

# MECHANIC I

Public Works | Transit

## JOB RESPONSIBILITIES

The Terrebonne Parish Consolidated Government's Mechanic I is responsible for determining the needed repairs/or replacements, servicing, maintaining, and repairing transit vehicles and equipment, including buses, trucks, and heavy machinery.

### JOB OVERVIEW

#### PAY TYPE

Non-Exempt (Hourly)

#### SCHEDULE

Monday to Friday

#### SHIFT

7 a.m. to 4 p.m.

#### LOCATION

Transit Facility

#### REPORTS TO

Transit Maintenance Supervisor

#### PHYSICAL DEMANDS

Lift up to 75 lbs. (heavy)

#### WORK ENVIRONMENT

Indoors and outdoors in various climates and condition, including exposure to noise, heat, cold, and dust.

#### EMERGENCY EVENTS

Required to work during emergency events.

#### REQUIREMENTS

Louisiana Class B Commercial Driver's License  
Medical Examiner's Certificate

In this role, the incumbent will be responsible for ensuring that all vehicles are in safe operating condition by performing routine maintenance tasks, responding to emergency situations, and managing inventory.

The Mechanic I role involves completing required paperwork, maintaining accurate maintenance records, and assisting with the upkeep of shop facilities and tools.

The Mechanic I will work closely with other team members to ensure timely repairs and maintenance while adhering to safety protocols and operational standards.

### JOB DUTIES

- Inspect and service buses and other transit vehicles, ensuring they are in safe operating condition and scheduling preventative maintenance, as necessary.
- Repair and maintain heavy equipment such as buses, lifts, trucks, and vans to ensure all equipment is safe and functional for daily operations.
- Conduct minor electrical and mechanical repairs to ensure vehicles are operating efficiently.
- Perform routine maintenance on vehicles and equipment, including changing oil, checking fluids, replacing filters, and inspecting belts, hoses, and other moving parts.
- Repair vehicles as needed, completing the proper preventive maintenance (PM) or repair order paperwork.
- Assist with moving buses into the wash bay for the Field Tech I to ensure vehicles are properly cleaned.
- Transport tools, equipment, and supplies to job sites to ensure materials are available for scheduled maintenance and repairs.
- Respond to emergency situations, addressing immediate safety concerns and providing on-site resolutions.
- Maintain inventory and control of parts, tools, and equipment, ensuring that all items are properly stored and available when needed.
- Clean and maintain facilities, including removing debris, sweeping floors, and keeping work areas tidy and organized.
- Attend quarterly Transit safety meetings to stay updated on safety protocols and procedures.
- Complete all required annual training, including Ethics, Sexual Harassment, Drug and Alcohol Awareness, LEP, Bloodborne Pathogens, and Customer Service Training.
- Perform other duties as assigned by Supervisor.
