, or stalking. You cannot enter the information into a shared database or reveal it to outside entities unless:

- The tenant provides written permission releasing the information.
- The information is required for use in an eviction proceeding, such as to evict the abuser.
- Release of the information is otherwise required by law.

The victim should inform you if the release of the information would put his or her safety at risk.

VAWA and Other Laws
VAWA does not limit your obligation to honor court orders regarding access to or control of the property. This includes orders issued to protect the victim and orders dividing property among household members in cases where a family breaks up.

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, or stalking.

**Additional Information**

If you have any questions regarding VAWA, please contact _____________.

**Definitions**

For purposes of determining whether a tenant may be covered by VAWA, the following list of definitions applies:

VAWA defines *domestic violence* to include felony or misdemeanor crimes of violence committed by any of the following:

- A current or former spouse of the victim
- A person with whom the victim shares a child in common
- A person who is cohabitating with or has cohabitated with the victim as a spouse
- A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies
- Any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction

VAWA defines *dating violence* as violence committed by a person (1) who is or has been in a social relationship of a romantic or intimate nature with the victim AND (2) where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship

VAWA defines *stalking* as (A)(i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person OR (ii) to place under surveillance with the intent to kill, injure, harass, or intimidate another person AND (B) in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (i) that person, (ii) a member of the immediate family of that person, or (iii) the spouse or intimate partner of that person.
TERREBONNE PARISH HOUSING CHOICE VOUCHER PROGRAM

ADMINISTRATIVE PLAN

Chapter 17

Coronavirus/COVID-19

PART I:

INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this plan relating to COVID-19.

SUBJECT: COVID-19 Statutory and Regulatory Waivers for Housing Choice Voucher and Section Eight Management Assessment Program

A. PURPOSE

Pursuant to the authority provided under the Coronavirus Aid, Relief and Economic Security (CARES) Act (Public Law 116-136), HUD is waiving and establishing alternative requirements for numerous statutory and regulatory requirements for the Public Housing program, Housing Choice Voucher (HCV) program, Indian Housing Block Grant (IHBG) program, and Indian Community Development Block Grant (ICDBG) program. These waivers provide administrative flexibilities and relief to public housing agencies (PHAs), Indian tribes, and tribally designated housing entities (TDHEs) in response to the COVID-19 national emergency. With respect to the Public Housing and HCV programs, use of these waivers is at the discretion of the PHA; however, HUD strongly encourages PHAs to utilize any and all waivers and alternative requirements as necessary to keep public housing and HCV programs operational to the extent practicable.

This notice also provides information on additional actions HUD is taking, including the temporary suspension of the Public Housing Assessment System (PHAS) and the Section Eight Management Assessment Program (SEMAP).

B. BACKGROUND

An outbreak of a respiratory disease caused by a novel (new) coronavirus has as of this date been detected in over 200 countries world-wide, including in the United States. The virus has been named “severe acute respiratory syndrome coronavirus 2” (SARS-CoV-2) and the disease it causes has been named “Coronavirus Disease 2019” (“COVID-19”). On January 31, 2020, Secretary of Health and Human Services Alex M. Azar II declared a public health emergency for the United States to aid the nation’s healthcare community in responding to

The Federal Government is working closely with state, local, Tribal, and territorial partners, as well as public health partners, to respond to this public health threat. While various parts of the country are experiencing different levels of COVID-19 activity all 50 states have reported cases of COVID-19 to the Centers for Disease Control and Prevention (CDC).

The COVID-19 pandemic presents significant challenges for HUD and our PHA, Tribal, and TDHE partners to continue to carry out HUD’s fundamental mission to provide decent, safe, and sanitary affordable housing for low-income families. Program operations have been severely impacted as PHAs, tribes, and TDHEs comply with critically important advisories and directives from public health professionals, including social distancing and other preventive practices that will slow the spread of COVID-19 and reduce the risk of exposure.

On March 27, 2020, President Trump signed the CARES Act into law, which authorizes over $2 trillion in emergency assistance and health care response for individuals, families and businesses affected by the COVID-19 pandemic, and emergency appropriations to support Executive Branch agency operations during the COVID-19 pandemic. The CARES Act further provides HUD with broad authority, in the context of the current public health emergency, to waive statutes and regulations (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment) for the Public Housing and HCV programs, IHBG program, and ICDBG program. Through issuance of this notice, HUD is exercising this authority to provide PHAs, Indian tribes, and TDHEs with flexibility to adjust program practices where necessary to prioritize mission critical functions when normal operations are restricted and severely constrained, further prevent the spread of COVID-19, and mitigate the health risks posed by COVID-19 to PHA, Tribal, and TDHE staff, families, landlords, and their communities at large.

Note that the CARES Act also provides supplemental funding for the Public Housing and HCV programs as well as additional funding flexibilities with Operating and Capital funds for the Public Housing program. HUD will publish additional guidance describing the eligible uses of these additional funds, the allowable fungibility between the Operating and Capital Funds, and the process by which HUD will distribute the funds for the public housing and HCV program. HUD will also publish Implementation Notices in the very near future for both the IHBG and ICDBG programs funded under the CARES Act. These Notices will further describe eligible uses as well as the process by which HUD will distribute these funds.
PART II:

C. CONTINUED OPERATIONS DURING THE COVID-19 NATIONAL EMERGENCY

The waivers implemented through this notice provide administrative relief and allow for alternative approaches to various aspects of PHA, Tribal, and TDHE operations. With this flexibility, HUD strongly encourages PHAs, Indian tribes, and TDHEs to continue using available funding to house families, keep families in their homes, and conduct critical operations that can be done remotely and safely. Some critical functions for PHAs include, but are not limited to issuing vouchers so families can find housing, processing Requests for Tenancy Approvals (RFTAs) so families can be approved to move into a unit, processing requests for portability moves, ensuring occupancy of Public Housing units, processing minimum rent hardship exemptions, and completing reexaminations for participants who have experienced a decrease in income. Some critical functions for Indian tribes and TDHEs include but are not limited to ensuring low income Native American families remain housed, alleviating severe overcrowding, and carrying out eligible affordable housing activities.

HUD encourages PHAs, Indian tribes, and TDHEs to apply the waivers authorized in this notice based on local circumstances and needs. HUD also encourages PHAs, Indian tribes, and TDHEs to document and expeditiously implement plans for alternative procedures in order to provide stable housing for some of our country’s most vulnerable families.

Alternative processes may include electronic transmission of information to families, conducting briefings online, conducting conference calls, or using self-service features on the PHA’s, Indian tribe’s, or TDHE’s website if available, and providing business-reply envelopes or secure drop-box apparatuses for document or rent submission for assisted families that do not have access to the Internet.

PHAs and industry groups are encouraged to work together with each other and with HUD during this challenging time to share ideas on how these critical functions can continue in order to house families. Likewise, it is imperative that Indian tribes, as well as regional and national organizations representing Native American housing interests, work together and with HUD’s Office of Native American Programs (ONAP) and its area offices to find and share safe and efficient methods to carry out affordable housing activities to support low-income Indian families and their health in Indian Country and across the nation.

It is important to note that, for the Public Housing and HCV programs, HUD has not provided waiver authority that would allow tenants to stop paying their portion of the rent as determined by the PHA. Thus, it is critically important for PHAs to have revised procedures in place to allow for the timely completion of interim reexaminations for decreases in family income (see further discussion of this topic and the waiver authority/alternative requirement (PH and HCV-3) provided in section 7 of this notice).
D. WAIVER AND ALTERNATIVE REQUIREMENT AUTHORITY

These waivers and alternative requirements are established under the authority of the CARES Act as well as Secretary Carson’s finding that these waivers and alternative requirements are necessary for the safe and effective administration of the Public Housing and HCV programs, consistent with the purposes described under the CARES Act, to prevent, prepare for, and respond to COVID-19.

The Secretary may waive and/or establish alternative requirements for additional statutory and regulatory provisions in addition to these waivers by subsequent notice.

With respect to the waivers and alternative requirements under Native American programs, such waivers and alternative requirements are also established under the authority of the CARES Act and Secretary Carson’s finding that all waivers provided under this Notice are necessary to expedite or facilitate the use of Indian Housing Block Grant and Indian Community Development Block Grant funds to prevent, prepare for, and respond to the coronavirus. HUD plans to continue to issue more waiver relief as the COVID-19 pandemic unfolds, and Indian tribes and TDHEs are encouraged to submit any additional waiver requests to their area ONAPs. HUD will consider all requests and determine whether to approve additional relief.

E. WAIVER AND ALTERNATIVE REQUIREMENT APPLICABILITY

Through this notice HUD is making the waivers and alternative requirements listed in this notice effective immediately for those PHAs that elect to adopt them. PHAs may adopt the use of these waivers at any time during the period of availability (see Section 6 below).

With respect to the Public Housing program, the CARES Act provides that the Secretary may waive or specify alternative requirements for any provision of any statute or regulation that the Secretary administers in connection with the use of amounts made available under the CARES Act supplemental appropriation, the FY 2020 Operating Fund and Capital Fund appropriations, and any prior Operating Fund or Capital Fund appropriations.

With respect to the HCV program, the CARES Act provides that the Secretary may waive or specify alternative requirements for any provision of any statute or regulation that the Secretary administers in connection with the use of amounts made available under the CARES Act supplemental appropriation or under the FY 2020 Tenant-Based Rental Assistance (TBRA) appropriation. This means the waiver/alternative requirements are applicable to the HCV program, including special purpose vouchers such as Mainstream vouchers, Family Unification Program (FUP) vouchers, and HUD-VASH vouchers, provided that HCV program operations including those special purpose vouchers are supported by amounts provided by the FY 2020 TBRA appropriation (including FY 2020 renewal funding, FY 2020 administrative fees, and FY 2020 new special purpose voucher
allocations) or amounts from the CARES Act supplemental appropriation during the period of applicability.

The use of these waivers is at the discretion of the individual PHA. A PHA may choose to apply all, some, or none of the waivers to their Public Housing and HCV programs. (PHAs may continue to request regulatory waivers from HUD in accordance with Notice PIH 2018-16 for waivers that are not covered by this notice, however, the PHA may not implement those waivers until the waiver request is approved by HUD.)

Some of the waivers require the use of alternative requirements. If the PHA adopts a waiver with an alternative requirement, the PHA must comply with all the terms and conditions of the alternative requirement. Please see the individual waiver descriptions for information on the applicable alternative requirements.

PHAs are required to keep written documentation that record which waivers the PHA applied to their programs(s) and the effective dates. A summary of the available waivers/alternative requirements and a suggested format for such documentation is included as an attachment to this notice. A PHA does not need to notify HUD or receive HUD approval to begin utilizing these waivers/alternative requirements. However, HUD may subsequently require the PHA to provide information to HUD on the waivers used by the PHA and the date the PHA applied the waiver to its program(s).

If a PHA chooses to apply any of the waivers provided for in this notice, the PHA is required to notify residents and owners of any impacts that the waiver and alternative requirement (where applicable) may have on them by whatever means it considers most effective as soon as practicable. HUD recognizes that the COVID-19 public health emergency presents unique challenges from a staffing and communication perspective and encourages PHAs to adapt their communications in consideration of local conditions and resources. For example, a PHA may need to initially provide this notification by placing information on its website and as a voice-mail message and following up with more formal written notice as circumstances allow.

HUD reminds PHAs that all materials, notices, and communications to families regarding the use of the waiver authorities must be clearly communicated and provided in a manner that is effective for persons with hearing, visual, and other communication-related disabilities consistent with Section 504 of the Rehabilitation Act (Section 504) and HUD’s Section 504 regulation, and Titles II or III of the Americans with Disabilities Act (ADA) and implementing regulations. Section 504 and the ADA require recipients to ensure effective communication with applicants, participants, and members of the public and to provide appropriate auxiliary aids and services where necessary to afford individuals with hearing, vision, and other communication-related disabilities an equal opportunity to access information. PHAs must provide appropriate auxiliary aids and services necessary
to ensure effective communication in all notices and communications, which includes ensuring that information is provided in appropriate accessible formats as needed, e.g., Braille, audio, large type, assistive listening devices, and sign language interpreters, accessible websites and other electronic communications (See 24 CFR 8.6, 28 CFR 35.160, and 28 CFR 36.303). PHAs must also continue to take reasonable steps to ensure meaningful access to their programs and activities to Limited English Proficient (LEP) individuals. As an aid to recipients, HUD published Final Guidance to Federal Financial Assistance Recipients: Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons (LEP Guidance) in the Federal Register on January 22, 2007 (72 FR 2732). LEP guidance and information is available here: https://www.federalregister.gov/documents/2007/01/22/07-217/final-guidance-to-federal-financial-assistance-recipients-regarding-title-vi-prohibition-against

F. PERIOD OF AVAILABILITY.

With respect to the Public Housing and HCV programs, pursuant to the CARES Act, the waivers/alternative requirements are effective for immediate use by PHAs as of the date of this notice. The specific statute and regulation being waived (or solely the regulation if no statutory requirement is being waived), the period of availability, and the alternative requirement (if applicable), are found in sections 7 through 12 of this notice. The period of availability for these waivers/alternative requirements, collectively or individually, may be extended by PIH notice should HUD determine this to be necessary. PHAs are not required to keep the waiver/alternative requirement in-place for the full period of availability (including any extension) but may at any time choose to revert to regular program requirements and operations.

The period of availability for the Public Housing and HCV waivers is in most cases either one of short-term or longer-term duration. Short-term waivers generally end on July 31, 2020, while the longer-term waivers typically expire on December 31, 2020. Short term waivers provide PHAs with essential flexibilities when normal operations are severely disrupted. Longer term waivers include waivers that permit PHAs to defer important but less critical functions to focus on their most vital responsibilities and effectively manage their transition back to normal operations. Other waivers have unique dates, such as when the period of availability is dependent on a PHA’s fiscal year end date or based on a specific action or activity.

With respect to Native American programs, pursuant to the CARES Act, waivers and alternative requirements provided under the IHBG program and the ICDBG program are deemed to be effective as of the date the Indian tribe or TDHE began preparing for COVID-19. In accordance with the Act, this waiver relief is available only for IHBG funding and ICDBG funding provided under the CARES Act, and IHBG and ICDBG funding appropriated under the FY20 Consolidated Appropriations Act (Public Law 116-94).
The waivers and alternative requirements issued under the IHBG and ICDBG programs are generally available until funds are expended, unless otherwise noted under specific waivers below. HUD is allowing waivers and alternative requirements to remain available to Indian tribes and TDHEs until funds are expended because all funds subject to these waivers and alternative requirements must be used to prevent, prepare for, and respond to COVID-19.

PART III: WAIVERS

PHA Policy is to adopt this waiver

17.1 HCV: Family Income and Composition: Delayed Annual Examinations

Statutory Authority: Section 3(a)(1) of the USHA of 1937
Regulatory Authority: 24 CFR § 982.516(a)(1) - HCV
Regulatory Authority: 24 CFR § 960.257(a) - Public Housing

Description: PHAs are required to conduct a reexamination of family income and composition at least annually. Recognizing the foreseeable difficulties in complying with this requirement in light of the COVID-19 emergency, HUD is waiving this statutory and regulatory requirement to permit PHAs to delay annual reexaminations of HCV and public housing families. However, if the PHA delays annual reexaminations for HCV families under this authority, it must also comply with the alternative requirement regarding the application of an increase in the payment standard amount during the Housing Assistance Payment (HAP) contract term (see HCV-7 below) if applicable, so as not to delay the application of the increased payment standard amount to the family’s HAP calculation.

