Whenever materials or equipment are specified or described in the Bidding Documents by using the name of a certain brand, make, supplier, manufacturer, or definite specification; the naming or specification of the item is only intended to denote the quality standard of the item desired and to convey and establish the general style, type, character and quality of material , equipment or product desired and does not restrict bidders to the specific brand, make, manufacturer, or specification named; and that equivalent products may be acceptable.

MODIFICATION AND WITHDRAWAL OF BIDS: Modifications to bids, through bidder's CAH account, can be made until the date and time of the bid opening. The Bidder must contact CAH for instructions for the withdrawal of a bid in its entirety prior to the time of the scheduled bid opening. Withdrawal of a Bid will not prejudice the rights of a Bidder to submit a new Bid prior to the Bid Date and Time. After expiration of the period for receiving Bids, no Bid may be withdrawn, modified, or explained except as provided for herein.

In accordance with Louisiana law, more particularly, R.S. 38:2214, as may be amended, bids containing patently obvious, unintentional, and substantial mechanical and clerical, or mathematical errors, or errors of unintentional omission of a substantial quantity of work, labor, material, or services made directly in the compilation of the bid, may be withdrawn by the bidder if clear and convincing sworn, written evidence of such errors is furnished to the OWNER within 48 hours of the bid opening excluding Saturdays, Sundays and legal holidays.

Such errors must be clearly shown by objective evidence drawn from inspection of work papers, documents or materials used in the preparation of the bid sought to be withdrawn. If the OWNER determines that the error is a patently obvious mechanical, clerical or mathematical error, or unintentional omission of a substantial quantity of work, labor, material or services as opposed to a judgment error, and that the bid was submitted in good faith, it shall accept the withdrawal and return the bid security (when applicable) to the bidder. A bidder who attempts to withdraw a bid under these provisions of this section shall not be allowed to re-submit a bid on the contract. Any modifications or amendments to the above stated applicable State law shall supersede this procedure.

A bidder may alter or correct an entry on the bid form Section "A" by crossing out the entry and initialing on the line of change. Any ambiguity arising from entries altered or corrected on the Bid Form will cause the rejection of said Bid as non-responsive.

OPENING OF BIDS: All Bids received prior to the announced closing time for the receipt of Bids stipulated in the Invitation to Bidder will be opened publicly. Bids will be read aloud, and a tabulation of the amounts of the Base Bids and alternates (if any) will be made available to Bidders after the opening of Bids.

Such documentation shall include diagrams, books, brochures, photographs, or other means to verify compliance.
