At Ms. J. Domangue's request, Solid, Hazardous, and Recycling Waste Director Clay Naquin gave an overview of the proposed agreement and noted that funding was available to hire a contractor in this fiscal year. He clarified that the proposed agreement would address a few areas ; noting that there are challenges in addressing grass along all state roadways in the parish.

Several Committee Members shared their support of the proposed agreement and the use of other measures to address tall grass along state roadways.

Mr. D. W. Guidry, Sr. moved, seconded by Ms. J. Domangue, "THAT the Budget and Finance Committee adopt a resolution authorizing the Parish President to execute a Cooperative Endeavor Agreement with the State of Louisiana, Department of Transportation to maintain mowing and litter pickup along certain state roadways in the Parish of Terrebonne, subject to review by the Legal Department and subject to funding from the State of Louisiana." (\*\*SUBSTITUTE MOTION WITHDRAWN AFTER DISCUSSION)

Mr. J. Amedée highlighted that funding was available per Mr. Naquin and suggested that the agreement be approved without delay.

Mr. J. Navy shared his concerns for a lack of available resources from the state to address tall grass along state roadways.

At Mr. D. W. Guidry, Sr.'s request, Parish Attorney Julius Hebert clarified that the agreement could be approved with the 2022 budgeted funding already then stated his opinions and concerns regarding the state's obligations on local jurisdictions.

***\*\*Mr. D. W. Guidry, Sr. withdrew his aforementioned substitute motion and Ms. J. Domangue withdrew her second for the motion.***

At Ms. J. Domangue's request, Mr. Naquin clarified that the state would no longer service the areas covered by the agreement but would continue to be responsible for the

remainder of the state roadways in the parish. (**\*RESOLUTION WAS ADOPTED AFTER DISCUSSION**)