Period of Availability: All annual recertifications due in Calendar Year (CY) 2020 must be completed by December 31, 2020.

PHA Policy is to adopt this waiver

17.2 HCV: Family Income and Composition: Annual Examination - Income Verification requirements

Regulatory Authority: 24 CFR § 5.233(a)(2)
Sub-regulatory Guidance: PIH Notice 2018-18

Description: PHAs are required to use the Enterprise Income Verification (EIV) System for verification of family income at the annual examination. 24 CFR § 5.233(a)(2) requires PHAs to use EIV as a third-party source to verify tenant employment and income information during mandatory reexaminations or recertifications of family composition
and income in accordance with §5.236 and administrative guidance issued by HUD. PIH Notice 2018-18 describes the required verification hierarchy process PHAs must follow. HUD understands that documentation may be difficult to obtain as a result of the COVID-19 public health emergency. PHAs are also facing challenges with securely accessing HUD systems while many if not all staff are working remotely.

To address these challenges, HUD is waiving the requirements to use the income hierarchy described by PIH Notice 2018-18 and will allow PHAs to forgo third-party income verification requirements for annual reexaminations, including the use of EIV, if the PHA wishes to conduct the annual recertification rather than delaying the family’s annual recertification (as permitted under PH and HCV-2 above).

During the allowable period of availability, PHAs may consider self-certification as the highest form of income verification to process annual reexaminations. This may occur over the telephone (but must be documented by PHA staff with a contemporaneous written record), through an email or postal mail with a self-certification form by the tenant, or through other electronic communications. PHAs are encouraged to incorporate procedures to remind families of the obligation to provide true and complete information when adopting these flexibilities.

PHAs are further reminded that there is no HUD requirement that income and family composition examinations and recertifications must be conducted in-person unless determined necessary as a reasonable accommodation as long as applicable public health guidelines are followed (e.g., social distancing) and any state or local ordinance is followed.

PHAs that conduct annual examinations under this waiver/alternative requirement will be responsible for addressing any material discrepancies that may arise later. For example, if a tenant self-certified that the tenant lost their job, but later the EIV Income Validation Tool (IVT) shows the tenant’s employment continued, the PHA must take enforcement action in accordance with their policies and procedures.

**Period of Availability:** The period of availability to conduct annual reexaminations using these modified verification requirements ends on July 31, 2020.

**PHA Policy is to adopt this waiver**

**17.3 HCV: Family Income and Composition: Interim Examinations**

Statutory Authority: Section 3(a)(1) of the USHA of 1937  
Regulatory Authority: 24 CFR § 5.233(a)(2) - HCV and Public Housing  
Regulatory Authority: 24 CFR § 982.516(c)(2) - HCV  
Regulatory Authority: 24 CFR § 960.257(b) and (d) - Public Housing Sub-regulatory Guidance: PIH Notice 2018-18
Description: For the HCV and public housing programs, PHAs are required to adopt policies (in their Administrative Plans and Admissions and Continued Occupancy Plans (ACOPs), respectively) prescribing when and under what conditions the family must report a change in family income or composition. However, at any time that a family requests an interim determination of family income or composition because of any changes since the last determination, the PHA must make the interim determination within a reasonable time after the family’s request. In most cases, the reason a family requests an interim determination is due to a loss in income or a change in family composition.

PHAs are required to use EIV for verification of family income at interim reexamination. 24 CFR § 5.233(a)(2) requires PHAs to use EIV as a third-party source to verify tenant employment and income information during mandatory reexaminations or recertifications of family composition and income in accordance with §5.236 and administrative guidance issued by HUD. PIH Notice 2018-18 further describes the required verification hierarchy process PHAs must follow.

To assist PHAs that may be prioritizing the processing of interim reexaminations due to decreases in family income and mitigate the challenges of transferring documentation during periods of shelter-in-place/stay-at-home efforts in response to the COVID-19 emergency, HUD is waiving the requirements to use the income verification hierarchy as described by PIH Notice 2018-18. HUD will allow PHAs to forgo third-party income verification requirements for interim reexaminations, including the required use of EIV. During the allowable period of eligibility, PHAs may consider self-certification as the highest form of income verification to process interim reexaminations. This may occur over the telephone (with a contemporaneous written record by the PHA staff person), through an email with a self-certification form by the family, or through other electronic communications.

As noted in the previous waiver description, there is no HUD requirement that income and family composition examinations and recertifications must be conducted in-person unless it may be necessary as a reasonable accommodation for a person with a disability as long as applicable public health guidelines are followed (e.g., social distancing) and any local and state ordinances is followed.

PHAs that conduct interim reexaminations under this waiver/alternative requirement will be responsible for addressing any material discrepancies that may arise later. For example, if a tenant self-certified that the tenant lost their job, but later the EIV IVT Report shows the tenant’s employment continued, the PHA must take enforcement action that is consistent with its policies and procedures.

PHAs may wish to review and adjust their interim reexamination policies (e.g., revising the PHA requirements when families must report increases in income between annual reexaminations or revising the policy regarding how to determine the effective date of an interim examination). PHAs should see HCV-1 and PH-4 for information on how these types of changes can be expedited.

**PHA Policy is to adopt this waiver**

17.4 **HCV: Enterprise Income Verification (EIV) Monitoring**

Regulatory Authority: 24 CFR § 5.233
Sub-regulatory Guidance: PIH Notice 2018-18

Description: PIH Notice 2018-18 specifies the required monitoring of EIV reports. For example, PHAs are required to monitor the Deceased Tenants Report, the Identity Verification Report, the Immigration Report, the IVT Report, and the Multiple Subsidy Report and the New Hires Report on a monthly basis. Recognizing the challenges PHAs are facing with many if not all staff working remotely, HUD is waiving the mandatory EIV monitoring requirements.

**PHA Policy is to adopt this waiver**

17.5 **Family Self-Sufficiency (FSS) Contract of Participation; Contract Extension**

Regulatory Authority: 24 CFR § 984.303(d)

Description: Part 984 establishes the requirements for the Section 8 and Public Housing FSS Program. Section 984.303(d) authorizes a PHA to extend a family’s contract of participation for a period not to exceed two years upon a finding of good cause. HUD has made a determination that the circumstances surrounding COVID-19 qualify as “good cause” to extend family contracts, and FSS programs may consider this expanded definition of “good cause” as they make their determinations on each family’s eligibility for an extension.

Period of Availability: The period of availability during which the PHA may extend the family’s contract of participation using COVID-19 as the “good cause” ends on December 31, 2020.

**PART IV: HQS WAIVERS**

17.6 **HOUSING CHOICE VOUCHER PROGRAM WAIVERS – HOUSING QUALITY STANDARDS (HQS) INSPECTIONS**

Introduction: HUD recognizes the unprecedented challenge the COVID-19 pandemic
poses to PHAs in carrying out the most essential of their HCV program administrative responsibilities – ensuring that assisted families are living in decent, safe, and sanitary housing. HQS inspections protect the health and safety of HCV families. However, conducting physical inspections of units in many communities during this national emergency poses its own health risks for families, participating owners, and PHA personnel, and may run counter to public health orders, directives, or recommendations such as shelter-in-place or other social distancing practices designed to contain and reduce exposure to COVID-19. In order to provide PHAs with the necessary flexibilities to continue to allow families to lease units and to postpone normally required HQS inspections for units under HAP contract, HUD is authorizing the use of the HQS-related waivers and alternative requirements listed in this section. PHAs are in the best position to determine which (if any) of these waivers should be applied to their HCV programs based on the needs and current conditions in their local communities.

PHAs that delay inspections under these waivers must inspect the units as soon as reasonably possible when it is again safe to do so but must complete all delayed unit inspections no later than the date specified in this notice (or subsequent extensions provided by HUD). HUD has established relatively short periods of availability for these HQS waivers given the health and safety nature of these requirements. However, HUD will consider extending these HQS waivers and alternative requirements if HUD determines an extension is necessary.

Any PHA that applies any of these waivers to its HCV program retains the right to conduct an HQS inspection on any assisted unit at any time. Likewise, the PHA may always choose to conduct an initial inspection on a unit a family wishes to lease if such an inspection is determined to be warranted by the PHA, regardless of whether the PHA chooses to apply the initial HQS inspection waivers to its HCV program. Crucially, use of any of these waivers by the PHA does not relieve owners of their responsibility to maintain the unit in accordance with HQS as required in the HAP contract, nor does it in any way restrict the PHA from taking action to enforce the owner’s obligations. Furthermore, use of any of these waivers by the PHA does not create any right in any third party (such as with the assisted family) to require enforcement of the HQS requirements by HUD or the PHA, or to assert any claim against HUD or the PHA, for damages, injunction or other relief, for alleged failure to enforce the HQS (see § 982.407).

**PHA Policy is to adopt this waiver**

**17.7 Initial Inspection Requirements**

Statutory Authority: Section 8(o)(8)(A)(i), Section 8(o)(8(C) of the USHA of 1937
Regulatory Authority: 24 CFR §§ 982.305(a), 982.305(b), 982.405

Description: Section 8(o)(8)(A)(i) requires that the PHA must inspect the unit before
any assistance payment is made to determine whether the unit meets HQS. Section 8(o)(8)(C) requires the PHA to conduct the initial inspection within certain time frames after receiving the RFTA. Section 982.305 provides that the PHA may not approve the assisted tenancy or execute a HAP contract until the unit has been inspected by the PHA and passes HQS. Additionally, Section 982.305 requires that the PHA must inspect the unit to determine that the unit satisfies the HQS before the beginning of the initial lease term, and that the PHA must perform this inspection within either 15 days or within a reasonable time depending on the size of the PHA.

HUD is waiving these requirements and providing an alternative requirement. In order to place the unit under HAP contract and commence making payments, the PHA may rely on the owner’s certification that the owner has no reasonable basis to have knowledge that life threatening conditions exist in the unit or units in question instead of conducting an initial inspection. At minimum the PHA must require this owner certification. However, the PHA may add other requirements or conditions in addition to the owner’s certification but is not required to do so. The PHA is required to conduct an HQS inspection on the unit as soon as reasonably possible but no later than October 31, 2020.

This waiver and alternative requirement may also be applied to PHA-owned units if the independent entity is unable to perform the inspection.

**Period of Availability:** The period of availability for PHAs to accept owner’s self-certification for an initial inspection ends on July 31, 2020. The period of availability for the PHA to inspect a unit that was placed under HAP contract based on the owner’s self-certification ends on October 31, 2020.

**PHA Policy is to adopt this waiver**

### 17.8 Initial Inspection: Non-Life-Threatening Deficiencies (NLT) Option

**Statutory Authority:** Section 8(o)(8)(A)(ii) of the USHA of 1937

**Description:** Section 8(o)(8)(A)(ii) provides the PHA with the option to choose to approve an assisted tenancy, execute the HAP contract, and begin making housing assistance payments on a unit that fails the initial HQS inspection, provided the unit’s failure to meet HQS is the result only of NLT conditions. The statute further requires that the PHA must withhold housing assistance payments from the owner if the NLT conditions are not corrected within 30 days.

HUD is waiving the requirement that the PHA must withhold the payment if the NLT repairs are not made in 30 days. Instead, the PHA may provide an extension of up to an additional 30 days to the owner to make the NLT repairs and continue to make payments to the owner during the period of that maximum 30-day extension. If the owner has not
made the NLT repairs by the end of the PHA extension period, the PHA must withhold payments.

This NLT initial inspection option is available to the PHA for both tenant-based units and project-based units. This waiver and alternative requirement may also be applied to PHA-owned units if the independent entity is unable to perform the inspection.

**Period of Availability:** The period of availability for the PHA to approve an extension of up to an additional 30 days ends on July 31, 2020. The extension to make the NLT repairs may extend beyond July 31, 2020, depending on the date the PHA approved the extension. For example, if the PHA approved the extension on July 15th, the maximum extension provided to the owner would be August 15th.

**PHA Policy is to adopt this waiver**

### 17.9 HQS Inspection Requirement – Biennial Inspections

Statutory Authority: Section 8(o)(D) of the USHA of 1937
Regulatory Authority: 24 CFR §§ 982.405(a), 983.103(d)

**Description:** The statute and the regulations require the PHA to inspect the unit not less often than biennially during the term of the HAP contract. (Per the recent Federal Register Notice, 85 Fed. Reg. 11381 (Feb. 27, 2020), small rural PHAs may instead inspect the unit not less often than triennially, but since small rural PHAs do not have the authority to begin using a three-year inspection interval until after the next scheduled inspection after Feb. 27, 2020 is carried out, the majority of small rural PHAs have not yet moved from a biennial to a triennial requirement.) HUD is waiving this requirement and is allowing PHAs to delay biennial inspections for both tenant-based and PBV units. All delayed biennial inspections must be completed as soon as reasonably possible but no later than October 31, 2020.

This waiver and alternative requirement may also be applied to PHA-owned units if the independent entity is unable to perform the inspection.

**Period of Availability:** The period of availability ends on October 31, 2020.

**PHA Policy is to adopt this waiver**

### 17.10 HQS Interim Inspections

Statutory Authority: Section 8(o)(8)(F) of the USHA of 1937
Regulatory Authority: 24 CFR §§ 982.405(g), 983.103(e)

**Description:** The statute requires that upon notification to the PHA by a family or
government official that the assisted unit does not comply with the HQS, the PHA must inspect the unit within 24 hours of when the PHA received the notification if the condition is life-threatening. 24 CFR 982.405(g) provides that if the reported condition is not life-threatening, the PHA must inspect the unit within 15 days. The regulation further provides that in the event of extraordinary circumstances HUD may waive the 24-hour or the 15-day inspection requirement until such time as an inspection is feasible.

HUD is waiving these requirements and establishing an alternative requirement for both tenant-based and PBV units. If the reported deficiency is life-threatening, the PHA must notify the owner of the reported life-threatening deficiency and that the owner must either correct the life-threatening deficiency within 24 hours of the PHA notification or provide documentation (e.g., text or email a photo to the PHA) that the reported deficiency does not exist. In the case of a reported non-life-threatening deficiency, the PHA must notify the owner of the reported deficiency within 30 days and the owner must either make the repair or document that the deficiency does not exist within 30 days of the PHA notification or any approved PHA extension. The PHA may add other requirements or conditions in addition to the owner’s documentation but is not required to do so.

As is the case under the current HCV program requirements, the PHA is not required to conduct an on-site inspection to verify the repairs have been made but may rely on alternative verification methods (e.g., photos submitted by the owner, tenant certification, etc.).

This waiver may also be applied to PHA-owned units if the independent entity is unable to perform the inspection.

**Period of Availability:** The period of availability ends on July 31, 2020. After July 31, 2020, the PHA must conduct the HQS inspection in accordance with the applicable time periods upon notification by a family or government official that the assisted unit does not comply with the HQS.

**PHA Policy is to adopt this waiver**

**17.11 HQS Quality Control Inspections**

Regulatory Authority: 24 CFR § 982.405(b)

**Description:** The regulations require PHAs to conduct supervisory quality control inspections of a sampling of units under contract. HUD is waiving this regulatory requirement.

**Period of Availability:** The period of applicability ends on October 31, 2020.

**PHA Policy is to adopt this waiver**
17.12 **Housing quality standards; Space and Security**

Regulatory Authority: § 982.401(d)

**Description:** The regulation establishes a minimum standard for adequate space for both an HCV and PBV-assisted family. Specifically, it requires that each dwelling unit have at least 1 bedroom or living/sleeping room for each 2 persons. HUD is waiving this requirement for PHAs where the PHA wishes to assist a current participant that needs to add a member or members to the assisted household as a result of the COVID-19 emergency, and the additional family members would result in the unit not meeting the space and security standards. This provision does not apply to an initial or new lease. A participant must not enter into a new lease for a unit that does not comply with the space and security standards.

