Hurricane Sally Shifts More Eastward on 4PM National Hurricane Center Advisory

Due to the current National Hurricane Center advisory issued at 4PM today, Terrebonne Parish will not open an evacuation shelter.

Hurricane Sally has shifted more easterly away from Terrebonne Parish and impacts from Hurricane Sally are expected to be minimal.

Parish officials will continue to closely monitor Hurricane Sally and if conditions warrant, the opening of an evacuation shelter will be re-evaluated.

The parish's Emergency Operations Center in Gray, LA, will resume normal hours on Tuesday, September 15th.
