Terrebonne Parish Consolidated Government Coronavirus Daily Update for April 3, 2020
(all new information is marked with an asterisk* and bolded)

Parish-wide Curfew in Effect from 10PM to 5AM

***Number of Coronavirus Cases in Terrebonne Parish: 102 (Increase of 5 from April 2, 2020)**

***Deaths Confirmed by the Terrebonne Parish Coroner's Office: 8 (March 26th to April 3rd)**

Number of deaths reported on this report does not match the Louisiana Department of Health coronavirus website due to the latency of data input by the Louisiana Department of Health.

***Limitation of Number of Customers and Store Hours**

In order to continue to help prevent the spread of coronavirus in Terrebonne Parish, Terrebonne Parish President Gordon Dove has placed restrictions on the number of customers allowed in stores and operating hours of stores.

Beginning tomorrow, April 4, 2020, all grocery stores (Rouses, Cannata's, etc.), pharmacies and big box stores (Walmart, Lowes, Home Depot, Target, Sam's Club, etc.) will be limited to 20% of their Fire Marshal capacity and will only be allowed to be open for business from 6AM to 8PM. 24-hour pharmacies will be allowed to continue to operate after 8PM with drive-thru services only.

All other businesses are to follow the executive order 41 JBE 2020, dated April 2, 2020, and issued by Governor John Bel Edwards stating that essential businesses listed on his order or within the US Homeland Security CISA guidance document can operate as normal.

Only one person per family should go to the store or essential business and you should only purchase essential items. Now is not the time to browse the stores. Please go into the store, purchase your essential items and return home to allow other customers the opportunity to shop.

"We are trying to facilitate the needs of the residents and the business community. I will continue to monitor the situation and amend this order if necessary," said Parish President Gordon Dove.

***Good Earth Transit System (Bus Service)**

Effective today April 3, 2020, at 5PM, the Good Earth Transit System (bus service) operations will stop all services until further notice. The Good Earth Transit System will continue to operate the paratransit system in Terrebonne Parish for those individuals who have been issued Paratransit Identification Cards.

Our elderly and those with chronic health conditions are the most vulnerable, but each resident should take personal responsibility to help prevent the spread of this virus within our community.

Terrebonne United Churches Food Bank Information

The Terrebonne United Churches Food Bank is in need of volunteers to help with food distribution. If you are interested in helping, please call Mr. Lawrence Dehart at 985-851-5523.

The Terrebonne Churches United Food Bank in Houma is open and distributing food to those in need. The food bank is open from 8:30AM to noon on Monday and Saturday and from 12:30PM to 4PM on Wednesday. Service to the homeless is provided on Thursdays from 8:30AM to noon. For more information or assistance, please call the TCU Food Bank at 985-851-5523 or visit their website at tcufoodbank.org.

The TCU Food Bank is now a drive-by food pick up program. This will be the primary method we will use to distribute food due to the COVID-19 Emergency. Here is how the plan will work:

One hour before our normal distribution times, those in need may line up in their vehicles on Commerce Street entering from Lafayette Street. Vehicles will need to line up on the extreme right side of Commerce Street. We ask that vehicles pull all the way up to the stop sign at intersection of Church Street and Commerce street. Once the process begins, a screener will approach your vehicle and ask you a few questions through your driver side window. Once the brief screening process is complete you will be asked to pull around to Magnolia Street to a section clearly marked in front of the food bank. Once in that section, you will simply have to unlatch your trunk, and someone will load the food items in your trunk and close it. Then you will safely reenter Magnolia Street and exit on Lafayette Street. You will not exit your car at any time through this process. There will be signs providing directions all along the route.