**Period of availability:** For any family occupying a unit that does not meet the space and security requirements pursuant to this waiver, the waiver will be in effect for the duration of the current lease term or one year from the date of this notice, whichever period of time is longer.

**HOUSING CHOICE VOUCHER PROGRAM WAIVERS – GENERAL**

**PHA Policy is to adopt this waiver**

17.13 **Administrative plan**

Regulatory Authority: 24 CFR § 982.54 (a)

**Description:** The regulation requires that any revisions of the PHA’s administrative plan must be formally adopted by the PHA Board of Commissioners or other authorized PHA officials. Recognizing the foreseeable difficulties in complying with this requirement in light of the COVID-19 emergency, HUD is waiving the requirement to allow the PHA administrative plan to be revised on a temporary basis without Board approval. As an alternative requirement any informally adopted revisions under this waiver authority must be formerly adopted as soon as practicable following June 30, 2020, but no later than July 31, 2020.

**Period of Availability:** The period of availability ends on July 31, 2020.

**PHA Policy is to adopt this waiver**

17.14 **Information When Family is Selected - PHA Oral Briefing**

Regulatory Authority: 24 CFR § 982.301(a)(3), § 983.252(a)
Description: The regulation requires when the PHA selects a family to participate in either the HCV or PBV program, the PHA must give the family an oral briefing. HUD is waiving this requirement and as an alternative requirement allowing the PHA to conduct the briefing by other means such as a webcast, video call, or expanded information packet. Section 504 and the ADA require PHAs to ensure effective communication with applicants, participants and members of the public in all communications and notices. The PHA must ensure that the method of communication for the briefing effectively communicates with, and allows for equal participation of, each family member, including those with vision, hearing, and other communication-related disabilities, and ensures meaningful access for persons with limited English proficiency.

Period of Availability: The period of availability ends on July 31, 2020

**PHA Policy is to adopt this waiver**

17.15 **Term of Voucher – Extensions of Term**

Regulatory Authority: 24 CFR § 982.303(b)(1)

Description: The regulation provides that at its discretion, the PHA may grant a family one or more extensions of the initial voucher term in accordance with the PHA policy as described in the PHA administrative plan. HUD is waiving the requirement that the extension(s) must be accordance with the PHA’s administrative plan in order to allow the PHA to provide extensions even though it has been unable to formally amend its policy in the administrative plan.

**PHA Policy is to adopt this waiver**

17.16 **PHA Approval of Assisted Tenancy – When HAP Contract is Executed**

Regulatory Authority: 24 CFR § 982.305(c)

Description: The PHA may not make any housing assistance payments to the owner until the HAP contract is executed. The regulation provides that PHA must use best efforts to execute the HAP contract before the beginning of the lease term and that the HAP contract must be executed no later than 60 days from the beginning of the lease term. Any HAP contract executed after the 60-day period is void and the PHA may not pay any housing assistance payments to the owner. HUD is waiving the regulatory requirement to allow PHAs to execute the HAP contract after the 60-day deadline has passed and make housing assistance payments back to the beginning of the lease term. However, the PHA and owner must execute the HAP contract no later than 120 days from the beginning of the lease term.
**Administrative Plan**

Period of Availability: The period of availability to execute the HAP contract after the normally 60-day period from the beginning of the lease term ends on July 31, 2020.

**PHA Policy is to adopt this waiver**

17.17 Absence from Unit

Regulatory Authority: 24 CFR § 982.312

Description: The regulation requires that a family may not be absent from the unit for a period of more than 180 consecutive calendar days for any reason. HUD is waiving this regulatory requirement to allow the PHA at its discretion to continue housing assistance payments and not terminate the HAP contract due to extenuating circumstances (e.g., hospitalization, extended stays at nursing homes, caring for family members).

Period of Availability: The period of availability for the PHA to choose to continue making HAP payments despite the family’s absence of more than 180 consecutive days ends on December 31, 2020. The PHA may not make payments beyond December 31, 2020, and the HAP contract will terminate on that date if the family is still absent from the unit.

**PHA Policy is to adopt this waiver**

17.18 Automatic Termination of HAP contract

Regulatory Authority: 24 CFR § 982.455

Description: When an HCV family’s income increases to the extent that the housing assistance payment is reduced to $0, PHAs are required by this regulation to automatically terminate HAP contracts 180 days after the last housing assistance payment to the owner. In recognition that the COVID-19 emergency is creating economic and employment instability for many families, as well as situations where families may on a temporary basis be adding members whose additional income may result in a $0 HAP subsidy calculation, HUD is waiving this requirement. As an alternative requirement, the PHA, upon written notice to the owner and family, may extend the period of time following the last payment to the owner that triggers the automatic termination of the HAP contract. The extension beyond the normally applicable 180 days is determined by the PHA but may not extend beyond December 31, 2020.

**PHA Policy is to adopt this waiver**
17.19 Increase in payment standard under HAP contract term

Regulatory Authority: 24 CFR § 982.505(c)(4)

Description: The regulation requires that if the payment standard amount is increased during the term of the HAP contract, the increased payment standard amount shall be used to calculate the monthly housing assistance payment for the family beginning at the effective date of the family’s first regular reexamination on or after the effective date of the increase in the payment standard amount.

HUD is waiving this requirement and as an alternative requirement allowing the PHAs to apply the increased payment standard at any time (e.g., interim reexamination, owner rent increase) after the effective date of the increase in the payment standard amount, provided the increased payment standard is used to calculate the HAP no later than the effective date of the family’s first regular reexamination following the change.

Note that if the PHA has delayed the family’s annual recertification under the waiver authority described earlier in this notice (see PH and HCV-2), the PHA must use the increased payment standard amount to calculate the family’s HAP beginning the date that the family’s first regular examination would have been effective in the absence of the waiver.

Alternatively, the PHA may conduct an interim reexamination where the only change is the increased payment standard amount. Regardless of the method used, the participant must receive the increased payment standard no later than the effective date of the family’s first regular reexamination following the increased payment standard.

Period of Availability: The waiver period of availability ends on December 31, 2020.

PHA Policy is to adopt this waiver

17.20 Tenant Notifications for Changes to Project Rules and Regulations

Regulatory Authority: 24 CFR § 966.5

Description: PHAs are required by this regulation to provide 30-day notice to impacted families for changes to policies, rules and special charges to families. HUD is waiving the requirement to provide such advance notice, except advance notice must be provided for any changes related to tenant charges. Although HUD is waiving the advanced notice, PHAs must still provide adequate notification to impacted families within 30 days of making such changes.

17.21 SEMAP and Uniform Financial Reporting Standards
17.21A SEMAP

Regulatory Authority: 24 CFR Part 985

Description: Part 985 sets out the requirements by which Section 8 tenant-based assistance programs are assessed. For PHAs that have a SEMAP score pending as of the date of this notice, and for any PHA with a fiscal year ending on or before December 31, 2020, HUD will not issue a new SEMAP score unless the PHA requests a that new SEMAP score be issued. HUD will instead carry forward the most recent SEMAP score on record.

Period of Availability: HUD will resume issuing new SEMAP scores beginning with PHAs with fiscal year end dates of March 31, 2021.

17.21B Uniform financial reporting standards; Filing of financial reports; Reporting Compliance Dates

Regulatory Authority: 24 CFR §§ 5.801(c), 5.801(d)(1)

Description: Section 5.801 establishes uniform financial reporting standards (UFRS) for PHAs (and other entities). Section 5.801(c) requires that PHAs submit financial information in accordance with 24 CFR § 5.801(b) annually, not later than 60 days after the end of the fiscal year of the reporting period. Section 5.801(d)(1) requires that PHAs submit their unaudited financial statements not later than 60 calendar days after the end of their fiscal year, and that PHAs submit their audited financial statements not later than 9 months after the end of their fiscal year.

HUD is waiving these requirements and is providing the alternative requirements for the following PHAs:

i. PHAs with a FYE of June 30, 2019; September 30, 2019; December 31, 2019; and March 31, 2020, and a deadline to submit audited financial information in accordance with 24 CFR § 5.801(b) and (d); and

#### 17.22 Other Waivers and Administrative Relief.

b. **PHA Reporting Requirements on HUD Form 50058.**

Regulatory Authority: 24 CFR Part 908, § 982.158  
Sub-regulatory Guidance: PIH Notice 2011-65

**Description:** PHAs must submit form HUD-50058 no later than 60 calendar days from the effective date of any action recorded on line 2b of the form HUD-50058 or form HUD-50058 MTW. The Notice states HUD will monitor timeliness of reporting and may sanction a PHA for late reporting.

HUD recognizes that PHAs that implement waivers and alternative requirements under this notice likely will submit form HUD-50058 later than 60 calendar days from the effective date of certain actions, particularly related to reexaminations and inspections. HUD is waiving the 60-day deadline and providing that PHAs must submit form HUD-50058 or HUD-50058 MTW for transactions impacted by implemented waivers and alternative requirements within 90 days of the effective date of action.

Although this waiver provides up to 90 days for PHAs to submit HUD-50058 forms into IMS-PIC, HUD encourages those PHAS that are have operational capacity to do so to continue submitting HUD-50058 forms within the normal 60-day timeframe.

PIH recognizes this Notice and any subsequent Notices providing waiver authority to HUD-50058 submission requirements could impact the PHA’s ability to submit HUD-50058 forms into the IMS-PIC system and potentially result in fatal errors. In order to minimize the occurrence of these errors resulting from implementing these waivers, PIH will be issuing guidance in the near future that will provide PHAs with workarounds to avoid any potential issues in the PIC system.

For PHAs that submit HUD-50058 forms and receive a fatal error, PIH will not require these HUD-50058 forms to be re-submitted consistent with the waiver of reporting provisions in the Notice. PIH encourages these PHAs to not re-submit these forms until...
after PIH issues the revised guidance for HUD-50058 reporting. For PHAs that submit HUD-50058 forms successfully in the interim period before the new reporting guidance is issued, PIH may require corrections to these HUD-50058 forms and re-submission to IMS-PIC.

TERREBONNE PARISH HOUSING CHOICE VOUCHER PROGRAM
ADMINISTRATIVE PLAN

Chapter 18
Tenant Protection Vouchers/Sunset Program

INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this plan relating to HUD issued Tenant Protection Vouchers/Sunset Voucher Program.

A. PURPOSE

Tenant Protection Vouchers (TPVs) are provided to protect HUD-assisted families from hardship as the result of a variety of actions that occur in HUD’s Public Housing (Low-Rent), the Multifamily Housing portfolios, and Moderate Rehabilitation properties. Under current HUD policy, TPVs may also be issued in connection to such actions for vacant units that have been occupied by a HUD-assisted family in the past 24 months. Certain TPVs (called replacement TPVs) become part of the Public Housing Agency (PHA’s) Housing Choice Voucher (HCV) program and may be reissued to families on the PHA’s waiting list upon turnover. In contrast to replacement TPVs, relocation TPVs may not be reissued by the PHA after the initial family that received the TPV ceases to receive the voucher assistance. Whether a TPV is a replacement or relocation TPV depends on whether the HUD-assisted housing is permanently lost.

Families residing in a unit that is impacted by one of the events triggering the TPV, and who are eligible for such TPVs, are not required to apply for the voucher. Instead, the eligible family will be admitted as a special admission, without consideration of the family’s position on the PHA’s waiting list. The TPV generally covers the difference between 30 percent of family income and the PHA’s payment standard or gross rent, whichever is lower.

PHA Policy

Participants (tenants and owners) of Tenant Protection /Sunset Program will follow policies and procedures detailed in the Housing Choice Voucher Program administrative plan under 24 CFR 982.
B. FAQ Guidance

Additional guidance for Tenant Protection Vouchers is available below and at https://www.hud.gov/program_offices/public_indian_housing/programs/hcv/tenant_protection_vouchers:

1. **What are TPVs for Public Housing Actions?** Tenant Protection Vouchers (TPVs) are Section 8 Housing Choice Vouchers (HCVs) that HUD provides to Public Housing Agencies (PHAs) that administer an HCV program. Although HUD also provides TPVs to PHAs to protect HUD-assisted families from hardship as the result of certain Multifamily Housing transactions, this document addresses TPVs only for HUD’s Public Housing (Low Rent) portfolio. In addition to assisting individual families, replacement TPVs, described in more detail below, mitigate the loss of Public Housing units in the community because these TPVs become part of the PHA’s HCV program and may be reissued to families on a PHA’s waiting list upon turnover. There are two types of TPVs that HUD may issue for Public Housing actions: relocation TPVs and replacement TPVs (see below).

2. **What is the difference between Relocation and Replacement TPVs?**

- **Relocation TPVs** are provided in cases where the PHA is replacing the Public Housing units removed through the Public Housing action with other Public Housing units. As such, relocation TPVs are provided as a temporary resource to the PHA to assist only the individual families who are being displaced by a Public Housing action. Once HUD provides a PHA with relocation TPVs, those TPVs can only be issued to families who will be displaced by a Public Housing action. If a family opts to relocate to another Public Housing unit, the PHA is not eligible to receive a relocation TPV for that unit. Once a family uses a relocation TPV to lease a unit, it becomes traditional HCV tenant-based assistance for the family and the family cannot be required to give up such assistance and move into a replacement Public Housing Unit (once developed and ready for occupancy). However, such families may voluntarily exit the HCV program to move into a replacement Public Housing unit. Relocation TPV's “sunset” upon turnover, which means that the PHA cannot reissue the HCV assistance from the relocation TPV when the family exits the HCV program. When a family exits the HCV program, HUD will reduce the PHA’s HCV assistance to account for the removal of that relocation TPV assistance from the PHA’s HCV baseline inventory.

- **Replacement TPVs** are provided in cases where the PHA is not replacing the Public Housing units removed through the Public Housing action with other Public Housing units. As such, replacement TPVs are provided as a permanent resource to the PHA and are intended to assist the individual families who are being displaced by the Public Housing action. After the initial family ends its participation in the voucher program, the associated voucher funding remains in the voucher agency’s baseline funding and the voucher is available to serve other low-income families in the community. Under current HUD policy, replacement TPVs are also provided for vacant units that were occupied by an assisted family in the previous 24 months.
3. **How will HUD determine if a PHA is eligible to receive relocation or replacement TPVs?** HUD will make the determination as part of its review of the triggering event that makes the PHA eligible to receive the TPVs, typically the application that the PHA submits to HUD’s Special Applications Center (SAC) via IMS/PIC (HUD-52860) (4/2018) (SAC application). In reviewing the SAC application, HUD will determine if the PHA is proposing to develop Public Housing units in connection with the Public Housing action. For instance, HUD may determine relocation TPVs are appropriate if a PHA proposes a Section 18 demolition and/or disposition in order to develop the same site with new replacement public housing units (including through mixed-finance development), or if a PHA proposes to dispose of valuable Public Housing units in order to develop more efficient/effective off-site new Public Housing units. However, if a PHA has no firm plans to develop replacement Public Housing units in connection with a Public Housing action, then HUD will generally determine the PHA is eligible to receive replacement TPVs. However, if a PHA’s redevelopment plans change and the PHA receives an amendment to a HUD approval that reflects the development of replacement Public Housing units, HUD will adjust the TPV accordingly.

