Any ambiguity arising from entries altered or corrected on the Bid Form will cause the rejection of said Bid Proposal as non-responsive.

**OPENING OF BIDS:** All Bids received prior to the announced closing time for the receipt of Bids stipulated in the Invitation to Bidder will be opened publicly. Bids will be read aloud, and a tabulation of the amounts of the Base Bids and alternates (if any) will be made available to Bidders after the opening of Bids.

Where the TPCG has determined the Vendor to be in default, the TPCG reserves the right to purchase any and/or all products or services covered by the contract on the open market and to charge the Vendor with cost in excess of the contract price (liquidated damages). Until such assessed charges have been paid, no subsequent bid from the defaulting Vendor will be considered.

**A. Vendor's Liability Insurance:**

The Vendor shall purchase in its name, and maintain at its sole cost and expense, such liability and other insurance as set out in the insurance requirements of this Document. This insurance will provide primary coverage for claims and/or suits which may arise out of or result from the Vendor's performance and furnishing of the work, goods or services, whether it is performed and/or furnished by the Vendor, any subcontractor, partner, supplier, or by anyone directly or indirectly employed by any of them to perform or furnish any of the work, goods or services, or by anyone for whose acts any of them may be liable, and shall name Terrebonne Parish Consolidated Government, its elected and appointed officials, agents, directors, servants, employees, and volunteers as an additional insured thereunder. Additionally, the Vendor should be aware of and comply with any requirements of its own insurance policies.

If applicable, the Vendor shall require all subcontractors to maintain, in limits equal to or greater than Vendor's, the same insurance coverage for work performed or goods or services provided. The vendor shall insert this requirement in all contracts or agreements with all entities and/or persons who perform any work and/or provide goods or services. At no time shall the Vendor allow any subcontractors to perform work and/or provide goods or services without the required types and limits of insurance coverage. In the event of a subcontractor's non-compliance with this requirement, the Vendor shall be responsible for any damages or liabilities arising from the subcontractor's work, actions, or inactions.

**B. General Requirements:**

**1. Qualifications of Insurers:**

- a. All insurance required in this document are to be purchased and maintained by the Vendor from insurance companies that are duly licensed by the State of Louisiana to issue insurance policies for the limits and coverages so required. Such insurance companies utilized are to have a minimum rating of A- VI as of the most current edition of A.M. Best's Key Rating Guide. Any variance must be approved by TPCG.

- b. If the insurance company(s) providing any insurance coverage furnished by the Vendor is declared bankrupt, becomes insolvent, has its right to do business in Louisiana terminated or it ceases to meet the requirements of this Document, the Vendor shall, within thirty (30) days thereafter, substitute another insurance company(s) acceptable to TPCG. TPCG reserves the right to mandate cessation of all work or provision of goods or services until the receipt of acceptable replacement insurance.
  
2. **Partnerships and Joint Ventures:** If the Vendor is a partnership or joint venture then the evidence of all primary and excess liability insurance required to be maintained during the term hereunder shall be furnished in the name of the partnership or joint venture. Evidence of continuing primary commercial general liability insurance, which shall remain in effect in the name of the partnership or joint venture, shall also be furnished.
  
3. **Certificates of Insurance/Policies of Insurance:**
  - a. The Vendor shall deliver to TPCG Certificates of Insurance, with copies to each additional insured identified in the Contract, evidencing all insurance which the Vendor has purchased and shall maintain in accordance with this Document. It is mandatory that within ten (10) days after the notification of the acceptance of the vendor application, the Vendor shall furnish to TPCG the certificates of insurance as required in this Document.
  - b. TPCG may require that any impaired aggregate (s) be replenished in its favor prior to commencement of work or the provisions of goods or services, and/or during its progress.
  - c. TPCG reserves the right to request removal of any endorsement(s) that it finds jeopardizes its own insurance portfolio. Failure to reach a compromise may result in contract cancellation or disqualification of bidder. TPCG reserves the right to request certified copies of any policy (s) evidenced by the Certificate(s) of Insurance. The requested certified copies should be provided to TPCG within ten (10) days of the written request.
  
4. **Objection by TPCG:** If TPCG has any objection to the coverage afforded by or any other provisions of the insurance required to be purchased and maintained by the Vendor in accordance with the insurance requirements for the work or the provision of goods or services on the basis of non-conformance with the Contract requirements, TPCG shall notify the Vendor in writing within fifteen (15) days after receipt of the Certificates. The Vendor shall provide a written response to TPCG's objections within ten (10) days from the date of the letter request.
  
5. **The Vendor's Failure:** Upon failure of the Vendor or any of its subcontractors, to purchase, furnish, deliver or maintain such insurance as required herein, at the election of TPCG, the Contract may be forthwith declared suspended, discontinued, or terminated. Failure of the Vendor to purchase and maintain insurance shall not relieve the Vendor from any liability under the Contract, nor shall the insurance requirements be construed to conflict with the obligations of the Vendor concerning indemnification.
  
6. **No waiver of liability:** Acceptance of evidence of the insurance requirements by TPCG in no way relieves or decreases the liability of the Vendor for its performance of any work or the provision of goods or services under the Contract. Additionally, the Vendor is responsible for any losses, expenses, damages, claims

and/or suits and costs of any kind which exceed the Vendor's limits of liability, or which may be outside the coverage scope of the Vendor's insurance policies. The insurance requirements outlined in this Document shall in no way be construed to limit or eliminate the liability of the Vendor that may arise from the performance of work or provision of goods or services under the Contract. The Vendor's coverage shall be primary for any and all claims and/or suits related to, or arising from, its operations. Any of the insurance coverage(s) maintained by TPCG shall be deemed as excess of the Vendor's insurance coverage and shall not contribute with or to the Vendor's insurance coverage in any way. The limits required herein are the minimum acceptable limits for this contract. TPCG in no way affirms that this is an adequate level of insurance for its operations.

7. **No Recourse Against TPCG:** The insurance companies issuing the policies shall have no recourse against TPCG for payment of any premiums, deductibles, retentions or for assessments under any form or policy. These shall be borne by and be the sole responsibility of the Vendor.
