\* \* \* \* \*

The Chairman recognized the public for comments on the following:

- B.** An ordinance declaring Parish owned property located at 6084 West Park Ave as surplus and authorizing said property to be disposed of by legally approved methods.

The Chairman recognized Mr. Floyd Bergeron, a resident of Houma, who shared his opposition to the ordinance which allows the aforementioned property to be sold as it is currently written. He suggested that the Council take more time and consider making changes to the ordinance. Mr. Bergeron expressed his concerns about the use and condition of the adjacent bridge and shared that the property could be retained to provide for the expansion of the bridge.

The Chairman recognized Parish President Jason Bergeron who stated that the state would not issue a permit to install a three-lane bridge at the aforementioned location. He stated that proceeds from this sale could fund future projects in the parish while maintaining right-of-way access to the Funderburk Avenue Bridge. Mr. Bergeron further stated that another property would be needed for the bridge expansion and/or upgrading; noting that an additional property needed for this property sale could not be obtained due to pricing from the current owner, insurance costs and other fees that are continually being incurred while this property is retained by the parish.

Upon questioning from Mr. J. Amedée regarding the aforementioned property, Mr. Bergeron explained that the Parish does not currently have a buyer for the property and that any expansion or upgrading of the adjacent bridge and associated traffic controls would require state approval. He stated that retaining servitudes for public projects would be included as part of the sale should a buyer be found.

There were no further comments from the public on the proposed ordinance.

Mr. D. Babin moved, seconded by Mr. C. Voisin, Jr., "THAT, the Council close public hearings."

The Chairman called for a vote on the motion offered by Mr. D. Babin.

THERE WAS RECORDED:

YEAS: C. Harding, C. Voisin, Jr., J. Amedée, C. K. Champagne, D. Babin, K. Chauvin, S. Trosclair, and B. Pledger.

NAYS: None.

The Chairman declared the motion adopted.

Mr. D. Babin moved, seconded by Mr. J. Amedée, "THAT, the Council adopt an ordinance declaring Parish owned property located at 6084 West Park Ave as surplus and authorizing said property to be disposed of by legally approved methods." (**\*SUBSTITUTE MOTION OFFERED AFTER DISCUSSION**)

Mr. C. Voisin, Jr., expressed his opposition to the ordinance and suggested that additional verbiage be included in the aforementioned ordinance to include language that states, "funds from a potential sale of the property located at 6084 West Park Avenue be reallocated to another project within District 3".

At Mr. C. Harding's request, Parish Attorney Michelle Neil confirmed that the language specifying a movable property, not an immovable property, was incorrect and, while changing the language of the ordinance for the record could not be done at this time, the associated Exhibit A specifies the property as immovable.

The Chairman recognized Parish President Jason Bergeron who expressed his support for the sale of the aforementioned property; stating that the sale of the property will allow the parish to utilize the additional funding for other parish projects.

Upon questioning from Ms. K. Chauvin regarding where was funds obtained for the original purchase of the aforementioned property and what is the monetary difference in the original purchase price as opposed to the current purchase price, Chief Financial Officer Kandace Mauldin explained that the original purchase of the property was \$375,000; noting that it was recently appraised for \$310,000.

At the request of Ms. K. Chauvin, Public Works Director David Rome, stated that Funderburk Bridge is one of the five bridges in Terrebonne Parish that requires maintenance. He explained that the Department of Transportation and Development had issues with the installation of a three-lane bridge regarding signaling because of the alignment of the Funderburk Bridge. Mr. Rome further stated that culverts can be installed to expand the bridge.

Discussion ensued relative other surplus properties to be sold by the parish and adding verbiage to the ordinance to address the allocation of the funds from a proposed sale of this property.

At Mr. S. Trosclair's inquiring, Mr. Rome gave a comparison of costs and benefits between installing culverts and installing a new bridge at the location adjacent to the property.

Discussion continued relative to bridge priority listings for upcoming bridge repairs and replacements.

Upon questioning from Mr. D. Babin regarding the proceeds from the sale of the aforementioned property, Ms. Mauldin clarified that these funds were utilized from a parish wide millage and any proceeds would be allocated to a specific project rather than a specific district for accounting purposes.

\*Mr. D. Babin offered a **substitute motion**, seconded by Mr. C. K. Champagne, "THAT, the Council defer to the Budget and Finance Committee for review Agenda Item 6:30 B – 'An ordinance declaring Parish owned property located at 6084 West Park Ave as surplus and authorizing said property to be disposed of by legally approved methods'."