4. **What Public Housing actions are eligible for TPVs?** Subject to the qualifications noted below, PHAs are eligible to receive TPVs after they receive HUD approval for the following Public Housing actions:

   - Demolitions and/or dispositions approved under Section 18
   - Demolitions authorized under de minimis authority of Section 18
   - Required conversions approved under Section 33
   - Voluntary conversions approved under Section 22
   - Homeownership plans approved under Section 32
   - Removals authorized under Choice Neighborhoods and/or HOPE VI grants

HUD **does not** award TPVs for Public Housing units converted under HUD’s Rental Assistance Demonstration (RAD) program. RAD units are funded through the direct conversion of subsidy. PHAs should also note that if they receive a TPV for a Public Housing action, those units are no longer eligible to be converted under RAD, even if the PHA has not yet removed the units from its Public Housing inventory.

In addition, in instances of imminent health and safety, a PHA may be eligible to receive TPVs after it submits a SAC application to HUD but prior to receiving HUD approval of that Public Housing Action. See additional guidance.

5. **How many TPVs is a PHA eligible to receive?** This depends on several factors, including:

   - **Occupancy of Units.** The 2019 Appropriations Act limits TPVs to units occupied within the previous 24 months that cease to be available as assisted housing, to the extent funding is available. Current HUD policy is to provide relocation TPVs for units occupied by an assisted family at the time of the TPV application. Replacement TPVs are issued for units occupied by an assisted family at the time
of the SAC/Choice Neighborhoods Initiative approval and for vacant units that were occupied by an assisted family within 24-months of the time of SAC/Choice Neighborhoods Initiative approval. See PIH Notice 2019-08.

- Assisted Housing. HUD considers a unit occupied by an assisted family if the family’s occupancy is authorized by the 1937 U.S. Housing Act (1937 Act). Accordingly, HUD’s approvals will reflect the following:
  - Eligible for TPVs. Units that are occupied by assisted families, over-income families, and/or law enforcement and security personnel in accordance with the 1937 Act (42 USC 1437(cc)). While a PHA is eligible to receive a TPV for a unit occupied by an over-income family, the family is not eligible to receive the TPV because they don’t independently qualify for the TPV under HCV program requirements (see Question 6).
  - Not Eligible for TPVs. Vacant units, NON-DWELLING units, units occupied by PHA EMPLOYEES, and other units occupied by OTHER NON-ASSISTED FAMILIES (i.e. for designated MTW activities) unless the units have been occupied by assisted families (as defined above) within the past 24-months.
  - HUD uses the unit designations in IMS/PIC to determine a PHA’s TPV eligibility. See Appendix B for more information concerning assisted units.

- Sufficient TPV funding at the time the PHA submits the TPV request;
- Certain Disposition Justifications--Improved efficiency or effectiveness. PIH Notice 2018–04, limits a PHA’s TPV award to 25 percent of the units approved for disposition at the project for dispositions based on improved efficiency or effectiveness under Section 3(A)(2) or 3(A)(3)(d) of the notice.
- Other HUD-issued guidance and/or the terms of HUD’s approval documents authorizing the action that makes the PHA eligible to receive the TPVs.
- PHA’s request. A PHA may request fewer TPVs than it is eligible to receive (e.g. because families have expressed a preference to be relocated to available Public Housing units; or a PHA has sufficient existing HCV resources to relocate families with a HCV without a TPV award). See Appendix A for a chart that illustrates TPV eligibility under existing guidance.

6. Must the family impacted by the conversion be eligible under HCV requirements in order to qualify for the TPV? Yes. The family must independently meet HCV eligibility requirements for admission to the HCV program, including income eligibility, to qualify for the TPV. Very low-income families (i.e. annual income at or below 50% of the median family income for the area, as determined by HUD) are income-eligible for a TPV. In certain cases, as defined in regulations at 24 CFR §982.201(b), a low-income family (i.e. annual income at or below 80% of the median family income for the area, as determined by HUD) may also be income-eligible for the TPV. For example, a low-income family that is “continually assisted” is income-eligible for the TPV. Continually assisted means that the family is already receiving assistance under any 1937 Housing Act program when they are admitted to the voucher program.
7. **How does HUD determine a replacement TPV award when a PHA is doing a phased Public Housing action and removing public housing units over a 5-10 year period?**

   A PHA’s maximum replacement TPV award is based on occupancy of units as explained in Question 5 above. This policy enables a PHA to “lock-in” a replacement TPV award, notwithstanding its plan to do a phased disposition. For example, if a PHA received a Section 18 approval to dispose of 500 Public Housing units, and is planning on implementing the relocation in 5-phases (100 units per phase over a 10-year period), the PHA is eligible to receive replacement TPVs based on occupancy (including the 24-month look-back) at the time of the HUD approval, regardless of the occupancy at the time the PHA submits a TPV request to HUD for a particular phase. This will allow a PHA to vacate units at turnover, in future phases, without losing any replacement TPV award eligibility.

8. **How does Congress fund TPVs?** Congress funds TPVs as part of annual Appropriations Act. In 2019, the final Appropriations Act included $85M for TPVs. This amount, combined with available carryover, was anticipated to support approximately 17,000 families. HUD implements HCV funding policies, including those for TPVs, in annual funding implementation notices. The latest funding implementation notice is PIH 2018-09 and 2019-08 for Calendar Years (CY) 2018 and 2019, respectively. Such notices are posted on HUD’s website at: https://www.hud.gov/program_offices/public_indian_housing/publications/notices

9. **How does HUD fund TPVs?** HUD issues TPVs based on the average Per Unit Cost (PUC) in the PHA’s HCV program. However, if a PHA has concerns regarding the sufficiency of the funding based on PUC, the PHA can request higher TPV funding. HUD will be issuing additional guidance on how PHAs make requests for higher TPV funding. Inquiries about TPVs’ PUC should be directed to the Office of Housing Voucher Programs’ Financial Management Division at PIH_Conversion_Activities@hud.gov.

10. **Do TPVs increase a PHA’s HCV renewal?** Yes—both relocation and replacement TPVs will have the effect of increasing a PHA’s HCV renewals, to the extent they remain under lease and costs are reported in VMS. However, once the relocation TPVs sunset, by definition, they will not be reissued, and HUD will reduce them from the PHA’s ACC. Therefore, they will have partial to no effect in the PHA’s future HCV renewals.

11. **How does a PHA know that there will be sufficient TPV funding when it applies for it?** HUD currently issues TPVs for eligible Public Housing actions on a first come, first-serve basis. In recent years, there has been sufficient TPV funding to fund all eligible Public Housing actions. Should the demand for TPV funding require that HUD needs to conserve TPV resources, HUD may issue guidance that describes how it will manage the TPV account, including prioritizing the circumstances or condition warranting TPV issuance. Such guidance may place constraints on certain Public Housing actions, which may include prioritizing the order in which HUD approves certain Public Housing actions, limiting the number of units that HUD approves for certain Public Housing actions in a fiscal year, or temporarily suspending approvals for certain Public Housing actions until TPV resources are determined to be sufficient to meet the demand for tenant.
protection actions. PHAs and Field Office Public Housing Representatives can reach out to the Housing Voucher Financial Management Division (FMD) to confirm whether there is sufficient TPV funding. Nonetheless, the FMD will always announce to all PHAs and stakeholders when funding for a specific CY is insufficient to fund vouchers for 12 months and what would be the effect in renewals for these vouchers.

12. Once a PHA receives TPVs, are the TPVs treated different from other HCVs?
Generally, not for Public Housing actions. Once a PHA receives a TPV award, all applicable HCV requirements apply to HCV funds that the PHA receives through that TPV award. However, certain TPV-specific requirements and conditions apply—including the sunset provision of relocation TPVs (i.e. the voucher cannot be reissued upon turnover), the requirement to first offer the TPV to the impacted family, and the special admissions authorization for TPVs.

13. Can a PHA project-base a TPV award that it receives for a Public Housing action?
Updated
a. Relocation TPVs – No. PHAs cannot project-base relocation TPVs since they are provided as a temporary resource and “sunset” with families to whom they are issued.
b. Replacement TPVs – Yes, as further described in this response. In all cases where the TPV may be project-based, the PHA must comply, independently, with all requirements related to project-base vouchers (see PIH Notice 2017-21, 24 CFR part 983, and related guidance). Additionally, the PHA must also comply with any requirements of the SAC approval. For example, if the SAC approves a disposition at below fair market value, and the property being disposed of will continue to be used as affordable housing, then the SAC is likely to require recordation of a use restriction. Even though recordation of a use restriction is not a PBV program requirement, it will be required if the PHA project-bases TPVs at the property.

Some of the other differences among the removal tools are summarized below:

- **Section 18 Demolition/Disposition.** Section 18 of the 1937 Act, which requires a PHA to provide a family with “comparable housing,” does not impose limitations (in contrast with Section 22 of the Act, for example) on a PHA’s authority, under Section 8(o)(13) of the Act, to project-base HCV assistance awarded in connection with the Section 18 action. Therefore, a PHA may project-base the TPV assistance at a former public housing unit if the unit complies with PBV program requirements (for example, the unit must meet HUD’s Housing Quality Standards (HQS) at HAP contract execution). In this case, the PHA may project-base the TPV assistance without the family’s consent to relinquish the TPV assistance in favor of a PBV-assisted unit. The PHA must, however, offer the family the opportunity to reside in the PBV unit funded through the TPV.

- **Section 22 Streamlined Voluntary Conversion.** The statute and HUD regulations provide that if a project (or portion of a project) will be used as rental housing following a Section 22 approval, then each family residing in the project may remain in its dwelling unit with tenant-based assistance (e.g., tenant-based TPV assistance). The unit must still independently meet applicable HCV requirements for a family to be able to use the tenant-based voucher in the
family’s current unit. Additionally, based on this tenant-based provision, there is no statutory or regulatory right to provide PBV assistance to the project.

However, per PIH 2019-05, if a PHA wishes to project-base the TPVs at a project that has been approved for a Section 22 SVC, then the PHA must first obtain the informed written consent of each family to relinquish its tenant-based TPV in order to be assisted in a unit under a PBV HAP contract at the project.

- **Section 33 Required Conversions.** The statute and HUD regulations provide that if a project (or portion of a project) will be used as rental housing following a Section 33 approval, then each family residing in the project may remain in its dwelling unit with tenant-based assistance (e.g., tenant-based TPV assistance). The unit must still independently meet applicable HCV requirements for a family to be able to use the tenant-based voucher in the family’s current unit.

Given this tenant-based provision, there is no statutory or regulatory right to provide PBV assistance to the project and HUD determined, in PIH 2019-10, that it would be inappropriate for a PHA to enter into a long-term PBV HAP contract at a project that has met the regulatory and statutory criteria of 24 C.F.R. Part 972 and Section 33 of the 1937 Act for severely distressed housing. A PHA may project-base the assistance on the same site only if current buildings are demolished and new housing is constructed, and then only if the site complies with all PBV program requirements, including the new construction site and neighborhood standards.

14. **Can a PHA use a Replacement TPV to temporarily relocate a family, then require the family to move back to a PBV unit after rehab?** No. Once a tenant receives a replacement TPV and leases a unit with tenant-based assistance, it is considered permanent assistance. The PHA cannot require the tenant to turn-in that tenant-based assistance and return to the former public housing site after it is redeveloped with project-based voucher (PBV) assistance.

15. **Does a family’s written consent to relinquish its tenant-base assistance in connection with a voluntary conversion replace the required 90-day notice of displacement?** No. After receiving HUD approval of the Voluntary Conversion plan, the PHA must provide families with not less than 90-day notice of when it plans to convert their public housing assistance to tenant-based or PBV assistance. If the family has not voluntarily consented to PBV assistance, the 90-day notice must provide that the PHA is providing the family with tenant-based assistance, which the family can use off-site or in its current unit (if the project will be used as rental housing) and the PHA will pay for any actual and reasonable moving expenses.

16. **What happens if a PHA does not have an HCV program (i.e. currently operates only a Public Housing program) and receives HUD approval to dispose of units under Section 18 or for another Public Housing action that is eligible for TPVs?** HUD does not allow Public Housing only PHAs to create Section 8 HCV programs based solely on TPV eligibility. Therefore, if the PHA that received HUD approval of the Public Housing
action is a Public Housing only agency (and therefore cannot receive or administer TPVs), the PHA must partner with another PHA (that has an HCV program) to administer the TPVs. The administering HCV PHA must have jurisdictional authority to administer its program in the PH project’s geographic area under state and local law, and the administrative capacity to administer the TPVs. The HCV PHA may have authority to administer its HCV program in the Public Housing PHA’s jurisdiction through the HCV PHA’s enabling legislation or through a jurisdictional agreement or MOU with the Public Housing only PHA, if allowed under state and local law. The partnering arrangement must be identified in the SAC application and approved by HUD’s local Office of Public Housing. PHAs with HCV programs can also partner with another HCV agency for the administration of the TPVs, with HUD approval.

17. **How does a PHA notify HUD that it wants to receive TPVs based on a Public Housing action?** Does HUD automatically provide TPVs as part of its approval of a Public Housing action? The issuance of TPVs to a PHA does not occur automatically with HUD approval of an application. Instead, the PHA must apply separately for TPVs in accordance with the current PIH funding notice for the HCV program.

A PHA should not submit a TPV request until it needs the TPVs for purposes of relocating the families who will be displaced (generally no sooner than 30-60 days from the planned start of relocation).

As part of its TPV request, the PHA submits the following to its Field Office:

A. The name and IMS/PIC number of the project approved for removal;
B. The number of TPVs requested:
   o Replacement TPVs. Maximum TPV award based on units occupied within 24 months of the HUD approval
   o Relocation TPVs. Maximum TPV award based on units occupied at time of TPV application plus family relocation preference for HCV tenant-based assistance (i.e. PHA is not eligible to receive a relocation TPV if family will be relocated to a public housing unit);
C. Form HUD-52515 (Voucher Funding Application). If lease-up will cover more than one calendar year, the PHA must submit a separate Form HUD-52515 for each calendar year. NOTE: HUD recently published a new HUD-52515 (7/2019). PHAs applying for TPVs for public housing action only need to complete Fields A, B, C, and D of the new HUD52515. On Field C, the number of TPVs requested by PHAs must not exceed the maximum number TPVs authorized in the HUD approval (unless HUD was only funding TPVs for occupied units at the time of the approval, then the PHA may request Replacement TPVs for units that were occupied within the previous 24-months of HUD approval.
D. A leasing schedule that identifies the number of TPVs that will be leased on a month-to-month basis. If lease-up will cover more than one calendar year, the PHA must submit a separate schedule for each year; and
E. Either a copy of HUD’s approval that makes the PHA eligible for the TPVs (i.e. SAC application) or a reference to the SAC application (DDA) number and date of that approval.

If the PHA that received HUD approval of the triggering Public Housing action does not operate a Section 8 HCV program, the request should come from the HCV agency that has agreed to administer the TPVs. However, prior to submitting the TPV request, the Public Housing only PHA must request and obtain Field Office approval of that administrating HCV agency.

18. Is there a connection between the timing of a PHA’s request to HUD for TPVs and the timetable in the SAC application that indicates the PHA’s planned start of relocation? Yes. Although the timelines impact different things (i.e. the timetable in the SAC application impacts the start of the PHA’s asset-repositioning fee (ARF) under 24 CFR 990.190 and the TPV request impacts when the PHA receives the TPV award), these timelines should be consistent. For instance, if the timetable in a SAC application indicates that a PHA will start relocating families 180-days after HUD approval of the SAC application, it should generally request the TPVs approximately 30-60 days before this date.

