Residents of Terrebonne Parish

A Free Tree Planting Will Take Place Saturday, January, 17, 2026

RETREET is a program of Keep America Beautiful that redefines disaster relief by engaging communities to replant lost trees. To date, RETREET has planted over 7,000 native and noninvasive trees, at no cost, for those rebuilding their neighborhoods in the wake of disaster across North America.

On Saturday, January 17, 2026, Keep Terrebonne Beautiful and local volunteers will be in Terrebonne Parish planting trees for families devastated by Hurricane Ida. The trees we plant will be 15 gallon trees.

If you would like your property to be added to our planting list, please visit our website www.keepterrebonnebeautiful.org and submit a request online.

If you have any questions, please email them to keepterrebonnebeautiful@gmail.com. We look forward to planting trees for you! Register www.keepterrebonnebeautiful.org or scan the QR Code.