19. Can a family use the TPV to lease a unit anywhere in the country where there is a PHA that administers an HCV program? Generally, yes, if the TPV is provided as tenant-based assistance and the head of household or spouse has legal residence, at the time of issuance of the TPV, in the jurisdiction of the PHA administering the TPV. If the family does not have legal residence in the PHA’s jurisdiction, the PHA may limit a family’s ability to move with a voucher outside of its jurisdiction during the first 12 months of assistance.

Additionally, under limited circumstances, a PHA may deny a family’s request to move outside of its jurisdiction, such as when the PHA would have insufficient funding to support the move. More information, including fair housing requirements, may be found in Notice PIH 2016-09 and in the HCV Guidebook, Moves and Portability chapter.

20. How do PHAs report TPVs in HUD’s Voucher Management System (VMS)? Replacement and relocation TPVs are reported under the “Tenant Protection” field for as long as they are used by the family to which the assistance was initially provided. Replacement TPVs are reported in VMS under the “All Other Voucher” field if the original family exits the program and the voucher is reassigned to another family. Relocation TPVs are no longer reported in VMS when the family to which assistance was initially provided leaves the HCV Program.
PROJECT-BASED VOUCHER (PBV) ASSISTANCE

PART 1: GENERAL REQUIREMENTS

The Project-Based Voucher (PBV) program allows Public Housing Authorities (PHAs) that already administer a tenant-based voucher program under an annual contributions contract (ACC) with HUD to utilize up to 20 percent of its authorized units and attach the funding to specific units rather than using it for tenant-based assistance [24 CFR 983.6]. PHAs may only operate a PBV program if doing so is consistent with the PHA’s Annual Plan, and the goal of deconcentrating poverty and expanding housing and economic opportunities [42 U.S.C. 1437f(o)(13)].

A. Size of Project-Based Voucher Program
TPCG will operate a project-based voucher program using up to 20 percent of its authorized ACC units for project-based assistance. TPCG may attach PBV assistance to existing housing, newly constructed or rehabilitated housing [24 CFR 983.52].

TPCG may project-base an additional 10 percent of its authorized ACC units above the 20 percent program limit. The units may be distributed among one, all, or a combination of the categories listed below as long as the total number of units does not exceed the 10 percent cap. Units qualify under this exception if the units:
• Are specifically made available to house individuals and families that meet the definition of homeless under section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302) and contained in the Continuum of Care Interim Rule at 24 CFR 578.3.
• Are specifically made available to house families that are comprised of or include a veteran.
• Provide supportive housing to persons with disabilities or elderly persons as defined in 24 CFR 5.403.
• Are located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year Estimates.

Only units that are under a HAP contract that was first executed on or after April 18, 2017, may be covered by the 10 percent exception. [FR Notice 1/18/17; PIH Notice 2017-21]

PBV units under the RAD program and HUD-VASH PBV set-aside vouchers do not count toward the 20 percent limitation when PBV assistance is attached to them.

B. Applicability of Tenant-Based Voucher Regulations

Except as otherwise noted in this chapter, or unless specifically prohibited by PBV program regulations, TPCG’s policies for the tenant-based voucher program contained in this Administrative Plan also apply to the PBV program and its participants. The provisions of the tenant-based voucher program that do not apply to the PBV program are described at 24 CFR 983.2.
C. Relocation Assistance

Any persons displaced as a result of implementation of the PBV program must be provided relocation assistance in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA)[42 U.S.C. 4201-4655] and implementing regulations at 49 CFR part 24. [24 CFR 983.7] The acquisition of real property for a PBV project is subject to the URA and 49 CFR part 24, subpart B.

D. Equal Opportunity

TPCG will comply with all equal opportunity requirements under federal law and regulations in its implementation of the PBV program. This includes the requirements and authorities cited at 24 CFR 5.105(a). In addition, TPCG will comply with the PHA Plan certification on civil rights and affirmatively furthering fair housing, submitted in accordance with 24 CFR 903.7(o). [24 CFR 983.8]

PART 2: PBV OWNER PROPOSALS

A. Overview

Before selecting a PBV proposal, TPCG will determine that the PBV proposal complies with HUD program regulations and requirements, including a determination that the property is eligible housing [24 CFR 983.53 and 983.54], complies with the cap on the number of PBV units per project [24 CFR 983.56], and meets the site selection standards [24 CFR 983.57].

B. Owner Proposal Selection

TPCG may select PBV proposals by either of the following two methods.

• Request for PBV Proposals. TPCG may solicit proposals by using a request for proposals to select proposals on a competitive basis. TPCG shall not limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV housing on different sites.

• Proposals that were previously selected based on a competition. This may include selection of a proposal for housing assisted under a federal, state, or local government housing assistance program that was subject to a competition in accordance with the requirements of the applicable program, community development program, or supportive services program that requires competitive selection of proposals (e.g., HOME, and units for which competitively awarded LIHTCs have been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance. Under these circumstances, TPCG shall not conduct another competition.

C. Public Housing Units Selected Non-Competitively

TPCG may attach PBVs to projects in which TPCG has an ownership interest or has control of, without following a competitive process, in cases where TPCG is engaged in...
an initiative to improve, develop, or replace a public housing property or site. If TPCG plans rehabilitation or new construction, a minimum threshold of $25,000 per unit in hard costs is required. If TPCG plans to replace public housing by attaching project-based assistance to existing housing in which TPCG has an ownership interest or over which TPCG has control, the minimum threshold does not apply provided that the existing housing substantially complies with HUD housing quality standards. “Substantially complies with HUD’s housing quality standards” means that the housing does not have any life-threatening violations as described in the Administrative Plan above.

The units selected under this section must be eligible for PBV assistance in accordance with 24 CFR 983.53, and the selection of the units must satisfy all other applicable statutory and regulatory requirements of the PBV program. TPCG shall detail the work it plans to do on the public housing property or site as well as how many units it plans to project-base at the property or site through the annual and/or five-year plan process.

The developments in Appendix B will be replaced with affordable housing owned or controlled by TPCG at off-site locations that complies with HUD housing quality standards and meets all other applicable program requirements. Units selected may include new construction, substantial rehabilitation and/or acquisition of existing housing based on TPCG’s assessment of the best available options to meet the needs of the community and TPCG residents. TPCG may modify this project listing in the future. The net number of affordable units awarded PBV assistance may exceed the original number of public housing units, where allowed under regulation.

D. Solicitation and Selection of PBV Proposals: RFP Method

[24 CFR 983.51(c)]

TPCG may issue a request for PBV proposals (RFP) when it determines that a competitive selection process has a reasonable likelihood of generating proposals that will expand housing opportunities and housing choice in the City. Owner proposals will be requested in an advertisement with a reasonable deadline and posted on TPCG’s website. TPCG may either establish a single deadline for submission or establish multiple deadlines.

TPCG will not limit proposals to a single site or impose restrictions that explicitly or practically exclude owners from submitting project-based proposals on different sites. The TPCG may restrict proposals to those that have a certain number of bedrooms based on waiting list or community need. Owners that request an application package will be sent an RFP application and information packet or provided with instructions on how to download the application from TPCG’s website. The application package will contain the following:

1. A description of the PBV program;
2. Project selection criteria;
3. Sample program documents including payment standard schedule, utility allowance schedule and sample HAP agreement;
4. An application / proposal form;
5. Information about application due date;
6. Other information as may be required by TPCG.

At TPCG’s option, a Bidders Conference may be provided for owners who would like additional information about the program.

TPCG will review only proposals submitted in response to the Request for Proposals advertisement and submitted by the stated deadline. The TPCG will review proposals for completeness and compliance with RFP requirements. Proposals must include the following information (threshold requirements):

1. Property description, including unit sizes, number of vacancies, eligible occupants.
2. Evidence that property is eligible housing;
3. Evidence that property complies with the cap on the number of PBV units per project;
4. Evidence that property meets the applicable site and neighborhood selection standards;
5. Owner certification indicating understanding and agreement to abide by all TPCG and HUD rules and regulations governing the PBV program;
6. Description of previous management experience and participation in HUD subsidized housing programs;
7. Written tenant selection policy and procedures;
8. Proposed rent levels accompanied by rent comparables for similar unassisted units in the area;
9. Information on how the site is consistent with the deconcentration goals already established in the TPCG’s PHA Plan and with civil rights laws and regulations, including HUD’s rules on accessibility;
10. Owner’s agreement to select tenants from the TPCG waiting list; and,
11. Other information that may be required by TPCG to evaluate the proposal.

In addition, proposals for PBV New Construction and/or Substantial Rehabilitation must include:

1. Description of project including work plans;
2. Zoning permits and evidence of site control;
3. Disclosure of Low Income Tax Credit use or lien;
4. Statement of Sources and Uses for Funds to develop the project;
5. Operating proforma;
6. Descriptions of historic and environmental review status;
7. Owner’s plan to manage and maintain property; and,
8. Other information that may be required by TPCG to evaluate the proposal.

TPCG will rate and rank proposals using criteria published in the RFP. Such criteria shall be further defined in the RFP issued by TPCG and generally relate to:

- Owner experience and capability to build, rehabilitate and or manage housing as identified in the RFP;
- Financial feasibility of the project including commitments for development financing where applicable and adequacy of projected operating funding;
• Extent to which the project furthers the goal of deconcentrating poverty and expanding
housing and economic opportunities;
• Extent to which the project supports TPCG goals related to permanent supportive
housing, youth aging out of foster care, reducing homelessness, support for City and/or
other revitalization initiatives and/or other goals identified in the RFP;
• Extent to which the project demonstrates an appropriate supportive services plan based
on projected resident needs; and,
• Other criteria as defined in the RFP issued by TPCG.

Incomplete proposals will not be processed; however, TPCG may provide the owner with
an opportunity to address any deficiencies. If the owner fails to provide the needed
information within a reasonable time as specified by TPCG, the proposal will be rejected.
Proposals, which would require permanent displacement of tenants, will be rejected.
Proposals where there is not site control will be rejected. Proposals where the property
has liens attached and these liens are a result of the current owner's negligence will be
rejected.

Proposals are subject to review and approval by the TPCG Housing & Human Services
Administration. The proposal selection date is the date that the proposal is approved by
the TPCG H&HS Administration.

E. Selection of Proposals Subject to a Previous Competition
If sufficient funds are available, TPCG may elect to accept proposal(s) for PBV
assistance from owner(s) that were competitively selected under another federal, state or
local housing assistance program, including projects that were competitively awarded
Low-Income Housing Tax Credits on an ongoing basis, provided that the proposal(s) are
consistent with the site selection standards, further compliment other local activities, and
are consistent with TPCG’s PHA Plan. The selection under the prior competition must
have occurred within three years of the PBV proposal selection date, and the earlier
competition could not involve consideration that the project would receive PBV
assistance.

On an ongoing basis, TPCG may directly solicit proposal(s) from owners that qualify
under this method and/or may review and consider proposal(s) solicited by project
owners. In order for TPCG to consider a proposal under this method, the owner must
submit the following to TPCG’s Housing & Human Services Department:
1. A description of the project including location, unit mix and type, as well as
amount of proposed PBV units with sufficient detail to determine that the
property is eligible housing, complies with the cap on the number of PBV units
per project, and meets the site selection standards.
2. Current operating budgets and operating proforma showing current and
proposed rents, utility allowances, vacancy rates, and project expenses.
3. A description of the owner entity and any partners including the management
team.
4. Description of the need for vouchers and services offers on site.
5. Any other additional information needed to make a determination that the project complies with TPCG policy priorities, federal, state, and local laws.

If funds for Project Based Vouchers are available, TPCG may select proposals that are consistent with the site selection standards, further compliment other local activities, and are consistent with TPCG’s PHA Plan. TPCG shall provide prompt notice to the owner and public notice of its selection of units for PBV assistance under this selection method. Proposals selected under this method are subject to the HQS inspection, subsidy layering review, environmental review, and all other applicable requirements noted above in the discussion of proposals selected under the Request for Proposals method.

F. TPCG-Owned Units

[24 CFR 983.51(e), 983.59, FR Notice 1/18/17, and Notice PIH 2017-21]

A TPCG-owned unit may be assisted under the PBV program only if the HUD field office or HUD approved independent entity reviews the selection process and determines that the units were appropriately selected based on the selection procedures specified in the Administrative Plan. The term of the HAP contract and any HAP contract renewal must be agreed upon by TPCG and the HUD approved independent entity. In addition, the independent entity must determine the rent to owner, the redetermined rent to owner, and reasonable rent. Housing quality standards inspections must also be conducted by the independent entity.

The independent entity that performs these program services may be the unit of general local government for Terrebonne Parish or another HUD-approved public or private independent entity.

TPCG may only compensate the independent entity from its ongoing administrative fee income (including amounts credited to the administrative fee reserve).

G. Notice of Owner Selection

[24 CFR 983.51(d)]

Within 30 business days of TPCG H&HS Administration approval of a PBV selection, TPCG will notify the selected owner in writing of the owner’s selection for the PBV program. TPCG will also notify in writing all owners that submitted proposals that were not selected. Owners of rejected proposals will be offered an opportunity to discuss the rejection in person with TPCG proposal evaluators.

TPCG will also post the notice of owner selection on its website.

H. Housing Type

[24 CFR 983.52]

TPCG may attach PBV assistance for units in existing housing, newly constructed or rehabilitated housing developed under and in accordance with an Agreement to enter into a Housing Assistance Payments contract (AHAP) that was executed prior to the start of construction. A housing unit is considered an existing unit for purposes of the PBV program, if, at the time of notice of selection, the units substantially comply with HQS.
Units for which new construction or rehabilitation began after the owner's proposal submission but prior to the execution of the HAP do not subsequently qualify as existing housing. Units that were newly constructed or rehabilitated in violation of program requirements also do not qualify as existing housing.

I. Ineligible Housing Types

[24 CFR 983.53]

TPCG may not attach or pay PBV assistance to shared housing units; units on the grounds of a penal reformatory, medical, mental, or similar public or private institution; nursing homes or facilities providing continuous psychiatric, medical, nursing services, board and care, or intermediate care (except that assistance may be provided in assisted living facilities); units that are owned or controlled by an educational institution or its affiliate and are designated for occupancy by students; manufactured homes; and transitional housing.

TPCG may not attach or pay PBV assistance for a unit occupied by an owner and TPCG may not select or enter into an AHAP contract or HAP contract for a unit occupied by a family ineligible for participation in the PBV program. A member of a cooperative who owns shares in the project assisted under the PBV program is not considered an owner for purposes of participation in the PBV program.

PBV assistance may not be attached to units for which construction or rehabilitation has started after the proposal submission and prior to the execution of an AHAP.

TPCG may not attach or pay PBV assistance to units in any of the following types of subsidized housing [24 CFR 983.54]:

- A public housing unit;
- A unit subsidized with any other form of Section 8 assistance;
- A unit subsidized with any governmental rent subsidy;
- A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- A unit subsidized with Section 236 rental assistance payments (except that TPCG may attach assistance to a unit subsidized with Section 236 interest reduction payments);
- A Section 202 project for non-elderly with disabilities;
- Section 811 project-based supportive housing for persons with disabilities;
- Section 202 supportive housing for the elderly;
- A Section 101 rent supplement project;
- A unit subsidized with any form of tenant-based rental assistance;
- A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or TPCG in accordance with HUD requirements.
J. Subsidy Layering Requirement

TPCG may provide PBV assistance only in accordance with HUD subsidy layering regulations [24 CFR 4.13] and other requirements. Subsidy layering requirements apply to new construction and rehabilitation housing that will include forms of government assistance other than PBVs prior to entering into an Agreement to Enter into Housing Assistance Payments Contract (AHAP). Subsidy layering requirements do not apply to existing housing, when PBV is the only governmental assistance, or for projects already subject to a PBV HAP contract, even if the project is recapitalized with outside sources of funding.

When TPCG selects a new construction or rehabilitation project, TPCG will require information regarding all HUD and/or other federal, state, or local governmental assistance to be disclosed by the project owner. FR Notice 2/28/20 contains a list of all required documentation.

Either HUD or a HUD-approved housing credit agency (HCA) in the PHA’s jurisdiction performs the subsidy layering review. TPCG will request an SLR though its local HUD Field Office or, if eligible, through a participating HCA.

K. Cap on PBV Units
[24 CFR 983.56, FR Notice 1/18/17, and Notice PIH 2017-21]

Except as noted below, TPCG may not select a proposal to provide PBV assistance for units in a project or enter into an AHAP contract or a HAP contract to provide PBV assistance for units in a project, if the total number of dwelling units in the project that will receive PBV assistance during the term of the PBV HAP contract is more than the greater of 25 units or 25 percent of the number of dwelling units (assisted or unassisted) in the project.

As of April 18, 2017, units are not counted against the 25 percent or 25-unit per project cap if:

- The units are exclusively for elderly families.
- The units are for households eligible for supportive services available to all families receiving PBV assistance in the project.

If the project is located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year estimates, the project cap is the greater of 25 units or 40 percent (instead of 25 percent) of the units in the project [FR Notice 7/14/17].

The Housing Opportunity Through Modernization Act of 2016 (HOTMA) eliminated the project cap exemption for projects that serve disabled families and modified the exception for supportive services. Projects where these caps were implemented prior to HOTMA (HAP contracts executed prior to April 18, 2017) may continue to use the former exceptions and may renew their HAP contracts under the old requirements, unless TPCG and owner agree to change the conditions of the HAP contract. However, this
change may not be made if it would jeopardize an assisted family’s eligibility for continued assistance in the project.

Notwithstanding the above, TPCG may establish limitations on the number of units and/or the size of projects that will receive PBV assistance. Any such limits shall be identified in the Request for Proposals issued by TPCG, or shall be communicated to owners considered for selection under the non-competitive, prior competition method.

L. Definition of Supportive Services
The types of services that the TPCG will deem eligible to qualify a project to meet HUD’s definition of families receiving supportive services include, but are not limited to:

- Meal service adequate to meet nutritional need
- Housekeeping Aid and Household Training (e.g.: homemaking, parenting skills, money management)
- Personal assistance
- Transportation services
- Health-related services such as Substance Abuse Treatment (counseling and treatment for substance abuse)
- Educational and Employment services such as Job Training (preparation and counseling, job development and placement, follow-up assistance after job placement, completion of FSS “Contract of Family Participation) or Remedial Education (education for the completion of Secondary or post-secondary education.
- Self Sufficiency Services and Resources (appropriate to assist families to achieve economic independence and self-sufficiency); other services designed to help the recipient live in the community as independently as possible.

It is not required that services be provided at or by the project, provided that they are approved services. TPCG will require owners of such projects to submit an Annual Progress Report to ensure compliance with the supportive service exemption on the number of units per building. Failure to submit Annual Progress Reports may result in abatement of the HAP payment.

M. Site and Neighborhood Standards Applicable to All Housing Types
TPCG may select a proposal for PBV assistance for existing, newly constructed or rehabilitated housing if it is consistent with the following:

1. The housing site must be located in TPCG’s jurisdiction and be consistent with the deconcentration goals already established in TPCG’s PHA Plan and with civil rights laws and regulations, including HUD’s rules on accessibility;
2. TPCG will evaluate each proposal based on whether the site is in an Enterprise Zone, Economic Community or Renewal Community (EZ/EC/RC);
3. Whether the concentration of assisted units will or has decreased as a result of public housing demolition;
4. Whether the census tract is undergoing significant revitalization;
5. Whether government funding has been invested in the area;
6. Whether new market rate units are being developed in the area which are likely to positively impact the poverty rate in the area;
7. If the poverty rate in the area is greater than 20% whether in the past five years there has been an overall decline in the poverty rate, and
8. Whether there are meaningful opportunities for educational and economic advancement in the area.
9. The site must be suitable from the standpoint of facilitating and further compliance with the applicable provisions of the Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, Executive Order 11063 and HUD’s implementing regulations for the foregoing.
10. The site must meet the section 504 site selection requirements described in 24 CFR 8.4(b)(5).
11. The site must meet the HQS site standards at 24 CFR 982.401(l).

N. Existing and Rehabilitated Housing Site and Neighborhood Standards
A site for existing or rehabilitated PBV housing must meet the following site and neighborhood standards:

1. The site must be adequate in size, exposure and contour to accommodate the number and type of units proposed, and is there adequate utilities and available streets to service the site;
2. The site must promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
3. The site must be accessible to social, recreational, educational, commercial and health facilities and services and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted, standard housing of similar market rents; and,
4. The site must be located such that travel time and cost via public transportation or private automobile from the neighborhood to places of employment providing a range of jobs for lower income workers is not excessive.

O. New Construction Site and Neighborhood Standards
A site for newly constructed PBV housing must meet the following site and neighborhood standards:

1. The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities (water, sewer, gas, and electricity) and streets must be available to service the site.
2. The site must not be located in an area of minority concentration, except as permitted under paragraph (3) below, and must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to non-minority residents in the area.
3. A project may be located in an area of minority concentration only if:
a. Sufficient, comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside areas of minority concentration; or
b. The project is necessary to meet overriding housing needs that cannot be met in that housing market area.
c. As used in paragraph (3)(a) above, “sufficient” does not require that there be an equal number of assisted units within and outside of areas of minority concentration. Rather, application of this standard should produce a reasonable distribution of assisted units each year that, over a period of several years, will approach an appropriate balance of housing choices within and outside areas of minority concentration. An appropriate balance must be determined in light of local conditions affecting the range of housing choices available for low-income minority families and in relation to the racial mix of the City’s population.
d. Units may be considered “comparable opportunities,” as used in paragraph 3)(a) above, if they have the same household type (elderly, disabled, family, large family) and tenure type (owner/renter); require approximately the same tenant contribution towards rent; serve the same income group; are located in the same housing market; and are in standard condition.
e. Application of this sufficient, comparable opportunities standard involves assessing the overall impact of HUD-assisted housing on the availability of housing choices for low-income minority families in and outside areas of minority concentration, and must take into account the extent to which the following factors are present, along with other factors relevant to housing choice:
   i. A significant number of assisted housing units are available outside areas of minority concentration.
   ii. There is significant integration of assisted housing projects constructed or rehabilitated in the past 10 years, relative to the racial mix of the eligible population.
   iii. There are racially integrated neighborhoods in the locality.
   iv. Programs are operated by the locality to assist minority families that wish to find housing outside areas of minority concentration.
   v. Minority families have benefited from local activities (e.g., acquisition and write-down of sites, tax relief programs for homeowners, acquisitions of units for use as assisted housing units) undertaken to expand choice for minority families outside of areas of minority concentration.
   vi. A significant proportion of minority households has been successful in finding units in non-minority areas under the tenant-based assistance programs.
   vii. Comparable housing opportunities have been made available outside areas of minority concentration through other programs.
   viii. Application of the “overriding housing needs” criterion, for example, permits approval of sites that are an integral part of an overall local strategy for the preservation or restoration of the immediate neighborhood and of sites in a neighborhood experiencing significant private investment that is demonstrably improving the economic character of the area (a “revitalizing area”). An “overriding housing need,” however, may not
serve as the basis for determining that a site is acceptable, if the only reason the need cannot otherwise be feasibly met is that discrimination on the basis of race, color, religion, sex, national origin, age, familial status, or disability renders sites outside areas of minority concentration unavailable or if the use of this standard in recent years has had the effect of circumventing the obligation to provide housing choice.

f. The site must promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons.

g. The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate, unless there is actively in progress a concerted program to remedy the undesirable conditions.

h. The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted, standard housing of similar market rents.

i. Except for new construction, housing designed for elderly persons, travel time, and cost via public transportation or private automobile from the neighborhood to places of employment providing a range of jobs for lower-income workers, must not be excessive.

P. Environmental Review
[24 CFR 983.58]

Activities under the PBV program are subject to HUD environmental regulations at 24 CFR parts 50 and 58. The responsible entity is responsible for performing the federal environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). TPCG may not enter into an AHAP contract nor enter into a HAP contract until it has complied with the environmental review requirements.

In the case of existing housing, the responsible entity that is responsible for the environmental review under 24 CFR part 58 must determine whether or not PBV assistance is categorically excluded from review under the National Environmental Policy Act and whether or not the assistance is subject to review under the laws and authorities listed in 24 CFR 58.5.

TPCG may not enter into an AHAP contract or a HAP contract with an owner, and TPCG, the owner, and its contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct real property or commit or expend program or local funds for PBV activities under this part, until the environmental review is completed.

TPCG shall require the owner to carry out mitigating measures required by the responsible entity (or HUD, if applicable) as a result of the environmental review.
PART 3: DWELLING UNITS

A. Housing Quality Standards

[24 CFR 983.101]

The housing quality standards (HQS) for the tenant-based program, including those for special housing types, generally apply to the PBV program. HQS requirements for shared housing, manufactured home space rental, and the homeownership option do not apply because these housing types are not assisted under the PBV program.

The physical condition standards at 24 CFR 5.703 do not apply to the PBV program.

B. Lead-Based Paint

[24 CFR 983.101(c)]

C. Housing Accessibility for People with Disabilities

PBV housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8. The percentage of accessible dwelling units must comply with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as implemented by HUD’s regulations at 24 CFR 8, subpart C.

Housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable. (24 CFR 983.102)

D. Inspecting Units

Pre-selection Inspection [24 CFR 983.103(a)]

TPCG shall examine the proposed site before the proposal selection date. For existing units, TPCG shall inspect all the units before the proposal selection date, and shall determine whether the units substantially comply with HQS. To qualify as existing housing, units must substantially comply with HQS on the proposal selection date. TPCG shall not execute the HAP contract until the units fully comply with HQS.

Pre-HAP Contract Inspections [24 CFR 983.103(b)]

TPCG shall inspect each contract unit before execution of the HAP contract, and shall not enter into a HAP contract covering a unit until the unit fully complies with HQS.

Turnover Inspections [24 CFR 983.103(c), FR Notice 1/18/17, and Notice PIH 2017-20]

TPCG shall inspect each contract unit before providing assistance to a new family including at unit turnover. TPCG will not provide assistance in turnover units until the unit fully complies with HQS.
Biennial Inspections [24 CFR 983.103(d); FR Notice 6/25/14]

At least once every 24 months during the term of the HAP contract, TPCG shall inspect a random sample consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with HQS. Turnover inspections are not counted toward meeting this inspection requirement. TPCG shall generally perform all required inspections in a PBV project at the same time. If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, TPCG shall reinspect 100 percent of the contract units in the building.

Other Inspections [24 CFR 983.103(e)]

TPCG shall inspect contract units whenever needed to determine that the contract units comply with HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract, taking into account complaints and any other information coming to its attention in scheduling inspections.

TPCG shall conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an HQS violation, and shall conduct inspections as needed to determine the basis for exercise of contractual and other remedies for owner or family violation of HQS.

In conducting supervisory quality control HQS inspections, TPCG will include a representative sample of both tenant-based and project-based units.

Inspecting PHA-Owned Units [24 CFR 983.103(f)]

Inspections for TPCG-owned units under contract must be performed by an independent agency designated by TPCG and approved by HUD. The independent entity must furnish a copy of each inspection report to TPCG and to the HUD field office where the project is located. TPCG shall take all necessary actions in response to inspection reports from the independent agency, including exercise of contractual remedies for violation of the HAP contract by the owner.

PART 4: REHABILITATED AND NEWLY CONSTRUCTED UNITS

Rehabilitated and newly constructed housing selected for PBV assistance may not at a later date be selected for PBV assistance as existing housing.

A. Agreement to Enter into HAP Contract

To offer PBV assistance in rehabilitated or newly constructed units, TPCG shall enter into an Agreement to enter into HAP contract (AHAP) with the owner of the property. The AHAP shall be in the form and include the contents required by HUD [24 CFR 983.152(b)]. TPCG may not enter into an AHAP if commencement of construction or rehabilitation has commenced after proposal submission [24 CFR 983.152(c)].

Construction begins when excavation or site preparation (including clearing of the land) begins for the housing. Rehabilitation begins with the physical commencement of rehabilitation activity on the housing.
The AHAP shall specify the deadlines for completion of the housing, and the owner must develop and complete the housing in accordance with these deadlines. The AHAP shall also specify the deadline for submission by the owner of the required evidence of completion.

TPCG may not enter into the AHAP if construction or rehabilitation has started after proposal submission. TPCG may not enter into the Agreement with the owner until the subsidy layering review is completed, the environmental review is completed and TPCG has received environmental approval.

TPCG does not need to conduct a subsidy layering review in the case of a HAP contract for existing housing or if the applicable state or local agency has conducted such a review. Similarly, environmental reviews are not required for existing structures unless otherwise required by law or regulation. [24 CFR 983.153]

TPCG shall enter into the AHAP with the owner promptly after receiving both environmental approval and notice that subsidy layering requirements have been met, and before construction or rehabilitation work is started.

B. Labor Standards
[24 CFR 983.154(b)]
If an AHAP covers the development of nine or more contract units (whether or not completed in stages), the owner and the owner’s contractors and subcontractors must pay Davis-Bacon wages to laborers and mechanics employed in the development of housing. The HUD-prescribed form of the Agreement will include the labor standards clauses required by HUD, such as those involving Davis-Bacon wage rates.

The owner, contractors, and subcontractors must also comply with the Contract Work Hours and Safety Standards Act, Department of Labor regulations in 29 CFR part 5, and other applicable federal labor relations laws and regulations. TPCG shall monitor compliance with labor standards.

C. Equal Opportunity
[24 CFR 983.154(c)]
The owner must comply with Section 3 of the Housing and Urban Development Act of 1968 and the implementing regulations at 24 CFR part 135. The owner must also comply with federal equal employment opportunity requirements.

D. Owner Disclosure
[24 CFR 983.154(d) and (e)]
The AHAP and HAP contract must include a certification by the owner that the owner and other project principals are not on the U.S. General Services Administration list of parties excluded from federal procurement and non-procurement programs.

The owner must also disclose any possible conflict of interest that would be a violation of the Agreement, the HAP contract, or HUD regulations.
E. Evidence of Completion
[24 CFR 983.155(b)]
At a minimum, the owner must submit the following evidence of completion to TPCG in
the form and manner required by TPCG:
• Owner certification that the work has been completed in accordance with HQS
  and all requirements of the AHAP; and
• Owner certification that the owner has complied with labor standards and equal
  opportunity requirements in development of the housing.
At TPCG’s discretion, the AHAP may specify additional documentation that must be
submitted by the owner as evidence of housing completion.

F. TPCG Acceptance of Completed Units
[24 CFR 983.156]
Upon notice from the owner that the housing is completed, TPCG shall inspect to
determine if the housing has been completed in accordance with the AHAP, including
compliance with HQS and any additional requirements imposed under the AHAP.

If the work has not been completed in accordance with the AHAP, TPCG shall not enter
into the HAP contract.

If TPCG determines the work has been completed in accordance with the AHAP and that
the owner has submitted all required evidence of completion, TPCG shall submit the
HAP contract for execution by the owner and execute the HAP contract.

PART 5: HOUSING ASSISTANCE PAYMENTS CONTRACT (HAP)
TPCG shall enter into a HAP contract with an owner for units that are receiving PBV
assistance. With the exception of single-family scattered-site projects, a HAP contract
shall cover a single project. If multiple projects exist, each project is covered by a
separate HAP contract. The HAP contract shall be in the form and include all the content
required by HUD [24 CFR 983.202(a), 983.203].

A. HAP Contract Execution
[24 CFR 983.204]
TPCG shall not enter into a HAP contract until each contract unit has been inspected and
TPCG has determined that the unit complies with the Housing Quality Standards (HQS),
For existing housing, the HAP contract shall be executed promptly after TPCG selects the
owner proposal and inspects the housing units. For newly constructed or rehabilitated
housing, the HAP contract shall be executed after TPCG has inspected the completed
units and has determined that the units have been completed in accordance with the
AHAP, and the owner furnishes all required evidence of completion.

B. Term of HAP Contract
[24 CFR 983.205, FR Notice 1/18/17, and Notice PIH 2017-21]
TPCG may enter into a HAP contract with an owner for an initial term of no less than one
year and no more than 20 years for each contract unit. The length of the term of the HAP
contract for any contract unit may not be less than one year, nor more than 20 years. In
the case of TPCG-owned units, the term of the HAP contract must be agreed upon by TPCG and the independent entity approved by HUD [24 CFR 983.59(b)(2)].

The term of all PBV HAP contracts shall be negotiated with the owner on a case-by-case basis.

At the time of the initial HAP contract term or any time before expiration of the HAP contract, TPCG at its discretion may extend the term of the contract for an additional term of up to 20 years if TPCG determines an extension is appropriate to continue providing affordable housing for low-income families. TPCG may provide for multiple extensions; however, in no circumstances may such extensions exceed 20 years cumulatively. Extensions after the initial extension are allowed at the end of any extension term, provided that not more than 24 months prior to the expiration of the previous extension contract, TPCG agrees to extend the term, and that such extension is appropriate to continue providing affordable housing for low-income families or to expand housing opportunities. Extensions after the initial extension term shall not begin prior to the expiration date of the previous extension term. Subsequent extensions are subject to the same limitations. All extensions must be on the form and subject to the conditions prescribed by HUD at the time of the extension. In the case of TPCG-owned units, any extension of the term of the HAP contract must be agreed upon by TPCG and the independent entity approved by HUD [24 CFR 983.59(b)(2)].

C. Termination by Owner
(24 CRF 983.205(d))
If in accordance with program requirements the amount of rent to an owner for any contract unit is reduced below the amount of the rent to owner at the beginning of the HAP contract term, the owner may terminate the HAP contract by giving notice to TPCG. In this case, families living in the contract units must be offered tenant-based assistance.

D. Statutory Notice Requirements: Contract Termination or Expiration
[24 CFR 983.206, FR Notice 1/18/17, and Notice PIH 2017-21]
Not less than one year before the HAP contract terminates, or if the owner refuses to renew the HAP contract, the owner must notify TPCG and assisted tenants of the termination. The notice must be provided in the form prescribed by HUD. If the owner does not give timely notice, the owner must permit the tenants in assisted units to remain in their units for the required notice period with no increase in the tenant portion of their rent, and with no eviction as a result of the owner's inability to collect an increased tenant portion of rent. An owner may renew the terminating contract for a period of time sufficient to give tenants one-year advance notice under such terms as HUD may require.

Upon termination or expiration of the contract, a family living at the property is entitled to receive a tenant-based voucher. Tenant-based assistance does not begin until the owner’s required notice period ends. TPCG shall provide the family with a voucher and the family shall also be given the option by TPCG and owner to remain in their unit with HCV tenant-based assistance as long as the unit complies with inspection and rent
reasonableness requirements. The family must pay their total tenant payment (TTP) and any additional amount if the gross rent exceeds the applicable payment standard. The family has the right to remain in the project as long as the units are used for rental housing and are otherwise eligible for HCV assistance. The owner may not terminate the tenancy of a family that exercises its right to remain except for serious or repeated lease violations or other good cause. Families that receive a tenant-based voucher at the expiration or termination of the PBV HAP contract are not new admissions to the HCV tenant-based program, and are not subject to income eligibility requirements or any other admission requirements. If the family chooses to remain in their unit with tenant-based assistance, the family may do so regardless of whether the family share would initially exceed 40 percent of the family’s adjusted monthly income.

E. Remedies for HQS Violations
[24 CFR 983.208(b)]
TPCG will abate and terminate PBV HAP contracts for non-compliance with HQS in accordance with the policies used in the tenant-based voucher program; however, where PBV contracts are concerned, TPCG may reduce the number of contract units.

F. Substitution of Contract Units
[24 CFR 983.207(a)]
At TPCG’s discretion and subject to all PBV requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same project for a previously covered contract unit. Before any such substitution can take place, TPCG shall inspect the proposed unit and determine the reasonable rent for the unit.

G. Addition of Contract Units
[FR Notice 1/18/17 and Notice PIH 2017-21]
TPCG and the owner may amend the HAP contract to add additional PBV contract units in projects that already have a HAP contract without having to fulfill the selection requirements found at 24 CFR 983.51(b) for those additional PBV units, regardless of when the HAP contract was signed, provided that TPCG determines that such action promotes housing opportunities and/or housing choice and is consistent with the PHA Plan. The additional PBV units, however, are subject to the PBV program cap individual project caps and reasonable rent determinations. Prior to attaching additional units without competition, the TPCG shall submit to the local field office information outlined in FR Notice 1/18/17.

H. Removal of Units from the HAP Contract
[24 CFR 983.211]
Units occupied by families whose income has increased during their tenancy resulting in the tenant rent equaling the rent to the owner, shall be removed from the HAP Contract 180 days following the last housing assistance payment on behalf of the family.

If the project is fully assisted, TPCG may reinstate the unit removed to the HAP contract after the ineligible family vacates the property. If the project is partially assisted, TPCG
may substitute a different unit for the unit removed from the HAP contract when the first eligible substitute becomes available.

I. Housing Quality and Design Requirements
[24 CFR 983.101(e) and 983.208(a)]
The owner is required to maintain and operate the contract units and premises in accordance with HQS, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance, equipment, and utilities specified in the HAP contract with TPCG and in the lease with each assisted family. In addition, maintenance, replacement and redecoration must be in accordance with the standard practice for the building as established by the owner. TPCG may identify the need for any special features on a case-by-case basis depending on the intended occupancy of the PBV project. TPCG will specify any special design standards or additional requirements in the invitation for PBV proposals, the AHAP contract and the HAP contract.

J. Vacancy Payments
[24 CFR 983.352(b)]
At TPCG’s discretion, on a case-by-case basis, the HAP contract may provide for vacancy payments to the owner for up to a 60 day period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the moveout month. The amount of the vacancy payment shall not exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant’s security deposit).

PART 6: SELECTION OF PBV PROGRAM PARTICIPANTS
A. Eligibility for PBV Assistance
[24 CFR 983.251(a) and (b)]
Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program; however, eligible at original admission to the program means that the family must be eligible for PBV assistance within 60 days prior to commencement of PBV assistance.

B. In-Place Families
[24 CFR 983.251(b)]
An eligible family residing in a proposed PBV contract unit on the date the proposal is selected by TPCG is considered an “in-place family.” These families are afforded protection from displacement under the PBV rule. If a unit to be placed under contract (either an existing unit or a unit requiring rehabilitation) is occupied by an eligible family on the date the proposal is selected, the in-place family shall be placed on TPCG’s waiting list. Once the family’s continued eligibility is determined, the family must be given an absolute selection preference and TPCG shall refer these families to the project owner for an appropriately sized PBV unit in the project. Admission of eligible in-place families is not subject to income targeting requirements.
This regulatory protection from displacement does not apply to families that are not eligible to participate in the program on the proposal selection date.

C. Organization of the Waiting List
[24 CFR 983.251(c)]
TPCG will use separate waiting lists for sets of PBV units. As applicable, the waiting list may establish criteria or preferences for occupancy of particular units.

D. Selection from the Waiting List
[24 CFR 983.251(c)]
Except where noted in the Administrative Plan, the TPCG’s tenant selection procedures for the tenant-based programs apply for units assisted under the PBV Program. Except for units which are occupied by eligible “in place” tenants upon the commencement of the project-based contract term, when a vacancy exists at a PBV site, TPCG will notify the next families on the appropriate TPCG PBV waiting list. TPCG will inform applicants that if the applicant is interested in residing in the vacant PBV unit that the applicant will not lose his/her place on the TPCG’s Section 8 waiting list (if applicable) until that person has been leased in the PBV unit.

All applicants indicating interest in the PBV units will be selected by TPCG in chronological order by preference category if applicable, and prescreened for Section 8 eligibility. Applicants must meet all of TPCG’s applicable eligibility and suitability requirements. TPCG will refer qualified applicants to the owner for all vacancies. If the TPCG referrals do not provide the owner with a suitable tenant for the unit within 30 days, the owner may refer a Section 8 eligible individual or family from the owner’s waiting list to the PBV waiting list. The referred family must meet the TPCG’s waiting list priority criteria.

For VASH PBV, applicants referred by the VA indicating interest in the PBV units will be prescreened by TPCG for Section 8 eligibility and referred to the owner in chronological order.

The owner chooses a tenant for occupancy from the qualified applicants referred by TPCG based on their written, TPCG approved tenant selection policy.

E. Units with Accessibility Features
[24 CFR 983.251(e)(7)]
When selecting families to occupy PBV units that have special accessibility features for persons with disabilities, TPCG shall first refer families who require such features to the owner.

F. Preferences
[24 CFR 983.251(d), FR Notice 11/24/08]
TPCG may establish a selection preference for families who qualify for voluntary services, including disability-specific services, offered in conjunction with assisted units,
provided that preference is consistent with the PHA Plan. TPCG shall not grant a preference to a person with a specific disability [FR Notice 1/18/17].

In advertising such a project, the owner may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible disabled persons who may benefit from services provided in the project. In these projects, disabled residents may not be required to accept the particular services offered as a condition of occupancy. TPCG will provide a selection preference when required by the regulation (e.g., eligible in-place families, elderly families or units with supportive services, or mobility impaired persons for accessible units).

G. Refusal of Offer

[24 CFR 983.251(e)(3)]

TPCG shall not take any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:

- Refuse to list the applicant on the waiting list for tenant-based voucher assistance;
- Deny any admission preference for which the applicant qualifies;
- Change the applicant’s place on the tenant-based voucher waiting list based on preference, date, and time of application, or other factors affecting selection under the TPCG’s selection policy;
- Remove the applicant from the tenant-based voucher waiting list.

If an applicant on a PB site-based waiting list refuses two PBV offers without good cause, TPCG will remove the applicant from that PB site-based waiting list; however, the applicant will retain his/her position on all other waiting lists. The applicant may reapply if the applicable PBWL is open; however, the applicant will receive a new date and time of application.

H. Good Cause Refusal of PBV Units

Applicants may refuse to accept a unit offer for "good cause." If a good cause for refusal is verified by TPCG, applicants/tenants may retain their position on the PB site-based waiting list. There are 2 types of good cause:

- Situations in which an applicant/tenant is willing to move but is unable to do so at the time of the unit offer (e.g. the applicant/tenant is in the hospital or is serving on a sequestered jury);
- Situation in which the applicant/tenant demonstrates that acceptance of the offer would cause undue hardship not related to considerations of the applicant’s race, color, national origin, etc.

Examples of good cause for refusal of a unit offer include, but are not limited to, the following:

- Inaccessibility to source of employment, education, or job training, children’s day care, or educational program for children with disabilities, such that accepting the unit offer would require the adult family member to quit a job, drop out of an
educational institution or job training program, or take a child out of day care or an educational program for children with disabilities;

- The family demonstrates to TPCG’s satisfaction that accepting the offer will place a family member’s life, health or safety in jeopardy. The family should offer specific and compelling documentation. Reasons offered must be specific to the family. Refusals due to location alone do not qualify for this good cause exemption;
- A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (as listed on the final application or Lease) or livein aide necessary to the care of the principal household member;
- The unit is inappropriate for the applicant’s/tenant’s disabilities, or the family does not need the accessible features in the unit offered and does not want to be subject to a 30-day notice to move.

TPCG will require documentation of good cause for unit refusals and will verify all claims of good cause. Good cause refusal policies may also be applied to unit offers related to applicable transfers.

I. Disapproval by Landlord
[24 CFR 983.251(e)(2)]
If a PBV owner rejects a family for admission to the owner’s units, such rejection shall not affect the family’s position on the tenant-based voucher waiting list; however, the family shall be removed from the Site Based Waiting List for which the family was rejected by the owner.

J. Acceptance of Offer
[24 CFR 983.252]
Family Briefing
When a family accepts an offer for PBV assistance, TPCG shall give the family an oral briefing. The briefing must include information on how the program works and the responsibilities of the family and owner. In addition to the oral briefing, TPCG shall provide a briefing packet that explains how it determines the total tenant payment for a family, the family obligations under the program, and applicable fair housing information.

Persons with Disabilities
If an applicant family’s head or spouse is disabled, TPCG shall assure effective communication, in accordance with 24 CFR 8.6, in conducting the oral briefing and in providing the written information packet. This may include making alternative formats available. TPCG shall refer a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

K. Owner Selection of Tenants
The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income
families and reasonably related to program eligibility and an applicant’s ability to fulfill their obligations under the lease. An owner must promptly notify in writing any rejected applicant of the grounds for any rejection [24 CFR 983.253(a)(2) and (a)(3)].

L. Leasing
[24 CFR 983.253(a)]
During the term of the HAP contract, the owner must lease contract units to eligible families that are selected and referred by TPCG from TPCG’s waiting list. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on TPCG’s subsidy standards.

M. Filling Vacancies
[24 CFR 983.254(a)]
The owner must notify TPCG in writing (mail, fax, or email) within five business days of learning about any vacancy or expected vacancy.

TPCG will make reasonable efforts to refer families to the owner within 10 business days of receiving such notice from the owner.

N. Reduction in HAP Contract Units Due to Vacancies
[24 CFR 983.254(b)]
If any contract units have been vacant for 120 days, TPCG may give notice to the owner that the HAP contract will be amended to reduce the number of contract units that have been vacant for this period. The amendment to the HAP contract will be effective the 1st day of the month following the date of the TPCG’s notice.

O. TPCG Responsibility
TPCG does not conduct screening to determine a PBV applicant family’s suitability for tenancy. TPCG will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the turnover HQS inspection or before. TPCG will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

P. Owner Responsibility
The owner is responsible for screening and selection of the family to occupy the owner’s unit. When screening families the owner may consider a family’s background with respect to the following factors:
• Payment of rent and utility bills;
• Caring for a unit and premises;
• Respecting the rights of other residents to the peaceful enjoyment of their housing;
• Drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others; and
• Compliance with other essential conditions of tenancy.
PART 7: OCCUPANCY
A. Lease
[24 CFR 983.256]

After an applicant has been selected from the waiting list, determined eligible by TPCG, referred to an owner and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

The tenant must have legal capacity to enter a lease under state and local law. Legal capacity means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner. [24 CFR 983.256]

The tenant and the owner must enter into a written lease agreement that is signed by both parties. If an owner uses a standard lease form for rental units to unassisted tenants in the locality or premises, the same lease must be used for assisted tenants, except that the lease must include a HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

The owner shall ensure the lease is compliant with state and local law. TPCG will not review the owner’s lease for compliance with state or local law.

The initial lease term must be for at least one year. The lease must provide for automatic renewal after the initial term of the lease in either successive definitive terms (e.g. month-to-month or year-to-year) or an automatic indefinite extension of the lease term.

For automatic indefinite extension of the lease term, the lease terminates if any of the following occur:

- The owner terminates the lease for good cause
- The tenant terminates the lease
- The owner and tenant agree to terminate the lease
- TPCG terminates the HAP contract
- TPCG terminates assistance for the family

B. Changes in the Lease
[24 CFR 983.256(e)]

If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give TPCG a copy of all changes.

The owner must notify TPCG in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by TPCG and in accordance with the terms of the lease relating to its amendment. TPCG must redetermine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The redetermined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.
C. Owner Termination of Tenancy
[24 CFR 983.257]
With two exceptions, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the tenant-based voucher program. In the PBV program, terminating tenancy for “good cause” does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose.

D. Tenant Absence from the Unit
[24 CFR 983.256(g) and 982.312(a)]
The lease may specify a maximum period of family absence from the unit that may be shorter than the maximum period permitted by TPCG policy. According to program requirements, the family’s assistance must be terminated if they are absent from the unit for more than 180 consecutive days. TPCG termination of assistance actions due to family absence from the unit are subject to 24 CFR 981.312, except that the unit is not terminated from the HAP contract if the family is absent for longer than the maximum period permitted.

E. Continuation of Housing Assistance Payments
[24 CFR 982.258]
Housing assistance payments shall continue until the tenant rent equals the rent to owner. The cessation of housing assistance payments at such point will not affect the family's other rights under its lease, nor will such cessation preclude the resumption of payments as a result of later changes in income, rents, or other relevant circumstances if such changes occur within 180 days following the date of the last housing assistance payment by the PHA. After the 180-day period, the unit shall be removed from the HAP contract pursuant to 24 CFR 983.211.

If a participating family receiving zero assistance experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify TPCG of the change and request an interim reexamination before the expiration of the 180-day period.

F. Security Deposits
[24 CFR 983.259]
Owners may collect a security deposit that is reasonable and comparable to security deposits collected for similar, unassisted units in the area. TPCG prohibits security deposits in excess of private market practice or in excess of amounts charged to unassisted tenants.

When the tenant moves out of a contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease.
The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. TPCG has no liability or responsibility for payment of any amount owed by the family to the owner.

G. Overcrowded, Under-Occupied, and Accessible Units
[24 CFR 983.260]
If TPCG determines that a family is occupying a wrong size unit, based on TPCG’s subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, TPCG shall promptly notify the family and the owner of this determination, and TPCG shall offer the family the opportunity to receive continued housing assistance in another available unit. TPCG will offer the family the following types of continued assistance in the following order, based on the availability of assistance:
• PBV assistance in the same building or project;
• PBV assistance in another project;
• Tenant-based voucher assistance.

If TPCG offers the family a tenant-based voucher, TPCG shall terminate the housing assistance payments for a wrong-sized or accessible unit at the earlier of the expiration of the term of the family’s voucher (including any extension granted by the PHA) or the date upon which the family vacates the unit. If the family does not move out of the wrong-sized unit or accessible unit by the expiration of the term of the family's voucher, TPCG must remove the unit from the HAP contract.

If TPCG offers a family another form of assistance that is not a tenant-based voucher, the family will be given 30 days from the date of the offer to accept the offer and move out of the PBV unit. If the family does not move out within this 30-day time frame, TPCG will terminate the housing assistance payments at the expiration of this 30-day period. TPCG may make exceptions to this 30-day period if needed for reasons beyond the family’s control such as death, serious illness, or other medical emergency of a family member.

H. Family Right to Move
[24 CFR 983.261]
The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to TPCG. If the family wishes to move with continued tenant-based assistance, the family must contact TPCG to request the rental assistance prior to providing notice to terminate the lease.

If the family terminates the lease in accordance with these requirements, TPCG shall offer the family the opportunity for continued tenant-based assistance, in the form of a
voucher or other comparable tenant-based rental assistance. If voucher or other comparable tenant-based assistance is not immediately available upon termination of the family’s lease in the PBV unit, TPCG shall give the family priority to receive the next available opportunity for continued tenant-based assistance. If the family terminates the assisted lease before the end of the first year, the family relinquishes the opportunity for continued tenant-based assistance.

I. Emergency Transfers under VAWA
[Notice PIH 2017-08]

Except where special consideration is needed for the PBV program, TPCG will follow VAWA policies as described in the Administrative Plan including using the Emergency Transfer Plan as the basis for PBV transfers under VAW.

When the victim of domestic violence, dating violence, sexual assault, or stalking has lived in the unit for less than one year, TPCG will provide several options for continued assistance.

TPCG will first try to transfer the participant to another PBV unit in the same development or transfer to a different development where TPCG has PBV units. TPCG will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

If no units are available for an internal transfer, or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to either tenant-based rental assistance or assistance in the PHA’s public housing program. Such a decision will be made by TPCG based on the availability of tenant-based vouchers and/or vacancies in public housing units. Such families must be selected from the waiting list for the applicable program.

If a victim wishes to move after a year of occupancy in the unit, but no tenant-based vouchers are available, TPCG will offer the participant an internal transfer to another PBV unit in the same development or a transfer to a different development where TPCG has PBV units. TPCG will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

If no units are available for an internal transfer, or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to TPCG’s public housing program.

J. Exceptions to the Occupancy Cap
[24 CFR 983.262]

As of April 17, 2018, TPCG may not pay housing assistance under a PBV HAP contract for more than the greater of 25 units or 25 percent of the number of dwelling units in a project unless:

• The units are exclusively for elderly families
• The units are for households eligible for supportive services available to all families receiving PBV assistance in the project.

If the project is located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year estimates, the project cap is the greater of 25 units or 40 percent (instead of 25 percent) of the units in the project [FR Notice 7/14/17].

If a family at the time of initial tenancy is receiving and while the resident of an excepted unit has received Family Self-Sufficiency (FSS) supportive services or any other service as defined by TPCG and successfully completes the FSS contract of participation or the supportive services requirement, the unit continues to count as an excepted unit for as long as the family resides in the unit. However, if the FSS family fails to successfully complete the FSS contract of participation or supportive services objective and consequently is no longer eligible for the supportive services, the family must vacate the unit within a reasonable period of time established by TPCG, and TPCG shall cease paying HAP on behalf of the family.

Further, when a family (or remaining members of a family) residing in an excepted unit no longer meets the criteria for a “qualifying family” because the family is no longer an elderly family due to a change in family composition, TPCG has the discretion to allow the family to remain in the excepted unit. If TPCG does not exercise this discretion, the family must vacate the unit within a reasonable period of time established by TPCG, and TPCG must cease paying housing assistance payments on behalf of the non-qualifying family.

Individuals in units with supportive services who choose to no longer participate in a service or who no longer qualify for services they qualified for at the time of initial occupancy cannot subsequently be denied continued housing opportunity because of this changed circumstance. TPCG or owner cannot determine that a participant’s needs exceed the level of care offered by qualifying services or require that individuals be transitioned to different projects based on service needs.

If the family fails to vacate the unit within the established time, the unit must be removed from the HAP contract unless the project is partially assisted, and it is possible for the HAP contract to be amended to substitute a different unit in the building in accordance with program requirements; or the owner terminates the lease and evicts the family. The housing assistance payments for a family residing in an excepted unit that is not in compliance with its family obligations to comply with supportive services requirements must be terminated by TPCG.

TPCG will allow families who initially qualified to live in an excepted unit to remain when circumstances change due to circumstances beyond the remaining family members’ control. In all other cases, TPCG will provide written notice to the family and owner promptly after making the determination. The family will be given 30 days from the date of the notice to move out of the PBV unit. If the family does not move out within this 30-
day time frame, TPCG will terminate the housing assistance payments at the expiration of this 30-day period.

TPCG may make exceptions to this 30-day period if needed for reasons beyond the family’s control such as death, serious illness, or other medical emergency of a family member.

PART 8: DETERMINING RENT TO OWNER

The amount of the initial rent to an owner of units receiving PBV assistance is established at the beginning of the HAP contract term. Although for rehabilitated or newly constructed housing, the AHAP contract states the estimated amount of the initial rent to owner, the actual amount of the initial rent to owner is established at the beginning of the HAP contract term.

During the term of the HAP contract, the rent to owner is redetermined at the owner’s request in accordance with program requirements, and at such time that there is a five percent or greater decrease in the published FMR.

A. Rent Limits  
[24 CFR 983.301]

Except for certain tax credit units, the rent to owner must not exceed the lowest of the following amounts:

• An amount determined by TPCG, not to exceed 110 percent of the applicable fair market rent (or any HUD-approved exception payment standard) for the unit bedroom size minus any utility allowance;
• The reasonable rent; or
• The rent requested by the owner.

B. Certain Tax Credit Units  
[24 CFR 983.301(c)]

For certain tax credit units, the rent limits are determined differently than for other PBV units. Different limits apply to contract units that meet all of the following criteria:

• The contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986;
• The contract unit is not located in a qualified census tract;
• There are comparable tax credit units of the same bedroom size as the contract unit in the same project, and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and
• The tax credit rent exceeds 110 percent of the fair market rent or any approved exception payment standard;

For contract units that meet all of these criteria, the rent to owner must not exceed the lowest of:

• The tax credit rent minus any utility allowance;
• The reasonable rent; or
• The rent requested by the owner.
A qualified census tract is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI), or where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

Tax credit rent is the rent charged for comparable units of the same bedroom size in the project that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

C. Reasonable Rent
[24 CFR 983.301(e) and 983.302(c)(2)]
TPCG shall determine reasonable rent in accordance with 24 CFR 983.303. The rent to owner for each contract unit may at no time exceed the reasonable rent, except in cases where TPCG has elected within the HAP contract not to reduce rents below the initial rent to owner and, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent. However, the rent to owner must be reduced in the following cases:
- To correct errors in calculations in accordable with HUD requirements;
- If additional housing assistance has been combined with PBV assistance after the execution of the initial HAP contract and a rent decrease is required pursuant to 24 CFR 983.55;
- If a decrease in rent to owner is required based on changes in the allocation of the responsibility for utilities between owner and tenant.

If TPCG has not elected within the HAP contract to establish the initial rent to owner as the rent floor, the rent to owner shall not at any time exceed the reasonable rent.

D. Use of FMRs, Exception Payment Standards, and Utility Allowance
[24 CFR 983.301(f)]
When determining the initial rent to owner, TPCG shall use the most recently published FMR in effect and the utility allowance schedule in effect at execution of the HAP contract. When redetermining the rent to owner, TPCG shall use the most recently published FMR and the utility allowance schedule in effect at the time of redetermination. At its discretion, TPCG may, for initial rent, use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract, or for redeterminations of rent, the 30-day period immediately before the redetermination date.

Any HUD-approved exception payment standard amount under the tenant-based voucher program also applies to the project-based voucher program.

E. Use of Small Area FMRs (SAFMRs)
[24 CFR 888.113(h)]
TPCG will not apply SAFMRs to the PHA’s PBV program.
F. Redetermination of Rent

[24 CFR 983.302]

TPCG shall redetermine the rent to owner upon the owner’s request or when there is a 10 percent or greater decrease in the published FMR.

Rent Increase

An owner’s request for a rent increase must be submitted to TPCG 60 days prior to the anniversary date of the HAP contract, and must include the new rent amount the owner is proposing.

TPCG may not approve and the owner may not receive any increase of rent to owner until and unless the owner has complied with requirements of the HAP contract, including compliance with HQS. The owner may not receive any retroactive increase of rent for any period of noncompliance.

Rent Decrease

If there is a decrease in the rent to owner, as established in accordance with program requirements such as a change in the FMR or exception payment standard, or reasonable rent amount, the rent to owner must be decreased regardless of whether the owner requested a rent adjustment, except where TPCG has elected within the HAP contract to not reduce rents below the initial rent under the initial HAP contract.

Notice of Rent Change

TPCG will provide the owner with 30 days written notice of any change in the amount of rent to owner.

G. Rent for TPCG-Owned Units

[24 CFR 983.301(g)]

For TPCG-owned PBV units, the initial rent to owner and the annual redetermination of rent at the anniversary of the HAP contract are determined by the independent entity approved by HUD. TPCG shall use the rent to owner established by the independent entity.

H. Reasonable Rent

[24 CFR 983.303]

At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by TPCG, except where TPCG has elected within the HAP contract to not reduce rents below the initial rent under the initial HAP contract.

I. When Rent Reasonable Determinations Are Required

TPCG shall redetermine the reasonable rent for a unit receiving PBV assistance whenever any of the following occur:
• There is a 10 percent or greater decrease in the published FMR in effect 60 days before the contract anniversary (for the unit sizes specified in the HAP contract) as compared with the FMR that was in effect one year before the contract anniversary date;
• TPCG approves a change in the allocation of responsibility for utilities between the owner and the tenant;
• The HAP contract is amended to substitute a different contract unit in the same building or project; or
• There is any other change that may substantially affect the reasonable rent.

J. Effect of Other Subsidy
[24 CFR 983.304]
To comply with HUD subsidy layering requirements, at the discretion of HUD or its designee, TPCG shall reduce the rent to owner because of other governmental subsidies, including tax credits or tax exemptions, grants, or other subsidized funding.

For units receiving assistance under the HOME program, rents may not exceed rent limits as required by that program.

For units in any of the following types of federally subsidized projects, the rent to owner may not exceed the subsidized rent (basic rent) or tax credit rent as determined in accordance with requirements for the applicable federal program:
• An insured or non-insured Section 236 project;
• A formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
• A Section 221(d)(3) below market interest rate (BMIR) project;
• A Section 515 project of the Rural Housing Service;
• Any other type of federally subsidized project specified by HUD.

PART 9: PAYMENTS TO OWNER
During the term of the HAP contract, TPCG shall make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments shall be made for each month that a contract unit complies with HQS and is leased to and occupied by an eligible family. The housing assistance payment shall be paid to the owner on or about the first day of the month for which payment is due, unless the owner and TPCG agree on a later date.

Except for discretionary vacancy payments, TPCG may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract.
A. Vacancy Payments
[24 CFR 983.252]
If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if TPCG determines that the vacancy is the owner’s fault. If TPCG determines that the owner is responsible for a vacancy and, as a result, is not entitled to keep the housing assistance payment, TPCG will notify the landlord of the amount of housing assistance payment that the owner must repay. TPCG will require the owner to repay the amount owed.

If an owner’s HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified TPCG of the vacancy.

In order for a vacancy payment request to be considered, it must be made within 10 business days of the end of the period for which the owner is requesting the vacancy payment. The request must include the required owner certifications and TPCG may require the owner to provide documentation to support the request. If the owner does not provide the information requested by TPCG within 10 business days of TPCG’s request, no vacancy payments will be made.

B. Tenant Rent to Owner
[24 CFR 983.353]
The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by TPCG in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in the TPCG notice to the family and owner.

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The appropriate utility allowance for a project-based unit is the utility allowance for the size of the dwelling unit actually leased.

The amount of the tenant rent determined by TPCG is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by TPCG. The owner must immediately return any excess payment to the tenant.

C. Tenant and TPCG Responsibilities
The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by TPCG.
TPCG is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. TPCG is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. TPCG may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

D. Utility Reimbursements
If the amount of the utility allowance exceeds the total tenant payment, TPCG shall pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner shall be zero.

E. Meals and Supportive Services
With the exception of PBV assistance in assisted living developments, the owner may not require the tenant to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

In assisted living developments receiving PBV assistance, the owner may charge for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. However, nonpayment of such charges is grounds for termination of the lease by the owner in an assisted living development.

F. Other Charges by Owner
The owner may not charge extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.
